WEP STRATEGIC PARTNERING AGREEMENT

**ITPDSB Version
(Standard Form Version 1.4)**

STANDARD FORM WEP STRATEGIC PARTNERING AGREEMENT

STANDARD FORM VERSION 1

IMPORTANT NOTICE

This is the first version of the Welsh Education Partnership ("**WEP**") Strategic Partnering Agreement ("**SPA**") the intention of which is to minimise the time and costs of dealing with legal issues relating to the WEP Strategic Partnering Delivery Model. The Welsh Government expect the standard form SPA to be used substantially un-amended. A certain degree of customisation of the standard form SPA will be necessary to reflect the features of the developed scheme. However project specific justification must be given to any such customisation and must be approved by the Welsh Government.

Users of this standard form should be aware of the following points:

1. The standard form contract contains a number of footnotes identifying certain key issues that the parties will need to consider when using it. However, this is not an exhaustive list, and the standard form SPA will therefore need to be analysed and reviewed in detail to ensure that it is tailored to the requirements of the developed scheme and that its terms (and their impact) are clearly understood by the Participant(s). Customisation should not however extend to the parties seeking to change the substance of commercial terms or making unnecessary drafting amendments. All changes to the standard form contract require the prior approval of Welsh Government.
2. All parties are reminded that the WEP Strategic Partnering Delivery Model is a true partnership in every sense of the word and the value of further debate over insubstantial issues should be considered in this light. The public sector shall be positively motivated to work with the private sector to avoid or mitigate the impact of any issues that may arise over the lifetime of the partnering.
3. The standard form SPA is not a replacement for independent, specialist advice and parties must ensure that they have taken appropriate legal, financial and technical advice before using this document.
4. The standard form SPA shall be used in conjunction with any guidance issued by the Welsh Government from time to time.
5. This notice and the footnotes should be removed as appropriate before finalisation of the document for execution.

Should you have any questions on the draft you are asked to contact MIMEducation@gov.wales

RECITALS:

- (A) [The Participants which are [*appropriate references to public sector Participants to be inserted*] have agreed to enter into this Agreement pursuant to their powers contained in [*specific reference*].]
- (B) This Agreement establishes the long-term strategic partnering between WEPCo and the Participants relating, inter alia, to the delivery of improved Education Sector Services and, in certain instances, Community Services, in the Region.

NOW IT IS HEREBY AGREED as follows:

1. DEFINITIONS, INTERPRETATION AND CONSTRUCTION

This Agreement shall be interpreted according to the provisions of Schedule 1 (*Definitions, Interpretation and Construction*).

2. PURPOSE AND CONDUCT OF THE PARTIES

Aim

2.1 The purpose of this Agreement, the Shareholders' Agreements and the Project Agreements is to establish a long-term partnering relationship between WEPCo and the Participants and for WEPCo to provide or procure, across the Region as a whole, the provision of appropriate accommodation and related services to the Participants and others involved in providing Education Sector Services and/or Community Services with the aim of:

- 2.1.1 improving the efficiency of delivery of community and education based facilities;
- 2.1.2 making the best use of public resources; and
- 2.1.3 providing continuous improvement in both cost and quality in public procurement.

2.2 The aim of this Clause 2 is to identify the high level principles which underpin the delivery of the Parties' obligations under this Agreement and to set out key factors for a successful relationship between the Parties. Whilst it is recognised that these principles are difficult to measure in isolation, the successful implementation of the Project Agreements, the Shareholders' Agreements and this Agreement will depend on the Participants' ability effectively to co-ordinate and combine their expertise, manpower and resources in order to deliver an integrated approach to Education Sector Services and, in certain instances, Community Services in the Region, under this Agreement.

Principles

2.3 The principles referred to in Clause 2.2 are:

- 2.3.1 to develop close working relationships between WEPCo and the Participants at all levels;
- 2.3.2 to focus on achieving the best value for money operational performance within agreed timescales;
- 2.3.3 to set in place business and cultural processes to enable the Participants and WEPCo to establish and agree challenging time and performance objectives, and to meet or better them;
- 2.3.4 to recognise each other's needs, constraints, limitations, capabilities, roles and responsibilities to achieve mutually beneficial outcomes;
- 2.3.5 to identify, by regular monitoring, weaknesses and strengths in the relationship between and amongst the Participants and WEPCo and to work together to overcome the weaknesses and to build on the strengths;
- 2.3.6 to commit to the early recognition and resolution of differences, conflicts and disputes between and amongst the Participants and WEPCo in a 'no surprises' environment;
- 2.3.7 to appoint within each of the Participants and WEPCo, co-ordinators at senior level who will support, defend and promote the long-term strategic partnering between them and its principles of operation;
- 2.3.8 to develop openness and trust in a transparent information and data sharing environment; and
- 2.3.9 in accordance with the Equality Requirements to positively promote equal opportunities and the Ethical Employment Code by combating discrimination on the grounds of race, ethnicity, religion, nationality, gender, disability, age or sexuality and promoting good relations between all sections of the community in 'everything we do' including:
 - (a) delivering high quality Education Sector Services and (where relevant) Community Services for end users; and
 - (b) working with the local community and partners in the public, private or voluntary sectors.

Mutual Objectives

2.4 This Agreement, under which, inter alia, a contractual structure is established for the delivery of a range of services designed to assist in the integrated delivery of Education Sector Services and, in certain cases, Community Services in the Region, aims to ensure that the following essential components are embraced and adhered to by WEPCo and the Participants:

- 2.4.1 WEPCo and the Participants agree and commit themselves to:
 - (a) the agreed mutual aims set out in Clause 2.1, and the WEP Objectives; and
 - (b) understanding the other Parties' long-term goals and working towards them in accordance with the principles set out in Clause 2.3;
- 2.4.2 these mutual objectives are kept under review through meetings and effective communications;
- 2.4.3 WEPCo and the Participants benefit from 'open book' relationships in accordance with Clause 36 (*Records and Open Book Accounting*);
- 2.4.4 in its dealings with Supply Chain Members for the delivery of individual Projects, WEPCo will seek to act in a manner consistent with the principles in Clause 2.3 and will seek to ensure that each of such parties is aware of and is able to contribute to the mutual objectives agreed with the Participants from time to time in accordance with this Clause 2.4; and
- 2.4.5 without prejudice to the provisions of Clause 30 (*Confidentiality*), all discussions between the Parties are treated with mutual confidentiality.

Problem Resolution

2.5 WEPCo and the Participants adopt an agreed systematic approach to problem resolution which recognises the principles contained in Clause 2.3.6 and:

- 2.5.1 seeks solutions without apportioning blame;
- 2.5.2 is based on mutually beneficial outcomes;
- 2.5.3 treats WEPCo and the Participants as equal parties in the dispute resolution process;
- 2.5.4 contains a mutual acceptance that adversarial attitudes waste time and money; and
- 2.5.5 relies on more and better discussion - with less paperwork and more constructive correspondence.

Improvement

2.6 WEPCo and the Participants will commit themselves to the achievement of continuous, measurable and measured improvement by:

2.6.1 agreeing quantitative and qualitative targets (pursuant to Clause 14.17 (*Managing WEPCo Performance*) and Section 3 (*Performance Measurement*) of Schedule 3 (*Partnering Services*) which relate to the purpose and aim of this Agreement and the Parties' mutual objectives and which:

- (a) are specific;
- (b) are challenging;
- (c) add value; and
- (d) eliminate waste;

2.6.2 measuring and reviewing contractual performance against the Key Performance Indicators in accordance with this Agreement; and

2.6.3 identifying and following best practice.

Non-binding effect of this Clause 2

2.7 The Parties recognise and agree that the partnering ethos, principles and objectives described and set out in this Clause 2 are aspirational and shall not and are not intended to give rise to legally binding rights and obligations between the Parties.

3. COMMENCEMENT, DURATION AND EXPIRY OF THIS CONTRACT

Contract Term and Expiry

3.1 Subject to Clause 3.2 and to earlier termination in accordance with its terms, this Agreement will commence on the Commencement Date and will expire on the date ten (10) years after the Commencement Date (the "**Initial Expiry Date**"). For the avoidance of doubt, WEPCo shall not be entitled to any compensation for termination of this Agreement on expiry on the Initial Expiry Date or on the Extended Expiry Date, as the case may be, nor on any extension to this Agreement beyond the Initial Expiry Date.

3.2 The term of this Agreement may be extended for an additional five (5) years after the Initial Expiry Date in the circumstances and in accordance with procedure set out in this Clause 3.2:

- (b) the Education Sector Services and Community Services needs of the population within the Region; and
- (c) whether it would be beneficial to the provision of all or any of the Education Sector Services and/or Community Services in the Region to extend this Agreement for a further five (5) year period from the Initial Expiry Date;

3.2.2 if WEPCo and one or more of the Participants (the "**Continuing Participants**") agree that it would be beneficial to the provision of all or any of the Education Sector Services and/or Community Services in the Region to extend this Agreement, the Continuing Participants shall serve a written notice upon WEPCo at least six (6) months before the Initial Expiry Date the effect of which shall be to extend the term of this Agreement by five (5) years from the Initial Expiry Date as between WEPCo and the Continuing Participants. In relation to any Participant who is not a Continuing Participant, this Agreement shall expire on the Initial Expiry Date and nothing in this Clause 3.2.2 shall extend or increase the liability of any such Participants.

3.3 Upon the expiry or earlier termination of this Agreement, the following clauses shall continue to the extent necessary to give effect to the expiry or termination of this Agreement, or, if later (and where applicable to the operation of WEPCo's Partnering Services related to performance of a Project Service Provider under an operative Project Agreement), shall continue in force until the final D&B Termination Date of any Project Agreement for a D&B Project in force at the time of expiry or earlier termination of this Agreement, which was entered into pursuant to this Agreement:

5. PLANNING MATTERS AND INTERESTS IN PROPERTY

5.1 **Planning matters**

- 5.1.1 It is the intention of the Parties that, where Planning Permission is required for any Approved Project, that detailed Planning Permission is obtained prior to execution of the Project Agreement in respect of the relevant Approved Project. In such cases the provisions of Schedule 12 (*Planning Matters*) and Schedule 13 (*Unreasonable Conditions*) shall have full effect in respect of such Approved Project. WEPCo's performance of its obligations under Schedule 12 (*Planning Matters*) in respect of a specific Approved Project shall be deemed to be part of the Project Development Partnering Services and the costs incurred relative thereto shall be included as part of the Project Development Fee.
- 5.1.2 In exceptional circumstances, in terms of the relevant Stage 2 Approval, detailed Planning Permission may not be required to be obtained prior to execution of the

relevant Project Agreement. In such cases the provisions of Schedule 12 (*Planning Matters*) and Schedule 13 (*Unreasonable Conditions*) shall, subject to Clause 5.1.4, have effect in respect of the relevant Approved Project until such time as a Project Agreement is executed whereupon such matters as relate to the development which is the subject of that Project Agreement shall become the responsibility of the Project Service Provider under that Project Agreement and, save as agreed to the contrary between the Project Service Provider and the relevant Project Agreement Counterparty, the appropriate provisions from Schedule 12 (*Planning Matters*) and Schedule 13 (*Unreasonable Conditions*) shall be included within the relevant Project Agreement.

- 5.1.3 WEPCo shall provide all such assistance as is required by any Project Service Provider under a Project Agreement to ensure a smooth transition of planning matters including but not limited to all Consents, Planning Permissions, Planning Agreements and Infrastructure Agreements which are the subject of that Project Agreement.
- 5.1.4 The requirements of paragraphs 1.1.1, 1.1.2 and 1.1.3 of Schedule 12 (*Planning Matters*) shall continue to apply in respect of any Project the subject of a Project Agreement notwithstanding the execution of the relevant Project Agreement.

Disposal of properties and/or shares

- 5.2 WEPCo shall not take or permit to be taken any action which would result in a loss of control (direct or indirect) by WEPCo of any Subsidiary of WEPCo which is a Project Service Provider without the approval of the SPB. If, subject to Clause 5.5, WEPCo or any Subsidiary of WEPCo proposes to sell, transfer or otherwise dispose of any legal, beneficial or equitable interest in share capital which would result in a loss of control by WEPCo of any Subsidiary of WEPCo which is a Project Service Provider, WEPCo shall notify the SPB in writing of its intention (or the intention of its Subsidiary) and such notification shall be accompanied by proposals setting out how, if the proposed transaction were to proceed, the relevant Project Agreement Counterparties' rights under the relevant Project Agreement(s), together with the wider protection afforded to the Project Agreement Counterparties as a consequence of the inter-relation between that Project Agreement, the WEPCo Shareholders' Agreement and this Agreement, would or could be preserved or enhanced.
- 5.3 In deciding whether to approve any proposed action notified under Clause 5.2, the SPB shall act reasonably and without undue delay, taking into account any proposals put forward pursuant to Clause 5.2. If the SPB does not approve the proposed action, WEPCo shall not, and shall use all reasonable endeavours to procure that its Subsidiary and/or the relevant Project Service Provider shall not, proceed with that proposed action.
- 5.4 If any Project Service Provider takes any action under its Project Agreement which, in terms of such agreement, requires the SPB's consent without such consent having first been obtained, or if WEPCo or any Subsidiary of WEPCo takes any action which requires the SPB's consent or agreement under this Agreement without such consent or agreement having first been obtained, such action shall be deemed to constitute a material breach by WEPCo of its obligations hereunder for the purposes of Clause 23.1.3.
- 5.5 Clause 5.2 shall not apply to the sale, transfer or other disposition of a legal, beneficial or equitable interest in the share capital of a Subsidiary of WEPCo which is a Project Service Provider where:

- 5.5.1 such sale, transfer or disposition is required by the Funders in response to a default by the Project Service Provider under the relevant Funding Agreements; or
- 5.5.2 the disposition is the grant of security for any loan made to the Project Service Provider under the relevant Funding Agreements.

6. **NEW PROJECTS**

- 6.1 The Parties' obligations in relation to the identification, approval and delivery of New Projects which are Qualifying Projects are contained in Schedule 5 (*Approval Process for New Projects*).
- 6.2 In respect of each Approved Project (including where Clause 9.3.5 applies) WEPCo shall, or shall procure that a Project Service Provider shall enter into a Project Agreement either:
 - 6.2.1 substantially in the form of the relevant Template Project Agreement completed in accordance with the "IMPORTANT NOTICE" set out on such Template Project Agreement to reflect such amendments as may be required in the circumstances of that particular Project Agreement and as may be agreed between WEPCo and the Relevant Participant(s) and approved by the Welsh Government; or
 - 6.2.2 in the case of an Approved Project for FM Services only, or a D&B Project for Community Services only, in such form as may be agreed between the Relevant Participant(s) and WEPCo and approved by the Welsh Government.
- 6.3 In respect of each Approved Project that is a MIM Project (including where Clause 9.3.5 applies), WEPCo shall procure that a Project Service Provider shall enter into a Project Co Shareholders' Agreement substantially in the form of the Template Project Co Shareholders' Agreement, completed in accordance with the "IMPORTANT NOTICE" set out on such Template Project Co Shareholders' Agreement to reflect such amendments as may be required in the circumstances of that particular project as agreed among the Project Service Provider, PSDP and WGCo and approved by the Relevant Participant(s) and Welsh Government.

7. **EXISTING SERVICE PROVIDERS**

- 7.1 WEPCo acknowledges that the Participants' accommodation requirements and associated services are, at the Commencement Date, delivered using a variety of service providers including, in some cases, persons employed by the Participants.
- 7.2 The Parties recognise that during the term of this Agreement it is envisaged that WEPCo will be providing or procuring the provision of an increasing proportion of the Participants' accommodation requirements and associated services under the terms of this Agreement and (via the Project Service Providers) the Project Agreements.
- 7.3 WEPCo and each Participant will work together to ensure that the existing service providers are treated fairly as a consequence of the operation of this Agreement and, without prejudice to the operation of Law and the requirements of Clause 19 (*Transfer of Employment*), WEPCo shall endeavour, where it is practicable and consistent with achieving the Participant's requirements from time to time, to employ or procure employment by a Project Service Provider of those individuals engaged in carrying out activities for the benefit of that Participant for which WEPCo or any Project Service Provider under a Project Agreement subsequently becomes responsible under the Agreement or any Project Agreement.

8. SERVICES OBLIGATIONS

8.1 WEPCo shall procure that the Partnering Services are at all times performed:

- 8.1.1 with that degree of skill and care that would reasonably be expected of a competent professional provider of the relevant Partnering Service having regard to the nature and extent of that service;
- 8.1.2 in accordance with all relevant Law and codes of practice (including Local Government Requirements where applicable);
- 8.1.3 in accordance with all Consents;
- 8.1.4 in a manner which is not likely to be injurious to health or cause damage to property;
- 8.1.5 in accordance with paragraphs 1.1.1 and 1.1.2 and all other applicable provisions of Section 1 (*Specification*) of Schedule 3 (*Partnering Services*);
- 8.1.6 in accordance with the applicable provisions of the Partnering Services Method Statements;
- 8.1.7 in so far as not in conflict with an express obligation of WEPCo under this Agreement, or where in relation to a matter there is no express obligation or standard imposed on WEPCo under this Agreement, in accordance with Good Industry Practice; and
- 8.1.8 in a manner:
 - (a) consistent with the Participants discharging their statutory duties and/or other functions undertaken by them as the same may be notified to WEPCo from time to time; and
 - (b) that recognises the Participants' (and prospective Project Agreement Counterparties') needs for flexibility of occupation of premises to be provided and/or serviced under Project Agreements, particularly with regard to:
 - (i) providing Facilities which have potential for alternative uses to those to which they are initially intended to be put;
 - (ii) meeting the future accommodation requirements of Participants and other community stakeholders in the Region by taking into account the flexibility contained in any Project Agreements existing for the time being and, in particular, the terms and conditions of such Project Agreements and the remaining duration of such Project Agreements; and
 - (iii) the manner in which New Projects are identified and brought forward under the SDP and the terms of this Agreement.

8.2 To avoid doubt, the obligations in Clause 8.1 are independent obligations. In particular compliance by WEPCo with Section 5 (*Partnering Services Method Statements*) of Schedule 3 (*Partnering*

Services) shall not be a defence to an allegation that WEPCo has not complied with any other requirement of Clause 8.1. In the event of any conflict between any provision of any of the Partnering Services Method Statements and any other requirement of this Agreement including Clause 8.1, WEPCo shall amend (at its own cost) the relevant provisions of the Partnering Services Method Statements so as to remove the conflict and provide an updated version of the same for approval by the Participants. Once the updated version has the approval of the Participants, it shall replace the relevant part of Section 5 (*Partnering Services Method Statements*) of Schedule 3 (*Partnering Services*).

8.3 Subject to Clause 28.2, and the Participants' rights under Clause 23 (*WEPCo Events of Default*) WEPCo shall be free to sub-contract the whole or any part of the provision of the Partnering Services to a Partnering Subcontractor, notwithstanding which it shall remain solely responsible to the relevant Participant(s) for the provision of the relevant Partnering Services in accordance with this Agreement.

8.4 The Parties agree that it is fundamental to the successful operation of this Agreement that WEPCo devotes sufficient resource and expertise to providing the Partnering Services in a competent and timely manner and otherwise in accordance with the standards set out in Clause 8.1 (*Service Obligations*).

9. **EXCLUSIVE NATURE OF THIS AGREEMENT**

9.1 Subject to Clauses 9.3, 9.7, 22.2, 22.6, 23.3 and 23.10, WEPCo shall have the sole and exclusive right and obligation for a period of ten (10) years from the Commencement Date to provide all of the services which comprise the Ongoing Partnering Services and the Project Development Partnering Services to each of the Participants on the terms and subject to the conditions of this Agreement and in particular subject to the Partnering Services Costs being recoverable only in accordance with Clause 10.2. In respect of the Project Development Partnering Services, such exclusivity relates only to Qualifying Projects.

9.2 Subject to Clauses 9.3, 9.6, 9.7, 22.2, 22.6, 23.3 and 23.10 and the provisions of Schedule 5 (*Approval Process for New Projects*), WEPCo shall have the sole and exclusive right for a period of ten (10) years from the Commencement Date to provide itself, or nominate its wholly owned Subsidiaries or, in the case of MIM Projects nominate a PSDP Related Party, to provide Project Services (in each case as Project Service Provider) to each of the Participants in relation to those Qualifying Projects that become Approved Projects within such ten (10) year period and each Participant shall ensure that, subject to the terms of this Agreement, they contract with WEPCo or its nominees as aforesaid under a Project Agreement for the provision of Project Services in relation to all such Qualifying Projects which become Approved Projects, in each case on the terms and subject to the conditions of this Agreement.

9.3 WEPCo shall have no right or obligation, but may be requested by any Participant, subject to the agreement of appropriate terms and conditions and subject to applicable Law prevailing at the relevant time and applicable procurement rules and guidance, to provide itself, or nominate its wholly owned Subsidiaries or, in the case of MIM Projects under Clause 9.3.5 to nominate a PSDP Related Party, to provide (in each case as Project Service Provider) to the Participants (or any of them):

9.3.1 Project Services in relation to capital projects identified by a Participant as required for the provision of Education Sector Services (where such projects have been expressly designated and Approved under a Strategic Outline Programme) and/or Community Services, in the Region;

- 9.3.2 Project Services in relation to the provision of FM Services that are not provided as part of any Qualifying Project, but are required in relation to capital projects procured under Clause 9.3.1 in the Region;

- 9.3.6 Project Development Partnering Services in respect of potential New Projects which are not Qualifying Projects but are requested by a Participant pursuant to Clause 9.3.1 or Clause 9.3.2.

9.4 All Project Services to be provided to Participants or to any other person(s) pursuant to Clause 9.3 (excluding Clause 9.3.5 to which Clause 6.1 shall apply) shall be provided pursuant to a Project Agreement either:

- 9.4.1 substantially in the form of the relevant Template Project Agreement completed in accordance with the "IMPORTANT NOTICE" set out on such Template Project Agreement to reflect such amendments as may be required in the circumstances of that particular Project Agreement and as may be agreed between WEPCo and the Relevant Participant(s) and approved by the Welsh Government; or
- 9.4.2 in the case of Project Services for FM Services only, or a D&B Project for Community Services only, in such form as may be agreed between WEPCo and the Relevant Participant(s) and approved by the Welsh Government.

9.5 The Participants shall work together with each other and with WEPCo with the aim of ensuring that the Project Services at all of their Facilities are provided under the terms of this Agreement and the Project Agreements.

9.6 Subject to Clauses 9.3, 9.7, 22.2, 22.6, 23.3 and 23.10 and the provisions of Schedule 5 (*Approval Process for New Projects*), each of the Participants undertake to WEPCo, that they shall not enter into any transactions for the provision of Qualifying Projects in the Region in furtherance of their statutory duties or otherwise, other than pursuant to a Project Agreement entered into pursuant to this Agreement. The undertaking contained in this Clause 9.6 shall cease to be effective and binding on the expiry of ten (10) years from the Commencement Date.

9.7 The exclusivity granted pursuant to Clause 9.1 and/or Clause 9.2 may be suspended in respect of any Participant during any period where WEPCo has failed the Track Record Test by such Participant serving written notice of such suspension on WEPCo. Without prejudice to the rights of the Participants under Clauses 23.3 and 23.10, any such suspension shall expire:

- 9.7.1 following written notice to that effect being served on WEPCo by the Participant in question, copied to the SPB; or
- 9.7.2 automatically where WEPCo passes a subsequent Track Record Test or where Clause 23.12.2(b) applies.

9.8 No breach of Clause 9.1 or Clause 9.2 shall arise as a result of the provision of Partnering Services or Project Services by a third party to any Participant who serves a suspension notice in circumstances where they are entitled to do so under this Agreement, to the extent such services are instructed during such period of suspension.

9.9 Where a suspension of exclusivity by a Participant occurs (whether pursuant to Clause 9.7, Clause 23.3 or Clause 23.10) and WEPCo has commenced the New Project Approval Process for a New Project for which such Participant is a Relevant Participant but has not obtained a Stage 1 Approval or Stage 2 Approval (as the case may be), then, subject to the terms of Schedule 5 (*Approval Process for New Projects*), WEPCo shall continue to provide the Project Development Partnering Services comprised within the relevant stage(s) of the New Project Approval Process for such New Project unless and until notice is served pursuant to paragraph 7 of Schedule 5 (*Approval Process for New Projects*) by the Relevant Participant in respect of such New Project.

10. PRICE AND PAYMENT FOR THE SERVICES

Payment for Partnering Services

10.1 WEPCo shall prepare and maintain accurate records of the Partnering Services Costs (and details of the proposed New Projects in relation to which such costs are incurred, where relevant).

10.2 Save in the circumstances set out in Clause 22 (*Participant Default*) and Schedule 5 (*Approval Process for New Projects*), WEPCo shall recover its Partnering Services Costs in respect of Ongoing Partnering Services and Project Development Partnering Services as provided in Schedule 4 (*Partnering Services Costs*). As regards Strategic Support Partnering Services then, subject always to Clause 22 (*Participant Default*), these shall be provided by WEPCo and paid for by the relevant Participant(s) (within 30 days of valid invoice therefor) at rates and prices quoted by WEPCo and accepted by the relevant Participant(s) in advance. These rates and prices should be in accordance with Section 4 (*Partnering Services Costs Rates*) of Schedule 3 (*Partnering Services*) as updated from time to time in accordance with this Agreement, subject to whatever adjustments as may be agreed between WEPCo and the relevant Participant(s) in each case.

10.3 All payments under this Agreement shall be made in pounds sterling by electronic transfer of funds for value on the day in question to the bank account of the recipient (located in the United Kingdom) specified in the relevant invoice, quoting the invoice number against which payment is made. Subject to Section 3 (*Payment and Interest*) of Schedule 14 (*Compensation on Participant Event of Default and Termination*), all valid invoices shall be payable within 30 days of receipt.

10.4 If any Party (acting in good faith) disputes all or any part of any sum payable hereunder, the undisputed amount shall be paid by the relevant Party in accordance with Clause 10.3 and the provisions of the Dispute Resolution Procedure shall apply in respect of the disputed part. Following resolution of the dispute, any amount agreed or determined to have been payable shall be paid forthwith by the relevant

Party to the recipient, together with interest on such amount calculated in accordance with Clause 10.5 (*Late Payment*).

Late Payment

10.5 Each Party shall be entitled, without prejudice to any other right or remedy, to receive interest on any payment not made on its due date, calculated from day to day at a rate per annum equal to the Default Interest Rate from the day after the date on which payment was due up to and including the date of payment.

Set-Off

10.6 Whenever any sum of money shall be agreed, or determined, as due and payable by WEPCo to a Participant, such sum may at that Participant's discretion be deducted from or applied to reduce the amount of any sum then due to WEPCo from the Participant under this Agreement or which, prior to payment of such sum by WEPCo may so become due, provided that Participant has given WEPCo not less than five (5) Business Days written notice of its intention to deduct or apply such sum.

10.7 Whenever any sum of money shall be agreed, or determined as due and payable by a Participant to WEPCo, such sum may at WEPCo's discretion be deducted from or applied to reduce the amount of any sum then due from WEPCo to that Participant under this Agreement or which, prior to payment of such sum by the Participant, may so become due, provided that WEPCo has given that Participant not less than five (5) Business Days written notice of its intention to deduct or apply such sum.

