Section 2: Constituency activity

As a member of the council it is vital that I represent the needs and aspirations of all those living in the ward.

I am here to serve and help everyone regardless of gender, age, sexuality or religious belief. Over the course of the last year there have been numerous occasions when my support by the community has been sought to assist them in many and various issues, ranging from support in planning applications, highways issues, housing and school problems to name a few.

What has been really beneficial in terms of helping the community has been my attendance of the community council meetings which meet monthly where real issues pertinent to each of the three areas in my ward have been discussed and I have been able to assist the community council to have these issues resolved.

It is always a pleasure to be involved in local life and although having 3 very distinct communities within my ward it is always a pleasure to attend and support local events which gives you further opportunity to listen to the community to discover further the issues that affect those most.

We are very fortunate in my ward to have access to very good schools which offer both Welsh medium and Bilingual education. As a governor in both Ysgol Pennant and Llanfyllin High School I am very conscious of the challenging times that our education system faces in such austere times and I am committed to supporting the boards and teaching staff in providing the best and most varied education possible.

Section 3: Learning & Development

Every month there are member development days giving elected members the opportunity to learn more about many different subjects which are pertinent to the role of county councillor. Some of these training days are specific to council activity but some have a more national implication.
