3. **REPRESENTATIONS**

3.1 The Licensing Authority received a complaint in August 2023 regarding this issue. This was in relation to noise and Anti social behaviour so was referred to Environmental Protection and Police. Licensing has not had any further complaints made in respect of this premise and makes no Representations at this time.

3.2 <u>Responsible Authorities</u>

A copy of a Representations made by Rod Bowen, Police Licensing Officer is attached in Annex E. This is not a Representation but a recommendation from the PLO to introduce 2 SIA door staff as part of an improvement to the Licence Conditions.

3.3 Interested Parties

A copy of the Representations received by the Public / Interested Parties can be found in Annex F.

3.4 The interested party is the Premise which adjoins the Log Cabin. This premise / contact is also the same as the complaint received by Licensing in August 2023 and is also the premise where the initial complaint to EP was made.

3.5 Premise Licence Holder

The current Premise licence Holder has also made Representations and the full document can be found in Annex G.

Extension to date for Licensing Sub Committee Hearing

3.5.1 The Premise Licence holder requested postponement of 28 days to allow him time to obtain his own evidence. This is now attached in the Supplementary documents can be found at the end of the Pack, which

ANNEX C

Report from Environmental Protection

Log Cabin License Review Statement

Statement of Laura Lewis

Occupation: Environmental Health Officer - Environmental Protection

I am an Environmental Health Officer (Environmental Protection) for Powys County Council. I deal with environmental protection matters including noise complaints in the Radnorshire area.

I hold a BSc (Hons) in Public and Environmental Health. Prior to my appointment as an Environmental Health Officer, I worked as a Technical Officer in Environmental Protection, covering the Brecknock and Radnorshire areas.

The Initial complaint was received from Hotel Commodore, at the neighbouring Hotel Commodore, on the 7th August 2023. It was alleged that the noise from the Log Cabin had been an issue for a few years, however, since the end lockdown the noise had become more excessive from people gathering outside.

The Log Cabin used to be part of the Hotel Commodore, until the Hotel was sold are now two separate entities. The Hotel has several rooms which have windows overlooking the outside area.

The Log Cabin highlighted in red.

It was alleged that the noise from the outside area of the Log Cabin was worse once all the other licensed premises in the area close at midnight, when the Log Cabin is the only open premise which remains open. It was alleged that this noise regularly went on until 3 am.

After the initial complaint was received on the 7th August 2023, I spoke with the complainant on the 8th August 2023 to discuss the matter. I sent noise log sheets to the complainant for completion and a letter to the Log Cabin notifying them that we had received a noise complaint for people noise. Please see appendices 1 and 2.

I received no contact from anyone at the Log Cabin in respect of our letter.

The log sheets were returned to us and received in the 21st September 2023. The log sheets had entries covering dates Thursday 10th August 2023 until 7th September 2023. The entries all related to complaints received by the hotel from guests staying in the rooms above the outside area of the Log Cabin on Thursday, Friday and Saturday nights. The log sheets show the noise starting as early as 21:30, with the noise continuing until as late as 01:25 and 03:30. Please see appendix 3.

I installed the noise kit in room 12 of the Hotel Commodore, on 27th October 2023 and collected 7th November 2023. The noise kit constantly records the noise levels in decibels and also has an audio record function which allows the occupant of the room controls. During the time the noise kit was installed there was no guests staying in the room and the noise kit was operated solely by the complainant

There were several noise recordings showing people noise from the outside area of the Log Cabin, between the hours of 00:00 and 03:00. The decibel readings were between 40 and 60 dbs.

The World Health Organisation recommends night time noise to be below 30 dBA and whilst BS4142 relates to industrial noise, they state that anything above 10 dBA increase from the background noise would generate complaints. As one example at 03:38 on the 4th November 2022 the recordings were showing recordings of 64.1 dBA, after the Log Cabin closes the readings are between 25 and 30 dBA.

Please see attached appendix 4 for noise recording graphs, I will explain these to the committee.

Having listened to these recordings and in my professional opinion they are causing a public nuisance to the Hotel Commodore. The noise would prevent any guests from sleeping in these rooms due to the noise caused by customers outside the Log Cabin.

I seek to add a condition to the license, restricting the use of the outside area and for the doors to be kept closed from 00.00 to control the noise issues for local residents, this I feel will address the public nuisance. We would recommend that extra staff are employed to police this area to prevent people gathering outside.

Dear Sir/Madam

ENVIRONMENTAL PROTECTION ACT 1990 ALLEGED NOISE NUISANCE ARISING AT: The Log Cabin, Spa Road, Llandrindod Wells, Powys

The Council has received a complaint about an alleged noise nuisance at the above premises caused by people noise.