VAT

10.8 All amounts stated to be payable by any party under this Agreement shall be exclusive of any VAT properly chargeable on any amount.

10.9 Each party shall pay to the relevant other party any VAT properly chargeable on any supply made to it under this Agreement provided that it shall first have received from the other party a valid tax invoice in respect of that supply which complies with the requirements of Part III VAT Regulations 1995.

10.10 If any Party (the "**First Party**") considers that any VAT which another Party (the "**Second Party**") claims to be properly chargeable to the First Party in connection with this Agreement is not in fact properly so chargeable, the First Party shall be entitled to require the Second Party to obtain a clearance from HM Revenue and Customs (or, if relevant, such other body as is charged at the time with the collection and management of VAT) as to the VAT (if any) properly so chargeable. The Second Party shall forthwith request HM Revenue and Customs for such a clearance.

10.11 The following further provisions shall apply in respect of the applications for a clearance in accordance with Clause 10.10:

10.11.1 prior to submitting its request for such clearance and any further communication to HM Revenue and Customs in connection with the obtaining of the clearance, the Second Party shall first obtain the agreement of the First Party to the contents of such request and any such further communication, such agreement not to be unreasonably withheld or delayed;

10.11.2 the Second Party shall provide to the First Party copies of all communications received from HM Revenue and Customs in connection with the application for clearance as soon as practicable after receipt; and

10.11.3 the Second Party shall use all reasonable endeavours (including without limitation the provision of such additional information as HM Revenue and Customs may require) to obtain such clearance as soon as reasonably practicable following the initial request.

10.12 If clearance is required by the First Party under Clause 10.10, the First Party shall not be obliged to pay the VAT so claimed by the Second Party unless and until clearance is received from HM Revenue and Customs which states that a sum of VAT (the "**VAT Sum**") is properly so chargeable or HM Revenue and Customs state that they are not prepared to give clearance on the matter. In this case, then subject to Clauses 10.13 and 10.14 and provided that the First Party shall first have received a valid tax invoice which complies with the requirements of Part III VAT Regulations 1995 and which states the VAT Sum to be the amount of VAT chargeable to the First Party, the First Party shall pay the VAT Sum (and any interest or penalties attributable to the VAT Sum) to the Second Party.

10.13 If the First Party disagrees with any clearance obtained pursuant to Clause 10.10 by the Second Party from HM Revenue and Customs, then the Second Party (provided that it is indemnified to its reasonable satisfaction against all costs and expenses including interest and penalties which it may incur in relation thereto) shall take such action and give such information and assistance to the First Party as the First Party may require to challenge such clearance or otherwise to resist or avoid the imposition of VAT on the relevant supply.

10.14 The following further provisions shall apply if the First Party shall exercise its rights under Clause 10.13:

10.14.1 the action which that First Party shall be entitled to require the Second Party to take shall include (without limitation) contesting any assessment to VAT or other relevant determination of HM Revenue and Customs before any VAT tribunal or court of competent jurisdiction and appealing any judgement or decision of any such tribunal or court;

10.14.2 if the Second Party shall be required to pay to or deposit with HM Revenue and Customs a sum equal to the VAT assessed as a condition precedent to its pursuing any appeal, the First Party shall, at its election, either pay such sum to HM Revenue and Customs on behalf of the Second Party or on receipt of proof in a form reasonably satisfactory to the First Party that the Second Party has paid such sum to or deposited such sum with HM Revenue and Customs the First Party shall pay such sum to the Second Party;

10.14.3 save as specifically provided in Clause 10.12, the First Party shall not be obliged to pay to the Second Party any sum in respect of the VAT in dispute to the Second Party or in respect of VAT on any further supplies made by the Second Party to the First Party which are the same type and raise the same issues as the supplies which are the subject of the relevant dispute unless and until the final outcome of the relevant dispute is that it is either determined or agreed that VAT is properly chargeable on the relevant supply or supplies; and

10.14.4 the Second Party shall account to the First Party for any costs awarded to the Second Party on any appeal, for any sum paid to or deposited with HM Revenue and Customs in accordance with Clause 10.14.2 which is repayable to the Second Party and for any interest to which the Second Party is entitled in respect of such sums.

Any act of any such person shall, for the purposes of this Agreement, constitute an act of that Participant's Representative and all references to the Participant's Representative in this Agreement (apart from this Clause 12.2) shall be taken as references to such person so far as they concern matters within the scope of such person's authority (as so notified in writing to WEPCo).

12.3 Each Participant may by written notice to WEPCo and the other Participants change the identity of their Participant's Representative. Each Participant shall (as far as practicable) consult with WEPCo and the other Participants prior to the appointment of any replacement for its Participant's Representative, taking account of the need for liaison and continuity in respect of this Agreement. Such change shall have effect on the date specified in the written notice (which date shall, other than in the case of emergency, be such date as will not cause material inconvenience to WEPCo in the execution of its obligations under this Agreement).

12.4 During any period when no Participant's Representative has been appointed in relation to one or more Participants (or when a Participant's Representative is unable through illness, incapacity or any other reason whatsoever to carry out or exercise his functions under this Agreement) the affected Participant shall carry out the functions which would otherwise be performed by that Participant's Representative.

12.5 No act or omission of a Participant's Representative or any officer, employee or other person engaged by a Participant shall, except as otherwise expressly provided in this Agreement:

12.5.1 in any way relieve or absolve WEPCo from, modify, or act as a waiver of any claim in respect of, any liability, responsibility, obligation or duty of WEPCo arising out of this Agreement; or

Representative of WEPCo

12.7 WEPCo's Representative shall be [*Insert the name of the WEPCo representative*] or such other person appointed from time to time pursuant to this clause. WEPCo's Representative shall have full authority to act on behalf of WEPCo for all purposes of this Agreement. Except as previously notified in writing before such act by WEPCo to the Participants, the Participants and the Participants' Representatives shall be entitled to treat any act of WEPCo's Representative in connection with this Agreement as being expressly authorised by WEPCo and the Participants' Representatives shall not be required to determine whether any express authority has in fact been given.

12.8 WEPCo may, by written notice to the Participants, change WEPCo's Representative. Where WEPCo wishes to do so it shall by written notice to the Participants' Representatives propose a replacement for approval, taking account of the need for liaison and continuity in respect of this Agreement. Such appointment shall be subject to the approval of the Participants (not to be unreasonably withheld or delayed).

13. VALUE FOR MONEY

13.1 The procedure by which WEPCo shall produce evidence as to whether or not its proposals in respect of a New Project which is a Qualifying Project deliver value for money is as set out in Schedule 5 (*Approval Process for New Projects*), Schedule 6 (*New Project Pricing Report*) and the relevant provisions of Section 5B (*Partnering Services Method Statements - Project Development Partnering Services*) of Schedule 3 (*Partnering Services*).

13.2 WEPCo shall ensure that the procedures implemented pursuant to this Agreement in order to demonstrate value for money and continuous improvement in value for money will be carried out at all times openly, fairly and with full transparency and in a manner such that the Participants are able to check compliance with the requirements in this Clause 13 (*Value for money*).

13.3 Throughout the course of this Agreement and of all Projects carried out pursuant to or arising out of this Agreement, WEPCo shall monitor and record in writing the predicted capital and, where applicable, whole life cost to the Project Agreement Counterparty for each Project and any increases or reductions in such estimated cost from time to time together with the reasons for all such increases or reductions.

- 13.4 WEPCo shall also record the final cost for:
- 13.4.1 the design and construction of each Project; and
 - 13.4.2 as the information becomes available over time, the actual cost of maintaining and repairing each Project throughout the duration of the relevant Project Agreement,
- in either case where such design and construction and/or maintenance and repair is the responsibility of the Project Service Provider under the relevant Project Agreement.

13.5 WEPCo will benchmark the costs referred to in Clause 13.4 in respect of each individual Project against such costs for all Projects. WEPCo will also break down such costs into comparable units of costs for different components of such Projects as agreed with, or as reasonably requested by, the Participants, so that a comparison can be made between the costs of similar projects and similar components from similar and different projects under the WEP Strategic Partnering Delivery Model.

13.6 Without prejudice to Section 3 (*Performance Measurement*) of Schedule 3 (*Partnering Services*), by *inter alia* benchmarking costs in accordance with Clause 13.5, and disregarding any effects of inflation, WEPCo will be expected to be able to demonstrate in the WEPCo Performance Report and at the Annual Reviews (and at such other times as may be reasonably requested by the Participants) lower costs and/or greater value for money to the Participants in the delivery of Projects in accordance with this Agreement over the term of this Agreement.

13.7 In relation to any proposed changes under any Project Agreement (whether the proposed change is as a result of change in law, a change requested by the Project Agreement Counterparty or otherwise) or any other matter affecting the relevant Project which may have an equivalent effect on other Projects, WEPCo shall work with the relevant Project Service Providers to achieve the best value solution for the Participants and Project Agreement Counterparties across the relevant Projects in respect of such proposed changes or other matter.

Neither the WEPCo representative, nor the Stakeholder Representatives shall be entitled to vote in meetings of the SPB.

14.2 The SPB shall meet regularly (and at least every three (3) months) to provide strategic input into how the partnering established by this Agreement is operating and to review:

14.2.1 financial; and

14.2.2 operating (including performance),

issues and to give guidance on and approve the order in which New Projects should be progressed, and to give guidance on by whom and on what basis such New Projects should be progressed.

14.3 The SPB will serve as a forum for the open exchange of ideas and enable the Participants to discuss their forthcoming accommodation and service delivery requirements to ensure an integrated co-ordinated approach to fulfilling such requirements. The SPB also has a number of rights and obligations as expressly set out in this Agreement.

14.4 The SPB shall be required to approve the SDP put forward annually in accordance with Section 2 (*Updated SDP*) of Schedule 11 (*Strategic Delivery Plan*) and shall ensure that WEPCo's proposals for New Projects are consistent with delivery of the latest SDP.

14.5 Decisions of the SPB will be taken by the majority vote. In the event of deadlock, no one has a casting vote unless expressly set out in this Agreement. Decisions of the SPB which Affect any Participant will bind that Participant only where that Participant's Representative on the SPB has voted in favour of the decision on that Participant's behalf.

14.6 A chair of the SPB ("**Chairman**") shall be appointed in accordance with this Clause 14.6.

14.6.1 The Chairman will be appointed on an annual basis from amongst the Participants' Representatives.

14.6.2 Save where agreed to the contrary by the Participants, it is intended that the post of Chairman shall rotate annually amongst the Participants' Representatives in turn.

14.6.3 The first Participant's Representative to hold the post of Chairman (from the Commencement Date until the first anniversary thereof) shall be the Participant's Representative appointed by [*insert first Chairman appointing Participant*]. The order of rotation thereafter shall be as agreed between the Participants.

14.6.4 The Chairman will be non-voting in his capacity as Chairman.

14.7 SPB meetings will take place at such places and (subject to Clause 14.2) times as the Parties shall decide. Agendas will be circulated on behalf of the Chairman five (5) Business Days in advance (with supporting papers) and any Party wishing to raise other agenda items (including an item under "Any other

business") will notify all other Parties (with supporting papers) in writing no later than three (3) Business Days in advance.

14.8 A quorum for the proper and valid conduct of any business of the SPB shall be [five (5)] Participants' Representatives (one of whom must be a representative from Welsh Government) and the WEPCo Representative, in each case appointed pursuant to Clause 14.1.

14.9 If a quorum is not present at any meeting of the SPB within 30 minutes of that meeting's start time, it shall be adjourned to the same time and place on the date which is five (5) Business Days later. The quorum for any adjourned meeting shall be one (1) Participant's Representative (who must be a representative from Welsh Government) and the WEPCo Representative.

14.10 The Participants shall arrange for a person to take minutes of all SPB meetings and circulate the same to all representatives appointed at such time pursuant to Clause 14.1 and the Chairman (whether or not the same were in attendance of the meeting) within five (5) Business Days after the relevant meeting.

14.11 Each of the Parties shall use all its reasonable endeavours to ensure their regular attendance at all meetings of the SPB and each Participant will, unless unavoidable, ensure that its representative on the SPB is appropriately empowered to agree matters on its behalf.

14.12 Each Participant shall use all its reasonable endeavours to ensure that its representative on the SPB conducts himself in accordance with the partnering principles contained in Clause 2.3 and in a manner intended to ensure (insofar as each Participant is able) that the SPB complies with its obligations and carries out its functions in a timely manner.

14.13 A telephone conference call or video conference or a combination of the same, at which all participants are able to speak to and hear each of the other participants and at which for all times at that meeting a quorum of the SPB is able to so participate, shall be valid as a meeting of the SPB.

Managing WEPCo performance

14.14 The SPB will act as the primary mechanism for managing WEPCo's performance.

14.15 WEPCo shall regularly monitor and report to the SPB on the performance of WEPCo (and its Partnering Subcontractors) under this Agreement and of the Project Service Providers and the Supply Chain Members under Project Agreements.

14.16 WEPCo shall, within twenty (20) Business Days of each Review Date, complete and issue to the SPB the WEPCo Performance Report. The WEPCo Performance Report shall include a review of each of the Key Performance Indicators, detailing, in each case, whether or not the relevant Key Performance Indicator has been met together with a summary of the data and scoring supporting each of the Key Performance Indicators (which data and scoring shall be as up to date as reasonably practicable as at the Review Date and in any event shall be up to date as at the date thirty (30) Business Days prior to the Review Date). If any change is made to the WEPCo Performance Report pursuant to the procedure in Clause 14.18, then references to the WEPCo Performance Report shall be read as references to the WEPCo Performance Report as updated or amended by agreement with WEPCo or as a result of agreement or determination pursuant to the Dispute Resolution Procedure.

14.17 The Participants and WEPCo shall meet annually following each Review Date to consider whether the Key Performance Indicators remain the most appropriate measure of WEPCo's performance of the

Services, having regard in particular to the principle that a continuous improvement in WEPCo's performance should be incentivised through the Key Performance Indicators and the requirement to comply with prevailing Law and applicable governmental policy, and shall act reasonably in seeking to agree any amendment to the Key Performance Indicators and consequential changes to the Partnering Services Method Statements.

14.18 In each year, as soon as reasonably practicable after receipt of the WEPCo Performance Report and in any event not later than one (1) month thereafter (or failing receipt of the WEPCo Performance Report, within two (2) months after the Review Date in that year), the SPB will hold a formal annual review (the "**Annual Review**") of the operation of this Agreement and WEPCo's performance in the context of the targets and objectives in the SDP and the Key Performance Indicators. The requirements in relation to the content and conduct of the review will be agreed from time to time by the Parties. As part of this review, the SPB (excluding for such purposes WEPCo's representative) will review WEPCo's progress against the partnership objectives in this Agreement and the WEPCo Performance Report and the SPB (excluding for such purposes WEPCo's representative) and WEPCo shall seek to agree, in good faith, any key findings from such review together with the implications thereof in relation to the WEPCo's future activities. The Participants and/or the SPB shall be entitled to require information and/or clarification from WEPCo in relation to the WEPCo Performance Report including as to whether or not the Track Record Test has been passed and, to the extent relevant, any Significant Performance Failure has occurred. Any dispute in relation to the WEPCo Performance Report (including whether or not the Track Record Test has been passed in accordance with the methodology set out at Table 5 of the Appendix to Section 3 (*Performance Measurement*) of Schedule 3 (*Partnering Services*) and, to the extent relevant, any Significant Performance Failure has occurred²) shall be resolved by reference to the Dispute Resolution Procedure.

15. INFORMATION

15.1 WEPCo shall not in any way be relieved from any obligation under this Agreement nor shall it be entitled to claim against the Participant on grounds that any information, whether obtained from the Participant or otherwise (including information made available by the Participant) is incorrect or insufficient and shall make its own enquiries as to the accuracy and adequacy of that information.

15.2 Save to the extent expressly provided in a Project Agreement:

15.2.1 none of the Participants nor any of their respective agents, servants or advisers shall be liable to WEPCo (whether in contract, tort or otherwise and whether or not arising out of any negligence on the part of the Participants or any of their respective agents, servants or advisers) in respect of any inadequacy of any kind whatsoever in Works and Facilities Information;

15.2.2 no Participant shall be deemed to have given any warranty or undertaking that Works and Facilities Information represents all of the information in its possession or power relevant or material to any New Project; and

 - (b) keep Works and Facilities Information up to date; or
 - (c) inform WEPCo, any Project Service Provider or any Supply Chain Member of any inaccuracy, error, omission, unfitness for purpose, defects or inadequacy in Works and Facilities Information.

15.3 WEPCo acknowledges and confirms, for itself, the Project Service Providers and Supply Chain Members that:

- 15.3.1 before execution of each Project Agreement, they shall have conducted their own analysis and review of the relevant Works and Facilities Information and as such shall be deemed to have satisfied themselves as to the accuracy, completeness and fitness for purpose of all such Works and Facilities Information upon which they place reliance; and
- 15.3.2 save to the extent expressly provided in a Project Agreement, they shall not be entitled to make any claim against any of the Participants or any of their respective agents, servants or advisers, whether in damages or for extensions of time or additional payments under the Project Agreement, on the grounds of any misunderstanding or misapprehension in respect of the relevant Works and Facilities Information or on the grounds that incorrect or insufficient information relating thereto or to any Site was given to it by any person whether or not in the employ of the Participants, nor shall they be relieved from any risks or obligations imposed on or undertaken by them under the Project Agreements on any such ground.

PROVIDED THAT, in the case of Clauses 16.2.3 and 16.2.4:

- (a) there shall be excluded from the indemnity given by the each of Participants any liability for the occurrence of risks against which WEPCo is bound to insure under this Agreement or which any Project Service Provider is required to insure under a Project Agreement; and
- (b) where and to the extent the loss or damage referred to has been caused by a negligent act or omission by a Participant (or a Participant Party relating to that Participant) relating to the performance or non-performance of the Participant's obligations hereunder or by any breach of any express provision of this Agreement by a Participant (or relevant Participant Party) then that Participant shall be responsible for the deductible under any policy of insurance required under this Agreement and any amount over the maximum amount required to be insured under such insurance policy.

Conduct of claims

16.3 This sub-clause shall apply to the conduct by a party from whom an indemnity is sought under this Agreement, of claims made by a third person against a party having (or claiming to have) the benefit of the indemnity. The party having, or claiming to have, the benefit of the indemnity is referred to as the "**Beneficiary**" and the party giving the indemnity is referred to as the "**Indemnifier**". Accordingly:

- 16.3.1 if the Beneficiary receives any notice, demand, letter or other document concerning any claim for which it appears that the Beneficiary is, or may become, entitled to indemnification under this Agreement, the Beneficiary shall give notice in writing to the Indemnifier as soon as reasonably practicable and in any event within twenty (20) Business Days of receipt of the same;
- 16.3.2 subject to Clauses 16.3.3, 16.3.4 and 16.3.5 below, on the giving of a notice by the Beneficiary pursuant to Clause 16.3.1 above, where it appears that the Beneficiary is or may be entitled to indemnification from the Indemnifier in respect of all (but not part only) of the liability arising out of the claim, the Indemnifier shall (subject to providing the Beneficiary with a secured indemnity to its reasonable satisfaction against all costs and expenses that it may incur by reason of such action) be entitled to dispute the claim in the name of the Beneficiary at the Indemnifier's own expense and take conduct of any defence, dispute, compromise, or appeal of the claim and of any incidental negotiations. The Beneficiary shall give the Indemnifier all reasonable co-operation, access and assistance for the purposes of considering and resisting such claim;
- 16.3.3 with respect to any claim conducted by the Indemnifier pursuant to Clause 16.3.2 above:
 - (a) the Indemnifier shall keep the Beneficiary fully informed and consult with it about material elements of the conduct of the claim;
 - (b) the Indemnifier shall not bring the name of the Beneficiary into disrepute; and
 - (c) the Indemnifier shall not pay or settle such claims without the prior consent of the Beneficiary, such consent not to be unreasonably withheld or delayed;

- 16.3.4 the Beneficiary shall be free to pay or settle any claim on such terms as it thinks fit and without prejudice to its rights and remedies under this Agreement if:
- (a) the Indemnifier is not entitled to take conduct of the claim in accordance with Clause 16.3.2 above; or
 - (b) the Indemnifier fails to notify the Beneficiary in writing of its intention to take conduct of the relevant claim within twenty (20) Business Days of the notice from the Beneficiary under Clause 16.3.1 above or notifies the Beneficiary in writing that it does not intend to take conduct of the claim; or
 - (c) the Indemnifier fails to comply in any material respect with the provisions of Clause 16.3.3 above;
- 16.3.5 the Beneficiary shall be free at any time to give notice in writing to the Indemnifier that it is retaining or taking over (as the case may be) the conduct of any defence, dispute, compromise or appeal of any claim (or of any incidental negotiations) to which Clause 16.3.2 applies. On receipt of such notice the Indemnifier shall promptly take all steps necessary to transfer the conduct of such claim to the Beneficiary, and shall provide to the Beneficiary all reasonable cooperation, access and assistance for the purposes of considering and resisting such claim. If the Beneficiary gives any notice in writing pursuant to this paragraph, then the Indemnifier shall be released from any liability under its indemnity under Clause 16.1 or Clause 16.2 (as the case may be) and, without prejudice to any accrued liabilities, any liability under its indemnity given pursuant to Clause 16.3.2 in respect of such claim;
- 16.3.6 if the Indemnifier pays to the Beneficiary an amount in respect of an indemnity and the Beneficiary subsequently recovers (whether by payment, discount, credit, saving, relief or other benefit or otherwise) a sum which is directly referable to the fact, matter, event or circumstances giving rise to the claim under the indemnity, the Beneficiary shall forthwith repay to the Indemnifier whichever is the lesser of:
- (a) an amount equal to the sum recovered (or the value of the saving or benefit obtained) less any out of pocket costs and expenses properly incurred by the Beneficiary in recovering the same; and
 - (b) the amount paid to the Beneficiary by the Indemnifier in respect of the claim under the relevant indemnity,
- PROVIDED THAT** there shall be no obligation on the Beneficiary to pursue such recovery and the Indemnifier shall be repaid only to the extent that the amount of such recovery aggregated with any sum recovered from the Indemnifier exceeds any loss sustained by the Beneficiary (including for this purpose indirect or consequential losses or claims for loss of profits which are excluded by this Agreement from being recovered from the Indemnifier); and
- 16.3.7 any person taking any of the steps contemplated by Clauses 16.3.1 to 16.3.5 (inclusive) shall comply with the requirements of any insurer who may have an obligation to provide an indemnity in respect of any liability arising under this Agreement.

Mitigation - indemnity claims

- 16.4 To avoid doubt the provisions of Clause 49 (*Mitigation*) apply to any indemnity given under this Agreement and any such indemnity shall not extend to Direct Losses which could have been reduced or avoided by the Beneficiary complying with the provisions of such clause.

Taxation

- 16.5 If any payment by one party under an indemnity in this Agreement is subject to income tax or corporation tax (or any tax replacing them) in the hands of the recipient, the recipient may demand in writing to the party making the payment that the payment shall be increased by such amount (the "**Additional Amount**") as would ensure that, after taking into account any such tax payable in respect of the Additional Amount and any credit or saving that may arise as a result of paying the Additional Amount, the recipient receives and retains a net sum equal to the amount it would have otherwise received had the payment not been subject to such tax, with the result that it is left in no better or worse tax position. The party making the payment shall pay the Additional Amount within ten (10) Business Days of receipt of such demand.

Limitations

- 16.6 The indemnities under this Agreement shall not apply and there shall be no right to claim damages for breach of this Agreement, in tort (including negligence), restitution or on any other basis whatsoever to the extent that any loss claimed by either party is for Indirect Losses suffered or allegedly suffered by any party.
- 16.7 Subject to the provisions relating to Participants' negligence in Clauses 16.1 and 16.2 no Participant shall be liable in tort, (including negligence), restitution to WEPCo or any WEPCo Party in respect of any negligent act or omission of the Participants or any Participant Party relating to or in connection with this Agreement and WEPCo shall procure that no WEPCo Party shall bring such a claim against the Participants. WEPCo has accepted this on the basis that it and each WEPCo Party will cover the risk of negligent acts or omissions by insurance or in such other manner as it (or they) may think fit.

17. INSURANCE

The Insurances

- 17.1 WEPCo shall procure at its own cost that the insurances, details of which are set out in Schedule 9 (*Insurances*), are taken out and are maintained for the term of this Agreement provided that WEPCo shall not be required to maintain such of those insurances as are unavailable within the worldwide insurance market with reputable insurers of good standing (provided always such unavailability is not caused by the actions of WEPCo) or which are offered on terms such that the risk is not generally being insured against in the worldwide insurance market.
- 17.2 Without prejudice to the other provisions of this clause, WEPCo shall, at all relevant times, at its own cost, effect and maintain in full force those insurances which it is required to effect by any applicable Law.

17.3 All Insurances shall:

17.3.1 be placed with insurers who are:

- (a) insurers of good financial standing;
- (b) appropriately regulated;
- (c) of good repute in the international insurance market; and
- (d) acceptable to the Participants (such acceptance not to be unreasonably withheld or delayed, taking into account Clause 17.3.1(a) to (c) above); and

17.3.2 comply with the relevant provisions of Schedule 9 (*Insurances*).

Subrogation and vitiation

17.4 WEPCo shall procure that all policies of insurance referred to in paragraphs 3 and 4 of Schedule 9 (*Insurance*) to be effected by it pursuant to this Clause 17 (*Insurance*) shall contain a provision to the effect that the insurers have agreed to waive all rights of subrogation against each of the Participants (and all Participant Parties) save to the extent that a Participant has vitiated the policy by a deliberate act or omission.

17.5 Where WEPCo is obliged to effect insurance (other than those insurances referred to in paragraph 3 of Schedule 9 (*Insurances*)) under this Clause 17, not bring any claim or action against any of the Participants (or any Participant Party) in respect of any loss or damage in circumstances where WEPCo could recover such loss or damage under such insurance (whether or not such insurance has in fact been effected or, if effected, has been vitiated as a result of any act or omission of WEPCo (or any WEPCo Party), including but not limited to non-disclosure or under-insurance).

17.6 WEPCo shall ensure that the public and products liability policy shall contain an indemnity to principals clause under which the Participants shall be indemnified in respect of claims made against the Participants in respect of death or bodily injury or third party property damage arising out of or in connection with the Partnering Services and for which WEPCo is legally liable.

17.7 WEPCo shall not take any action or fail to take any reasonable action or (in so far as it is reasonably within its power) permit or allow others to take or fail to take any action (including failure to disclose any fact) as a result of which any of the Insurances may be rendered void, voidable, unenforceable or suspended or impaired in whole or in part or which may otherwise render any sum paid out under any relevant policy repayable in whole or in part.

Evidence of the Insurances

17.8 WEPCo shall, as soon as it is available, supply the Participants with written evidence that the Insurances are in force on or before the effective date or date of renewal of every policy of Insurance (or such other evidence of insurances as may be reasonably required).

17.9 Receipt of such evidence by the Participants shall not in itself constitute acceptance by the Participants or relieve WEPCo of any of its liabilities or obligations under this Agreement.

