Dear Ms Lewis,

09/04/2018.

Application No. 00002 received under the
Commons Act 2006, Unit No MCL76 "Y."

I spoke to Sian Davies on the telephone on Friday 9th April
and told you are writing to request from me evidence that my father
(the late Mr Ethel Jones) were the owner of the land subject to my
current Application at the time of the provisional registration of such
land as Common Land. You already have a copy of the conveyance
when my grandfather acquired the Property in 1922. I am now
enclosing:-

- (i) copy Grant of Probate to the estate of my grandfather
Mr Richard Jones.
- (ii) copy Assent dated 12.12.1957 asserting the Property
by my grandfather's Executor to my grandfather Mr
Richard Jones.
- (iii) copy Grant of Letters of Administration to the estate of
my grandmother Mrs Richard Jones.
- (iv) copy Assent dated 16.03.1954 whereby my father,
as the sole Administrator of his mother's estate was

the property into his sole name.

This establishes my father's as the sole owner of the property at the time of registration.

I am also enclosing (in case you need it) a copy of a Conveyance dated 09.08.1985 when my father transferred the property into the joint names of himself & my mother: they transferred the property to me in 1997: I do not at present have a copy of the entries on the Land Registry evidencing my ownership: if you require a copy please let me know but my understanding is that what you require is evidence of my father's ownership at the time of his registration & this of course is now what you now have.

So far as the matter of "waste of the manor to concerned" as explained the property in question is part of the freehold land which my grandfather acquired in 1922 & passed to my father by virtue of the 1954 Act. He acquired the freehold. It was always regarded as part of the Farm & in the past had been fenced, although such fences/hedges had fallen into disrepair. I have previously sent you of your require me to get a Statement from an independent source of but please let me know.

Yours sincerely,