At this stage, the complainant has been asked to provide further information regarding the complaint by keeping a log of events. However in the meantime, if you feel that there may be some justification for the complaint I would be grateful if you would ensure that you do not cause further disturbance. If, once the log is returned, it is considered that the complaint may constitute a statutory nuisance then the matter will be investigated through visits or the use of monitoring equipment.

Please be aware that if the problem is considered to be a statutory nuisance, an Abatement Notice will be served on you under section 80 of the Environmental Protection Act 1990. If you breach an Abatement Notice the maximum fine is unlimited.

If you wish to discuss the contents of this letter then please contact me.

Yours faithfully

Laura Lewis Environmental Health Officer – Environmental Protection

ENVIRONMENTAL PROTECTION ACT 1990 ALLEGED NOISE NUISANCE ARISING AT: The Log Cabin, Spa Road, Llandrindod Wells, Powys

I write further to your complaint regarding people noise from the above premises that you allege is giving rise to nuisance.

Following our discussion, an investigation will now be undertaken to decide whether a statutory nuisance exists. This investigation will involve the following:-

- A letter will be sent to the person you allege is responsible for the nuisance to explain that a complaint has been received and an investigation will be undertaken and that monitoring may take place. Please note that at this stage of the investigation your identity will not be disclosed.
- 2. You should now keep a record of the problem on the attached monitoring log. The purpose of the log is to enable us to determine whether the nuisance being complained about is likely to constitute a statutory nuisance. As such it is important that you provide as much information as you can regarding the occurrences of the nuisance and its impact on you. Please note that you can supplement this information by submitting noise recordings via The Noise App (www.thenoiseapp.com). The log should be kept for 3 weeks and then returned to the Council within 2 weeks of completion. If you don't return the log within 2 weeks of completion your complaint may be closed and no further action taken.
- 3. Once received the completed log will be examined and provided there is sufficient evidence to suggest that a statutory nuisance may exist, then a full investigation will take place. The investigation may involve monitoring equipment being left at your premises and visits by a Council officer to assess the problem. Please note that during this time it is likely that you will be required to continue to keep a log.

- 4. If the Council officer is satisfied that a nuisance exists then an Abatement Notice will be served. Failure to comply with the Notice may result in the matter being brought before a Magistrates' Court when you may be required to attend as a witness.
- It may be that the Council officer is not satisfied that a nuisance exists. However in that event you will be told and given information on alternative courses of action available to you.

If you wish to discuss the contents of this letter then please contact me.

Yours sincerely

authorises for the supply of alcohol

Personal Licence Number	00NN/PERS/001452	
Issuing Authority	Powys County Council	

Annex 1 – Mandatory Conditions

No supply of alcohol may be made under the premises licence-

- (a) at a time when there is no designated premises supervisor in respect of the premises licence, or
- (b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.

Door supervisors will be correctly registered with the SIA.

Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.

- 1. (1) The responsible person shall take all reasonable steps to ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.
 - (2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises in a manner which carries a significant risk of leading or contributing to crime and disorder, prejudice to public safety, public nuisance, or harm to children-
 - (a) games or other activities which require or encourage, or are designed to require or encourage, individuals to-
 - (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
 - (ii) drink as much alcohol as possible (whether within a time limit or otherwise);
 - (b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic (other than any promotion or discount available to an individual in respect of alcohol for consumption at a table meal, as defined in section 159 of the Act);
 - (c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less; Tudalen 43

- (d) provision of free or discounted alcohol in relation to the viewing on the premises of a sporting event, where that provision is dependent on-
 - the outcome of a race, competition or other event or process, or
 - (ii) the likelihood of anything occurring or not occurring;
- (e) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner.
- 2. The responsible person shall ensure that no alcohol is dispensed directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of a disability).
- The responsible person shall ensure that free tap water is provided on request to customers where it is reasonably available.
- 4. (1) The premises licence holder or club premises certificate holder shall ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol.
 - (2) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and a holographic mark.
 - The responsible person shall ensure that-
 - (a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures-
 - (i) beer or cider: $\frac{1}{2}$ pint;
 - (ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and
 - (iii) still wine in a glass: 125 ml; and
 - (b) customers are made aware of the availability of these measures.

Tudalen 44

5.

