- 1.5.1 The Applicant has applied for a Premises Licence to authorise the sale of alcohol, provision of regulated entertainment (indoor and outdoor) and late night refreshment. (See **Annex C** for breakdown of application showing the licensable activities and times applied for)

This is much worse than my worst nightmare.

The prospect of noise disruption from morning until the early hours 7 days a week is frankly appalling. We are talking about 400+ residents (at peak capacity) carousing until the early hours only a few hundred meters away without any regulation. This is an unbearable prospect. The problem with Williams's gun club was noise disruption and this application has the prospect of being much worse.

I have tried to establish a dialogue with Williams, but have received only warning letter from his solicitor warning me off. Williams has a history of misleading local residents regarding the gun club and more recently the scale of the holiday park development – I fear the worst if this application is not subject to the upmost scrutiny and regulation.

I strongly object to this application on the grounds that Williams has no track record of managing a facility of this scale, he has refused to enter into dialogue with local residents (me in particular), has no plan to manage noise disruption and antisocial behaviour and is no doubt expecting PCC to nod through his latest extravagance with the same ease as planning permission was given despite opposition as to the scale of the project.

I would be perfectly prepared to make a personal representation at your offices at your convenience. Natalie - ultimately this has the potential to seriously adversely impact on our quality of our life and perhaps you would agree

that PCC's first responsibility is to provide for the wellbeing of ratepayers in general rather than to pander to the commercial greed of a single family.