Acceptance and compliance

- 17.10 Neither failure to comply nor full compliance with the insurance provisions of this Agreement shall relieve WEPCo of its liabilities and obligations under this Agreement.

Uninsurable risks under Project Agreements

- 17.11 Without prejudice to the rights of a Project Agreement Counterparty under its Project Agreement, where a Project Service Provider for a MIM Project has notified a Project Agreement Counterparty of a risk becoming an Uninsurable Risk pursuant to the provisions of the relevant Project Agreement, the Participants and WEPCo shall co-operate so as to ensure that a meeting of the SPB is held as soon as is reasonably practicable (and in any event within seven (7) Business Days of receipt by the Project Agreement Counterparty of such notice). At that meeting the SPB shall consider the situation and the parties will work together to use all their respective reasonable endeavours to obtain an agreed position from the SPB in relation to the risk becoming an Uninsurable Risk within twenty (20) Business Days of the Project Service Provider notifying the Project Agreement Counterparty as described above.

18. INTELLECTUAL PROPERTY RIGHTS

Partnering Services Data

- 18.1 WEPCo shall make available to each Participant free of charge (and hereby irrevocably licenses each Participant to use) all rights it may have to use the Partnering Services Data that might reasonably be required by that Participant and WEPCo shall ensure that it obtains all necessary licences, permissions and consents to ensure that it can make such rights it may have to use the Partnering Services Data available to each Participant on these terms, for the Approved Purposes and in this clause "**use**" shall include the acts of copying, modifying, adapting and translating the material in question and/or incorporating them with other materials and the term "**the right to use**" shall be construed accordingly.

Maintenance of data³

- 18.2 To the extent that any of the data, materials and documents referred to in this Clause 18 (*Intellectual Property Rights*) are generated by or maintained on a computer or similar system, WEPCo shall:

- 18.2.1 use all reasonable endeavours to procure for the benefit of each Participant, at no charge or at the lowest reasonable fee, the grant of a licence or sub-licence for any relevant software to enable each Participant or its nominee to access and otherwise use (subject to the payment by the relevant Participant of the relevant fee, if any) such data for the Approved Purposes. As an alternative, WEPCo may provide such data, materials or documents in a format which may be read by software generally available in the market at the relevant time or in hard copy format; and
- 18.2.2 enter into the NCC's then current multi-licence escrow deposit agreement or standard single licence escrow deposit agreement as appropriate in each case.

³ If any party is to be given access to any of the other party's computer systems, as a matter of good practice and also to clarify potential liability for unauthorised access to those systems under the Computer Misuse Act 1990, the scope of each party's authorisation to access each other's computer systems will need to be defined clearly. The terms of such authorisation will be project specific.

18.3 WEPCo shall ensure the back-up and storage in safe custody of the data, materials and documents referred to in Clause 18.2 in accordance with Good Industry Practice. Without prejudice to this obligation, WEPCo shall submit to the Participants for approval its proposals for the back-up and storage in safe custody of such data, materials and documents and any Participant shall be entitled to object if the same is not in accordance with Good Industry Practice. WEPCo shall comply, and shall cause all WEPCo Parties to comply, with all procedures to which the Participants have given their approval. WEPCo may vary its procedures for such back-up and storage subject to submitting its proposals for change to the Participants, who shall be entitled to object on the basis set out above.

Intellectual Property Rights

18.4 WEPCo:

18.4.1 hereby grants to each Participant, free of charge, an irrevocable, non-exclusive and transferable (but only to any assignee or transferee of any rights or benefits under this Agreement or upon or at any time following termination of this Agreement) licence (carrying the right to grant sub licences) to use the Intellectual Property Rights which are or become vested in WEPCo; and

18.4.2 shall, where any Intellectual Property Rights are or become vested in a third party, use all reasonable endeavours to procure the grant of a like licence to that referred to in Clause 18.4.1 above to each Participant,

in both cases, solely for the Approved Purposes.

18.5 WEPCo shall use all reasonable endeavours to ensure that any Intellectual Property Rights created, brought into existence or acquired during the term of this Agreement vest, and remain vested throughout the term of this Agreement, in WEPCo and WEPCo shall use best endeavours to enter into appropriate agreements with any WEPCo Party (or other third parties) that may create or bring into existence, or from which it may acquire, any Intellectual Property Rights.

Claims

18.7 Where a claim or proceeding is made or brought against any Participant which arises out of the infringement of any rights in or to any Intellectual Property (other than any Disclosed Data) or because the use of any materials, plant, machinery or equipment in connection with the WEPCo Operations or Project Services infringes any rights in or to any Intellectual Property of a third party then, unless such infringement has arisen out of the use of any Intellectual Property by or on behalf of such Participant otherwise than in accordance with the terms of this Agreement, WEPCo shall indemnify such Participant at all times from and against all such claims and proceedings and the provisions of Clause 16.3 (*Conduct of Claims*) to Clause 16.7 shall apply.

19. TRANSFER OF EMPLOYMENT

It is the Parties' intention that the costs of such transfers should be fully recovered through Project Development Fees to be received after the date of that transfer or as otherwise agreed between the Parties.

19.2 WEPCo shall be obliged to act in such a manner and to manage its affairs to ensure, to the extent it is within its powers, that the effect of Clause 19.1 upon each of the Participants is mitigated.

19.3 The provisions of Schedule 20 (*Handover on Expiry or Termination*) shall apply in relation to any transfers of staff on expiry or termination of this Agreement.

20. SITE SECURITY AND PERSONNEL ISSUES

20.1 Each Participant shall have the right to refuse admittance to, or order the removal from any premises of that Participant or from the Facilities of any person employed by (or acting on behalf of) WEPCo who such Participant has reasonable grounds for believing is not a fit and proper person to be in such premises or the Facilities.

Resources and training

20.3 WEPCo shall procure that:

20.3.1 there shall at all times be a sufficient number of staff (including all relevant grades of supervisory staff) engaged in the provision of the Partnering Services with the requisite level of skill and experience. To avoid doubt, this obligation shall include ensuring that there are sufficient staff to cover periods of holiday, sickness, other absence and anticipated and actual peaks in demand for each of the Partnering Services; and

20.3.2 all staff receive such training and supervision as is necessary to ensure the proper performance of this Agreement and compliance with all health and safety rules, procedures and requirements.

Convictions and disciplinary action

- 20.5 WEPCo (to the extent permitted by Law) shall procure that all potential staff or persons performing any of the Partnering Services who may reasonably be expected in the course of their employment or engagement to have access to children, the elderly or vulnerable adults (each a "**Named Employee**"):

- 20.8 Any Participant's Representative (acting reasonably) may instruct WEPCo to procure that appropriate disciplinary action is taken against any employee of WEPCo or any Partnering Subcontractor (in accordance with the terms and conditions of employment of the employee concerned) who misconducts himself or is incompetent or negligent in his duties or who any Participant has reasonable grounds for believing that their presence or conduct on the Facilities or at work is otherwise undesirable. The Participants shall co-operate with any such disciplinary proceedings and shall be advised in writing by WEPCo of the outcome.
- 20.9 WEPCo shall procure that there are set up and maintained, by it and by all Partnering Subcontractors, personnel policies and procedures covering all relevant matters (including discipline, grievance, equal opportunities and health and safety). WEPCo shall procure that the terms and the implementation of such policies and procedures comply with Law and Good Industry Practice and that they

are published in written form and that copies of them (and any revisions and amendments to them) are forthwith issued to the Participants.

20.10.2 details of training undertaken by the employee.

21. TRANSITION/HANDOVER ON EXPIRY AND TERMINATION

21.1 WEPCo shall co-operate to ensure a smooth transition and handover of the Partnering Services on the expiry or earlier termination of this Agreement.

22. PARTICIPANT DEFAULT

22.1 For the purposes of this Agreement, each of the following is a Participant Event of Default :

22.1.1 one or more Participants:

- (a) committing a material breach of the terms of Clauses 9.1, 9.2 and 9.6, provided that the renewal or extension of a lease of premises currently occupied by a Participant or the taking of a short term lease by a Participant to cover the short term needs of that Participant pending completion of Required Facilities pursuant to a Project Agreement shall not comprise a material breach by that Participant of the provisions of Clauses 9.1, 9.2 and/or 9.6; and/or
- (b) failing to perform its obligations under Clause 14.11 (to the extent that such breach is not an event or circumstance falling under the terms of Clause 22.1.2) where such breach of Clause 14.11 has a material adverse effect on WEPCo or any Project Service Provider;

22.1.2 one or more Participants acting in a manner in breach of this Agreement which shall have delayed by more than forty (40) Business Days the date for execution of any Project Agreement in relation to an Approved Project (as such date was agreed between WEPCo and the Relevant Participants as part of the Stage 2 Approval for that Approved Project);

PROVIDED THAT a rejection of a New Project in accordance with the terms of Clause 13.1 and/or Schedule 5 (*Approval Process for New Projects*) shall not comprise a Participant Event of Default. In the event that a Participant Event of Default under Clause 22.1.3 occurs as a result of the actions of a Relevant Authority other than a Participant, all Participants shall be deemed to be responsible for such Participant Event of Default.

22.2 On the occurrence of a Participant Event of Default or within a reasonable time after WEPCo becomes aware of the same, and while the same is still subsisting, WEPCo may, at its option:

22.2.1 suspend performance by it of all or part of its obligations under this Agreement to the Participant(s) responsible for the Participant Event of Default until such time as such Participant(s) have demonstrated to WEPCo's reasonable satisfaction that they will perform and are capable of performing their obligations under this Agreement; or

22.5 Where, as a result of termination in accordance with Clause 22.2 in respect of a Participant Event of Default, WEPCo has terminated this Agreement in its entirety, the Participant(s) responsible for the Participant Event of Default shall, in addition to liability under Section 1 (*Participant Event of Default Compensation Sum*) of Schedule 14 (*Compensation on Participant Event of Default and Termination*), pay

compensation to WEPCo calculated in accordance with Section 2 (*Participant Event of Default Termination Sum*) of Schedule 14 (*Compensation on Participant Event of Default and Termination*).

22.6 Where WEPCo has validly served a Participant Default Notice more than once in any twelve (12) month period in respect of the same Participant, it shall not be required to provide either the Project Development Partnering Services or any Strategic Support Partnering Services to that Participant under this Agreement except on terms which provide, inter alia, for the payment by such Participant of all Partnering Services Costs (other than those which are already being paid via Project Agreements) monthly in arrears.

- 23.1.13 a Prohibited Act, giving rise to a right to terminate pursuant to Clause 25 or the relevant Project Agreement.

23.2 Each Party shall notify the others in writing of the occurrence, and details, of any WEPCo Event of Default promptly on such Party becoming aware of its occurrence, and WEPCo shall notify the Participants in writing of any event or circumstance which is likely, with the passage of time or otherwise, to constitute or give rise to a WEPCo Event of Default promptly on WEPCo becoming aware of such event or circumstance.

23.3 On the occurrence of a WEPCo Event of Default, without prejudice to the rights of the Participants (acting through Welsh Government) pursuant to Clause 23.4 to 23.13, each Participant may elect to suspend the exclusivity granted to WEPCo by it pursuant to Clause 9.1 and/or Clause 9.2 by serving written notice of such suspension on WEPCo (which shall include, for the avoidance of doubt, the suspension of exclusivity in respect of any of the Participant's batched New Projects that have not achieved Stage 2 Approval, pursuant to paragraph 1.3.1(a) of Section 1 of Schedule 3 (*Partnering Services*)). Without prejudice to the rights of each of the Participants under Clause 9.7, any such suspension shall expire:

23.3.1 following written notice to that effect being served on WEPCo by the Participant in question, copied to the SPB; and

23.3.2 automatically where the WEPCo Event of Default has been remedied or where Clause 23.12.2(b) applies.

23.4 On the occurrence of a WEPCo Event of Default, or within a reasonable time after the Participants (or any one of them) become aware of the same, and while the same is subsisting, the Participants may (acting through Welsh Government):

23.4.1 in the case of any WEPCo Event of Default referred to in Clauses 23.1.1 to 23.1.4 (inclusive) and 23.1.6 either (in their absolute discretion):

(a) exercise their rights under Clause 23.6; or

(b) serve written notice of default on WEPCo requiring WEPCo at WEPCo's option either:

(i) to remedy the WEPCo Event of Default referred to in such notice of default (if the same is continuing) within twenty (20) Business Days of such notice of default; or

(ii) to put forward within twenty (20) Business Days of such notice of default a programme to the reasonable satisfaction of the Participants (acting through Welsh Government) (set out, if appropriate, in stages) for remedying the WEPCo Event of Default (a "**Remediation Programme**") or in the case of a Significant Performance Failure, to satisfy the Participants that the events or circumstances that gave rise to the Significant Performance Failure will not recur or has/have otherwise been addressed to the Participants' satisfaction (an "**Improvement Programme**"). In either case, such programme may include the PSDP proposing the replacement of a shareholder who holds shares directly or indirectly in the PSDP pursuant to Clause 9.8 of the WEPCo Shareholders Agreement.

A Remediation Programme shall specify in reasonable detail the manner in, and the latest date by, which such WEPCo Event of Default will be remedied.

An Improvement Programme shall set out such detail so as to satisfy the Participants that the events or circumstances that gave rise to the Significant Performance Failure will not recur or has/have otherwise been addressed within the timescale as agreed in the Improvement Programme.

WEPCo shall only have the option of putting forward a Remediation Programme or an Improvement Programme (as the case may be) in accordance with this sub-clause if it first notifies the Participants within ten (10) Business Days of such notice of default that it proposes to do so.

For the avoidance of doubt the reversal of any action that was done without SPB consent shall remedy that breach provided that WEPCo shall indemnify each of the Participants in respect of all losses, costs and expenses incurred as a result of that action being so carried out.

If WEPCo fails:

- (1) to remedy the WEPCo Event of Default in accordance with Clause 23.4.1(b)(i) and does not put forward a Remediation Programme or an Improvement Programme (as the case may be) in accordance with Clause 23.4.1(b)(ii), in either case within twenty (20) Business Days of the notice referred to in Clause 23.4.1(b); or
- (2) (in the case of a Remediation Programme) to remedy the WEPCo Event of Default within the agreed time period(s) specified in the Remediation Programme; or
- (3) (in the case of an Improvement Programme) to implement the material steps identified in the Improvement Programme to the reasonable satisfaction of the Participants within the relevant time period(s) specified in the Improvement Programme so as to satisfy the Participants (in their absolute discretion) that the events or circumstances that gave rise to the Significant Performance Failure will not recur or has/have otherwise been addressed within the timescales as agreed in the Improvement Programme,

the Participants shall be entitled to exercise their rights under Clause 23.6 and/or Clause 23.10;

23.4.2 in the case of any WEPCo Event of Default referred to in Clauses 23.1.5, 23.1.7, 23.1.8, 23.1.11, 23.1.12 or 23.1.13, exercise their rights under Clause 23.10; or

23.4.3 in the case of a WEPCo Event of Default referred to in Clause 23.1.9 or 23.1.10 (each a "**Project Service Provider Default**") exercise their rights under Clause 23.9.

- 23.5 Where WEPCo puts forward a Remediation Programme or an Improvement Programme in accordance with Clause 23.4.1(b)(ii), the Participants shall have twenty (20) Business Days from receipt of the same within which to notify WEPCo in writing (acting reasonably) that they do not accept the programme, failing which the Participants shall be deemed to have accepted the programme. Where the Participants notify WEPCo that they do not accept the programme, the Participants may elect to exercise their rights under Clause 23.6.
- 23.6 Where the Participants are entitled to exercise their rights under this Clause 23.6, the Participants may, in their absolute discretion (acting through Welsh Government):
- 23.6.1 require WEPCo by written notice to terminate a Supply Chain Agreement to which it is a party or, as the case may be, procure the termination of any Supply Chain Agreement to which any Project Service Provider or Partnering Subcontractor is a party as employer which has caused or materially contributed to the occurrence of the WEPCo Event of Default and to procure that a replacement Supply Chain Member is appointed in accordance with the provisions of this Agreement or the relevant Project Agreement as the case may be; or
 - 23.6.2 where WEPCo itself has been providing the Services in respect of which the WEPCo Event of Default occurred, require WEPCo to cease providing the relevant Services and procure that a replacement Supply Chain Member is appointed in accordance with Clause 28 (*Assignment and sub-contracting*) to provide such Services within sixty (60) Business Days.
- 23.7 If the Participants exercise their rights under Clause 23.6 in relation to a WEPCo Event of Default affecting provision of the Partnering Services, WEPCo shall forthwith put forward proposals for the interim management or provision of the relevant Partnering Services until such time as an alternative Supply Chain Member can be engaged by WEPCo. If WEPCo fails to do so (or its proposals if implemented are not reasonably likely to give adequate provision of the relevant Partnering Services) then without prejudice to the other rights of the Participants in this Clause 23 (*WEPCo Events of Default*), the Participants (or any of them) may perform, or procure a third party to perform, such Partnering Services themselves and WEPCo shall indemnify each of the Participants in respect of their costs in so doing.
- 23.8 If WEPCo fails to terminate or procure the termination of the relevant Supply Chain Agreement to which it or any Project Service Provider or Partnering Subcontractor is a party as employer and to procure that a replacement Supply Chain Member is appointed in accordance with the provisions of Clause 23.6, the Participants shall be entitled at their option to exercise their rights in accordance with the provisions of Clause 23.10.
- 23.9 Where a Project Service Provider Default has occurred the following shall apply:
- 23.9.1 where the Project Service Provider Default is not capable of remedy, the Participants (acting through Welsh Government) shall be entitled to exercise the rights set out in Clause 23.10; and
 - 23.9.2 where the Project Service Provider Default is capable of remedy, the Participants (acting through Welsh Government) may serve written notice of default on WEPCo requiring WEPCo to put forward within twenty (20) Business Days of such notice of default a reasonable programme (set out, if appropriate, in stages) for remedying the Project

Service Provider Default and ensuring that such Project Service Provider Default does not recur (the "**PSP Rectification Programme**"), in which case:

- (a) where WEPCo fails to put forward such PSP Rectification Programme in the twenty (20) Business Day period, the Participants (acting through Welsh Government) shall be entitled to exercise the rights set out in Clause 23.10; and
- (b) where WEPCo puts forward a PSP Rectification Programme within the twenty (20) Business Day period:
 - (i) the PSP Rectification Programme shall specify in reasonable detail the manner in, and the latest date by, which the Project Service Provider Default is proposed to be remedied (where such default is capable of remedy) and the procedures and practices which WEPCo and/or the Project Service Providers propose to put in place to ensure that such Project Service Provider Default does not recur;
 - (ii) the Participants shall consider the PSP Rectification Programme and liaise with WEPCo to discuss its contents and, in particular, whether the Participants consider it to be sufficient that, if properly implemented by WEPCo and/or the Project Service Providers it would prevent the Project Service Provider Default from recurring. The Participants shall, in considering whether or not to approve a PSP Rectification Programme under consideration, be entitled to take into account the performance of WEPCo and/or the relevant Project Service Provider in implementing the provisions of any previous PSP Rectification Programme agreed in relation to a breach or breaches substantially similar to the breach or breaches which have given rise to the PSP Rectification Programme then under consideration;
 - (iii) the Participants and WEPCo shall use their respective best endeavours to ensure that such liaison as is appropriate takes place so as to ensure that the Participants are in a position to determine whether they are satisfied with the PSP Rectification Programme within twenty (20) Business Days after receipt by the Participants of the PSP Rectification Programme; and
 - (iv) where the Participants (acting reasonably) are not satisfied that the PSP Rectification Programme meets the requirements set out in Clause 23.9.2(b)(i) or agreement cannot be reached between the Participants and WEPCo as to the terms of a PSP Rectification Programme or WEPCo fails to comply with the agreed PSP Rectification Programme, the Participants (acting through Welsh Government) shall be entitled to exercise the rights set out in Clause 23.10.

23.10 Subject to Clause 23.12, where the Participants are entitled to exercise their rights under this Clause 23.10, the Participants may (acting through Welsh Government):

- 23.10.1 suspend WEPCo's exclusivity by notice in writing to WEPCo (a "**Suspension Notice**") until further notice (if any) (any such notice reinstating exclusivity being a "**Reinstatement Notice**");
- 23.10.2 during the period of any such suspension serve an SPA Material Default Notice; and
- 23.10.3 at any time (whether or not a Suspension Notice has been served on WEPCo) elect to treat such circumstances as an SPA Material Default by notice in writing to WEPCo (an "**SPA Material Default Notice**") in accordance with Clause 23.12.

If a Suspension Notice is served and no Reinstatement Notice has been served by the Participants within six (6) months of the date of the Suspension Notice then a SPA Material Default Notice shall be deemed to have been served on WEPCo on the expiry of such six (6) month period.

23.11 In the event of the Participants exercising their right under Clause 23.10.1:

- 23.11.1 none of the Participants shall have any liability whatsoever whether under this Agreement or in tort, restitution or at common law to WEPCo or any WEPCo Party save for in respect of any antecedent breach of this Agreement by that Participant; and
- 23.11.2 WEPCo shall no longer be required to provide the Partnering Services for the period of the suspension, provided that:
 - (a) the Participants (or any of them) may require WEPCo to provide all or any part of the Partnering Services and, if WEPCo agrees, such Partnering Services shall be provided on the terms set out in Clause 8 (*Services Obligations*) and Clause 10.2 (*Payment for Partnering Service*); and
 - (b) WEPCo shall recommence the provision of the Partnering Services on receipt of a Reinstatement Notice.

The provisions of Clause 23.12.1 and 23.12.2(a) shall apply mutatis mutandis to any Participant serving a notice of suspension under Clause 9.7 or Clause 23.3.

23.12 If the Participants serve an SPA Material Default Notice on WEPCo pursuant to Clause 23.10.3 (or are deemed to have served such an SPA Material Default Notice pursuant to Clause 23.10) (together an "**SPA Material Default**") then an SPA Material Default shall be deemed to have occurred whereupon:

- 23.12.1 the Participants (acting through Welsh Government) shall be entitled to terminate this Agreement with immediate effect by notice in writing to WEPCo (a "**Default Termination Notice**");

23.12.2 if no Default Termination Notice is given by the Participants pursuant to Clause 23.12.1 within twenty (20) Business Days of the deemed occurrence of the SPA Material Default then:

- (a) the provisions of Clauses 9.3 to 9.9 of the WEP Co Shareholders Agreement shall apply; and
- (b) if an SPA Material Default Notice is served at a time when WEPCo's exclusivity has been suspended pursuant to Clauses 9.7, 23.3 or 23.10.1 or where the SPA Material Default Notice is deemed to have been given pursuant to Clause 23.10, then a Reinstatement Notice (and/or notice revoking such suspension in the case of Clauses 9.7 and 23.3) shall be deemed to have been given immediately on completion of the sale (at the end of the procedure in Clauses 9.3 to 9.9 of the WEPCo Shareholders Agreement and the related provisions in the Articles of Association of WEPCo), of all the shares held by the PSDP in WEPCo to WGCo and/or a third party purchaser.

Participants' costs

23.13 WEPCo shall reimburse each Participant for all reasonable costs incurred by that Participant as a result of WEPCo's breach of any of its obligations under this Agreement or their exercise of their rights under this Agreement in respect of such breach (including, without limitation, any relevant increased administrative expenses and the reasonable and proper costs of the Participant incurred under this Agreement and the WEPCo Shareholders Agreement resulting from the occurrence of a termination of this Agreement pursuant to this Clause 23 (the "**Participants' Costs**")).

24. FORCE MAJEURE

24.1 Save as otherwise expressly provided in this Agreement, none of WEPCo or the Participants shall be relieved from any liability under this Agreement to the extent that by reason of Force Majeure it is not able to perform its obligations under this Agreement.

24.2 None of WEPCo or the Participants shall be entitled to any compensation or other payment by reason of the occurrence of an event of Force Majeure.

25. CORRUPT GIFTS AND FRAUDULENT PAYMENTS

Warranty

25.1 WEPCo warrants that in entering into this Agreement it has not committed any Prohibited Act.

Remedies

25.2 If WEPCo or any WEPCo Party (or anyone employed by or acting on behalf of them) commits any Prohibited Act, then the Participants shall be entitled to act in accordance with Clauses 25.2.1 to 25.2.6 below:

25.2.1 if a Prohibited Act is committed by WEPCo or by an employee not acting independently of WEPCo then each of the Participants may terminate this Agreement with immediate

effect with respect to that Participant by giving written notice to WEPCo, and this Agreement will terminate with respect to that Participant;

- 25.2.2 if the Prohibited Act is committed by an employee of WEPCo acting independently of WEPCo, then each of the Participants may give written notice to WEPCo of termination of this Agreement with respect to that Participant and this Agreement will so terminate, unless within twenty (20) Business Days of receipt of such notice WEPCo terminates the employee's employment and (if necessary) procures the performance of the relevant part of the Services by another person;
- 25.2.3 if the Prohibited Act is committed by a Contractor and/or Service Provider or by an employee of a Contractor and/or Service Provider not acting independently of that Contractor and/or Service Provider then each of the Participants may give written notice to WEPCo of termination of this Agreement with respect to that Participant and this Agreement will so terminate, unless within twenty (20) Business Days of receipt of such notice WEPCo terminates the relevant Supply Chain Agreement and procures the performance of the relevant part of the Services by another person, where relevant, in accordance with Clause 28 (*Assignment and sub-contracting*);
- 25.2.4 if the Prohibited Act is committed by an employee of a Contractor and/or Service Provider acting independently of that Contractor and/or Service Provider then each of the Participants may give written notice to WEPCo of termination of this Agreement with respect to that Participant and this Agreement will so terminate, unless within twenty (20) Business Days of receipt of such notice WEPCo procures the removal of the employee from any and all WEPCo Operations and (if necessary) procures the performance of the relevant part of the WEPCo Operations by another person;
- 25.2.5 if the Prohibited Act is committed by any other person involved in the provision of WEPCo Operations not specified in Clauses 25.2.1 to 25.2.4 above then each of the Participants may give written notice to WEPCo of termination of this Agreement with respect to that Participant and this Agreement will so terminate unless within twenty (20) Business Days WEPCo procures the removal of such person from any and all WEPCo Operations and the termination of the appointment of their employer (where such person is not employed by WEPCo) and (if necessary) procures the performance of the relevant part of the Services by another person; and
- 25.2.6 any notice of termination under this sub-clause shall specify:
 - (a) the nature of the Prohibited Act;
 - (b) the identity of the party who the Participant(s) believe has committed the Prohibited Act; and
 - (c) the date on which this Agreement will terminate in accordance with the applicable provisions of this sub-clause.

25.3 Without prejudice to their other rights or remedies under this clause:

25.3.1 the Participants shall be entitled to recover from WEPCo the amount or value of any such gift, consideration or commission; and

25.3.2 each Participant shall be entitled to recover from WEPCo any other loss sustained in consequence of any breach of this clause.

Permitted Payments

25.4 Nothing contained in this clause shall prevent WEPCo from paying any proper commission or bonus to its employees within the agreed terms of their employment.

Notification

25.5 WEPCo shall notify the Participants in writing of the occurrence (and details) of any Prohibited Act promptly on WEPCo becoming aware of its occurrence.

