

CYNGOR SIR POWYS COUNTY COUNCIL.

**CABINET EXECUTIVE
Date: 21st December 2021**

REPORT AUTHOR: Head of Legal & Democratic Services

REPORT TITLE: Amendments to Growing Mid Wales Inter Authority Agreement

REPORT FOR: Decision

1. Purpose

1.1 This document sets out what changes are required to the Inter Authority Agreement (IAA) to ensure good and robust governance for the delivery phase of the Mid Wales Growth Deal (“MWGD”),

2. Background

2.1 The original IAA was approved by Cabinet on 9th May 2019 and was amended by Cabinet on 13th July 2021 to ensure good governance for the development of a Portfolio Business Case and agreeing a Final Deal Agreement with WG and the UK Government., strengthen Audit and Scrutiny provision sand to reflect changes to the Regional Learning and Skills Partnership.

2.2 The IAA now need s further amendment to ensure good and robust governance for the delivery phase of the MWGD. The two authorities have had assistance in developing the proposed IAA3 (see Appendix 1) so from a firm of external solicitors , Pinsent Masons, who have also advised other growth deals in Wales. The IAA3 is in similar format as the IAA2 but has been strengthened where needed to ensure strong governance for the delivery phase.

2.3 The draft IAA3 was approved by the Growing Mid Wales Board at ist meeting on 15th December 2021 and recommended for approval by the cabinets of both Authorities.

3. Advice

3.1 The following is a summary of the proposed IAA3 (as set out in Appendix 1) and the main changes to the IAA2.

4. Commencement and duration

- 4.1 IAA3 is intended to commence once the Final Deal Agreement (FDA) is signed between the two Councils – and will remain in force and effect for the period of the Growth Deal.
- 4.2 It will remain in full force and effect unless the Parties agree to terminate the agreement or the agreement is brought to an end by the default of a party, in which case the contract can be ended by the Non Defaulting Party (Clause 2.1 & 2.2) . The consequences for termination for default are set out in clause 14.2 but in essence the Defaulting Council shall indemnify the other Council against any costs and expenses directly incurred by that Council as a result of such a termination.

5. Governance Principles and Framework

5.1 Growing Mid Wales Board

- 5.1.1 IAA1 established the Growing Mid Wales Board (GMWB) as an executive joint committee and that arrangement continued into IAA2, and now into IAA3. As with previous IAA iterations, the voting committee membership consists of 10 elected member representatives by the Councils (5 each). The key change in IAA3 versus previous iterations, is that the Chair of the Economic Strategy Group (Private Sector Advisory Group) no longer has voting rights on the Board. All advisory panels of the Board are re-established in a consultative capacity, to provide advice to the Board.
- 5.1.2 On an annual basis the GWMB will be required to update the Portfolio Business case for the proceeding five years, but any material change to the prevailing Portfolio Business Case will have to be approved by Cabinets of both Authorities (clause 7.2).
- 5.1.3 Before the start of each Accounting year, the GMWB is required to approve an Annual Business Plan setting out the annual spend for approved projects (clause 7.3).

5.2 Economic Advisory Group

- 5.2.1 Following the review of the previous Economic Strategy Group that was constituted as part of IAA1 and IAA2 – the private sector group has been re-designed with new terms of reference (as discussed at

GMWB 11/11/21¹), to provide the GMWB with consistent strategic advice pertaining to the delivery of the MWGD.

5.3 Joint Overview and Scrutiny Committee

5.3.1 The Terms of Reference remain largely unchanged from IAA2 when it was established.

5.4 Regional Skills Partnership

5.4.1 The Terms of Reference remain largely unchanged from IAA2 when it was established.

5.5 Growing Mid Wales Management Group

5.5.1 This was established under IAA1 to co-ordinate professional officer advice and management to the GMWB. The terms of reference have been evolved to be in line with expectations and requirements to support the delivery of the Deal – which ensures the oversight of resource deployment, performance management of the Portfolio and team, and acts as a clearing house for GMWB reports. Its membership comprises senior officers from both Councils, with observers from both Governments.

5.6 Portfolio Management Office (PoMO)

5.6.1 The PoMO has been established via separate grant funding agreement and SLA between the two Councils – however the role and function of the PoMO in the context of the MWGD have now been defined within IAA3. They provide professional support and advice to the GMWB on the delivery of the MWGD Portfolio.

5.7 Council's Obligations – Administrative Functions

5.7.1 IAA1 and IAA2 set out the respective lead authorities for the “administrative functions” (HR, Finance, Legal etc).

5.7.2 IAA3 has set out that the Councils acknowledge and agree to divide the administrative functions in support of the Mid Wales Growth Deal in accordance with the table below:

Administrative function	Responsibility
Human Resources	Ceredigion
Clerk to the GMWB	Both Councils shall appoint an individual to act as Clerk who will be responsible for supporting the administrative requirements of the GMWB on an

5.8 Accountable Body

5.8.1 IAA3 also defines and establishes the role of the Accountable Body for the delivery of the MWGD. Ceredigion has been established as the lead authority for finance for the MWGD in IAA1 and IAA2, and this continues into IAA3 with Ceredigion acting as the Accountable Body responsible for discharging the Councils' obligations in relation to the MWGD pursuant to IAA3. It means accepting and receiving any HMT Contribution from the WG for and on behalf of the Councils and shall hold and manage such HMT Contribution in accordance with the terms of the agreement. The Accountable Body shall receive any additional funding from any other source for and on behalf of the Councils and shall hold and manage such funds in accordance with the terms of the Agreement.

5.9 Codes of Conduct and Conflicts of Interest

5.9.1 The principles established in previous agreements (IAA1 and IAA2) remain unchanged for IAA3 – and sets out the provisions for Members Code of Conduct in relation to the declaration and management of personal interests.

5.9.2 The review into the Economic Strategy Group concluded that the provisions and mechanisms to manage the potential interests of private sector members were deemed sufficient – however, the new terms of

reference have been strengthened in IAA3 to ensure a clearer focus and role within wider MWGD governance. As noted in 5.1, the voting rights of the Chair of the ESG is no longer present in IAA3.