- 6. A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.
- 7. For the purposes of the condition set out in paragraph 1
 - (a) "duty" is to be construed in accordance with the Alcoholic Liquor Duties Act 1979(a);
 - (b) "permitted price" is the price found by applying the formula — P = D + (DxV)

where ---

- (i) P is the permitted price
- (ii) D is the rate of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
- (iii) V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
- (c) "relevant person" means, in relation to premises in respect of which there is in force a premises licence
 - (i) the holder of the premises licence,
 - (ii) the designated premises supervisor (if any) in respect of such a licence, or
 - (iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence;
- (d) "relevant person" means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and
- (e) "valued added tax" means value added tax charged in accordance with the Value Added
- 8 Where the permitted price given by Paragraph (b) of paragraph 2 would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.
- 9. (1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax.
 - (2) The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place I udalen 45

before the expiry of the period of 14 days beginning on the second day.

Annex 1A – Embedded Restrictions

Licensing Act 1964

Alcohol shall not be sold or supplied except during permitted hours.

This restriction does not prohibit:

- (a) consumption of the alcohol on the premises or the taking of sale or supply of alcohol to any person residing in the licensed premises;
- (b) the ordering of alcohol to be consumed off the premises, or the despatch by the vendor of the alcohol so ordered;
- (c) the sale of alcohol to a trader or club for the purposes of the trade or club;
- (d) the sale or supply of alcohol to any canteen or mess, being a canteen in which the sale or supply of alcohol is carried out under the authority of the Secretary of State or an authorised mess of members of Her Majesty's naval, military or air forces;
- (e) the taking of alcohol from the premises by a person residing there; or
- (f) the supply of alcohol for consumption on the premises to any private friends of a person residing there who are bona fide entertained by him at his own expense, or the consumption of alcohol by persons so supplied; or
- (g) the supply of alcohol for consumption on the premises to persons employed there for the purposes of the business carried on by the holder of the licence, or the consumption of liquor so supplied, if the liquor is supplied at the expense of their employer or of the person carrying on or in charge of the business on the premises.

Supper Hours

"Alcohol may be sold or supplied [for one hour following the hours set out above and] [on Christmas day, between 3:00 pm. and 7:00 pm.] to persons taking table meals in the premises in a part of the premises usually set apart for the service of such persons and for consumption by such a person in that part of the premises as an ancillary to his meal. For other purposes or in other parts of the premises the hours set out above shall continue to apply."

Annex 2 – Conditions consistent with the operating Schedule

- 1 No customers will be permitted to take open containers of alcoholic or soft drinks from the premises
- 2 A proof of age policy to the satisfaction of the police and the Local Authority will be in place.
- 3 An incident book will be kept and details of all instances of public disorder will be recorded.
- 4 Regular checks are to be made to identify and remove any broken glass.
- 5 Means of escape will be maintained unobstructed, immediately available and clearly identifiable.
- 6 Adequate and appropriate supply of first aid equipment and materials will be available on the premises.
 - 7 When disabled people are present, adequate arrangements will exist to enable their safe evacuation in the event of an emergency.
 - 8 In the absence of adequate daylight, the lighting in any area accessible to the public will be fully operational.
 - 9 Bottle disposal and other potentially noisy waste disposed activities will not take place outside the premises when it is likely to cause a nuisance to local residents.
 - 10 In the vicinity of the premises, litter directly related to sales will be collected and properly disposed of at the end of each trading day.
 - 11 Children will only be permitted to enter the premises if accompanied by an adult.
 - 12 The premise will join and effectively participate in the local pub watch scheme as per the shemes guidance.
 - 13 Prominent, clear and legible signage (in not less than 32 font bold) shall be displayed at all exits requesting the public to respect the needs of local residents and to leave the premises and the area quietly.
 - 14 Prominent, clear and legible signage (in not less than 32 font bold) shall be displayed in any beer garden, patio area, smoking

area or similar, requesting the public to respect the needs of local residents and to be quiet.

- 15 Provision of CCTV
 - A CCTV system installed at the premises, to be fitted in accordance with the Operational Requirement Guidance document issued by the Powys Division of the Dyfed Powys Police dated June 2014 (Copy attached to this licence).
 - The system shall be recording whenever the premises are open for licensable activities including full coverage of the external drinking area.
 - The system must incorporate a means of transferring images from the hard-drive to a format that can be played back on any Windows compatible computer.
 - The system must produce images, which are watermarked as part of the original recording process.
 - The System must be capable of recording and retaining 31 days of images before over-recording.
 - Recording equipment must record date and time information as part of the image file. The date / time must be accurate.
 - All users must be fully trained in the operation of the system and be made aware of their general legal responsibilities.
 - There must be a competent person present on the premises capable of replay and export of recordings quickly onto a removable storage medium at all times when the premises are open to the public.
 - Any fault to the system must be reported to the Local Authority and the Police the next working day.
 - The system must be registered with the Information Commissioner.