Interim Management

25.6 Where WEPCo is required to replace any Supply Chain Member with which it has contracted pursuant to this clause, the provisions of Clause 23 (*WEPCo Events of Default*) shall apply and be construed accordingly.

26. TAX COMPLIANCE

26.1 WEPCo represents and warrants to the Participants that at the date of this Agreement, it has notified the Participants in writing of any Occasions of Tax Non-Compliance and any litigation in connection with any Occasions of Tax Non-Compliance that it or, so far as it is aware having made reasonable enquiries, any of the Shareholders (other than WGCo) is involved in.

26.2 If at any time an Occasion of Tax Non-Compliance occurs in relation to it or any Shareholder other than WGCo (a "**Non-Compliant Shareholder**"), WEPCo shall:

26.2.1 notify the Participants in writing of such fact within five (5) Business Days of it becoming aware of that occurrence; and

26.2.2 provide to the Participants:

(a) promptly, and in any event within twenty (20) Business Days of its becoming aware of that occurrence, details of the steps which it, or as the case may be, the Non-Compliant Shareholder is taking to address the Occasion of Tax Non-Compliance and to prevent the same from recurring, together with any mitigating factors that it considers relevant (together "**Proposed Mitigating Measures**"); and

(b) such other information in relation to the Occasion of Tax Non-Compliance as the Participants may reasonably require within five (5) Business Days of receipt of notice from the Participants to do so.

26.3 The Participants will notify WEPCo in writing if the Proposed Mitigating Measures are acceptable to it, in its reasonable opinion, within fifteen (15) Business Days of receipt of all information required to be provided in accordance with Clause 26.2.

26.4 Where the Participants have notified WEPCo that the Proposed Mitigating Measures are not acceptable, the Participants may, in that notice, request that WEPCo provides details of further measures it, or as the case may be, the Non-Compliant Shareholder, would take to prevent the same from recurring, together with any further mitigating factors that it considers relevant. Within twenty (20) Business Days of receipt of a notice from the Participants requesting further measures, WEPCo will either provide details of the further measures it, or as the case may be, the Non-Compliant Shareholder, is willing to take or notify the Participants that it is not willing to take further measures. The Participants will consider any further measures proposed by WEPCo and notify WEPCo within fifteen (15) Business Days if those further measures, taken together with the Proposed Mitigating Measures, are acceptable to the Participants, acting reasonably.

26.5 If:

26.5.1 the warranty by WEPCo contained in Clause 26.1 is untrue and Proposed Mitigating Measures are not agreed in accordance with Clauses 26.3 to 26.4 (inclusive); and/or

26.5.2 WEPCo commits a material breach of its obligation to notify the Participants of any Occasion of Tax Non-Compliance and / or WEPCo fails to provide details of Proposed Mitigating Measures each as required by Clause 26.2; and/or

26.5.3 the Participants otherwise becomes aware that an Occasion of Tax Non-Compliance has occurred in relation to WEPCo or a Shareholder (other than WGC) and WEPCo fails to provide details of Proposed Mitigating Measures within twenty (20) Business Days of its being required by the Participants to do so; and/or

26.5.4 the Participants notify WEPCo under Clause 26.4 that the Proposed Mitigating Measures are not acceptable and, if WEPCo is requested to provide details of further measures pursuant to Clause 26.4 the further measures (if any) are not acceptable to the Participants, in its reasonable opinion and the Participants notify WEPCo to that effect; and / or

26.5.5 in any such case WEPCo fails to implement, or procure the implementation by a Non-Compliant Shareholder of, any Proposed Mitigating Measures agreed to by the Participants in any material respect (including as to timetable),

then the Participants shall be entitled to give to WEPCo:

(a) where the Occasion of Tax Non-Compliance has occurred in relation to WEPCo, a notice under Clause 23.1.12; and

(b) where the Occasion of Tax Non-Compliance has occurred in relation to a Shareholder, a notice under Clause 26.6 (*Shareholder Tax Non-Compliance Notice*).

26.6 Subject to Clause 26.7, where the Occasion of Tax Non-Compliance applies to a Non-Compliant Shareholder, the Participants may by written notice (a "**Shareholder Tax Non-compliance Notice**") require

that the Non-Compliant Shareholder transfers all its shares and Shareholder loan notes in WEPCo to a person who is not an Unsuitable Person within one hundred and eighty (180) days commencing on the date the Shareholder Tax Non-compliance Notice is served. If the Non-Compliant Shareholder does not effect such transfer of shares and Shareholder loan notes in WEPCo to a person who is not an Unsuitable Person within such one hundred and eighty (180) day period (or such longer period as may be agreed by the Participants in its absolute discretion) then the Participants will be entitled to give a notice to WEPCo under Clause 23.1.12.

26.7 If WEPCo fails to implement, or procure the implementation by a Non-Compliant Shareholder of, any Proposed Mitigating Measures agreed to by the Participants in any material respect (including as to timetable) following an Occasion of Tax Non-Compliance which applies to a Non-Compliant Shareholder, the Participants may by written notice (a "**Shareholder Tax Mitigation Measures Non-Compliance Notice**") require that the Non-Compliant Shareholder transfers all its shares and Shareholder loan notes in WEPCo to a person who is not an Unsuitable Person within ninety (90) days commencing on the date the Shareholder Tax Mitigation Measures Non-Compliance Notice is served. If the Non-Compliant Shareholder does not effect such transfer of shares and Shareholder loan notes to a person who is not an Unsuitable Person within such ninety (90) day period (or such longer period as may be agreed by the Participants in its absolute discretion) then the Participants will be entitled to give a notice to WEPCo under Clause 23.1.12.

27. **AGENCY AND PARTICIPANTS' STATUTORY AUTHORITY**

Nothing in this Agreement shall be construed as a fetter or restriction on the exercise of a Participant's planning or highways function nor, without prejudice to WEPCo's rights and remedies under this Agreement, on the exercise of any other statutory function by or on behalf of any Participant.

28. **ASSIGNMENT AND SUB-CONTRACTING**

Assignment and sub-contracting

28.1 This Agreement and any other agreements to which WEPCo and at least one of the Participants are a party shall be binding on, and shall enure to the benefit of, WEPCo and the relevant Participants and their respective successors and permitted transferees and assignees. In the case of the Participants, their successors shall include any person to whom the Welsh Ministers or other Relevant Authority, in exercising their statutory powers to transfer property, rights and liabilities of any Participant upon such Participant ceasing to exist, transfers the property, rights and obligations of the Participants under this Agreement and any other agreements to which WEPCo and that Participant are a party.

28.2 Subject to Clause 28.3, WEPCo shall not, without the prior written consent of the Participants or, in the case of specific subcontracts for Strategic Support Partnering Services to be provided to individual Participants or Project Development Partnering Services in respect of identified New Projects, the written consent of the relevant Participant (such consent in the case of any proposed sub-contracting not to be unreasonably delayed and may only be withheld in circumstances where the obligations to be subcontracted are material obligations and the proposed sub-contractor is an Unsuitable Person), assign, transfer, subcontract or otherwise dispose of any interest in this Agreement and any other contract entered into by WEPCo for the purposes of performing its obligations under this Agreement.

28.3 The provisions of Clause 28.2 do not apply to the grant or exercise of any security rights, in a form approved by the Participants prior to its grant (such approval not to be unreasonably withheld or delayed),

for any loan made to WEPCo under any Funding Agreement. The Participants may make any approval conditional upon the execution by such assignee of a Funders' Direct Agreement in relation to the exercise of its rights.

28.4 A Participant shall not assign or otherwise dispose of the benefit of the whole or part of this Agreement to any person, save:

- 28.4.1 to the Welsh Ministers or a Minister of the Crown pursuant to an Order under the Ministers of the Crown Act 1975, or any other person or body replacing any of the foregoing (or to whom the Welsh Ministers or the Government exercising their statutory rights would be entitled to transfer such benefits); or
- 28.4.2 to any department, office, instrumentality or agency of the Welsh Ministers or Government or any Local Authority which (in any such case) has the legal capacity and sufficient financial resources to perform the obligations of the Participant hereunder and any other agreement (including a Project Agreement) to which such assignment, transfer or disposal relates;
- 28.4.3 in the case of any Further Education Corporation or Designated Institution (as defined in the Further and Higher Education Act 1992) any other Further Education Corporation or Designated Institution who has the legal capacity and sufficient financial resources to perform the obligations of the Participant hereunder and/or any other agreement (including a Project Agreement) to which such assignment, transfer or disposal relates and/or whose obligations are validly and enforceably guaranteed by the Welsh Ministers or Government; and/or
- 28.4.4 to any person who has the legal capacity and sufficient financial resources to perform the obligations of the Participant hereunder and whose obligations are validly and enforceably guaranteed by the Participant, a Local Authority, or the Welsh Ministers or Government or by any department, office, instrumentality or agency of the Government,

PROVIDED THAT nothing in this sub-clause shall restrict the rights of the Welsh Ministers or the Government to effect a statutory transfer. For the purposes of this Clause 28.4, an obligation shall be deemed to be validly and enforceably guaranteed by a Participant, Local Authority, the Government or any department, office, instrumentality or agency of the Welsh Ministers or Government (in any such case) if that Participant, Local Authority, the Government or any department or office, instrumentality or agency of the Government (as the case may be) has delivered a legal opinion stating that the guarantee is fully valid and enforceable in accordance with its terms subject to customary qualifications and assumptions from a reputable firm of solicitors approved in advance by WEPCo (such approval not to be unreasonably withheld or delayed) having appropriate experience of the matters opined upon.

28.5 Where WEPCo enters into a contract with a Partnering Subcontractor for the purposes of performing the Partnering Services under this Agreement, WEPCo shall cause a term to be included in such contract:

- 28.5.1 which requires payment to be made to the Partnering Subcontractor within a specified period not exceeding thirty (30) days from receipt of a valid application for payment as

defined by the contract requirements and provides that, for the purpose of payment alone, where the relevant Participant responsible for payment for the Partnering Services has made payment to WEPCo and the Partnering Subcontractor's application for payment includes Partnering Services in relation to which payment has been made by the relevant Participant then, to the extent that it relates to such Partnering Services, the invoice shall be treated as valid and payment shall be made to the sub-contractor without deduction (but without prejudice to any right to deduct or set off validly arising under the terms of the contract with the Partnering Subcontractor); and

28.5.2 which notifies the Partnering Subcontractor that the contract forms part of a larger contract for the benefit of the relevant Participant and that should the Partnering Subcontractor have any difficulty in securing the timely payment of an invoice that matter may be referred by the Partnering Subcontractor to *[insert the contact name and address of relevant Participant procuring the Partnering Services]*; and

28.5.3 in the same terms as this Clause 28.5 (including for the avoidance of doubt this Clause 28.5.3) subject only to modification to refer to the correct designation of the equivalent party as the supplier and recipient of the services, as the case may be.

29. **PERFORMANCE OF SUBCONTRACTORS**

29.1 WEPCo will be responsible for ensuring the due performance by the Supply Chain Members with whom it has contracted (if any) and its subcontractors of any tier of their obligations under the relevant Supply Chain Agreements and subcontracts (as the case may be).

30. **CONFIDENTIALITY**

30.1 The Parties agree that the provisions of this Agreement shall, subject to Clause 30.2 below, not be treated as Confidential Information and may be disclosed without restriction.

30.2 Clause 30.1 above shall not apply to provisions of this Agreement designated as Commercially Sensitive Information and listed in Section 1 (*Commercially Sensitive Information*) of Schedule 19 (*Confidential Information*) which shall, subject to Clause 30.4, be kept confidential for the periods specified in that Section.

30.3 The Parties shall keep confidential all Confidential Information received by one Party from another Party relating to or in connection with this Agreement and shall use all reasonable endeavours to prevent their employees and agents from making any disclosure to any person of any such Confidential Information.

Permitted Disclosure

30.4 Clauses 30.1 and 30.3 shall not apply to:

30.4.1 any disclosure of information that is reasonably required by any person engaged in the performance of their obligations under this Agreement for the performance of those obligations;

- 30.4.2 any matter which a party can demonstrate is already or becomes generally available and in the public domain otherwise than as a result of a breach of this Clause;

SCHEDULE 4- PARTNERING SERVICES COSTS

1. PAYMENT FOR PROJECT DEVELOPMENT PARTNERING SERVICES

1.1 Payment for Project Development Partnering Services shall be by Project Development Fees. The process for calculating and payment of such Project Development Fees in relation to:

1.1.1 Qualifying Projects; and

1.1.2 any other Projects in respect of which a Project Service Provider is to provide the relevant Project Services and which WEPCo and a Relevant Participant have agreed is to be subject to the approval process set out in Schedule 5 (*Approval Process for New Projects*),

is set out in this paragraph 1. For other Projects, the relevant Participant and WEPCo shall agree an appropriate Project Development Fee and mechanic of payment.

1.2 A proposed Project Development Fee Estimate (including Project Development Fee Caps) for each proposed New Project (broken down for the entire New Project Approval Process, each stage of the New Project Approval Process and for each relevant component of the Project Development Partnering Services) must be submitted by WEPCo as part of the Stage 1 Submission using the Proforma 2 template and, once that New Project achieves Stage 1 Approval, the incurred development fees (together with the OPS Relevant Proportion) shall, subject to paragraph 1.3, paragraph 1.4 and paragraph 2 below, be the Project Development Fee for that New Project. The Project Development Fee Estimate submitted as part of the Stage 1 Submission shall be determined as follows (without any double counting or double recovery between Stages):

1.2.1 subject to paragraph 1.2.2, the estimated fee shall comprise the Partnering Services Costs associated with the provision of the Project Development Partnering Services relative to the New Project, to cover taking the proposed New Project through each stage of the New Project Approval Process (split between Stage 1 Approval and Stage 2 Approval) (for example, design costs, finance and legal advice, technical advice, planning costs, surveys (excluding any surveys specified in paragraph 4.2.3(b) to 4.2.3(q) of Schedule 5 (*Approval Process for New Projects*)) and costs associated with compliance with the requirements of Schedule 6 (*New Project Pricing Report*) in respect of the New Project) to financial close or contract award;

1.2.2 save to the extent adjustments are required and agreed between the Parties to give effect to Clause 19.1, the Project Development Fee Estimate for each element or component of the Project Development Partnering Services, for each stage of the New Project Approval Process and in respect of the New Project as a whole, can in no circumstances exceed the relevant Project Development Fee Cap, as arrived at using Tables 1 and 2 of Proforma 1 of Appendix 1 to this Schedule 4 (*Partnering Services Costs*) for the estimated value of the New Project;

1.2.3 these costs will be computed based on WEPCo's estimate of the time involved in taking the New Project through to contract completion and execution (including

time spent by WEPCo's own staff), applying the Partnering Services Cost rates or alternative basis as referred to in paragraph 1.3;

1.2.4 these costs may include:

- (a) costs reasonably and properly incurred by WEPCo in doing work which would otherwise have been required for a Stage 1 Approval in advance of issue by the Relevant Participant(s) of a New Project Request, where such work was done "at risk" by WEPCo with the express agreement of the Relevant Participant(s) on the understanding such work would be captured pursuant to this paragraph 1.2.4 should a Stage 1 Approval be given for the New Project in question; and/or
- (b) with the agreement of the Relevant Participant, costs reasonably and properly incurred by WEPCo in relation to a New Project in relation to which a Stage 1 Submission has been submitted but which did not receive Stage 1 Approval (other than for reasons related to WEPCo's failure to meet the requirements of this Agreement) (such consent not to be unreasonably withheld or delayed where the costs incurred relate to a previous attempt to obtain Stage 1 Approval for the New Project for which Stage 1 Approval is being sought);

1.2.5 for the avoidance of doubt the Project Development Fee Estimate shall also include the OPS Relevant Proportion allocated to the New Project; and

1.2.6 WEPCo shall not be entitled to include or recover any Non Scheduled Costs as part of any Project Development Fee or Incurred Project Development Fee where such costs have not been agreed or Tendered in accordance with Section 4 (*Partnering Services Costs Rates*) of Schedule 3 (*Partnering Services*).

1.3 The actual costs for providing the Project Development Partnering Services shall be calculated utilising the Partnering Services Costs rates specified in Section 4 (*Partnering Services Costs Rates*) of Schedule 3 (*Partnering Services*) or, where more beneficial to the Relevant Participant(s), on any alternative basis (such as fixed prices or volume discounts) agreed between WEPCo and the relevant Supply Chain Member and approved by the Relevant Participant for this purpose. In the case of an Approved Project, the costs should include (as a fixed sum) those costs anticipated to be properly and reasonably incurred in achieving financial close or contract award.

1.4 Within twenty (20) Business Days of a New Project achieving Stage 1 Approval and then after it becomes an Approved Project, WEPCo shall notify the Relevant Participant(s) of the actual costs (calculated on the basis specified in paragraph 1.3 above) of providing the Project Development Partnering Services in respect of that New Project and the OPS Relevant Proportion properly and reasonably incurred by WEPCo in obtaining such approvals (and, in the case of an Approved Project, anticipated to be properly and reasonably incurred in achieving financial close or contract award). WEPCo shall provide all necessary supporting information (including timesheets, invoices and the like) necessary to substantiate the levels of costs incurred (or anticipated to be incurred as aforesaid).

1.5 The Relevant Participant(s) and WEPCo shall seek to agree the costs to be paid pursuant to paragraph 1.4 within twenty (20) Business Days of WEPCo's notification, failing which WEPCo or the Relevant Participant(s) shall be entitled to refer the matter for consideration under the Dispute Resolution Procedure. Where such costs as agreed or determined are lower than the Project Development Fee Estimate for the relevant stage provided pursuant to paragraph 1.2 above, the Project Development Fee will be reduced accordingly. Where such costs as agreed or determined are higher than the Project Development Fee Estimate for the relevant stage provided pursuant to paragraph 1.2 above, the Project Development Fee will be increased accordingly, subject always to paragraph 2 below and the Project Development Fee Caps.

1.6 Subject to paragraphs 1.7 and 1.8, recovery of the full Project Development Fee is dependent on the relevant New Project becoming an Approved Project and a Project Agreement being entered into in relation to that Approved Project in which case WEPCo shall:

1.6.1 in MIM Projects, charge an amount equivalent to the Project Development Fee (under deduction of any sums paid under paragraph 1.7) as a lump sum to the Project Service Provider entering into the relevant Project Agreement and that Project Service Provider shall, in turn, recover such amount through the amounts to be paid to the Project Service Provider under the Project Agreement; and

1.6.2 for Approved Projects other than as referred to in paragraph 1.6.1, recover the Project Development Fee (under deduction of any sums paid under paragraph 1.7) in accordance with the terms of the relevant Project Agreement.

1.7 The Relevant Participant(s) shall pay WEPCo that part of the Project Development Fee in respect of a New Project which has obtained Stage 1 Approval that relates to the costs incurred in obtaining such Stage 1 Approval within thirty (30) Business Days of agreement or determination of the costs specified in paragraph 1.3 relative to such Stage 1 Approval.

1.8 WEPCo shall be entitled to reimbursement of the Incurred Project Development Fee in the circumstances referred to in paragraphs 4.8.2, 4.8.3, 5.10.1(a), 5.10.2(a), 6.1.2(a), 6.2 and 7 of Schedule 5 (*Approval Process for New Projects*) and/or (but without double counting or double recovery) as part of the Participant Event of Default Compensation Sum and/or Participant Event of Default Termination Sum.

1.9 The "**Incurred Project Development Fee**" is, in respect of each New Project, the actual development costs of the nature referred to in paragraph 1.2.1 above (calculated on the basis specified in paragraph 1.3 above) properly and reasonably incurred by WEPCo as at the relevant date in seeking to develop a Stage 1 Submission and/or Stage 2 Submission (and which WEPCo is not already entitled to be paid pursuant to paragraph 1.7 above), but in no circumstances shall the Incurred Project Development Fee for:

1.9.1 a stage of the New Project Approval Process in respect of a New Project exceed the Project Development Fee Cap for that stage; or

1.9.2 a New Project exceed the Project Development Fee Cap for that New Project set out in the Stage 1 Submission.

2. PROJECT DEVELOPMENT FEE CAP

2.1 The Project Development Fee Cap in respect of a New Project shall be:

2.1.1 in the case of Stage 1, the amount specified in the relevant row within Proforma 2 of the Pricing Data, based on the amount contained in Table 1 of Proforma 1 for the estimated capital value of the relevant New Project stated in the New Project Request; and

2.1.2 in the case of Stage 2, the amount specified in the relevant row within Proforma 2 and:

(a) calculated by multiplying the percentage value contained in Table 2 of Proforma 1 by the estimated capital value of the New Project stated in the New Project Request; or

(b) where applicable, based on the Stage 2 Fee Cap stated in monetary terms in Table 2 of Proforma 1.

2.2 The Project Development Fee Cap for the New Project as a whole shall be the aggregate of the fee caps for each stage agreed or determined pursuant to paragraph 2.1 above.

2.3 The Project Development Fee Caps shall, in all cases, be subject to such adjustment (carried out in accordance with the principles set out in Appendix 1 (*Pricing Data*) to this Schedule 4 (*Partnering Services Costs*)) as may be appropriate to reflect variances between the Comparator and the details of the Project, such adjustment to be agreed between the Relevant Participant and WEPCo.

3. PAYMENT FOR ONGOING PARTNERING SERVICES

3.1 Partnering Services Costs relative to the provision of Ongoing Partnering Services shall be paid through the OPS Relevant Proportion payable by the Relevant Participant(s) as part of the Stage 1 Project Development Fee and by Project Agreement Counterparties under Project Agreements as part of the Stage 2 Project Development Fee, calculated in accordance with the provisions of this Agreement.

3.2 The OPS Relevant Proportion should be clearly identified as part of the Stage 1 and Stage 2 Project Development Fee Estimates, as set out in paragraph 1.2 of this Schedule 4 (*Partnering Services Costs*).

3.3 WEPCo will be required to demonstrate the value for money of the approach taken to the level of OPS Relevant Proportion on an individual New Project as part of the Pricing Report required to be submitted in accordance with Schedule 6 (*New Project Pricing Report*) and subject to the approvals process described in Schedule 5 (*Approval Process for New Projects*).

APPENDIX 1 - PRICING DATA

1. The information set out in this Appendix 1 together with the capped amounts set out in Table 3 and Table 4 of Proforma 1 (as updated from time to time) comprises details of the information required to calculate the caps to be applied for the fixed cost elements (being the non-Tendered cost elements such as the Project Development Fees and equity returns) for New Projects coming forward through the New Project Approval Process.
2. Any adjustment to be made pursuant to this Agreement to the figures and/or percentages specified in this Appendix 1 (as updated from time to time) for the purposes of Schedule 4 (*Partnering Services Costs*) or Schedule 6 (*New Project Pricing Report*) shall be made in accordance with the following requirements:
 - 2.1 where adjustments are to be made, they shall be made on the basis that:
 - 2.1.1 both WEPCo and the Relevant Participant(s) shall act reasonably;
 - 2.1.2 the adjustment may be an increase or a decrease. Where an increase is required, the smallest practicable increase is to be made. Where a decrease is required, the greatest practicable decrease is to be made;
 - 2.1.3 full use is to be made of relevant benchmarking data for comparator projects or elements or components of comparator projects which are agreed between the Relevant Participants and WEPCo from time to time as being appropriate in accordance with Proforma 1;
 - 2.1.4 the best value for money to the Relevant Participant(s) and continuous improvement are to be obtained;
 - 2.1.5 WEPCo, insofar as is practicable, should be in a no better, no worse position as a result of such adjustment; and
 - 2.1.6 no adjustment shall be made to the "Project Equity Returns" specified in Proforma 1 until the seventh (7th) anniversary of the Commencement Date at which point adjustments may be made in accordance with this Appendix 1, save to the extent provided for in paragraph 2.2 or as required and agreed between the Parties to give effect to Clause 19.1;
 - 2.2 adjustments for inflation (other than in respect of the Partnering Services Costs, to which Section 4 (*Partnering Services Costs Rates*) of Schedule 3 (*Partnering Services*) shall apply) shall be made in accordance with the provisions of paragraph 2.15 of Schedule 1 (*Definitions, Interpretation and Construction*) on the basis that principal sums provided by WEPCo in the Proformas (but not sums determined by applying percentages to such sums) shall be index linked save that references in paragraph 2.15 of Schedule 1 (*Definitions, Interpretation and Construction*) to the Retail Prices Index (All Items Excluding Mortgage Interest) shall be construed as references to BCIS TPI or such other appropriate indices as

may be agreed between the SPB and WEPCo (as agreed from time to time with the Relevant Participant(s));

2.3 the Parties have agreed that only the following aspects may, on an individual New Project, be relevant considerations for suggesting adjustments to the figures or percentages specified in Proforma 1:¹⁹

2.3.1 **Complexity**

Where the specific details of a New Project in terms of design detailing, site specifics and/or buildability are materially more or less complex than the information on which the Pricing Data was based, it may be appropriate to adjust the Project Development Fee Caps in Proforma 1.

2.3.2 **Pathfinders/Preparatory Work**

Where Relevant Participants have carried out desktop studies in advance of issuing New Project Requests, the Project Development Fee Caps in Proforma 1 shall be adjusted as set out in the Partnering Services Method Statements²⁰.

Where the Relevant Participants have undertaken a significant degree of other preparatory work relative to a New Project which would reduce the scope of the Project Development Partnering Services in accordance with paragraph 3 of Schedule 5 (*Approval Process for New Projects*), the Project Development Fee Caps set out in Proforma 1 shall be adjusted as set out in the Partnering Services Method Statements.

2.3.3 **Planning Process**

Where the Site has been selected by the Relevant Participant notwithstanding advice by WEPCo that there is a there is a significant risk of any Planning Appeal, Planning Call-In or Planning Proceeding and, other than as a result of breach of this Agreement by WEPCo or any WEPCo Party or failure to comply with the Planning Act by WEPCo or any WEPCo Party, there is a significant risk of any Planning Appeal, Planning Call-In or Planning Proceeding, it may be appropriate to increase the Project Development Fee Caps specified in Proforma 1.

¹⁹ Bidders are expected to provide proposals as to methodologies for producing such adjustments within the relevant Partnering Services Method Statement (but are not expected to increase the scope of the possible grounds of adjustment).

²⁰ Bidders are required to include specific details.

The Pricing Data is attached hereto.²¹

Proforma 1

This Pricing Data shall be updated from time to time with benchmarking information agreed or determined, in accordance with the terms of this Agreement.

The total capped development fee for each proposed New Project shall be calculated by adding together the caps for Stage 1 and Stage 2 at Tables 1 and 2 below.

For the purposes of interpretation of this Proforma 1, subject to paragraph 2 of Schedule 4 of Schedule 4 (*Partnering Services Costs*), the capital value of each New Project shall be based on the estimated value of the New Project contained in the New Project Request. The Project Development Fee Cap for Stage 1 and the Project Development Fee Cap for Stage 2 (together with the Annual Project Management Fee Cap and the Project Equity Returns) shall be calculated based on the relevant banding of capital value, the project type and scheme type, as described in Tables 1 to 4 below.

