During the year I:

- continued working with the Welsh Government and Dyfed IT to roll out a superfast broadband internet service for all residents within my ward, reaching over 200 properties,
- continued to document all pot holes within Yscir and maintained pressure on Powys County Council to repair them,
- set up and lead the Yscir Covid-19 Support Team, consisting of eleven members of the community collecting and delivering weekly shopping and prescriptions for self-isolating Yscir residents throughout the lockdown period,
- attended all meetings held by Llanfihangel Nant Bran & Trallong, Merthyr Cynog and Yscir community councils,
- made myself available to all residents at any time via phone/email/messenger, rather than holding surgeries. I normally plan a meeting to visit residents to hear concerns or answer queries within a day or two of being contacted,
- set up and lead the Powys County Council car park working group to identify and implement a better car park ticket strategy for all car parks in Powys, to include free car parking,
- welcomed the building of a replacement bridge in Llanfihangel Nant Bran after campaigning and requesting that Powys County Council replace the old military bailey bridge.