Good afternoon,

Having reviewed the details of the application I wish to advise that the Police are also aware of similar complaints to those that P.C.C Environmental Health Team have received. Unfortunately I unable to provide any direct Police evidence from an officer to support the details of any complaint. In my role I'm also unable to provide any evidence to assist this review application.

However my observations would be that I am more than happy to assist and be part of any negotiations/consultation with the Premises Licence holder to address the nature of the complaints being made. Also I feel that such consultation should consider the existing Condition on the Premises Licence which reads:

Security Industry Authority Door Supervision

A minimum of one SIA door supervisor will be on duty at the premises from 22:00 hours until closure of the premises on the following occasions:-

- Every Friday and Saturday
- Every Sunday preceding a Bank Holiday Monday
- New Year's Eve through to closure on New Year's Day
- Christmas Eve
- Boxing Day

This should be amended so that the number of S.I.A that should be present is increased to 2 x S.I.A from 21:00hrs. This extra S.I.A member of staff will therefore allow the effective 'Policing' of any relevant conditions added to the Licence that address the noise complaints from the 'Beer Garden/ smoking area.'

You don't often get email from through an isomorphic autity. Learn why this is important

Good morning All,

I am writing to you with my statement regarding the constant noise from the Log Cabin at night when it is open until early hours of the morning.

We have been running the hotel since 2012 (leased from Mr Ken Sanders) at first the log cabin had a licence until midnight but in 2015 Mr Sanders extended his licence until 2.30am and that's really when the problems started.

It was constant loud noise, fights shouting and often spilling over into our car park where I had to call the police on many occasions on the past. At this time, we were leasing the hotel from Mr Sanders so we were unable to make any formal complaints to him as he owned the hotel, we feared me may not renew our lease if we complained to often. We had no choice but to let our business suffer ever weekend as some rooms were just unusable at weekends. We have on many occasions been into the log cabin and asked to turn the music down and even asked if the speakers could be placed on the opposite walls, so they were not attached to the party walls as there are bedrooms behind that wall where people are sleeping. At one point we asked the police licensing officer to have a word with Mr Sanders ask if he could reduce the number of picnic benches that he had outside as that is where most of the noise was coming from, he refused point blank to change anything. Most of the noise was coming from the outside seating area and the propping open of the doors all night was also casing problem with loud music from the jukebox filtering into our guest rooms just added to complaints from our guests on a regular basis.

In 2018 we were in a position to buy the building from Mr Sanders and following the sale we placed a six foot fence on our boundary line between our properties which immediately helped us with fighting not spilling over in to our car park and the reduction in broken glasses and vomit on our side was immediately noticeable however with erecting of the high fence brought the added frustration of people coming around our side of the fence and urinating constantly as we have seen on our CCTV in this area.

Then came lockdown after reopening Mr Sanders increased the amount of picnic benches from 2 to 6 increasing the amount of people and the noise level increased. At this time, the drug situation in the town was uncontrollable and mixed with alcohol the noise and the fighting amplified to new hights. I have taken many videos of the sheer amount of people brawling outside the log cabin and spilling over in the road absolutely out of control which is all cantered around drugs and alcohol with the males becoming more and more aggressive which is adding to the noise issues we are already having.

A typical night would be noise levels manageable up until around midnight then at midnight all the other pubs in town close and the already fuelled customer descend on the log cabin from Middleton street and over the bridge from the LLandarcy everyone congregates in the outside seating area of the log cabin and the noise levels increase to unacceptable levels. The increased to an unacceptable level is since lock down which led me to have to do something about this unacceptable situation as I was having to refund unhappy

customers who complained about the noise and could not get to sleep and the level of negative reviews that the hotel was receiving led me to finally taking steps to make a formal complaint.

I am looking for a way forward to finding a resolution that we can both work together I fully understand that Mr Sanders has a business to run and needs the money like we both do but there must be a way forward that ensures that both businesses are running smoothly and that we are able to get back to the place where we worked better together, and communications are improved.

Snap Shot of reviews from Booking.com;

Great staff but shame about the location from a noise perspective

Breakfast nice. All the staff were brilliant. Room ok and nice hot shower.

Location was not as it seemed! The closing time problems at the pub right beneath our window meant we were awake due to shouting and fighting from 23.30 hours to 01.30. It was a nightmare and meant we had far from a good nights sleep which was a real shame.

