Dear Mrs Patterson,

Re: Members' Code of Conduct

The enclosed letter from your section was passed to me by Cllr Evan Morgan on 1st March, 2009.

I was not aware of any requirement to notify PCC of the matters referred to but I was aware from previous elections that we had to notify the Ombudsman at Bridgend and this was done.

Community Cllrs are unpaid and simply unwilling to attend lectures in their own time to be told how to conduct themselves in office – its plain common sense!
Accordingly this Council does not require any training for its Members. Whilst writing I would confirm that we have now received the two invoices from your department for the June 2008 elections both of which were dated 27th Jan 2009.

If any of my fellow Councillors ever require any advice or training I will arrange for whatever is required via One Voice Wales.

Yours faithfully,

Bernard John Atkins
Chairman/Acting Clerk