SCHEDULE 5 - APPROVAL PROCESS FOR NEW PROJECTS

1. PURPOSE

The purpose of this Schedule 5 (*Approval Process for New Projects*) is to set out how WEPCo and the Participants will work together to agree which New Projects will be taken forward and approved for development by WEPCo and on what basis. It sets out a two-stage approval process for New Projects. The provisions of paragraphs 3 to 6 of this Schedule 5 shall apply in relation to Qualifying Projects whether or not the period of ten (10) years from the Commencement Date has expired. The Parties may agree to utilise this process (amended as appropriate) in respect of other Project Services under Clause 9.3 but are not obliged to do so.

2. GENERAL OBLIGATIONS OF THE PARTIES

2.1 WEPCo will, as an integral part of its overall service delivery in relation to the development and approval of New Projects and without entitlement to specific or additional payment:

- 2.1.1 work with the Participants to develop local delivery plans which will then form the basis of the updated SDP; and
- 2.1.2 work with the Participants to review the applicability of the SDP to the provision of Education Sector Services and Community Services in the Region and to decide which New Projects to proceed with,

so that Participants can make informed decisions as to which projects may become New Projects.

2.2 WEPCo will, as an integral part of its overall service delivery in relation to the development and approval of New Projects and without entitlement to specific or additional payment, work with the Participants and other members of the SPB to:

- 2.2.1 identify, analyse and discuss the Participants' collective and individual accommodation requirements;
- 2.2.2 assist in the development of local delivery plans and review their applicability to the provision of Education Sector Services and Community Services in the Region;
- 2.2.3 develop further the SDP, in particular to further refine the proposals contained in the SDP;
- 2.2.4 prioritise New Projects on a basis consistent with the decisions from time to time of the SPB under Clause 14.2;
- 2.2.5 identify and appraise available options for meeting the Participants' accommodation requirements and thereby recommend (on the basis of best available value for money) which New Projects to progress;
- 2.2.6 advise how best to bundle accommodation requirements within a New Project to ensure that the New Project is Affordable, offers value for money and provides a solution with an appropriate level of flexibility;

- 2.2.7 take into consideration the views of relevant stakeholders in relation to the SDP and actual or potential New Projects;
- 2.2.8 develop the Participants' requirements in relation to New Projects which, in due course, during the Stage 2 Approval process set out at paragraph 5, will be developed further to enable it to form the basis for the agreement of the relevant Project Agreement;
- 2.2.9 analyse and discuss the range of potential funding options for New Projects including the feasibility of third party funding such as sponsorship when considering and developing a New Project;
- 2.2.10 assist in the preparation of outline business cases and obtaining all necessary approvals; and
- 2.2.11 in addition to the requirements of Schedule 6 (*New Project Pricing Report*), agree with potential Relevant Participant(s):
 - (a) the appropriate Comparator for purposes of determining any adjustments to the Project Development Fee Cap pursuant to paragraph 2 of Schedule 4 (*Partnering Services Costs*) in respect of such Comparator; and
 - (b) each part of the Project Development Fee Estimate, including the OPS Relevant Proportion, for each stage set out in Proforma 2,

for any New Project in respect of which such Participant(s) has/have indicated an intention to submit a New Project Request.

2.3 Each Participant will co-operate with WEPCo in its performance of its obligations under paragraph 2.2 above, in relation to any New Project or potential New Project being developed by WEPCo, including (without limitation):

- 2.3.1 providing any information reasonably required by WEPCo to enable it to satisfy the requirements of paragraphs 4 and/or 5 ;
 - 2.3.2 identifying whether any requirements under paragraph 4.2 and/or 5.4 may not be required or what additionally may be required by the Participants;
 - 2.3.3 explaining any relevant considerations around the funding of and/or financial envelope for the proposed New Project;
 - 2.3.4 identifying suitable benchmarks for the New Project; and
 - 2.3.5 providing reasonable assistance to WEPCo in relation to the procurement by WEPCo of all relevant Consents and the entering into of Project Agreements,
- and agreeing with WEPCo the matters referred to in paragraph 2.2.11 above.

2.4 Where the potential Relevant Participant(s) and WEPCo are unable to agree the matters referred to in paragraph 2.2.11 above within a period of three (3) months, the SPB shall determine such matters.

3. NEW PROJECT REQUESTS

3.1 Any Participant wishing to procure a New Project ("**Relevant Participant**") shall submit a written request for WEPCo to produce a Stage 1 Submission for that New Project, including:

- 3.1.1 indicative funding proposals setting out the maximum available capital and/or revenue which can be committed to that New Project, together with high level detail of assumptions associated with this calculation (the "**Affordability Cap**");
- 3.1.2 any requirements in relation to a New Project that must be satisfied as part of a Stage 1 Submission and/or Stage 2 Submission, including any governmental or similar approval requirements (for example the requirement to comply with the Welsh Government's ["Better Business Cases - using the Five Case Model"]), funding approvals or grant conditions ("**Specific Requirements**"); and
- 3.1.3 a clear, detailed Project brief setting out the scope of the work to be undertaken, supported by relevant information which is commensurate with any previous development work undertaken on the New Project, together with any key aims and objectives related to the delivery of the New Project and the project specific requirements. This should include (i) details of the curriculum model; (ii) education brief (including any key programming requirements); (iii) site brief (including location, red line plan, title details and any "Reserved Rights" "Title Conditions", existing facilities and the extent of any engagement on planning matters and/or other consents); (iv) the New Project Specific Project Agreement, including the Site Specific Brief within the Authority's Construction Requirements, the Schedule of Accommodation, Area Data Sheets, the ICT requirements, Equipment requirements and Thermal and Energy Efficiency Testing Procedures, each as referred to in the Template Project Agreement; (iv) in the case of Pathfinder Projects, as a minimum, desktop surveys; (v) any initial agreement that may be in place between the Participant and any relevant Government body (whether pursuant to the Welsh Government's ["Better Business Cases - using the Five Case Model"] or otherwise); (vi) the Strategic Outline Case approved by Welsh Government; (vii) RIBA Stage 1 design information; (viii) any Well-being of Future Generations (Wales) Act 2015 policy objectives; (ix) the Project BIM Agreement relative to the New Project; and (x) details of approach to revenue/capital funding; and (xi) the anticipated position on staff transfers. As part of its preparation for each Pathfinder Project the Relevant Participant shall procure a desktop study of the relevant site or sites and report the results of such studies. Such report shall be accompanied by the requirements as to what, if any further studies or investigations should be carried out by WEPCo for the purposes of producing a Stage 1 Submission.

(a "**New Project Request**"). From time to time, the Relevant Participant(s) may have undertaken a significant degree of preparatory work relative to a New Project which would reduce the scope of the Project Development Partnering Services required to be provided for such New Project pursuant to this Schedule 5 (*Approval Process for New Projects*). In such circumstances:

- (a) the Relevant Participant(s) shall indicate this in the New Project Request and shall provide details of the work done to date, any revised requirements for the Stage 1 Submission and/or Stage 2 Submission (or, in relevant cases, whether a Stage 1 Submission is required at all) and any proposed risk allocation including proposals for

novation or otherwise of the design and/or other consultancy contracts which the Relevant Participants may have in place;

- (b) WEPCo and the Relevant Participants shall agree the appropriate adjustments to the process set out in this Schedule 5 (*Approval Process for New Projects*) and Schedule 6 (*New Project Pricing Report*) necessary to reflect the circumstances of the Project, including timing and details of the proposed Project Development Fee (it being agreed that the Parties' intentions are for this process to be applied with least practicable adjustments); and
- (c) the period for WEPCo's confirmation under paragraph 3.3 shall be increased to thirty (30) Business Days.

3.2 WEPCo shall be entitled to raise queries and request clarifications from the Relevant Participant(s) following receipt of a New Project Request so that WEPCo is able to fully assess the request and provide a meaningful response. The Relevant Participant(s) shall provide all reasonable assistance and co-operation in this regard.

3.3 WEPCo shall confirm in writing within twenty (20) Business Days of receipt of a New Project Request whether or not it will submit a Stage 1 Submission to the Relevant Participant(s). If WEPCo confirms that it does not intend to submit a Stage 1 Submission (or fails to give the confirmation referred to in this paragraph 3.3):

3.3.1 where the reason for not proceeding is that the Affordability Cap provided by the Relevant Participants is unrealistically low, WEPCo and the Relevant Participant(s) shall work together in good faith to seek to agree an alternative Project brief and/or Affordability Cap which can form the basis for a revised New Project Request. Failing an agreement on such terms within six (6) months of WEPCo's original confirmation, the Relevant Participant(s) shall be entitled to procure such New Project outside the terms of this Agreement and shall not be or be deemed to be in breach of Clause 9 (*Exclusive Nature of this Agreement*) unless such New Project is a Qualifying Project and they commence to procure such New Project prior to the expiry of ten (10) years from the Commencement Date at a substantially greater cost than the Affordability Cap (adjusted, for these purposes to reflect changes in BCIS TPI (as specified by the Relevant Participant(s)) from the date of the New Project Request); and

3.3.2 in all other cases, the Relevant Participant(s) shall be entitled to procure such New Project outside the terms of this Agreement and shall not be or be deemed to be in breach of Clause 9 (*Exclusive Nature of this Agreement*).

3.4 Any specific requirements of the Relevant Participant(s) for demonstrating value for money in respect of a specific New Project shall be notified to WEPCo as a Specific Requirement.

4. **STAGE 1 APPROVAL**

4.1 WEPCo will, as part of the Project Development Partnering Services produce outline proposals for New Projects (a "**Stage 1 Submission**") which develop and are consistent with the SDP where so requested pursuant to a New Project Request which they have accepted pursuant to paragraph 3.3 above.

4.2

All Stage 1 Submissions will be produced within three (3) months (or such longer period, up to a maximum of six (6) months, where reasonably necessary to allow for invasive surveys or ground investigation reports) of the relevant confirmation under paragraph 3.3 unless another period is agreed between WEPCo and the Relevant Participant(s). Without prejudice to the generality of Clause 8.1.6, a Stage 1 Submission shall be produced in accordance with the relevant Partnering Services Method Statement and contain, as a minimum, the following information in sufficient detail to allow all requisite approvals to be obtained by the Relevant Participant(s):

 - (iii) an indicative financial model or indicative Development Amount Analysis, as the case may be;
- (b) explaining, in accordance with the relevant provisions of the Partnering Services Method Statement relative to the value for money requirements of the Project Development Partnering Services and the assumptions underpinning the OPS Relevant Proportion, why WEPCo's proposals demonstrate value for money, taking into account known costs and all other relevant factors (cost related or otherwise); and
- (c) confirming that such proposals would meet the relevant targets and commitments in the Key Performance Indicators;

4.2.2 concept design (to RIBA Stage 2) of the New Project sufficient to:

- (a) demonstrate that the Participant's requirements (including the Affordability Cap) are likely to be met;

- (c) enable a cost estimate to be prepared with sufficient accuracy to establish whether or not the New Project can be delivered within the Affordability Cap (subject to the inclusion of identified contingencies for matters not yet known);

4.2.3 the results of the following:

- (a) (save in respect of Pathfinder Projects), a desktop study meeting the requirements of the Partnering Services Method Statements,

and, where applicable, in terms of paragraph 4.5,

- (k) Asbestos report in accordance with paragraph 4.10 of this Schedule 5 (*Approval Process for New Projects*);
- (l) Acoustic report;
- (m) Air quality report;
- (n) Ecology desktop study and further recommended reports;
- (o) Arboricultural report;
- (p) traffic study and transport assessment; and
- (q) environmental impact report,

together with suitable reliance and/or warranty protection in respect of such report in favour of the Project Service Provider, the Relevant Participant and (where applicable) Funders, from the relevant consultant;

4.2.4 whether the New Project requires the transfer of properties by Participant(s) to WEPCo to a Project Service Provider or to a wholly owned Subsidiary of WEPCo and, if so, proposed terms for such transfer and details of the extent of any agreement reached with such Participant(s);

4.2.5 a schedule of all material amendments required to the New Project Specific Project Agreement and in respect of a New Project that is a MIM Project, the Template Project Co Shareholders' Agreement together with a statement of benefit made available to the Relevant Participant(s) by such amendments, completed in accordance with the "IMPORTANT NOTICE" set out on the Template Project Agreement and Template Project Co Shareholders' Agreement and to reflect such amendments as may be required in the

circumstances of that particular project, taking account of the Approval Criteria at paragraphs 5.5.5 and 5.5.6;

- 4.2.6 the identity of the Participant(s) and/or other parties who will become Project Agreement Counterparties and where applicable an indication of any other parties which would become occupants in the Facilities to be provided under the New Project;
- 4.2.7 an explanation of how the New Project fits into the service delivery strategy as set out in the SDP and evidence of how the New Project meets the Relevant Participant(s)' requirements including the Specific Requirements;
- 4.2.8 the effect (if any) on any employees of the Relevant Participant(s) or relevant third party service providers, including any potential transfer of any such employees to any Project Service Provider or their Supply Chain Members;
- 4.2.9 a planning brief, including confirmation that the proposals are aligned with local planning policy and details of pre-planning application discussions and engagement with key stakeholders;
- 4.2.10 a maximum time period for submission of a Stage 2 Submission on the assumption that the New Project achieves Stage 1 Approval (and indicating time periods to accommodate the Tender Process required pursuant to Schedule 6 (*New Project Pricing Report*));
- 4.2.11 the proposed Project Development Fee Estimate referred to in paragraph 1.2 of Schedule 4 (*Partnering Services Costs*);
- 4.2.12 the proposed corporate structure of the Project Service Provider and, where not WEPCo, identifying the basis on which such Project Service Provider would be a PSDP Related Party or Subsidiary of WEPCo (as applicable) as at the date of execution of the relevant Project Agreement; and
- 4.2.13 a BIM Execution Plan,

and shall be accompanied by a copy of the most recent WEPCo Performance Report and confirmation whether or not the Track Record Test has been passed at the date of submission of the Stage 1 Submission.

4.3 In developing a Stage 1 Submission:

- 4.3.1 WEPCo shall liaise with the Relevant Participant(s) and relevant end users (in the case of end users, such end users to be such persons or organisations as the Relevant Participant(s) in consultation with WEPCo consider appropriate) as necessary to ensure the best available value for money is achieved through the appropriate consideration of all viable options and informed choices by WEPCo, stakeholders and the Relevant Participant(s); and
- 4.3.2 WEPCo shall be obliged to enter into the Project BIM Agreement for the New Project and comply with its obligations thereunder.

4.4 Without prejudice to the requirements of Schedule 6 (*New Project Pricing Report*), the Relevant Participant(s) shall provide WEPCo with such information as to its/their requirements (including the Specific Requirements) and other inputs as WEPCo may reasonably require and shall assist WEPCo in the review of any draft designs and broad proposals in relation to the Stage 1 Submission. Any and all information and other input or feedback so provided shall be provided without warranty and on the same basis as the provision of any information pursuant to Clauses 14.4 to 14.6 and shall be without prejudice to the rights of the Relevant Participant(s) to approve or not approve any New Project as they, in their absolute discretion, deem fit under this Schedule 5.

4.5 Save in respect of Pathfinder Projects, as part of its preparation for each Stage 1 Submission, WEPCo shall carry out a desktop study of the relevant site or sites and report (in advance of the Stage 1 Submission) to the Relevant Participant(s) of the results of such studies. Such report shall be accompanied by the recommendations of WEPCo as to what, if any further studies or investigations (as listed in paragraph 4.2.3 above) should be carried out by WEPCo for the purposes of producing a Stage 1 Submission. The Relevant Participant(s) shall confirm to WEPCo which if any such studies and/or investigations are required and WEPCo shall procure such studies and/or investigations on terms and at prices agreed with the Relevant Participants (which terms shall include the Relevant Participant(s) having the right to rely on the same). Such further surveys shall be carried out at the cost of the Relevant Participant(s) and shall not form part of the Project Development Fee unless the Relevant Participant(s) and WEPCo agree to the contrary.

4.6 Following receipt of a Stage 1 Submission, the Relevant Participant(s) shall have a period of two (2) months from the date of receipt of the Stage 1 Submission (or such longer period as they may have agreed with WEPCo in writing, all acting reasonably) in which to notify WEPCo that it approves or rejects the Stage 1 Submission. It is expected that the SPB will provide a forum for discussion of such Stage 1 Submission. If following the date of the New Project Request, WEPCo has failed the Track Record Test and, as a result, the Relevant Participants reject the Stage 1 Submission which otherwise meets the requirements of paragraph 4.2, then paragraphs 4.8.3 and 4.9 shall apply.

4.7 Where the Relevant Participant(s) approve a Stage 1 Submission, that New Project shall be known as a "**Stage 1 Approved Project**" or as having received "**Stage 1 Approval**", as the context requires.

4.8 If a New Project in respect of which a Stage 1 Submission has been submitted in accordance with this paragraph 4 does not become a Stage 1 Approved Project then WEPCo's costs in relation to the preparation of such Stage 1 Submission shall be borne by WEPCo unless:

4.8.1 the New Project subsequently becomes an Approved Project and the relevant costs are included as part of the Project Development Fee for such Approved Project in accordance with paragraph 1.2.4 of Schedule 4 (*Partnering Services Costs*); or

4.8.2 the Relevant Participant(s) have neither approved nor rejected the Stage 1 Submission within one (1) month of a notice (served no earlier than expiry of the two (2) months period specified in paragraph 4.6 (or such longer period as WEPCo may have agreed in writing, acting reasonably)) by WEPCo on the Relevant Participant(s) referring to this paragraph 4.8 and confirming that WEPCo intends to withdraw the Stage 1 Submission in the absence of approval by the Relevant Participant(s) within such further one (1) month period, in which case where WEPCo subsequently notifies the Relevant Participant(s) in writing of such withdrawal, WEPCo shall be entitled to the Incurred

Project Development Fee in respect of such Stage 1 Submission calculated in accordance with paragraph 1.9 of Schedule 4 (*Partnering Services Costs*); or

4.8.3 such Stage 1 Submission is rejected by the Relevant Participant(s) solely on grounds that:

- (a) the Track Record Test has been failed; or
- (b) the Relevant Participant(s) have exercised a right to suspend exclusivity pursuant to Clause 23.3 or Clause 23.10.1,

in which case WEPCo shall be entitled to the Incurred Project Development Fee relative to such Stage 1 Submission in respect of such Stage 1 Submission in accordance with paragraph 1.9 of Schedule 4 (*Partnering Services Costs*).

4.9 If a Stage 1 Submission submitted in accordance with this paragraph 4 does not become a Stage 1 Approved Project:

4.9.1 in relation to a Qualifying Project where the period of ten (10) years from the Commencement Date has not expired and the Stage 1 Submission is rejected because:

- (a) WEPCo has failed the Track Record Test or the Relevant Participant(s) or any of them have exercised a right to suspend exclusivity pursuant to Clause 23.3 or Clause 23.10.1; or
- (b) WEPCo has not:
 - (i) demonstrated to the satisfaction of the Relevant Participant(s) that the New Project provides value for money, including demonstration of continuous improvement in value for money where appropriate; or
 - (ii) met the requirements of paragraph 4.2 relative to such Stage 1 Submission; or

4.9.2 where the New Project in question is not a Qualifying Project; or

4.9.3 where the New Project in question is a Qualifying Project but the period of ten (10) years after the Commencement Date has expired,

then the Relevant Participant(s) shall be entitled to procure the New Project outside the terms of this Agreement and shall not be or be deemed to be in breach of the provisions of Clause 9 (*Exclusive Nature of this Agreement*) unless, in the case of paragraph 4.9.1(a), they seek to commence the procurement of such New Project during any period when exclusivity in respect of the Relevant Participant(s) has been reinstated pursuant to Clause 9.7, Clause 23.3 or Clause 23.10.1. In all other cases the Relevant Participant(s) shall not be entitled to procure the Required Facilities and/or the provision of the relevant Project Services outside the terms of this Agreement and, if they do so, such action shall and shall be deemed to be a breach of Clause 9 (*Exclusive Nature of this Agreement*).

4.10 Where in respect of a New Project demolition of an existing facility is anticipated within the scope of a New Project and an Asbestos Management Survey has not been undertaken by the Relevant Participant and included within the New Project Request, WEPCo shall procure an Asbestos Management Survey with the support and guidance of the Relevant Participant, in accordance with the following provisions:

- 4.10.1 WEPCo shall seek competitive tenders from a minimum of [three (3)] licensed Asbestos surveyors and shall appoint the tenderer with the most economically advantageous tender and the necessary skills, qualification and experience to carry out an Asbestos Management Survey and prepare an Asbestos Management Survey Report.
- 4.10.2 The Asbestos Surveyor will be required to carry out an Asbestos Management Survey and complete the relevant columns of the Asbestos Schedule, to include within an Asbestos Management Survey Report. The Asbestos Surveyor shall include details of the following within the Asbestos Schedule:
 - (a) Asbestos containing materials that are identified by the survey or surveys; and
 - (b) where Asbestos containing materials have been identified within a survey or surveys, a description of whether Asbestos is "strongly presumed" or "presumed", taking into account any access restrictions.
- 4.10.3 Under the direction of the Relevant Participant, WEPCo shall be required to:
 - (a) price the Asbestos Schedule using benchmarked rates, for the purposes of establishing a provisional sum; and
 - (b) estimate the programme,in each case for the removal of Asbestos materials identified in the Asbestos Management Survey Report, such rates and programme duration being based on Good Industry Practice (the "**Asbestos Provisional Sum and Programme**").
- 4.10.4 The Asbestos Management Survey Report and Asbestos Provisional Sum and Programme shall be included in the Stage 1 Submission and Stage 2 Submission. The Relevant Participant does not expect this amount or programme duration to change between the point the report is produced and execution of the Project Agreement.
- 4.10.5 The Asbestos Management Survey Report shall be included in the Project Agreement.

5. **STAGE 2 APPROVAL**

5.1 Following approval under paragraph 4 above, WEPCo will, when requested so to do in writing by the Relevant Participant(s), provide further Project Development Partnering Services to proceed regularly and diligently to develop a Stage 1 Approved Project into a detailed submission meeting the requirements of this paragraph 5, to be put to the Relevant Participant(s) (copied to the SPB) (a "**Stage 2 Submission**"). The Stage 2 Submission shall be presented to the Relevant Participant(s) as soon as reasonably practicable and in any case within the maximum period specified therefor in the Stage 1 Submission.

5.2 In developing a Stage 2 Submission:

- 5.2.1 WEPCo shall continue to liaise with the Relevant Participant(s) and relevant end users (in the case of end users, such end users to be such persons or organisations as the Relevant Participant(s) in consultation with WEPCo consider appropriate) as necessary to ensure the best available value for money is achieved through the appropriate consideration of all viable options and informed choices by WEPCo, stakeholders and the Relevant Participant(s); and
- 5.2.2 WEPCo shall be obliged to comply with its BIM protocol obligations under the Project BIM Agreement and submit a BIM Execution Plan to the Relevant Participant within one month of commencing Stage 2.

5.3 The Relevant Participant(s) shall, without prejudice to the requirements of Schedule 6 (*New Project Pricing Report*):

- 5.3.1 provide WEPCo with such information as to its/their requirements (including the Specific Requirements) and other inputs as WEPCo may reasonably require and shall assist WEPCo in the review of any draft designs and proposals in relation to the Stage 2 Submission. 5.5 For the purposes of this Schedule 5 (*Approval Process for New Projects*), "**Approval Criteria**" means the criteria against which any New Project is judged in determining whether it achieves Stage 2 Approval. The criteria are:

- 5.5.1 that the cost of the New Project is within the Affordability Cap or any increased Affordability Cap notified to WEPCo by the Relevant Participant(s);
- 5.5.2 that it has been demonstrated to the satisfaction of the Relevant Participant(s) that the New Project provides value for money including demonstration of continuous improvement in value for money where appropriate;
- 5.5.3 that the New Project meets the Specific Requirements and each of the Relevant Participant(s)' other requirements (including for the avoidance of doubt: design quality; sustainability; and terms and conditions of the Project Agreement) as identified at the time a New Project became a Stage 1 Approved Project;
- 5.5.4 that the Stage 2 Submission contains all the information required pursuant to paragraph 5.4 and has been produced in accordance with the relevant Partnering Services Method Statement;

- 5.5.8 that the Stage 2 Submission was submitted within the maximum period specified therefor in the Stage 1 Submission (failure to do so shall mean that the Relevant Participant(s) are entitled to deem that the Approval Criteria are not met);

²³ The list represents Welsh Government's minimum requirements. Other items to be discussed during dialogue to align with Bidders method statements.

5.5.9 that the proposed Project Service Provider is a PSDP Related Party in the case of MIM Projects, or otherwise is WEPCo or a Subsidiary of WEPCo, as at the date of execution of the Project Agreement and the confirmation required under paragraph 5.4.14(b) has been properly provided; and

5.5.10 that the Authority's Community Benefit Requirement KPIs are met.

5.6 WEPCo shall submit its Stage 2 Submission to the Relevant Participant(s), copied to the SPB. It is expected that the SPB will provide a forum for discussion of such Stage 2 Submission. The Relevant Participant(s) shall be entitled to call for such reasonable information as they consider appropriate to enable them to decide whether the Stage 2 Submission meets the Approval Criteria. WEPCo shall reply promptly to all such requests for further information and assistance. If, acting reasonably, the Relevant Participant(s) find that any material aspects of the Stage 2 Submission are unsatisfactory to them, the Relevant Participant(s) shall notify WEPCo of the same and offer reasonable assistance to WEPCo to address such deficiencies. If WEPCo addresses such deficiencies to the satisfaction of the Relevant Participant(s), acting reasonably, paragraph 5.7.1 shall apply. If WEPCo is unable to resolve such deficiencies to the satisfaction of the Relevant Participant(s) (acting reasonably) paragraph 5.7.2 shall apply.

5.7 Within sixty (60) Business Days of the later of submission to the Relevant Participant(s) of a Stage 2 Submission and the date on which WEPCo provides them with all reasonable further information that has been requested and provided pursuant to 5.6, the Relevant Participant(s) shall give written notice of whether they:

5.7.1 approve the relevant New Project (in which case the New Project shall be deemed to have received "**Stage 2 Approval**"); or

5.7.2 reject the New Project:

- (a) on grounds other than those set out in paragraph (b), (c) or (d); or
- (b) subject to paragraph (c), on the grounds that it has failed to meet one or more of the Approval Criteria;
- (c) because of any change to the Affordability Cap from that originally notified in the New Project Request, the New Project is not Affordable despite being within the Affordability Cap as originally notified in the New Project Request; or
- (d) because WEPCo has failed the Track Record Test or because the Relevant Participant(s) have exercised a right to suspend exclusivity pursuant to Clause 23.3 or Clause 23.10.1.

Where the Relevant Participant(s)/potential Project Agreement Counterparty have not received all relevant FBC and other funding approvals prior to a Stage 2 Submission, any approval under paragraph 5.7.1 shall be conditional upon the Relevant Participant/proposed Project Agreement Counterparty achieving all relevant FBC approvals. Where such FBC approvals are not received within a period agreed with WEPCo (being not less than four (4) months of the conditional Stage 2 Approval), the Relevant Participant(s) will be deemed to have rejected the New Project on grounds set out in paragraph 5.7.2(a).