The Commodore has great potential, but let down by the noise from next door

Staying in a "proper hotel" with residents lounge and bar was good. The town is lovely, and the Commodore has a good location, near the rail station.

There were a few problems - our room was directly over "The Log Cabin", a late night bar, the noise from which kept us awake until 2am

terrible! Avoid this place.

nightclub next door - with music going until 1am when we left the hotel for home.

Comfortable

Friendly staff especially at breakfast. Big room with comfortable beds, and a desk area. The in room coffee machine was a bonus. Didn't have time to use the pool. The lobby area looked very nice and cozy. Other guests partying and talking till 3am on the outside terrace kept waking us up. Had to eventually use white noise to get any sleep.

Sandra, gb

Staff were very friendly and helpful.

Loud music in road / pub next door till early hours, we were marshaling a charity event and had to be up at 5.30am

Disappointed, not what i expected

Room was clean

Room, very noisy from local bars and room not double glazed which would have helped reduce the noise which went on to the early hours of the morning.

Fitted the brief!

The staff were fantastic

A lot of noise outside but it was a bank holiday weekend so to be expected and out if the hotels control.

Yours Sincerely

You don't often get email from any second seco

Dear Ms Jones,

Thank you for your email.

I am still unsure from your email as to whether there is one complaint or a number of complaints. That being said having taken my clients instructions, he is aware of who the complainant is having sold the neighbouring premises at the Commodore to her a number of years ago and from where the complainant operates her business. Prior to this, the complainant had leased the premises from our client and is fully aware of the licensable activities that operated from the Log Cabin.

After the complainant had completed the purchase of the Commodore, relations between the parties broke down (due we believe to unrelated issues) and our client then received reports from staff that the complainant had attended at the Log Cabin on a number of occasions to complain about the noise. She was advised by staff to address her complaint to our client in writing but never did so. Following this, the complainant constructed a fence between the properties and neither our client or any of his employees can recall any complaint since.

The first our client heard about the current complaint was a number of months ago when he received a letter from Environmental Health stating that he was being monitored. Our client advises that around the same time his son, Paul received a telephone call from Environmental Health to speak with him about the monitoring and that Paul had advised that they would need to speak with our client (the License Holder) as he was just an employee.

Save for the complaints by the complainant, in particular the complaints shortly after she completed the purchase of the property, our client cannot recall receiving any complaints about noise and there are many other individuals who live in the vicinity of the premises. As far as our client is concerned, he is complying with the terms of his licence, in particular the measures to protect against public nuisance.

Whilst the licence states that only one registered SIA doorman is required to ensure patrons leave the pub quietly, our client employs supervisors on both doors to do so. Further to this, signage at the premises has recently been updated after our client received new posters (see attached) from the police. As far as our client is concerned, he is complying with his licence and promoting the licensing objectives and will resist any application for variation which would impact on his ability to operate his business.

Tudalen 67

We do of course reserve the right to add to these representations on behalf of our client as soon as we have received the Licensing Review Panel Report and, if deemed appropriate, our clients own expert evidence.

We trust this is acceptable.

Subject: RE: Premises Licence Review - The Log Cabin, Spa Road, Llandrindod Wells, Powys, LD1 5ER

Dear Mr Jones

I just wanted to explain the process of the Licensing Review (apologies if you are familiar with this already).

An application for a Review of a Premise Licence was submitted to the Licensing Authority which contained the following information -

We have received a noise complaint regarding antisocial noise in the early hours, from the outside consumption area of the Log Cabin, which is affecting the complainants address. Following our noise monitoring investigations, we have found this to be a public nuisance. We seek to apply for conditions to be added to the license to control these noise issues.

- Noise complaints from property attached to the Log Cabin
- Public nuisance relates to the outside drinking consumption / smoking area of the above premise
- Noise / nuisance is directly affecting the complainants and their business
- Liaison with the Licensee regarding this issue has so far proved unsuccessful at resolving the disturbance

I don't think this is limited; this gives quite a bit of detail of what the issues are – noise issues, generally in the early hours, largely from the outside consumption / smoking area of Log Cabin, who its affecting and what the impact is, as well as stating EP

have carried out investigation work. Based on this information, I deemed that the application met the 'Prevention of Public Nuisance' licensing objective and started the Consultation Period.

