

CYNGOR SIR POWYS COUNTY COUNCIL

**County Council
19th October 2016**

REPORT AUTHOR: County Councillor Arwel Jones, Portfolio Holder for Education

SUBJECT: Question from County Councillor Gwynfor Thomas

Can the portfolio holder please confirm when specific training was last given to local members as regards their roles as LEA governors?

There was a training and development workshop in March 2012. However members are required to attend all mandatory governor training as are other governors. It would also be expected that they would attend the comprehensive programme of governor training including the annual conference.