5.8 If the Relevant Participant(s) fail to notify WEPCo of a decision within the period of sixty (60) Business Days referred to in paragraph 5.7, WEPCo shall notify the Relevant Participant(s) of that fact in writing, referring to this paragraph 5.8. If the Relevant Participant(s) have not notified WEPCo in writing of a decision to approve or reject the New Project within a further twenty (20) Business Days of such notification, they shall be deemed to have rejected the New Project on grounds set out in paragraph 5.7.2(a).

5.9 If the Relevant Participant(s) reject the New Project on the grounds set out in paragraph 5.7.2(b), the Relevant Participant(s) and WEPCo will work together to address the reasons for such failure and WEPCo will attempt in good faith to produce a revised Stage 2 Submission which WEPCo shall re-submit to the Relevant Participant(s) as soon as reasonably practicable and in any case within thirty (30) Business Days of such rejection, which re-submission shall be treated as a Stage 2 Submission. If no re-submission is made within the said (30) Business Day period or the resubmitted Stage 2 Submission is rejected by the Relevant Participant(s) on the grounds set out in paragraph 5.7.2(b) or 5.7.2(d), it shall be treated as having been rejected and, subject to paragraph 5.11, neither the Relevant Participant(s) nor WEPCo shall have any further obligations in relation to the relevant New Project under this paragraph 5.9.

5.10 Where the Relevant Participant(s) reject or are deemed to have rejected a Stage 2 Submission:

5.10.1 pursuant to paragraph 5.7.2(a) or paragraph 5.7.2(c):

- (a) WEPCo's Incurred Project Development Fee relative to the Stage 2 Submission will be paid by the Relevant Participant(s) within ten (10) Business Days of the date on which WEPCo receives written notice of the rejection (or the expiry of the four (4) month period referred to in paragraph 5.7 without the obtaining of all relevant FBC approvals for the Relevant Participant(s)/proposed Project Agreement Counterparty, if applicable); and
- (b) unless the period of ten (10) years after the Commencement Date has expired, to the extent the New Project in question is a Qualifying Project, the Relevant Participant(s) shall not be entitled to procure the Required Facilities and/or the provision of the Project Services outside the terms of this Agreement and, if they do so, such action shall and shall be deemed to be in breach of Clause 9 (*Exclusive Nature of this Agreement*); or

5.10.2 pursuant to paragraph 5.7.2(d):

- (a) WEPCo's Incurred Project Development Fee relative to the Stage 2 Submission will be paid by the Relevant Participant(s) within ten (10) Business Days of the date on which WEPCo receives written notice of the rejection; and
- (b) the Relevant Participant(s) shall be entitled to procure the New Project outside the terms of this Agreement and shall not be or be deemed to be in breach of the provisions of Clause 9 (*Exclusive Nature of this Agreement*) unless, prior to the expiry of ten (10) years after the Commencement Date, the New Project is a Qualifying Project and they seek to commence the procurement of such New Project after expiry of any suspension of exclusivity pursuant to Clause 9.7, Clause 23.3 or Clause 23.10.1.

5.11 Subject to paragraph 5.9, if the Relevant Participant(s) reject a New Project pursuant to the provisions of paragraph 5.7.2(b) in respect of which a Stage 2 Submission has been resubmitted, WEPCo shall be entitled to refer the matter for consideration under the Dispute Resolution Procedure within ten (10) Business Days after receiving written notice of the rejection by the Relevant Participant(s). If, following a referral to Schedule 22 (*Dispute Resolution Procedure*), it is agreed or determined that the New Project rejected by the Relevant Participant(s) pursuant to paragraph 5.7.2(b) met the Approval Criteria the Relevant Participant(s) shall either:

- 5.11.1 declare that the relevant New Project is an Approved Project and that such New Project shall proceed in accordance with paragraph 5.14; or
- 5.11.2 declare that its rejection of the relevant New Project be treated as a rejection pursuant to the provision of paragraph 5.7.2(a) and the relevant provisions of paragraph 5.10 shall apply.

5.12 If, following a referral to Schedule 22 (*Dispute Resolution Procedure*) under paragraph 5.11, it is agreed or determined that the New Project did not meet the Approval Criteria, or WEPCo does not refer the matter for consideration under the Dispute Resolution Procedure in accordance with paragraph 5.11, the provisions of paragraph 5.13 will apply.

5.13 Where, in terms of paragraph 5.12, this paragraph 5.13 applies, the Relevant Participant(s) shall be entitled either to procure the Required Facilities and/or the provision of the Project Services covered by the relevant Stage 2 Submission outside the terms of this Agreement (whether or not the New Project in question is a Qualifying Project and whether or not the period of ten (10) years from the Commencement Date has expired), or not to proceed with procurement of the Required Facilities/Project Services, and, for the avoidance of doubt shall not be or be deemed to be in breach of the provisions of Clause 9 (*Exclusive Nature of this Agreement*) in either case. In the event that the Relevant Participant(s) are so entitled pursuant to this paragraph 5.13, then where the Approval Criterion on Affordability has not been met, they shall not, prior to the expiry of the 10th anniversary of the Commencement Date, make any change to the Facilities Requirements which, had it been made prior to the submission of the relevant Stage 2 Submission, would have been reasonably likely to result in a material change in the sums payable by the relevant proposed Project Agreement Counterparty in respect of the Project.

5.14 If a New Project becomes an Approved Project, WEPCo will carry out further work to develop appropriate Project Agreements to implement the Approved Project on the terms of the Stage 2 Submission (as the same may be amended from time to time by agreement between WEPCo and the Relevant Participant(s)).

5.15 The Relevant Participant(s) shall notify WEPCo in writing as soon as they become aware of any matter which may adversely affect the viability of any New Project including any:

- 5.15.1 Unreasonable Conditions or other planning issues likely to cause a material delay in the anticipated programme for the New Project;
- 5.15.2 material cost increases (whether on an aggregate basis or on a line by line basis); or

5.15.3 changes to funding which any Relevant Participant receives or to the way in which funding may be applied, either or both which may affect whether a New Project is Affordable,

PROVIDED THAT this paragraph 5.15 shall not apply to a Relevant Participant which is a Local Planning Authority exercising its functions as such.

5.16 The Relevant Participant(s) shall provide reasonable assistance to WEPCo in relation to the procurement by WEPCo of all relevant Consents and the entering into of the relevant Project Agreement(s). This paragraph 5.16 and paragraph 5.15.1 shall not apply to a Relevant Participant which is a Local Planning Authority exercising its functions as such.

5.17 WEPCo shall be responsible for performing its obligations under Clause 5.1 (*Planning Matters*) in respect of such Approved Project.

5.18 WEPCo shall novate all of its past, present and future rights, obligations and liabilities under a Project BIM Agreement to the Project Service Provider on or prior to the date of execution of the Project Agreement for the Approved Project.

6. **CHANGES TO THE RELEVANT PARTICIPANT(S) REQUIREMENTS**

6.1 If the Specific Requirements, Affordability Cap or Approval Criteria are subject to any material variation in relation to a New Project by the Relevant Participant(s) after a Stage 1 Submission has been submitted then:

6.1.1 WEPCo and the Relevant Participant(s) shall negotiate in good faith as to the implications on the Stage 1 Submission and/or Stage 2 Submission (as the case may be) and shall seek to agree changes thereto to accommodate the variation (including any change to the Affordability Cap, the appropriate Comparators (or adjustments to Comparators) and/or to the Project Development Fee);

6.1.2 save where such changes have been made as a result of the advice given by WEPCo, if agreement has not been reached pursuant to paragraph 6.1.1 within twenty (20) Business Days (or such longer period as the parties may agree) then:

(a) WEPCo shall be entitled by notice in writing to the Relevant Participant(s) to withdraw the Stage 1 Submission or the Stage 2 Submission or to decline to submit a Stage 2 Submission (as the case may be) and to be paid the Incurred Project Development Fee with the relevant date for calculation being the date the change was notified to WEPCo; and

(b) unless the period of ten (10) years after the Commencement Date has expired, to the extent the New Project in question is a Qualifying Project, the Relevant Participant(s) shall not be entitled to procure the Required Facilities and/or the provision of the Project Services outside the terms of this Agreement without recommencing this New Project Approval Process and, if they do so, such action shall and shall be deemed to be in breach of Clause 9 (*Exclusive Nature of this Agreement*).

6.2 The Relevant Participant(s) may, at any time, give notice in writing to WEPCo that they propose to cancel a New Project (a Cancellation Notice) without completing the process set out in paragraphs 3 to 5, in which case the Relevant Participant(s) shall pay WEPCo the Incurred Project Development Fee in respect of the cancelled New Project with the relevant date for calculation being the date of the Cancellation Notice. In such circumstances, unless the period of ten (10) years after the Commencement Date has expired then, to the extent the New Project in question is a Qualifying Project, the Relevant Participant(s) shall not be entitled to procure the Required Facilities and/or the provision of the Project Services outside the terms of this Agreement without recommencing this New Project Approval Process and, if they do so, such action shall and shall be deemed to be in breach of Clause 9 (*Exclusive Nature of this Agreement*).

7. **SUSPENSION OF EXCLUSIVITY**

In circumstances where the Relevant Participant(s) exercise any right to suspend exclusivity pursuant to Clause 9.7, Clause 23.3 or Clause 23.10.1 while WEPCo is preparing a Stage 1 Submission or a Stage 2 Submission in respect of any New Project, the Relevant Participant(s) may (but shall not be obliged to) notify WEPCo at any time while such suspension subsists to cease work on producing the relevant Stage 1 Submission or Stage 2 Submission. In such circumstances WEPCo shall cease work forthwith and the Relevant Participant(s) shall pay WEPCo the Incurred Project Development Fee in respect of the relevant New Project with the relevant date for calculation being the date of the notice from the Relevant Participant(s).

8. **SURVEYS**

8.1 In accordance with paragraphs 4.2.3 and 4.5 above, where WEPCo recommends that surveys, studies and/or investigations (other than desktop studies) are required for the purposes of a Stage 1 Submission, WEPCo shall procure such surveys, studies and/or investigations on the terms and at prices agreed with the Relevant Participant (which terms shall include the Relevant Participant having the right to rely on the same).

8.2 The cost of such surveys, studies and/or investigations carried out pursuant to paragraph 8.1 shall be due and payable by the Relevant Participant to WEPCo within [twenty five (25)] Business Days of receipt of a valid invoice and such costs shall not form part of the Project Development Fee unless the Relevant Participant and WEPCo agree to the contrary. For the avoidance of doubt, desktop studies relating to the relevant site and carried out by WEPCo shall form part of the Project Development Fee.

2.2 In considering comparable projects to produce relevant benchmarking information and in determining adjustments to be made to Comparators, account shall be taken of inflation in respect of the Pricing Data, in accordance with:

- (a) Section 4 (*Partnering Services Costs Rates*) of Schedule 3 (*Partnering Services*) in respect of those elements of the project calculated by reference to the rates specified in said Section 4; and
- (b) for all other elements of the project, the terms of Appendix 1 (*Pricing Data*) to Schedule 4 (*Partnering Services Costs*).

2.3 The proper costs of WEPCo reasonably incurred in meeting its obligations under this Schedule 6 (*New Project Pricing Report*) are Partnering Services Costs and shall be recovered in accordance with and subject to paragraph 1 of Schedule 4 (*Partnering Services Costs*).

3. COMPARATORS AND PROGRAMME

3.1 WEPCo and the Relevant Participant(s) shall, at the start of each stage of the New Project Approval Process for each New Project, agree a programme:

3.1.1 for WEPCo and the Relevant Participant(s) to meet and agree, no later than 4 weeks after the commencement of that stage:

- (a) in respect of each stage, the adjustment (if any) to be made to the relevant figure or percentage cap specified in Proforma 1 of the Pricing Data to reflect variances between the Comparator as identified in the Pricing Data and the details of the New Project, such adjustment to be carried out in accordance with the principles set out in Appendix 1 (*Comparator and Initial Pricing Information*) to Schedule 4 (*Partnering Services Costs*); and

- (b) where, for any one or more element or component of such New Project there is not an appropriate Comparator and in the case of all Tendered Elements, the approach and timescales for setting pricing, in accordance with the Tender Process set out in paragraph 5 and appropriate projects to act as a benchmark for production of the Pricing Report pursuant to paragraph 4.1.1(b) and paragraph 5.5,

and WEPCo and the Relevant Participant(s) shall attend such meetings and co-operate as may be necessary to reach agreement on said matters; and

4. **PRICING REPORT**

4.1 WEPCo shall produce a report for each New Project, which shall:

4.1.1 analyse:

- (a) for Stage 1 Approval, its predicted maximum cost of the relevant New Project (including all profit, overheads, contingencies and other costs chargeable to the relevant New Project) and in relation to the Partnering Services Costs, a completed Table 1 of Proforma 2, as set out in Appendix 1 to Schedule 4 (*Partnering Services Costs*);
- (b) for Stage 2 Approval, its predicted cost of the relevant New Project (including all profit, overheads, contingencies and other costs chargeable to that New Project) and in relation to the Partnering Services Costs, a completed Table 2 of Proforma 2, as set out in Appendix 1 to Schedule 4 (*Partnering Services Costs*),

based on appropriate assumptions provided with the report and in either case compared to:

- (i) the appropriate Comparators for the relevant elements or components of such overall cost (as adjusted pursuant to paragraph 3.1.1 above), including Partnering Services Costs in respect of Project Development Partnering Services and the OPS Relevant Proportion;
- (ii) the actual costs (and prices) of Approved Projects;

APPENDIX 1 - TENDER PROCESS METHODOLOGY

Purpose

The purpose of this Appendix is to provide an outline framework for any Tender Process. The key requirements outlined below are prescriptive but specific methodologies will be developed based on these key requirements for each individual Tender Process exercise.

1. **RESPONSIBILITY**

The [Chief Executive] of WEPCo will establish the Tender Process project team (including any external technical input or requirements) and take overall responsibility for the management of the Tender Evaluation process. The [Chief Executive] of WEPCo will ensure that due process is followed at all times and that sufficient and appropriate resources are made available to ensure that the process is completed in a timely and efficient manner ensuring that probity is achieved at all times.

2. **CONTEXT**

Value for money is the essential test against which any Tender Process exercise is to be justified. It is essential that the evaluation methodology offers a robust, objective, transparent and fair process against which tender submissions are evaluated and that inherent in the process is a clear and comprehensive audit trail.

3. **AIMS OF THE TENDER PROCESS**

3.1 **Value for Money**

A balanced assessment of quality standards, service benchmarks and price is to be carried out so as to ensure that the most economically advantageous tender is selected. In determining the most economically advantageous tender the award criteria shall assess Price and Quality of the tender. in accordance with paragraph 7 below.

3.2 **Transparent Evaluation Regime**

All tenders must be evaluated in a consistent manner against agreed evaluation criteria. WEPCo shall treat Prospective Tenderers and Tenderers equally and without discrimination and shall act in a transparent and proportionate manner. The design of the Tender Process shall not artificially narrow competition. [WEPCo shall ensure that any electronic portal or system for communication with Tenderers or Prospective Tenderers in respect of an EU Regulated procedure (including for the submission of tenders and requests to participate) shall comply with the requirements of regulation 22 of the Public Contract Regulations 2015 (as amended), including in respect of technical and security requirements.]

3.3 **Welsh Language**

WEPCo must comply with Welsh Language Standards when conducting a Tender Process.

4. **PRE-SELECTION AND GATEWAY COMPLIANCE**

A pre-selection process will be undertaken in respect of each Prospective Tenderer to ensure that they have the [financial and technical] capacity to comply with the requirements of the contract in accordance with paragraph 5.2.2 of Schedule 6 (*New Project Pricing Report*). Such assessment shall include as a minimum assessment of those terms listed at paragraph 5.2.2(c) of Schedule 6 (*New Project Pricing Report*) to determine those Prospective Tenderers that will continue in the Tender Process as Tenderers.

5. INVITATION TO TENDER

Following receipt of signed non-disclosure agreements, the Tenderers shall be issued with the invitation to tender for the relevant New Project, which shall include the background and overview of the Project, together with details of the Tender Process and Tender Requirements,

6. TIMESCALES/RECEIPT OF TENDERS

Tender packages will be returned to a nominated person [within the Tender Process team] on a date and time to be specified [and in any event within [◆] days of the expiry of the Tender Validity Period. The nominated person or their duly authorised deputies will open them. A tender opening form will be completed which will include such information as:

- date and time of opening;
- name of tenderer;
- tender price;
- any comments pertaining to the tender; and
- signatures of those opening the tender.

The bids will then be separated to remove pricing issues as far as is practical and issued to the respective members of the Tender Process team. In this way a qualitative evaluation can be made independent of any pricing considerations.

7. EVALUATION METHODOLOGY

The Tender Process project team will be responsible for ensuring a robust objective transparent and fair evaluation throughout the Tender Process (including the pre-selection stage) of all tenders submitted. A "**Tender Evaluation Plan**" will be developed and agreed which will cover the following topics:

- evaluation criteria;
- evaluation methodology;
- evaluation process; and
- evaluation timescales.

Evaluation will be by way of pass/fail tests and weighted scores. The scoring methodology shall ensure that each part of the tender to be scored provides an objective basis for ranking tenderers

and shall provide a comprehensive audit trail of the process. Specifically, the evaluation of community benefits must also account for the following:

- (a) commitment to the relevant Authority's Community Benefit Requirement KPIs and robust, deliverable method statements for delivery, on a pass/fail basis;
- (b) scoring the value of any commitments toward ACBR Enhancements, together with assessment of the level of robustness and deliverability of method statements for delivery; and
- (c) scoring the scope and value of commitments toward Additional Community Benefit Project Co Proposals, including whether such proposals:
 - (i) are tangible and measurable KPIs, that set out a clear, objective and transparent method of calculation and target;
 - (ii) are linked to the subject-matter of the Project Agreement (within the meaning of Regulation 67(5) of the Public Contract Regulations 2015);
 - (iii) do not replicate the KPIs that are already captured in the Community Benefit Requirement KPIs (and are additional benefits in that sense); and
 - (iv) set out the calculation on an open book basis, reflecting the cost of delivery of such proposals using verifiable information; and
 - (v) achieve one or more of the Relevant Participant's Well-being of Future Generations (Wales) Act 2015 policy objectives outlined in the New Project Request (if any).

8. **PREFERRED TENDERER**

Following evaluation of tenders and clarification process the Tender Process panel will make a recommendation of Preferred Tenderer. The nominated person will notify the Preferred Tenderer and all unsuccessful Tenderers in writing. An opportunity for de-brief will be offered to all bidders.

9. **AUDIT**

A full documented audit trail will be maintained for each and every stage of the process.

SECTION 2 - PARTICIPANT EVENT OF DEFAULT TERMINATION SUM

3. NO DOUBLE RECOVERY

Where termination of this Agreement in respect of any Participant follows service of a Participant Default Notice in respect of such Participant, there shall be no double counting or double recovery pursuant to Section 1 (*Participant Event of Default Compensation Sum*) and 2 (*Participant Event of Default Termination Sum*) of this Schedule 14 (*Compensation on Participant Event of Default and Termination*) of any Partnering Services Costs or loss of profit.

SCHEDULE 15 - TRANSFER OF EMPLOYMENT AND PENSIONS

The provisions of this Schedule 15 shall not, save where expressly provided, apply on expiry or termination of this Agreement and the provisions of Schedule 20 (*Handover on Expiry or Termination*) shall apply in such regard.

Section 1 - General

1. TUPE AND EMPLOYMENT MATTERS³⁴

Relevant Transfer

- 1.1 WEPCo and the Participants agree that the Transfer Regulations may apply to the transfer on one or more dates agreed by the Parties (each a “**Relevant Service Transfer Date**”) to WEPCo of responsibility for provision of (or procuring the provision by any Partnering Subcontractor of) the Partnering Services in accordance with this Agreement and that a Relevant Transfer may take place on each Relevant Service Transfer Date (or such date as may be determined by Law). [The Relevant Service Transfer Date in respect of each of the Partnering Services is specified in Section 2 (*Relevant Service Transfer Dates*) of this Schedule 15 (*Transfer of Employment and Pensions*).]
- 1.2 In accordance with the Transfer Regulations, the contracts of employment of each Transferring Employee shall (subject to Regulation 4(7) of the Transfer Regulations) have effect after the relevant Transfer Date as if originally made between those employees and WEPCo or the relevant Partnering Subcontractor except insofar as such contracts relate to old age, invalidity or survivors benefit.
- 1.3 The Participants and WEPCo agree and intend and shall take all reasonable steps to procure that there shall be a Relevant Transfer on each occasion on which the identity of a service provider changes pursuant to this Agreement and that the contracts of employment of all those employees of the relevant service provider wholly or mainly engaged in the provision of the Partnering Services immediately before the change of identity of the service provider shall have effect (subject to Regulation 4(7) of the Transfer Regulations) thereafter as if originally made between those employees and the new service provider except insofar as such contracts relate to an occupational pension scheme and WEPCo shall and shall procure that both the former and the new service providers shall comply with their obligations under the Transfer Regulations.

³⁴ These provisions are drafted on the basis that the employer of the Transferring Employees is a party to the Strategic Partnering Agreement (i.e. a Local Authority Participant). In the event that the employer is not a party to the Strategic Partnering Agreement), then

1.4 Not used

1.5 Each of the Participants shall comply with their obligations under the Transfer Regulations in respect of each Relevant Transfer pursuant to this Agreement and WEPCo shall comply and shall procure that each Partnering Subcontractor shall comply with their obligations (including without limitation the obligation under Regulation 13(4) of the Transfer Regulations) in respect of each Relevant Transfer pursuant to this Agreement and each of the Participants shall indemnify WEPCo and WEPCo shall indemnify each Participant against any Direct Losses sustained as a result of any breach of this paragraph 1.5 by the party in default.

Offer of Employment

1.6 If the Transfer Regulations do not apply to any person who is a Transferring Participant Employee, WEPCo shall offer to or shall procure the offer by the relevant Partnering Subcontractor to each and every such employee of a new contract of employment commencing on the relevant Transfer Date under which the terms and conditions including full continuity of employment shall not differ from those enjoyed immediately prior to the relevant Transfer Date (except insofar as such terms and conditions relate to an occupational pension scheme) and the offer shall be in writing, shall be open to acceptance for a period of not less than ten (10) Business Days and shall be made:

1.6.1 if it is believed that the Transfer Regulations will not apply to a Transferring Participant Employee, not less than ten (10) Business Days before the relevant Transfer Date; or

1.6.2 if it is believed that the Transfer Regulations apply to a Transferring Participant Employee but it is subsequently decided that the Transfer Regulations do not so apply, as soon as is practicable and in any event no later than ten (10) Business Days after that decision is known to WEPCo.

1.7 Where any such offer as referred to in paragraph 1.6 is accepted, each Participant shall indemnify and keep indemnified in full WEPCo on the same terms and conditions as those set out in paragraphs 1.14 to 1.17 inclusive as if there had been a Relevant Transfer in respect of each and every Transferring Participant Employee relative to that Participant who has accepted any such offer.

1.8 Where any such offer as referred to in paragraph 1.6 is accepted, WEPCo shall act and shall procure that each relevant Partnering Subcontractor shall act in all respects as if the Transfer Regulations had applied to each and every Transferring Participant Employee who has accepted any such offer and shall comply with paragraph 2 in respect of each and every such employee who was immediately before the relevant Transfer Date, an LGPS Participant Employee.

Provision of Information

1.9 Not used.

1.10 Not used.

any employees who are to transfer will be considered to be Transferring Non-Participant Employees for the purposes of these provisions. This will need to be considered further on a case-by-case basis.

1.11 Each Participant shall and WEPCo shall procure that each and every Partnering Subcontractor shall take all reasonable steps, including co-operation with reasonable Requests for Information, to ensure that each and every Relevant Transfer pursuant to this Agreement takes place smoothly with the least possible disruption to the services to the Participants including the Partnering Services and to the employees who transfer from or who are retained by any Participant.

Union Recognition

1.12 Each Participant shall procure if they have the contractual or legal powers to do so and shall otherwise use all reasonable endeavours to procure that every relevant sub-contractor of that Participant shall supply to WEPCo no later than five (5) Business Days prior to the relevant Transfer Date true copies of its Recognition Agreement(s) and WEPCo shall procure that each and every Partnering Subcontractor shall in accordance with the Transfer Regulations recognise the trade unions representing Transferring Employees (as relevant to WEPCo or its Partnering Subcontractors) after the transfer to the same extent as they were recognised by the relevant Participant or the relevant sub-contractor before the relevant Transfer Date.

1.13 WEPCo shall procure that, on each occasion on which the identity of a Partnering Subcontractor changes pursuant to this Agreement, in the event that there is a Relevant Transfer, the new Partnering Subcontractor shall in accordance with the Transfer Regulations recognise the trade unions representing the employees whose contracts of employment transfer to the new Partnering Subcontractor to the same extent as they were recognised before the change of identity of the Partnering Subcontractor in respect of the provision of the Partnering Services at any of the Participants' premises.

Participant Indemnities

1.14 Each Participant shall indemnify and keep indemnified in full WEPCo (for itself and for the benefit of each relevant Partnering Subcontractor) against all emoluments and all other contractual or statutory payments due to any relevant Transferring Participant Employee or former employee of that Participant in respect of his or her employment by that Participant or its termination by that Participant which relate to any period of employment prior to or on the relevant Transfer Date even if the liability to make any such payment does not arise until on or after the relevant Transfer Date (which shall include any backdated pay award by that Participant), and against all income tax and pension and national insurance contributions payable thereon.

1.15 Insofar as paragraph 1.14 does not apply, each Participant shall indemnify and keep indemnified in full WEPCo against all Direct Losses sustained by WEPCo in consequence of any liability which transfers to WEPCo or the Partnering Subcontractors in accordance with the Transfer Regulations and/or the Directive in relation to any relevant Transferring Participant Employee or former employee of that Participant in respect of his or her employment by that Participant or its termination by that Participant which arises as a result of any act or omission by the Participant occurring before or on the relevant Transfer Date. The provisions of this paragraph 1.15 and of paragraph 1.14 shall not apply in respect of any claim that the terms and conditions of employment relating to Pay (as defined in paragraph 1.19) of Transferring Employees contravene the Legislation (as defined in paragraph 1.19) including but not limited to any claim in respect of an Equal Pay Ruling (as defined in paragraph 1.18).

1.16 Where any liability in relation to any Transferring Participant Employee, or former employee of a Participant in respect of his or her employment by a Participant or its termination which transfers in whole or part in accordance with the Transfer Regulations and/or the Directive arises partly as a result of any act

or omission occurring on or before the relevant Transfer Date and partly as a result of any act or omission occurring after the relevant Transfer Date, the relevant Participant shall indemnify and keep indemnified in full WEPCo against only such part of the Direct Losses sustained by WEPCo or any Partnering Subcontractor in consequence of the liability as is reasonably attributable to the act or omission occurring before the relevant Transfer Date.

