13. NOTICE OF MOTION - USE OF PLASTICS

Council debated the following notice of motion proposed by County Councillor Emily Durrant and seconded by County Councillor Bryn Davies:

“The horrors of our addiction to plastic are now common-knowledge. Plastic has an important place in our technological development and is in many ways an ingenious and revolutionary product. Nonetheless, it is time for another plastic revolution. It is time to ditch single-use plastic. On being elected to the Council in May, I was horrified by the number of single use plastic cups and single use composite cups that are used by Members, staff and visitors on a daily basis. The response to the recent ‘Plastic-free Powys’ campaign indicates that residents would likely be just as disappointed.

Will Members demonstrate leadership by asking that Council;

- A) Promote Powys as a major plastic reducer
- B) Develop a strategy to:
 1. Encourage staff and residents to:
 - a. Carry refillable water bottles and, longer term, consider a water fountain in town centres where they can be refilled.
 - b. Carry reusable coffee cups and to refuse single use coffee cups when offered (for example, by placing a 5p charge on single use coffee cups in council run buildings is one idea)
 - c. Avoid products with micro beads and to only flush paper down their loos. Not flushing wet wipes and cotton buds

and disposable contact lenses down the loo would reduce plastic in the ocean and help the sewage system.

2. Encourage food and drinks outlets across the county to:
 - a. Offer a biodegradable alternative and advertise a willingness to fill people's own cups
 - b. Use paper and not plastic straws.”

“With stark warnings of community policing and ‘bobbies on the beat’ being cut to the bone, new figures show that Dyfed-Powys bucked the trend and has seen the biggest rise in the number of total officers and PCSOs in the last five years.

There are 29 more officers in the force area now than there were five years ago – a 2.6 per cent rise.

The biggest rise in total officers since 2012, Dyfed-Powys is one of only three forces in the UK where overall officer numbers have increased after UK police chiefs warnings that community officers were under “serious threat from financial cuts.

The number of neighbourhood officers and police community support officers in Dyfed-Powys has also risen since 2012, with 31 more local officers patrolling the streets in 2017 than five years ago.

The number of PCSOs in Dyfed-Powys has risen by 45 per cent to 143 in that time – one of only four forces where numbers rose.

It is resolved that :

The Council welcomes and congratulates Dyfed Powys police and the Police & Crime Commissioner, Dafydd Llywelyn, on the news that it is one of only three forces in the UK who have increased the number of officers despite severe financial pressures.

The number of PCSOs in Dyfed-Powys has risen by 45 per cent to 143 in that time – one of only four forces where numbers rose.”

County Councillor Susan McNicholas, seconded by County Councillor Huw Williams proposed an amendment:

17. QUESTIONS IN ACCORDANCE WITH THE CONSTITUTION

Question to the Portfolio Holder for Regeneration and Planning from County Councillor Kathryn Silk

Can the Cabinet Member explain what contact Cabinet Members or officials of the Council have had with the Welsh Government about the Minister responsible for digital infrastructure’s announcement on 30th January that Powys is to be targeted for connection to superfast broadband for homes and businesses not connected under the previous Openreach scheme; how many properties are expected to benefit in Powys under the proposed new contract; what areas of Powys are being prioritised; how those priorities are being established; when delivery is expected to begin and to be completed; and whether every settlement in Powys can now expect connection to superfast broadband?

Response

The Council’s Regeneration Team continues to work with Welsh Government’s ICT Infrastructure team over the roll out of Superfast Broadband in Phase 2 of its programme. We understand the budget for this programme across Wales which will cover the period 2018-23 is circa £80M with Mid Wales identified as a priority area for investment.

The Superfast Broadband initiative is a Welsh Government programme and Powys County Council’s is a consultee in this process.

In July 2017 as part of the Phase 2 consultation Powys County Council highlighted what it felt were priority areas for the next phase of roll out.

The second phase contracts (2018-23) are currently out to tender and it is anticipated that a Welsh Government decision on these will be known around April 2018.

We are given to understand that delivery locations will be agreed through the tender process itself.

Suppliers are required to indicate what and where they are able to deliver in the bids they submit.

Once this process is completed we will then understand how many properties may be connected in Phase 2.

At this time the detailed time table for delivery is not available as it has yet to be agreed with the successful suppliers.

As much of the core fibre network has already been installed it is anticipated that the second phase of delivery will include a higher number of alternative broadband solutions such as community based Wi-Fi systems and other technologies.

A successful Wi-Fi based pilot project was recently completed in the community of Crai, in the Brecon Beacons with support from the Regeneration Team providing stable 30Mb connections for 75 premises
<https://www.growinpowys.com/crai-project-uk> .

Councillor Silk's supplementary question was to ask which parts of Powys were being prioritised and how members would be advised. In the absence of the Portfolio Holder for Regeneration and Planning, the Leader would see that a response was provided.

County Councillor D E Davies (Chair)
