

CYNGOR SIR POWYS COUNTY COUNCIL

**County Council
23rd April 2015**

REPORT AUTHOR: County Councillor Barry Thomas, Leader

SUBJECT: Question from County Councillor Gareth Ratcliffe

Following comments on Social Media in which an Elected Member of Powys County Council, alleges that the CEO has a plasma TV installed in his office, complete with a satellite TV package, could the Leader please make a statement on this matter, and in doing so answer the following questions :-

- a) Does the CEO have a TV set in his office and what is its precise purpose or use?**
- b) Are there any satellite packages available on this set?**

Thank you for your question. I have spoken to the Chief Executive who has confirmed that there is a television in his office which is used as a multi-media facility. It is not a plasma television.

The Chief Executive has also confirmed that the television receives "free air" television channels via Freesat.

The Chief Executive has kindly agreed to brief the Council meeting on the purpose and use of the multi-media facility.