During the Consultation Period, the application is sent to the Responsible Authorities (Police, Environmental Health, Trading Standards etc) and they have 28 days to come back to me with any 'representations' or objections. Likewise, the public also have 28 days to come to the Licensing Authority with any reps. And of course, so does the Premise Licence holder. (*if they so wish*). The Premise Licence Holder does not have to submit anything to us as they will get the opportunity to present their 'case' at the Licensing Sub Committee Hearing. Some PLH's choose to send a brief statement to include in the Report that I (Licensing Authority) will be presenting.

All interested parties get a copy of this Report at least one week prior to the Hearing date (which must be held with 21 working days following the end of the Consultation period). The Responsible Authorities (which includes Laura Lewis in the Environmental Protection Team) have until midnight on 11th January to make their Representations to Licensing, the same as anybody else who wishes to submit any Representations to us.

I then collate these responses and include them within my Report, which gets circulated to the Premise Licence Holder, the Applicant and any other person who has made Representations. This Report and associated documents, also gets sent to the Licensing Sub Committee. All of those who have made Reps are invited to the Committee Hearing (held via Microsoft Teams or Zoom) and all will have their opportunity to present their case to the Panel as well as ask questions of the applicant.

I have not yet received the Report from the applicant, but like Yourselves (Premise Licence Holder), you have until midnight tonight to make any submission to the Licensing Department if you wish it to be included in my Report.

I can also confirm that we have had other Representations sent to us and these will be included in the Report that will be circulated once the consultation period has ended and in any case, at least one week prior to the Hearing Date. (I have been given provisional Hearing dates of 22nd or 23nd Jan or 6th Feb. I don't have a say on the date, it is dependent on Committee Member availability).

I hope this information helps.

Kind Regards

Natalie

Dear Ms Lewis,

Our Client: Kenneth Harold Sanders Premises Licence: 00NN/PREM/R/000114 Premises : The Log Cabin, Spa Road, Llandrindod Wells, Powys, LD1 5ER

We have recently been instructed by our client following receipt of your application to the Licensing Officer for a review of his Premises Licence on the grounds of public nuisance.

We note that our client has until 11th January to make representation in relation to your application, which with respect is very difficult in the absence of detailed particulars of the allegations that have been raised. In the circumstances, we would be grateful if you could please provide us with the following:-

- (a) Details of all noise complaints that you have received in respect of our clients premises including the date that such noise complaints were made, the identity of the individual/s making the complaints and the nature of the complaint;
- (b) Please provide us with the findings of your noise monitoring investigations which are referred to in your application;

Tudalen, 70

(c) Whilst no admissions are made in relation to the alleged public nuisance, your application suggests that you will seek to apply for conditions to be added to the licence and we would be grateful to know what conditions you are seeking to be added to the Licence?

We look forward to hearing from you.

Yours faithfully

Gareth Jones

STATEMENT OF PREMISES LICENCE HOLDER KENNETH HAROLD SANDERS

I, Kenneth Harold Sanders of **Experimentation of the second secon**

1 I am the Premises Licence Holder of the Log Cabin, Spa Road, Llandrindod Wells, Powys, LD1 5ER and make this statement in response to the application made by Environmental Protection for a review of the existing licence on the grounds of the licensing objective of Public Nuisance.

By way of background, I purchased the Hotel Commodore which included the premises known as the Log Cabin on the 2nd October 2006 and for a period of time operated both premises under the umbrella of one business. At the time, the Commodore which included its own lounge bar, function room and the Log Cabin had the benefit of a licence which allowed for various licensable activities including the sale and supply of alcohol until midnight (Monday to Thursday) and 1.00am (Friday to Sunday). Mrs Murdock in her statement is wrong to say that the licence for the Log Cabin was only until midnight as this only applied Monday through to Thursday.

During my period of ownership, whilst we did receive the odd complaint from customers at the Hotel, these were very much few and far between. Notwithstanding this and conscious of the location of the Log Cabin, I always ensured that any rooms overlooking the premises were used last. If the Hotel was at capacity then I would always ensure that those rooms were occupied by customers who were least likely to be affected by any noise, for example tradesmen who would often use the Log Cabin facilities themselves during their stay.

In 2012, I agreed to lease the Hotel (retaining the Log Cabin) to the interested party, Mrs Andrea Murdock and her husband, Mr Rohan Murdock and also granted them an option to purchase the Hotel. Mr & Mrs Murdock went into occupation of the Hotel in September 2012.

At the time we were negotiating the terms of the lease, Mrs Murdock had asked for permission to refurbish the Hotel with secondary glazing during the lease period which I had agreed to. However, it would appear that this has still yet to be done. In my view, this would go a long way to resolving any potential noise issues, particularly in the small number of rooms that overlook the Log Cabin. Mrs Murdock was also fully aware of the way in which operated and dealt with the rooms that directly overlooked the Log Cabin as referred to earlier in this statement.