1.17 The indemnities contained in paragraph 1.14 and paragraph 1.15 shall apply as if references in those paragraphs to any Transferring Participant Employee also included a reference to any Transferring Non-Participant Employee to the extent that the relevant Participant recovers any sum in respect of the subject matter of those indemnities from any sub-contractor of the Participant under any indemnity or other legal entitlement it has against such sub-contractor. Each Participant undertakes that it will use all reasonable endeavours to recover any sums under any such entitlement as is mentioned in this paragraph 1.17.

1.18 For the purposes of this paragraph 1:

"Equal Pay Ruling" means:

- (a) a determination by an employment tribunal or court of competent jurisdiction or the settlement or compromise to which the relevant Participant shall have consented in either case relating to any claim brought by any Transferring Participant Employee before the 1st anniversary of the Commencement Date against the Participant or WEPCo or the Partnering Subcontractor under the Legislation (as defined below) that the terms and conditions of employment relating to Pay (as defined below) of Transferring Participant Employees, contravene the Legislation; and/or
- (b) in relation to any LGPS Participant Employee any alteration to salaries and pay scales prescribed by the Single Status Agreement in order to settle, address or compromise threatened or extant claims under the Legislation against the Local Authority Participant) and/or employers engaged as at the Commencement Date or subsequently in the provision of services to the Local Authority Participant.

1.19 For the purposes of this paragraph 1:

Staff Records

1.29 Each Participant shall deliver, subject to the requirements of the Law, to WEPCo as soon as reasonably practicable after the relevant Transfer Date all those records relating to the relevant Transferring Employees which were in its possession or under its control at the relevant Transfer Date, which shall include all such records relating to competence, qualifications and training.

1.30 No Participant gives any warranty as to the accuracy or completeness of any records referred to in paragraph 1.29 except that each of the Participants warrants that they have maintained all those records relating to their respective Transferring Employees who were employees of that Participant which the Participant themselves (but not any sub-contractor, predecessor body or previous employer) is required by Law to maintain to the extent which the Law requires.

Compliance with Code Obligations

1.31 Each of the Participants and WEPCo shall and WEPCo shall procure that any relevant Partnering Subcontractor shall have regard to the Code in interpreting and applying the Code Obligations.

1.36 WEPCo shall and shall procure that any relevant Partnering Subcontractor shall support any central Government sponsored review and monitoring obligation programme on the impact of the Code and on request by any of the Participants provide the Participants with such accurate and complete information as reasonably requested by the Participant as soon as reasonably practicable in order to assist the Participants in doing this.

Disputes Relating to the Code

1.37 Each of the Participants and WEPCo shall in the first instance seek to resolve by discussions between them any complaints from any employee or any recognised trade union in relation to compliance by WEPCo or any Partnering Subcontractor with its Code Obligations.

1.38 Where it appears to a Participant or WEPCo that it is not possible to resolve the matter by continuing discussions between them pursuant to paragraph 1.37 or where an employee of WEPCo or any Partnering Subcontractor or any recognised trade union writes to the relevant Participant to confirm that it has been unable to resolve its compliance directly with WEPCo or any Partnering Subcontractor in relation to WEPCo's or the Partnering Subcontractor's Code Obligations:

1.38.1 the Participant shall first write to WEPCo to seek an explanation for the alleged failure by WEPCo or any Partnering Subcontractor to comply with its Code Obligations. WEPCo shall or shall procure that the relevant Partnering Subcontractor shall provide such an explanation within five (5) Business Days of receipt of the request from the Participant;

- 1.38.2 if the response provided by WEPCo or Partnering Subcontractor satisfies the Participant that the Code Obligations have been met, then the Participant will inform the complainant of this and the matter will be deemed to have been concluded;
- 1.38.3 in the event that the Participant is not satisfied with the response provided by WEPCo or any Partnering Subcontractor, the Participant shall write to WEPCo within five (5) Business Days to require WEPCo to take immediate action to resolve the Dispute; and

WEPCo ceases to be an Admission Body

- 2.6 If WEPCo or any relevant Partnering Subcontractor employs any LGPS Participant Employees from a Transfer Date and:

- 2.6.1 WEPCo (or any relevant Partnering Subcontractor) does not wish to offer those LGPS Participant Employees membership of the LGPS;

The Participants may (at their option) provide such information directly to the Government Actuary's Department. WEPCo shall (and it shall procure that any Supply Chain Members providing any of the Partnering Services shall) provide such documentation as is required to enable the Government Actuary's Department to consider the question of comparability including, but not necessarily limited to, the Trust Deed and Rules of the Broadly Comparable Scheme, the latest actuarial valuation report, the latest trustees' report and accounts together with a statement giving details of the increases in pensions in payment and deferred pensions in each of the last ten years and details of any area where the trustees will operate discretion to improve benefits.

- 2.11.1 the LGPS Participant Employees shall by three (3) months before the Transfer Date or the Cessation Date (as the case may be) be offered membership of the Broadly Comparable Scheme with effect from and including the Transfer Date (or Cessation Date (as the case may be)).
- 2.11.2 the Broadly Comparable Scheme shall provide benefits in respect of the LGPS Participant Employees' periods of service on and after the Transfer Date (or Cessation Date (as the case may be)) which the Government Actuary's Department shall certify to be the same as, broadly comparable to, or better than the benefits which the LGPS Participant Employees were entitled to under the LGPS (as applicable) at the Transfer Date (or the Cessation Date (as the case may be)).
- 2.11.3 if the Broadly Comparable Scheme is terminated, a replacement pension scheme shall be provided with immediate effect for those LGPS Participant Employees who are still employed by WEPCo or a relevant Partnering Subcontractor. The replacement scheme must comply with this paragraph 2.11 as if it were the Broadly Comparably Scheme.
- 2.11.4 Where the Broadly Comparable Scheme has not been established by the Transfer Date (or Cessation Date (as the case may be)) the LGPS Participant Employees shall be provided with benefits in respect of death-in-service which are no less favourable than the death-in-service benefits provided by the LGPS (as applicable) before the Transfer Date (or Cessation Date (as the case may be)). Such benefits shall continue to be provided until death-in-service benefits are provided by the Broadly Comparable Scheme.

Subsequent Transfers

2.12 Where during the term of this Agreement the employment of any LGPS Participant Employee is transferred on a second and/or subsequent occasion as a result of a change of service provider, WEPCo shall procure that each LGPS Participant Employee who is a member of, or eligible for membership of, the outgoing employer's pension scheme shall be offered membership of a pension scheme operated by the new employer which, as a minimum:

- 2.12.1 for future service offers the benefits which enabled the outgoing employer's pension scheme to be certified as being broadly comparable in accordance with the provisions of paragraphs 2.7; and

2.12.2 must be able to accept bulk transfers from the outgoing employer's pension scheme (where the pension schemes are different) in respect of benefits which the LGPS Participant Employee had accrued or been credited in the outgoing employer's pension scheme,

and WEPCo shall (and shall procure that any relevant Partnering Subcontractor) shall consult with and inform those employees of the pension provisions relating to the transfer.

Each of the Participants shall have the right, but not the obligation, on any second or subsequent transfer, to request the Government Actuary's Department to certify, in respect of any new employer's pension scheme, that the requirements of paragraph 2.7.1 or paragraph 2.7.2 as the case may be have been met. [Section 2 - Relevant Service Transfer Dates]

[APPENDIX 1 - NEW EMPLOYEE DISPUTE RESOLUTION PROCEDURE]

1. INTRODUCTION

This Appendix 1 to Schedule 15 (*Transfer of Employment and Pensions*) sets out the procedure to be followed in resolving any disputes arising in respect of the compliance or otherwise by WEPCo or any Partnering Subcontractor and/or their subcontractors with the provisions of paragraphs 1.32 to 1.38 inclusive of Section 1 (*General*) of Schedule 15 (*Transfer of Employment and Pensions*). The parties agree that the procedure should be the last resort and will make their best efforts to resolve any dispute by agreement. The parties support the Government criteria that the Alternative Dispute Resolution procedure (ADR) should be fast, efficient and cost-effective.

2. THE NEED TO EXHAUST LOCAL PROCEDURES

2.1 The parties shall exhaust all normal local procedures before invoking the ADR contained in this Schedule 15 (*Transfer of Employment and Pensions*). For the avoidance of doubt, this shall mean that:

- 2.1.1 where any complaints arise from employees and/or recognised trade unions those organisations should, in the first instance, seek to resolve any such complaints directly with WEPCo or any Partnering Subcontractor and WEPCo or any Partnering Subcontractor and/or their subcontractors shall enter into discussions with such employees and/or recognised trade unions and shall use their best endeavours to resolve any such dispute;
- 2.1.2 where it appears to any of the Participants that WEPCo or any Partnering Subcontractor and/or their subcontractors are not meeting its obligations under paragraphs 1.32 to 1.38 of Section 1 (*General*) of Schedule 15 (*Transfer of Employment and Pensions*), or where an employee of WEPCo or a Partnering Subcontractor and/or their subcontractors or any recognised trade union writes to any of the Participants to confirm that it has been unable to resolve its complaint directly with WEPCo or any Partnering Subcontractor and/or their subcontractors under paragraph 2.1.1 above, the Participant shall first write to WEPCo to seek an explanation for alleged failure by WEPCo or any Partnering Subcontractor and/or their subcontractors to comply with paragraphs 1.32 to 1.38 inclusive of Section 1 (*General*) of Schedule 15 (*Transfer of Employment and Pensions*). WEPCo shall provide such an explanation in writing within three (3) Business Days of receipt of the request from the Participant pursuant to this paragraph 2.1.2.
- 2.1.3 if the response provided by WEPCo under paragraph 2.1.2 satisfies the Participant that the terms of paragraphs 1.32 to 1.38 inclusive of Section 1 (*General*) of Schedule 15 (*Transfer of Employment and Pensions*) have been followed, then the Participant will inform the complainant of this and the matter will be deemed to have been concluded;
- 2.1.4 in the event that the Participant is not satisfied with WEPCo's response provided pursuant to paragraph 2.1.2, the Participant shall write to WEPCo within five (5) Business Days to require WEPCo to take immediate action to resolve this dispute; and

2.1.5 if, following such a request by the Participant pursuant to paragraph 2.1.4, WEPCo or any Partnering Subcontractor and/or their subcontractors still appears to the Participant not to be complying with the requirements of paragraphs 1.32 to 1.38 inclusive of Section 1 (*General*) of Schedule 15 (*Transfer of Employment and Pensions*), the matter shall be dealt with in accordance with the procedure set out in paragraphs 3 and 4 below.

3. **RESPONSIBILITY FOR RESOLVING DISPUTES**

The ADR procedure set out in this Appendix 1 shall be under the supervision of an independent person (the “**Independent Person**”) appointed by the parties from an approved list supplied by ACAS. If the parties so agree, they may appoint two “wing members”, with one being from an employer background and one being from trade union background, to assist the Independent Person.

4. **THE DISPUTE RESOLUTION PROCESS**

Disputes will be resolved using the following three-stage procedure:

Stage 1: Initial reference to the Independent Person

4.1 The parties shall invite the Independent Person to answer three questions:

- (i) Is this a dispute about compliance with paragraphs 1.32 to 1.38 inclusive of Section 1 (*General*) of Schedule 15 (*Transfer of Employment and Pensions*)?

If the answer to question (i) is no, the matter can proceed no further. If the answer to question (i) is yes, then the Independent Person will move to question (ii).

- (ii) Have the parties exhausted local procedures?

If the answer to question (ii) is no, then the Independent Person shall invite the parties to make further local efforts to resolve the dispute. If the answer to question (ii) is yes, then the Independent Person will conduct an independent assessment, by answering question (iii) and giving reasons for their answer.

- (iii) Do the terms and conditions of employment on offer to new employees comply with the requirements of paragraphs 1.32 to 1.38 inclusive of Section 1 (*General*) of Schedule 15 (*Transfer of Employment and Pensions*)?

If the answer to question (iii) is yes following the assessment by the Independent Person, then the matter is deemed to be concluded and WEPCo and any Partnering Subcontractor can continue to offer the same package of conditions to new employees. If the answer to question (iii) is no, then the dispute will proceed to Stage 2.

The Time limit for Stage One of the procedure is twenty (20) Business Days.

Stage 2: Discussions with a view to reaching an agreement on compliant terms and conditions

4.2 At the commencement of Stage 2 of the ADR process, the parties will be invited by the Independent Person to seek to resolve the matter through further discussions.

- 4.2.1 The Independent Person will make themselves available to the parties to facilitate the process or to facilitate a mediation by the parties of the issues in dispute. The parties shall also have the option of establishing other arrangements for mediation as they shall deem appropriate.
- 4.2.2 If the parties can reach an agreement consistent with the terms of paragraphs 1.32 to 1.38 inclusive of Section 1 (*General*) of Schedule 15 (*Transfer of Employment and Pensions*) following such further discussions or mediation under paragraph 4.2.1, then the matter is closed and the new package of conditions of employment will be applied both to new starters and to those employed during the dispute.
- 4.2.3 If no agreement can be reached within the allotted time then the dispute will proceed to Stage 3.

The time limit for Stage Two of the procedure is ten (10) Business Days. The parties may, by the agreement of all the parties to the dispute and with the consent of the Independent Person extend the time limit for this stage of the procedure by up to a maximum of a further fifteen (15) Business Days.

Stage 3: Final Reference to the Independent Person

4.3 In the event that the matter cannot be resolved within the periods specified at Stage Two of the procedure, the Independent Person shall invite the parties to make final written submissions concerning the points of dispute.

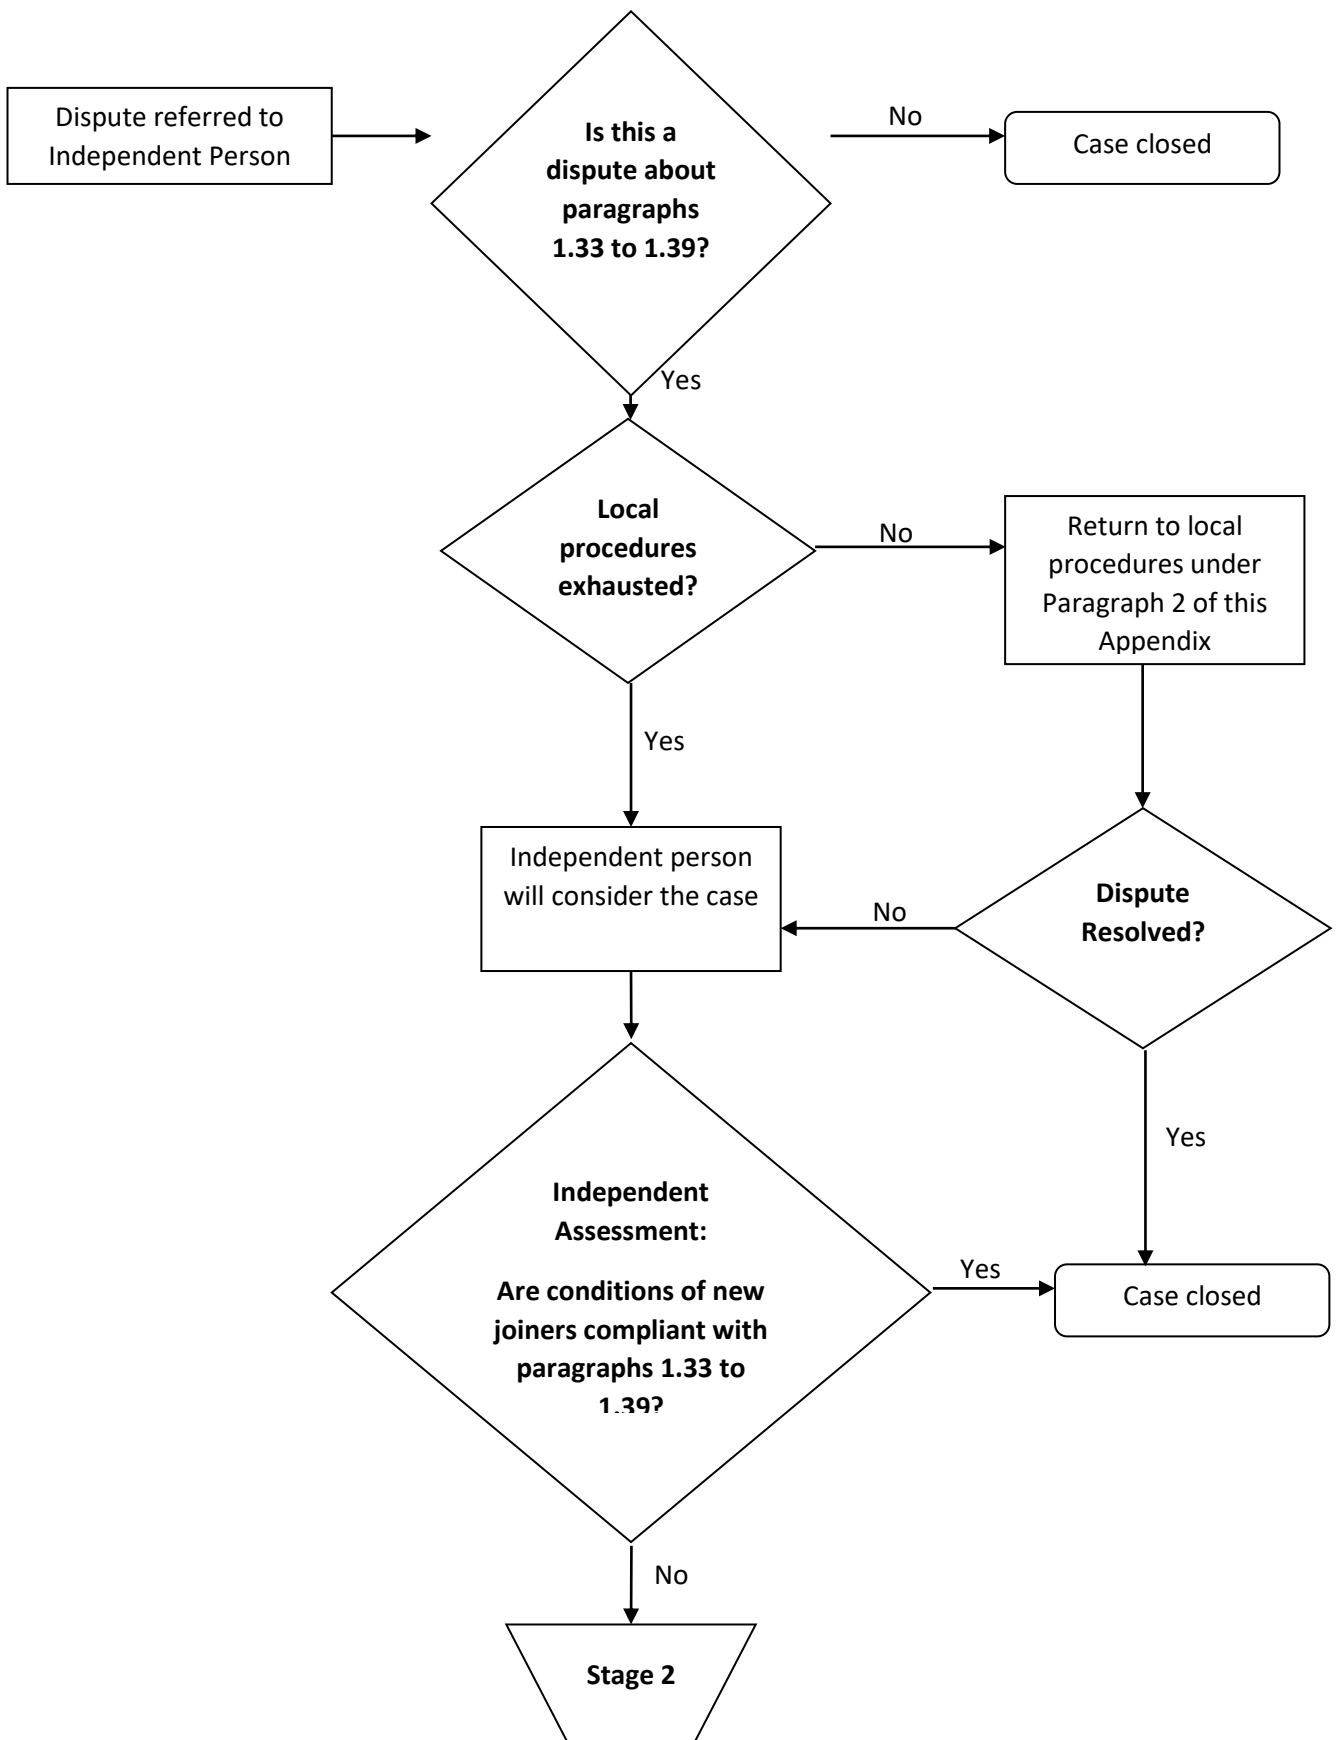

- 4.3.1 If the Independent Person then believes it would be worthwhile, the parties may be given a short period of further discussion of up to five (5) Business Days although the Independent Person may increase this period at their discretion.
- 4.3.2 If the Independent Person does not believe that the matter will not be resolved by allowing a further period of discussion or if during any additional period allowed for discussion the parties are unable to agree on how to bring the matter to a successful conclusion, then the Independent Person will proceed to a final binding arbitration.
- 4.3.3 The Independent Person shall hear such further evidence as the parties may choose to advance (either in writing or by oral submission) and having heard such evidence and reached a conclusion the Independent Person will impose a revised package of terms and conditions applicable to each of the affected employees. The parties agree to be bound by the decision of the Independent Person and shall adhere to the requirements of their decision.

The time limit for this final stage of the procedure is ten (10) Business Days. This period may be extended at the discretion of the Independent Person.

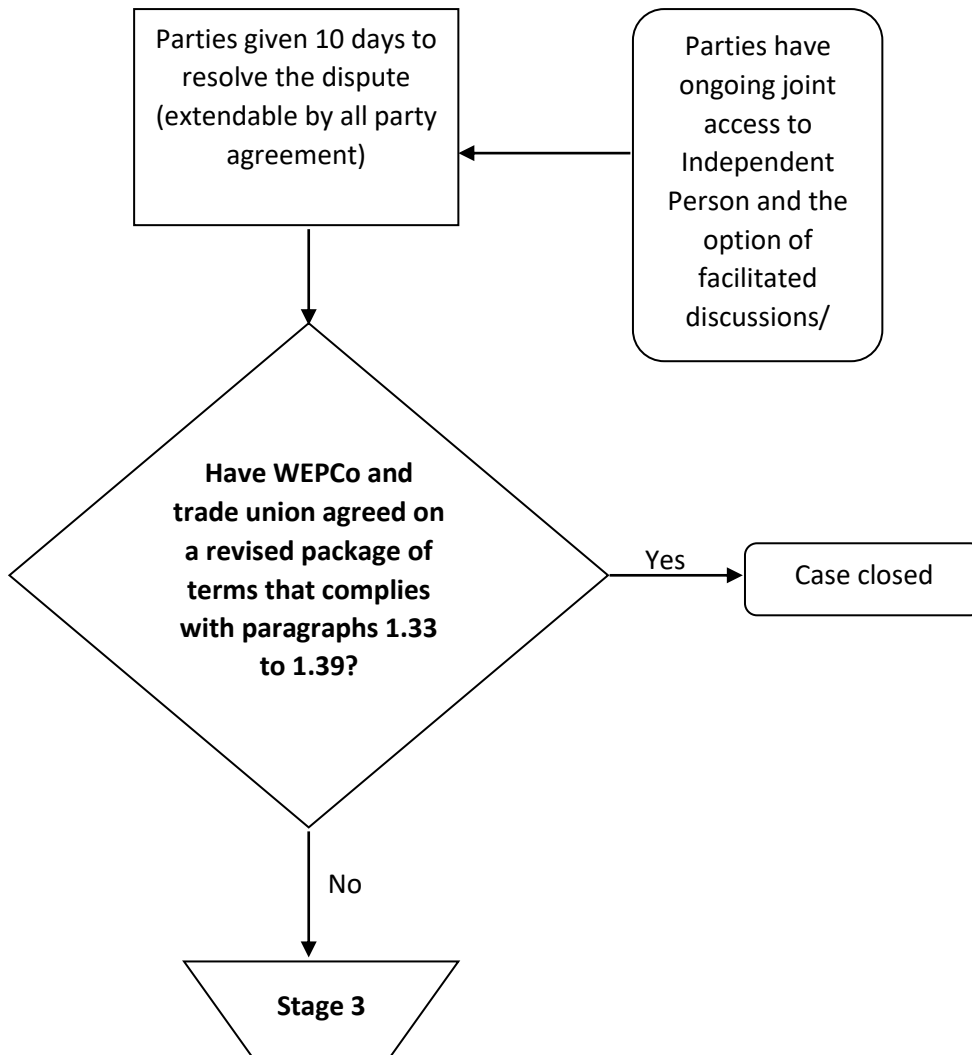

4.4 For the avoidance of doubt, following the resolution of any dispute at any stage of the procedure set out above, then the new package of conditions of employment will be applied both to new starters and

to those employed by WEPCo or any Partnering Subcontractor and/or their subcontractors engaged during the period during which the dispute was being resolved.

