

**CYNGOR SIR POWYS COUNTY COUNCIL**

**TRANSPORTATION AND DEVELOPMENT ENABLEMENT**

**BRECKNOCKSHIRE**

**28<sup>th</sup> May 2014**

**REPORT BY: Road Safety and Traffic Systems Manager**

**SUBJECT: Traffic Management – Llangattock Parking Review  
Objections**

---

**REPORT FOR: Decision**

---

Following statutory consultation and a public meeting a number of objections were received regarding the proposed parking restrictions. These objections were, in the main, to the proposed waiting restrictions and the additional disabled parking on the north east side of Park Drive and some also included the proposed prohibition of waiting at any time on the south west side. Taking these objections into account it is recommended that the waiting restrictions be removed from the scheme and allow unrestricted parking in these areas, but keep the proposed disabled parking to the existing proposal. It is also recommended that the proposed prohibition of waiting is taken forward to prevent parking on both sides and thus obstructing vehicles travelling along it.

There were only a few objections received to the proposals on Plasderwern and it is recommended that these be over-ruled as any parking within the roundabout area obstructs the service bus and any emergency services, refuse or delivery vehicles.

<b>Recommendation:</b>	<b>Reason for Recommendation:</b>
<b>Committee is asked to uphold the objections to the waiting restriction on Park Drive and over-rule the objections to the disabled parking.</b>	<b>To allow unrestricted parking for residents and visitors for unrestricted times.</b>
<b>To over-rule objections to the prohibition of waiting on Park Drive.</b>	<b>To prevent parking on both sides that obstructs the free flow of traffic.</b>
<b>To over-rule the objections to the prohibition of waiting and no stopping except buses on Plasderwern.</b>	<b>To prevent parking on the roundabout.</b>