Following the completion of the new lease, Mr & Mrs Murdock as part of the lease agreement were required to obtain their own premises license for the Hotel and I retained the existing Licence but made an application to the Licensing Authority to vary this to exclude all licensable areas which had passed under the lease to Mr & Mrs Murdock.

In 2015, I then made an application to amend the Premises Licence for The Log Cabin to extend the licensable hours on Friday, Saturday, and Sunday evenings until 2.00am. No representations were made by Mr & Mrs Murdock against this application at the time and during the period 2012 to 2017 whilst Mrs & Mrs Murdock were tenants of the Hotel, I do not recall receiving any complaints about noise nulsance.

Quite frankly had there been any issue and had the situation been as bad as Mrs Murdock portrays in her statement to the Licensing Authority, then I would not have expected them to exercise their option to purchase the Hotel in 2017 (not 2018 as indicated by Mrs Murdock). During this period, the Log Cabin was much busier than it is now and there was also a busy nightclub operating behind the building.

In March 2017, Mr & Mrs Murdock completed the purchase of the Hotel. Almost immediately Mrs Murdock erected a fence between the two properties and in constructing the fence completely blocked the vehicular access to the Log Cabin. Whilst she later agreed to put gates in and we agreed that the gates would be locked by midnight on Friday and Saturday nights, once the gates were completed, we asked Mrs Murdock for a key as we would need one to be able to gain access, but she refused to provide one. This is where relations between us started to breakdown.

10 On various occasion since we have requested a key for the gates to be opened as we needed access, but this has never been forthcoming. The last instance of this was on Carnival Day in 2022 when Lee Percy went to the Hotel to ask for the gates to be opened so that he could park his Burger Van on our property. He was told by Mrs Murdock's business partner, Tony that Mrs Murdock was not there, and he did not know where the key was.

11 Since 2017 Mrs Murdock has not made any contact with myself about any alleged noise issues whether that be verbally, electronically, via phone or post. I am aware that Mrs Murdock has entered the Log Cabin on a couple of occasions since and has been verbally abusive towards members of staff about to be told that she would need to discuss matters with me directly and has chosen not to do so.

- Despite the suggestion by Mrs Murdock that numbers at the Log Cabin have increased since COVID. The opposite could not be more true, we have seen a drastic decline in the number of customers at the Log Cabin and we are not alone in this. The majority of licensed premises in the town have seen a similar decline whilst others have closed down completely. Mrs Murdock also alleges that following COVID I increased the numbers of picnic benches in the outside drinking area from 2 to 6 which is completely untrue. There have always been 6 benches but they were reduced temporarily during COVID as I needed to use them at another licensed premises but they have now since returned.
- 13 I also note having considered Mrs Murdock's statement that she has produced seven customer reviews spanning a period of 18 months which evidence complaints about noise emanating from the Log Cabin, albeit one of those complaints appears to suggest that the noise was coming from the outside terrace at the Hotel itself from its guests as opposed to guests at The Log Cabin which does not have an outside terrace.
- 14 I attach a selection of other reviews from booking.com which offer a more balanced view and support the fact that noise issues are also originating from the Hotel itself whether that be from private parties at the hotel in the rooms directly above the lounge bar area and the pump to the swimming pool. The statement of the Designated Premises Supervisor at the Log Cabin namely Mrs Amy Gayther also alludes to the fact that noise is being caused by members of the public in the street outside of the licensed area.

The room was in a perfect position, very quite. excellent food, and fairly priced. Bar area comfortable but noisy.

On arrival, our room was not made up, so we ended up with another room, which turned out good, as there was a wake on the Saturday night and it was very noisy. The hotel itself was very old, and it showed in the decor inside and outside.

Good afternoon Gareth

I have attempted to adjust the scanned documents (noise logs) but I agree that some part are very difficult to read.

I have copied Laura into this email and ask that she sends you a copy of the logs by post (unless you can get the originals scanned in to a darker / better quality ?)

If you email a better copy, please send to Gareth Jones on this email.

Alternatively, could they be posted to:

Premises Licence Review – Log Cabin, Spa Road, Liandrindod Wells, Powys LD1 5ER

We write further in the above matter having received updated instructions from our client and specifically with a view to exploring whether there is any potential for a mediated settlement to be reached with the Applicant, Environmental Protection and the Interested Party, Mrs Murdock to resolve the issues identified by the application for review.

