REPORT AUTHOR: Area Traffic Officer South

SUBJECT: Ystradgynlais Parking Review

REPORT FOR: Decision / Discussion / Information

1. Summary

1.1 Following discussions with the local ward members for the Ystradgynlais areas, a number of sites where inconsiderate parking is occurring were highlighted. Parking at these locations cause obstruction to the free flow of traffic and also impede visibility for drivers and pedestrians. This has safety implications for all road users, and therefore, the introduction of parking and loading restrictions is highly recommended.

2. Proposal

2.1 It is proposed to introduce further parking restrictions to prevent inconsiderate parking and the obstruction to the free flow of traffic. These will include an additional section of limited waiting, to prevent all day parking in a recently constructed parking bay, additional sections of prohibition of waiting at any time and new sections of no loading areas.

3. Options Considered / Available

1. Do nothing – leave the existing road network as existing
