Section 2: Constituency Activity

Highways issues:

STREET LIGHTS – I dealt with changes to LEDs and altering the hours lights are on or off, whether requests were from groups or individuals.

FLOODING AT PONTFAEN - Since damage was done last year, I attended meetings with Council Officers and Ward Members involved to find a solution. I understand there is now a Scheme and funding is sought.

CWMGILLA LANE. I visited this site, with Officers from the Council, to view the damaged road and to facilitate its repair. I liaised with agencies to ensure the road remained safe and that the Cwm Brook did not undermine it.

DRAINS. I organised with Highways Officer for the drains in the town to be cleared, where required.

ROAD REPAIRS. I reported road repairs where needed in the Town. However, there was a queue for undertaking this work and funds are awaited.

CHURCH STREET and WYLCWM STREET. A site visit took place to see if something could be done to prevent damage by vans and trucks accessing Wylcwm Street. No

solution was found, but suggestions were provided.

GWERNAFFLE TRAFFIC LIGHTS. Traffic lights were installed following a complaint about landslip at Gwernaffle. The Council decided that this was a cost effective way of dealing with the matter at present.

WASTE BINS. I arranged for another bin on the Frydd by-pass so that walkers have one each side of the road to use for all waste.

SALT AND GRIT BINS. I arranged for extra ones to be put where needed.

ROAD MARKINGS. I attended meetings with Ward Members and Council Officers to look at the parking restrictions, road markings and disabled parking places and to drop pavement access for the disabled. I negotiated to extend permitted parking times.

Other issues

TOWN TWINNING. I attended site meetings with County Council Officers, the Town Council and Twinning Committee to organise new Town signs. This is well in hand.

NEW CEMETERY KNIGHTON. I worked to get repairs to the gates.

SUPERFAST BROADBAND. I obtained information from our Assembly Member and passed this on to those interested.

PLANNING. I helped to obtain planning for the new skateboard park. I dealt with other applications as they came in, as appropriate.

PRIVATE MATTERS. I dealt with matters affecting private properties.

Section 3: Learning & Development - after the Elections in May 2012 Induction Sessions were provided during May and June to ensure that Councillors could undertake their roles. Ongoing monthly development is provided.

Induction Sessions – Induction 1,2 & 3; Code of Conduct; Regulatory Committee – Planning, Windfarms, Rights of Way, Taxi Licensing; Licensing Act 2003 and Gambling Act; Safeguarding and Corporate Parenting; Planning Protocol; Welsh Local Government Association Scrutiny Induction.