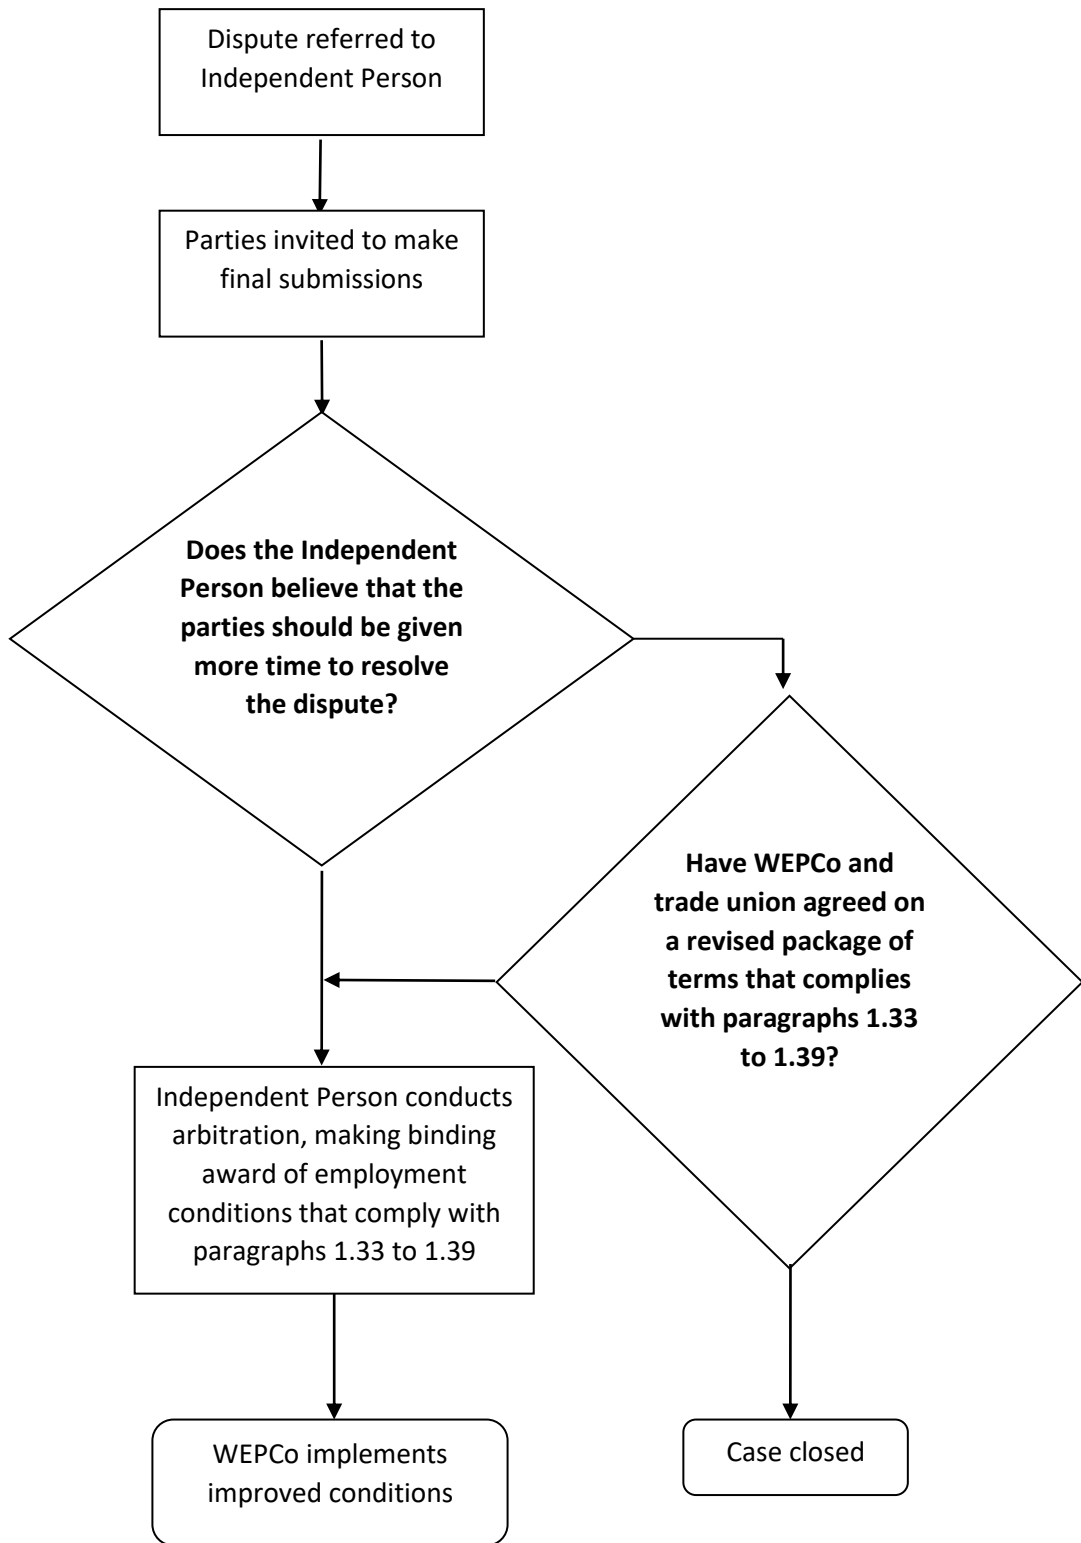

Stage 1: Referral to Independent Person and Execution of Independent Assessment (twenty (20) Business Days in total from the point when ADR is invoked)

Stage 2: Parties given time to resolve the dispute, with ongoing joint access to the Independent Person and with the option of mediation (ten (10) Business Days, extendable by agreement)

Stage 3: Final submissions and Arbitration (ten (10) Business Days)

SCHEDULE 16 - TEMPLATE PROJECT BIM AGREEMENT³⁸

The Employer shall provide the relevant Local Authority Participant and the relevant Administering Authority with the names of the Transferring Members no later than [four] months after the Transfer Date.

3. TRANSFER PAYMENT FROM THE FUND

4.1.2 the Transfer Amount will, subject only to any HM Revenue & Customs limits that may still apply, be wholly applied in the Broadly Comparable Scheme for the provision of the benefits mentioned in this paragraph 4.1 ⁴²] and

4.1.3 the Broadly Comparable Scheme provides in respect of each Transferring Member such benefits as the Administering Authority's Actuary certifies to be of actuarially equivalent value [(in accordance with the Actuary's Letter)]⁴³ to the benefits which would have been payable under the LGPS in respect of the Transferring Member's service before the Transfer Date if he had remained a member of the LGPS.

5. ADDITIONAL VOLUNTARY CONTRIBUTIONS

5.1 Nothing in this Schedule 17 (*LGPS Bulk Transfer Terms*) shall apply to AVCs or to benefits secured by them. However, the relevant Local Authority Participant shall use reasonable endeavours to ensure that the assets representing each Transferring Member's AVCs in the Fund (if any) shall be transferred to the Broadly Comparable Scheme. WEPCo shall procure that the Employer shall ensure that the Broadly Comparable Scheme provides benefits for each relevant Transferring Member which are equivalent to the assets transferred.

6. NO ASSISTANCE

6.1 WEPCo shall procure that the Employer shall not encourage or initiate or assist or facilitate any action or provide any financial assistance for the purpose of requiring the relevant Fund to pay an amount

⁴⁰ The form of payment and discount for cash needs to be discussed with the Administering Authority. If this is to be covered in the Actuary's Letter, this clause can be deleted.

⁴¹ It may be necessary to refer to the Actuary's Letter to determine what 'actuarially equivalent value' means. 'Actuarially equivalent value' is the term used in the HM Treasury Guidance 'A Fair Deal for Staff Pensions : Procurement of Bulk Transfer Agreements and Related Issues'.

⁴² The Local Authority may wish to consider whether it wants to seek to ring-fence any Transfer Amount within the Broadly Comparable Scheme. The Local Authority should consult with its professional advisers regarding this option.

7. [EXIT PROVISIONS]⁴⁴

7.1 WEPCo undertakes on its own behalf and on behalf of the Employer to the relevant Local Authority Participant (for the benefit of the relevant Local Authority Participant itself and for the relevant Local Authority Participant as agent and trustee for the benefit of its LGPS Participant Employees)⁴⁵ that on:

- 7.1.2 the employment of any LGPS Participant Employee transferring to a new employer in accordance with paragraph 2.12 of Section 1 (*General*) of Schedule 15 (*Transfer of Employment and Pensions*) (or otherwise),

WEPCo shall procure that the Employer shall procure that the trustees of the Broadly Comparable Scheme offer bulk transfer terms in respect of the relevant LGPS Participant Employees' service in the Broadly Comparable Scheme to the pension scheme of the relevant Local Authority Participant or any Future Service Provider (or their sub-contractors) which are no less favourable (in the opinion of the Administering Authority's Actuary or an actuary appointed by the relevant Local Authority Participant) than the bulk transfer terms set out in the Actuary's Letter, subject to a reasonable adjustment in respect of market fluctuations since the date of the Actuary's Letter.

7.2 If the transfer payment paid by the trustees of the Broadly Comparable Scheme is less (in the opinion of the Administering Authority's Actuary or an actuary appointed by the Local Authority) than the transfer payment which would have been paid had paragraph 7.1 been complied with, the Employer shall pay to the relevant Local Authority Participant or any Future Service Provider (or their sub-contractor) (as appropriate) (or as such person shall direct) the amount of the difference.^{46]}

⁴⁴ The exit provisions aim to reflect as far as possible the exit requirements of HM Treasury Guidance 'A Fair Deal for Staff Pensions : Procurement of Bulk Transfer Agreements and Related Issues'. The Local Authority could consult with its professional advisers regarding these provisions and the Guidance and the requirements it wishes to impose.

⁴⁵ HM Treasury have indicated that the exit provisions in HM Treasury Guidance 'A Fair Deal for Staff Pensions : Procurement of Bulk Transfer Agreements and Related Issues' may cover not only Transferring Members but also LGPS Participant Employees who did not transfer their benefits from the LGPS under the initial bulk transfer but did join the Broadly Comparable Scheme for future service only. The Local Authority should consult with its professional advisers regarding the scope of the employees it wishes to protect under this paragraph.

⁴⁶ HM Treasury Guidance 'A Fair Deal for Staff Pensions : Procurement of Bulk Transfer Agreements and Related Issues' provides that onward bulk transfer requirements can be imposed on the pension scheme and/or the sponsoring employer. The Local Authority will need to consider whether it wants to include a shortfall obligation of this type on the Employer.

proceedings under this Agreement and that they shall not disclose such documents or any information contained therein to any third party other than the Arbitrator or any professional adviser engaged by the Partnering Subcontractor (as appropriate) to advise in connection with the Dispute.

7. **NO LOSS**

Where any Participant would otherwise be expressly liable to make a payment by way of compensation to WEPCo including amounts which, in turn, comprise compensation to any Partnering Subcontractor payable by WEPCo and/or which will be payable by way of compensation to any Partnering Subcontractor by WEPCo, the Participant shall not be entitled to withhold, reduce or avoid any such payment to WEPCo in reliance only on the fact that the amount which is due from WEPCo to the Partnering Subcontractor or the entitlement of the Partnering Subcontractor to payment of such amount, as a result of the circumstances giving rise to the Participant's obligation to pay such compensation, is conditional on the entitlement of, or receipt of payment by WEPCo from the Participant.

8. **JOINDER OF DISPUTES**

8.1 If a Dispute to which paragraph 5 applies (the "**Original Dispute**") raises issues which are substantially the same as or connected with issues in a Dispute between a party to the Dispute and any other party to this Agreement in connection with or arising out of this Agreement (the "**Related Dispute**"), a party to the Original Dispute may cause the Original Dispute to be joined with the Related Dispute in the manner provided in this paragraph 8.

8.2 A party wishing to join the Original Dispute with a Related Dispute shall, within five (5) Business Days of giving or receiving the Notice in respect of the Original Dispute, serve on each other party to the Original Dispute and to the Related Dispute, and the Arbitrator, a notice (a "**Related Dispute Notice**") stating they wish to join the Original Dispute with the Related Dispute. The Related Dispute Notice shall include:

- 8.2.1 a concise summary of the Related Dispute and issues arising therefrom, including a preliminary statement setting out the basis and grounds for joining the Related Dispute with the Original Dispute, together with (where applicable):
- (a) a statement of claim from each party to the Related Dispute;
 - (b) details of each Related Dispute party;
 - (c) a statement of the relief sought by any party to the Related Dispute;
 - (d) reference to any reports relating to the subject matter of the Related Dispute;
 - (e) a statement of any matters which the parties to the Related Dispute have already agreed in relation to the Related Dispute; and
 - (f) copies of all documents not exceeding, where possible, one lever arch file in total which have a direct bearing on the issues in the Related Dispute, and on which the party serving the Related Dispute Notice intends to rely (or a list of such documents if each party to the Related Dispute has already seen them).

- 8.3 The party giving notice under paragraph 8.2 shall give each Related Dispute party a copy of the following documents:
- 8.3.1 the Notice relative to the Original Dispute together with any counterclaims given or received, and any further notices to/from the other party to the Original Dispute; and
 - 8.3.2 the Notice relative to the Related Dispute.
- 8.4 Within five (5) Business Days after receiving a Related Dispute Notice, any party to the Original Dispute or Related Dispute may make written representations to the Arbitrator objecting to the joinder of the Related Dispute with the Original Dispute, simultaneously providing copies to all parties to such disputes.
- 8.5 If no representations are made in accordance with paragraph 8.4, the Arbitrator shall immediately order that that the Original Dispute shall be joined with the Related Dispute.
- 8.6 Where the Arbitrator receives objections under paragraph 8.4, the Arbitrator shall consider whether or not in his or her opinion there is any reasonable basis or ground for the objection received and shall render a final and binding written decision within three (3) Business Days of receiving an objection as to whether the Related Dispute shall be joined with the Original Dispute.
- 8.7 Subject to the provisions of this paragraph 8, the provisions of paragraph 5 (*Arbitration*) shall apply to the resolution of a Related Dispute and the Arbitrator shall, insofar as practicable, apply the same reasoning and analysis in reaching a decision on both the Original Dispute and the Related Dispute.
- 8.8 When a Related Dispute is joined to an Original Dispute, the Arbitrator shall consider both Disputes together but shall render separate decisions on the Original Dispute and the Related Dispute.

in relation to a mediation to be held

concerning a dispute between the Parties in relation to

.....
.....
.....

(“the Dispute”)

IT IS AGREED by those signing this Agreement THAT:

The Mediation

1 The Parties agree to attempt in good faith to settle the Dispute at the Mediation. All signing this Agreement agree that the Mediation will be conducted in accordance with its terms and consistent with the CEDR Solve Model Mediation Procedure and the CEDR Code of Conduct for Mediators current at the date of this Agreement.

Authority and status

2 The person signing this Agreement on behalf of each Party warrants having authority to bind that Party and all other persons present on that Party’s behalf at the Mediation to observe the terms of this Agreement, and also having authority to bind that Party to the terms of any settlement.

3 The Mediator is operating as an independent contractor (unless an employee of CEDR Solve), and neither the Mediator nor CEDR Solve is an agent for any of the Parties in relation to the Dispute or this Agreement.

4 Neither the Mediator nor CEDR Solve shall be liable to the Parties for any act or omission in relation to the Mediation unless the act or omission is proved to have been fraudulent or involved wilful misconduct.

Confidentiality and without prejudice status

5 Every person involved in the Mediation:

5.1 will keep confidential all information arising out of or in connection with the Mediation, including the fact and terms of any settlement, but not including the fact that the Mediation is to take place or has taken place or where disclosure is required by law to implement or to enforce terms of settlement; and

5.2 acknowledges that all such information passing between the Parties, the Mediator and/or CEDR Solve, however communicated, is agreed to be without prejudice to any Party's legal position and may not be produced as evidence or disclosed to any judge, arbitrator or other decision-maker in any legal or other formal process, except where otherwise disclosable in law.

6 Where a Party privately discloses to the Mediator any information in confidence before, during or after the Mediation, the Mediator will not disclose that information to any other Party or person without the consent of the Party disclosing it, unless required by law to make disclosure.

7 The Parties will not call the Mediator or any employee or consultant of CEDR Solve as a witness, nor require them to produce in evidence any records or notes relating to the Mediation, in any litigation, arbitration or other formal process arising from or in connection with the Dispute and the Mediation; nor will the Mediator nor any CEDR Solve employee or consultant act or agree to act as a witness, expert, arbitrator or consultant in any such process. If any Party does make such an application, that Party will fully indemnify the Mediator or the employee or consultant of CEDR Solve in respect of any costs any of them incur in resisting and/or responding to such an application, including reimbursement at the Mediator's standard hourly rate for the Mediator's time spent in resisting and/or responding to such application.

8 No verbatim recording or transcript of the Mediation will be made in any form.

Settlement formalities

9 No terms of settlement reached at the Mediation will be legally binding until set out in writing and signed by or on behalf of each of the Parties.

Fees and costs of the Mediation

10 The Parties will be responsible for the fees and expenses of CEDR Solve and the Mediator ("**the Mediation Fees**") in accordance with CEDR Solve's Terms and Conditions of Business current at the date of this Agreement.

11 Unless otherwise agreed by the Parties and CEDR Solve in writing, each Party agrees to share the Mediation Fees equally and also to bear its own legal and other costs and expenses of

preparing for and attending the Mediation (“each Party’s Legal Costs”) prior to the Mediation. However, each Party further agrees that any court or tribunal may treat both the Mediation Fees and each Party’s Legal Costs as costs in the case in relation to any litigation or arbitration where that court or tribunal has power to assess or make orders as to costs, whether or not the Mediation results in settlement of the Dispute.

Legal status and effect of the Mediation

12 Any contemplated or existing litigation or arbitration in relation to the Dispute may be started or continued despite the Mediation, unless the Parties agree or a Court orders otherwise.

13 This Agreement is governed by the law of [England and Wales] and the courts of [England and Wales] shall have exclusive jurisdiction to decide any matters arising out of or in connection with this Agreement and the Mediation.

14 The referral of the dispute to the Mediation does not affect any rights that exist under Article 6 of the European Convention of Human Rights, and if the Dispute does not settle through the Mediation, the Parties’ right to a fair trial remains unaffected.

Changes to this Agreement

15 All agreed changes to this Agreement and/or the Model Procedure are set out as follows:

APPENDIX 2 - CEDR MODEL MEDIATION PROCEDURE

Model Mediation Procedure

CEDR Solve Mediation Model Procedure

1 What is mediation?

Mediation is a flexible process conducted confidentially in which a neutral person actively assists the parties in working towards a negotiated agreement of a dispute or difference, with the parties in ultimate control of the decision to settle and the terms of resolution.

The principal features of mediation are that it:

- involves a neutral third party to facilitate negotiations;
- is quick to set up and is inexpensive, without prejudice and confidential;
- involves party representatives with sufficient authority to settle;
- is flexible, with no set procedure, enabling the process to be designed and managed by the Mediator to suit the parties, in consultation with them;
- enables the parties to devise solutions which are not possible in an adjudicative process such as litigation or arbitration, and which may benefit all the parties, particularly if there is the possibility of a continuing relationship between them;
- can be used in both domestic and cross-border disputes, two-party and multi-party disputes, and whether or not litigation or arbitration has been commenced.

Many commercial and government contracts now require parties to use mediation in accordance with CEDR's Model Procedure. While mediation is essentially flexible, the Model Procedure set out in this document, taken with the CEDR Solve Mediation Agreement, will give sufficient certainty to enable the process to be set up and used.

If settlement terms cannot be agreed at a mediation, the parties are free to revert to litigation or arbitration.

2 Referral to mediation

Referral of a dispute to a mediator or to CEDR Solve for mediation may be as a result of:

- voluntary referral by all parties;

- referral by one party who asks CEDR Solve to secure the involvement of other parties into a mediation;
- responding to a Pre-action Protocol, the Civil Procedure Rules 1998, a Court Order or a recommendation by a judge before trial or appeal;
- the provisions of a clause in a commercial or government contract requiring the use of mediation as a step in the parties' agreed dispute resolution process.

3 Choosing the mediator

Parties may choose their own mediator directly, or may ask CEDR Solve to nominate one or more persons to act as mediator for a dispute in accordance with the wishes of the parties or any relevant Court Order (a copy of which must be supplied to CEDR Solve by the parties as soon as possible after CEDR Solve has been instructed). If the parties require it, more than one mediator can be appointed to work as co-mediators, or the parties can agree on an independent neutral expert to advise the mediator on technical matters.

CEDR Solve will only nominate or appoint a mediator who, in their view, possesses the relevant skills and experience to mediate the dispute for the parties effectively, and who will comply with the CEDR Solve Code of Conduct for Third Party Neutrals (“the Code”). Any nominated mediator will be required to confirm immediately to CEDR Solve if there is any matter which might prevent the nominated mediator from complying with the Code in relation to the mediation of the dispute, such as a conflict of interest. CEDR Solve will then notify the parties of any such matter immediately it is disclosed to them.

If required by either the parties or the Court, or under the published terms of any CEDR Solve dispute resolution scheme, CEDR Solve will **appoint** a mediator to be used in relation to a dispute, subject always to that mediator not being prevented from complying with the Code in relation to the mediation of that dispute.

The parties may be asked by CEDR Solve to approve the appointment by them of an assistant mediator (who will be a CEDR Accredited Mediator) or an observer to attend a mediation at no cost to the parties, provided that they too comply with the Code in respect of the mediation of that dispute. The identity of any assistant mediator or observer proposed to attend the mediation will be made known in advance of the mediation to the parties, who are free to object to any such nomination or decline any such appointment. The mediator’s signature of the mediation agreement binds any assistant mediator or observer to its terms.

4 Preparation for the mediation

Depending on the CEDR Solve service selected by the parties, either CEDR Solve or the mediator when agreed or appointed, will make the necessary arrangements for the mediation as required or agreed by the parties or under the terms of any scheme, including:

- drafting the agreement, submitting it for approval by the parties and preparing the final form for signature, incorporating any agreed amendments;

- facilitating agreement as to the date, venue and start time for the mediation;
- organising exchange of case summaries and document bundles between the parties and the mediator;
- setting up any pre-mediation meetings agreed by the parties and the mediator.

The parties will:

- agree the appointment of the mediator or a process to select or appoint the mediator;
- agree with CEDR Solve the date, venue and start time for the mediation;
- pay CEDR Solve's fees and expenses as agreed under CEDR Solve's Terms and Conditions of business;
- each prepare and exchange a case summary in respect of their approach to the dispute at the mediation and endeavour to agree with all other parties what documents are needed for the mediation;
- send to the mediator (direct or through CEDR Solve) a copy of their case summary and two copies of the document bundles no less than two weeks before the date set for the mediation, making clear whether case summaries have or have not yet been exchanged, whether or not and when CEDR Solve is to effect exchange, and whether all or any part of any case summary or documentation is intended to be confidential for the mediator only;
- notify the mediator direct or through CEDR Solve of the names and roles of all those attending the mediation on their behalf, so that CEDR Solve can inform all Parties and the mediator in advance of the mediation;
- ensure that a lead negotiator with full authority to settle the dispute (or not) attends the mediation to sign the mediation agreement;
- alternatively notify the mediator, CEDR Solve and (unless very good reason exists to the contrary) the other parties of any limitation on authority to settle, for instance lack of legal capacity, or the need for ministerial committee or board ratification, in which case the lead negotiator will need to have power to recommend acceptance of any settlement. Late disclosure of limited authority to settle can call into question that party's good faith involvement in the mediation process, and have detrimental effects on the prospects of success of any mediation.

The mediator will:

- ensure at all times that the Code is complied with in respect of the mediation of the dispute, reporting any conflict of interest or other relevant matter, if any, to CEDR Solve

and (subject to any question of confidentiality or privilege) the parties immediately it emerges;

- attend any pre-mediation meetings on terms and agenda agreed by the parties;
- read each case summary and document bundle submitted in advance of the mediation by the parties;
- make contact with a representative of each of the parties before the mediation to assist in preparation for the mediation.

5 Documentation

Documentation intended to be treated as confidential by the mediator or CEDR Solve (such as a counsel's opinion, an undisclosed expert report, a draft proof of evidence or a confidential briefing for the mediator) must be clearly marked as such, and will not be circulated further without express authority.

One of the advantages of mediation is that its success is not dependent on exhaustive disclosure of documents. Bundles can usually be relatively limited in size, containing only key documents, and case summaries can be quite brief, and can to advantage be prepared jointly by the parties. The parties can ask CEDR Solve to effect simultaneous exchange of case summaries if required.

While documents brought into existence for the purpose of the mediation, such as case summaries, are clearly privileged from later production in those or other proceedings, the fact that a document which is otherwise disclosable in proceedings is produced for the first time during the mediation does not normally confer privileged status on it. The parties must take legal advice on such matters if they arise.

6 The mediation agreement

The agreement to mediate provides the essential legal basis for the mediation. Its signatories (the parties to the dispute, the mediator and CEDR Solve) all agree by signing it that the mediation is to be conducted consistent with both this CEDR Solve Model Procedure and the Code.

A draft mediation agreement will be sent for approval to the parties as part of the preparation process for the mediation, and any proposed amendments can then be discussed and inserted if agreed. The mediation agreement will normally be signed at the beginning of the mediation day on behalf of each of the parties and the mediator, having been pre-signed on behalf of CEDR Solve. In any pre-mediation contact with the parties, CEDR Solve staff and any CEDR mediator once appointed will observe its terms as to confidentiality, even though the agreement has not yet been signed.

7 The mediation

It is normal for each of the parties to have a private room for confidential consultations on their own and with the mediator during the mediation. There should also be a further room large enough for all parties to meet with the mediator jointly.

The mediator will chair and take responsibility for determining the procedure at the mediation, in consultation with the parties.

The likely procedure will comprise:

- preliminary meetings with each of the parties when they arrive at the venue;
- a joint meeting of all attending the mediation, at which each of the parties will normally be invited to make an oral presentation;
- a mix of further private meetings and joint meetings (which may involve all or some of each party's team), as proposed by the mediator and agreed by the parties.

Professional advisers, particularly lawyers, can and usually do attend the mediation. Such advisers play an important role in the exchange of information and opinion on fact, evidence and law; in supporting their clients (particularly individuals) in the negotiations; in advising clients on the implications of settlement; and in drawing up the settlement agreement and any consent order.

Although the agreement provides that no verbatim recording or transcript will be made of the whole mediation by the parties or the mediator, they can make their own private notes which will be undisclosed to anyone else, including in any subsequent litigation or arbitration.

Mediations can last beyond a normal working day and it is important that the key people present for each of the parties remain present or at worst available by telephone for so long as the mediation continues. Any time constraints should be reported to CEDR Solve or the mediator as soon as known, as any unexpected departure can be detrimental to the progress of the mediation and perceived as disrespectful by other parties.

8 Confidentiality in relation to the mediation

The CEDR Solve standard agreement provides that what happens at the mediation is to be treated as confidential by the parties, the mediator and CEDR Solve, including the fact and terms of settlement. However, the fact that the mediation is to take place or has taken place is not normally made confidential, as either or both of the parties may wish to claim credit for agreeing to engage in the process. If it is desired to make the fact that the mediation is taking place confidential also, the agreement can be amended.

Apart from where the parties agree in writing to consent to disclosure of what would normally be confidential, there may be rare circumstances in which the confidentiality of the mediation process cannot be preserved, such as where:

- the mediator or any party or their representative is required by law to make disclosure;
- the mediator reasonably considers that there is a serious risk of significant harm to the life or safety of any person if the information in question is not disclosed; or
- the mediator reasonably considers that there is a serious risk of being personally subject to criminal proceedings unless the information in question is disclosed.

Such questions might arise in relation to duties under the Proceeds of Crime Act 2002 or related legislation or under any other legislation. Legal representatives (who may themselves be under a comparable duty of disclosure in their own capacity) must take full responsibility for advising their clients of the implications of disclosure in relation to any such matters at a mediation.

9 Conclusion of the Mediation

The mediation may end in a number of ways:

- by settlement of the dispute in whole or part, when all agreed matters must be written down and signed by the parties to be binding;
- by one or more parties leaving the mediation before settlement is achieved;
- by an agreed adjournment for such time and on such terms as the parties and the mediator agree;
- by withdrawal of the mediator in accordance with the mandatory and optional circumstances set out in the Code.

The mediator will facilitate the drawing up of any settlement agreement, though the drafting is normally done by the lawyers representing each of the parties. Where proceedings **have not** been started in respect of the dispute, the settlement agreement will (if so intended and

drafted) be a contract enforceable by legal action. Where proceedings **have** been issued in relation to the dispute, it is normal for a Consent Order to be agreed either at or after the mediation and later lodged to end the proceedings on the terms agreed.

Where the mediation does not end in complete settlement, the Mediator may make contact with the parties thereafter to see whether further progress might be possible. Many disputes which do not settle at the mediation settle later, usually as a result of what occurred or was learned at the mediation.

CEDR Solve endeavours to make contact with all the parties after every mediation to obtain their feedback on both the process itself and, in particular, the mediator. Any feedback obtained regarding the mediator will be given in full to the mediator as part of the mediator's continuing learning and development.

10 Complaints

Any formal complaint about CEDR Solve or any mediator nominated by CEDR Solve should follow the procedure set out on the CEDR website at www.cedr.com.
