Dear Sir/Madam

I am writing to protest about the variation of premises license for The Three Tuns public house, Broad Street, Hay. (S.34)

Their proposal is to have a license to play music until 12am 7 days a week and to sell alcohol until 1am 7 days a week. This will result in an increase in noise past the 11pm cut off time normally allowed for disturbances (noise / music etc.

My bedroom and my daughter's bedroom are at the front of the house and I feel that the extended licensing hours will be detrimental to our sleep, disturbing us in the early hours.

The Rose and Crown public house is just up the road and the noise from people shouting outside the premises is noisy enough at 11pm, let alone extending that time for another public house so close.

Thank you for reading this letter

Yours faithfully,