For the avoidance of any doubt, this letter should not be taken as any admission on our clients part that the current activities at the Log Cabin constitute a public nuisance and he will continue to resist any application for review if the proposals for settlement set out below are not accepted or the parties are unable to reach agreed terms of settlement.

Whilst our client has issues with the evidence that has been presented for review, this letter is not the place for him to air his views and instead his focus is on exploring means of resolution. With that in mind, it was pleasing to note the sentiments of Mrs Murdock in her statement where she indicates that she looks forward to finding a resolution so that she and our client can work together.

She recognises that both parties have businesses to run and looks forward to finding a way in which both businesses can run smoothly, working together and with better communication. Our client is firmly of the view that the time

between now and the Review Hearing would be best spent in seeking to explore terms of resolution with Environmental Protection and Mrs Murdock.

It is our view that both Mrs Murdock and our client have a key role to play in seeking to mitigate any alleged noise nuisance and we are therefore instructed to advance the following proposal:-

1. Condition 16 of the Premises Licence be amended to read as follows: -

"Security Industry Authority Door Supervision

A minimum of two SIA door supervisors will be on duty at the premises from 21.00 hours until closure of the premises on the following occasions. One of the supervisors shall be placed at the door of the outside smoking/seating area to control any potential noise issues:-

- Every Friday and Saturday;
- Every Sunday proceeding; e.g. bank holiday Monday
- New Years Eve through to closure on New Years Day;
- Christmas Eve;
- Boxing Day";
- 2. A new condition that the door to the outside smoking/seating area will be kept closed from 00:00 am to control any noise issues for local residents.
- 3. A new condition that no speakers shall be placed on any party wall with the Hotel Commodore and that any existing speakers shall be moved to comply with this condition;

Our client suggests that following the implementation of these measures he is happy to be subject to a six month period of monitoring by Environment Protection to establish whether these measures have any effect on the existing noise levels;

Furthermore, whilst not strictly a condition that can be placed on the Premises Licence for the Log Cabin, our client also considers that Mrs Murdock should be exploring the option of installing secondary glazing in those rooms which she considers to be most affected by any noise emanating from The Log Cabin. This would certainly be in the spirt of working together to seek to try and resolve any potential issues.

Please would you kindly forward these proposals to both the Environmental Protection Officer and Mrs Murdock as soon as possible and if they wish to contact me directly following receipt to discuss, then please invite them to do so on gareth@dilwyns-solicitors.co.uk or the above number.

We look forward to hearing from you.

Dear pariel,

1

I have only recently become the DPS for the Log Cabin, in December 2023. Since I have become DPS there have been no complaints from the hotel about noise coming from the Log Cabin, and I very much intend to keep it that way.

As soon as I became the DPS I updated all the signs in the Log Cabin, reminding customers to respect our neighbours and leave quietly, and I am aware of how important it is customers follow these rules.

I diligently follow and enforce all the conditions of our license at all times and will continue to do so. I am more than happy to ensure that the door to the smoking area is kept closed at all times after midnight to minimise any internal noise travelling outside, I would've happily done this at any time had anybody asked us to.

I would also like to take this opportunity to point out that having also worked in the bar before I recently became the DPS, that much of the outside noise on Friday and Saturday evenings does not originate from our premises at all.

We are in a town centre location with many other drinking establishments open in the town, from which intoxicated people leave between the hours of midnight and 2:30am. Other verues in town have their closing hours staggered between midnight, 1.30am & 2:30am, creating noise in the streets heading home or to the kebab shops on the corner close to our premises.

There is also a notable problem of underage drinking/drug taking in town a lot of which occurs in the rock park area behind our premises (and that of the hotel next door) which again is absolutely nothing to do with our business.

Andrea herself (as noted by one of her customers in the review she submitted as evidence) also often has intoxicated customers of her hotel outside on their terraced smoking area after midnight, and often into hours past when our business has long been closed. At 2.30am the doors of the Log Cabin are locked and all customers are also dispersed from the outside areas, any noise disturbances after 2.30am most certainly not come from the log cabin.

Many of the customers that create noise and disturbance outside and around our premises are customers of Andrea's who are staying in the Hotel Commodore. To suggest that all sounds made outside in the town centre after midnight are from our premises alone is unfair. There have been many occasions where our staff have been out to deal with problems in the street from people who have left other premises/areas in town, we do this to ensure they go home safely and do not come into our premises creating a disturbance. No other bars in town employ any sort of security unless they have an event on which does lead to various problems in the streets in the town centre.

Your sincerely,

Amy Gayther
