- 19.18 Nothing prevents the Planning Committee from delegating a function to an officer in consultation with the Chair of the Committee.

ROLES OF COUNCILLORS

SECTION 19 – PLANNING PROTOCOL

INTRODUCTION

- 19.19 The Council has one Planning Committee comprising 21 Councillors which determines those Planning Applications referred to it for decision in accordance with the Decision Making Process.
- 19.20 A Planning Application will, however, in accordance with the “Decision Making Process”, more often than not be determined by the Professional Lead - Development Management rather than the Planning Committee. In this situation those Councillors who sit on the Planning Committee will have no role to play in the decision making process.
- 19.21 In respect of a Planning Application in their electoral division or which affects their electoral division a Councillor may exercise the power of Call-in (so that the application is dealt with by the Planning Committee and not the Professional Lead - Development Management).
- 19.22 A Councillor may also in respect of a Planning Application in their electoral division or which affects their electoral division attend a meeting of the Planning Committee when that application is determined to put forward the views of those constituents they represent (See **Rule 19.24** below).
- 19.23 The roles and powers of Councillors may be restricted where there are conflicts between their position as Councillors and their private or outside interests.
- 19.24 These roles and powers of Councillors are defined in more detail below.

ROLE OF DECISION MAKER

DECISION MAKER ROLE

- 19.25 A Councillor who is a member of the Planning Committee and who takes part (or who intends to take part) at a meeting of the Planning Committee in the determination of a particular Planning Application will for the purposes of this Protocol be a Decision Maker in relation to such Planning Application.
- 19.26 A Councillor who is a Decision Maker shall comply with the provisions of the Decision Making Process and with the Members’ Code of Conduct generally.
- 19.27 For the avoidance of doubt a Councillor who is a Decision Maker shall not make representations on behalf of a Town or Community Council under the Public Speaking Procedures.

OBLIGATIONS OF DECISION MAKER

- 19.28 A Decision Maker in relation to any Planning Application to be determined by the Planning Committee:
- 19.28.1 **shall not** discuss such a Planning Application with, or seek information about that Planning Application from, an Applicant / Objector or any third party (including another Councillor – whether a member of the Planning Committee or not) other than the Professional Lead - Development Management or the Monitoring Officer prior to the Planning Committee considering

SECTION 19 – PLANNING PROTOCOL

- and determining that Planning Application. In the event that any such individual attempts to hold such discussions with or impart information to the Decision Maker that individual shall be advised by the Decision Maker of the fact that under the requirements of this Protocol they are not allowed to discuss or receive information concerning such Planning Application and that the proper course of action is for the individual to discuss or relay information about the Planning Application to the Professional Lead - Development Management; the Decision Maker shall also notify the Professional Lead - Development Management of such approach to them forthwith. Members must take account of the provisions of Rule 19.28.9 (Councillor keeping an open mind) and Rule 19.28.15 (attendance at meetings of Town and Community Councils) in this circumstance;
- 19.28.2 shall not allow themselves to be lobbied or influenced by any other person (including another Councillor – whether a member of the Planning Committee or not) or body such as a political or other interest group concerning such a Planning Application and its determination prior to the Planning Committee considering and determining that Planning Application. If a Councillor acting as a Decision Maker is approached by Applicants, Objectors and others interested in the outcome of a Planning Application they should not allow themselves to be lobbied – whether for or against an application and should inform the person seeking to lobby them, that if they discuss the application with that person this will disqualify them from taking part in the decision making process on the application. Potential lobbyists should be advised to contact an appropriate officer within Development Management. The Decision Maker shall also notify the Professional Lead - Development Management of such approach to them forthwith. Members must take account of the provisions of Rule 19.28.9 in this circumstance;
- 19.28.3 shall not lobby or influence or attempt to lobby or influence another Decision Maker or the Professional Lead - Development Management concerning such a Planning Application and its determination prior to the Planning Committee considering and determining that Planning Application;
- 19.28.4 shall not become involved in organised local support or opposition to such application;
- 19.28.5 shall not accept any gifts or hospitality from anyone connected with such Planning Application and take immediate steps to register any offers of gifts or hospitality refused in the Register kept for that purpose by the Solicitor to the Council;
- 19.28.6 shall not accept or indicate that they will accept any letter, pamphlet or other written material (including email and FAX)

SECTION 19 – PLANNING PROTOCOL

- concerning such a Planning Application before it is determined by the Planning Committee. **Where a Decision Maker gratuitously receives such material they shall forthwith forward it to the Professional Lead - Development Management who will arrange for the material to be referred to, in the Officer's Committee Report. Members must take account of the provisions of Rule 19.28.9 in this circumstance;**
- 19.28.7 **shall not** attend any Meeting, Briefing or Discussion concerning such Planning Application which is not arranged by or attended by the Professional Lead - Development Management or otherwise authorised in writing by the Monitoring Officer;
- 19.28.8 **shall not** indicate or express publicly or privately the likely decision on or the merits of/objections to, such Planning Application prior to the Planning Committee considering and determining that Planning Application. **In the event of a Decision Maker doing so they must take advice from the Monitoring Officer regarding their continuing in the role of Decision Maker;**
- 19.28.9 **shall not** give a commitment in relation to that Planning Application prior to its consideration at the Planning Committee. **It is of vital importance that Councillors come to meetings with an open mind and can demonstrate that they are open-minded;**
- 19.28.10 **shall not** bring detailed presentations with them to be read out at the meeting. **This could be perceived as indicating that the Councillor had already decided in favour of, or against an application prior to attending the meeting.** (It is recommended that Councillors make notes of points raised at the meeting as they occur for use in any presentations);
- 19.28.11 **shall not** vote or take any part in the Planning Committee meeting if they have not been present to hear the entire debate, including the officer's presentation concerning the application;
- 19.28.12 **shall not** resume their seat in the Planning Committee room or chamber (having left the room or chamber before the debate on the application began or during the debate on the application) until consideration of the application being determined at that time is concluded. **Until so concluded the Councillor must sit in the public gallery;**
- 19.28.13 **shall not** propose, second or support a decision contrary to the Development Plan or the recommendations of the Professional Lead - Development Management without clearly identifying and articulating the planning reasons supporting that proposed decision. **Those reasons must be given prior to the vote and be recorded in the Minutes;**
- 19.28.14 **shall not** move a motion that the Planning Application be deferred without clearly identifying and articulating the reasons

SECTION 19 – PLANNING PROTOCOL

- justifying such deferral. **Those reasons must be recorded in the Minutes if the planning application is deferred;**
- 19.28.15 **shall not** remain in the room, vote on or take part in discussions where planning applications are considered at a meeting of a Town or Community Council whether they are a member of the Town or Community Council or not. **In the event of a Decision Maker having not adhered to this Rule, they must take advice from the Monitoring Officer regarding their continuing in the role of Decision Maker.**
- 19.29 If, during a Planning Committee meeting a Decision Maker concludes that (for whatever reason) they are prejudiced and unable to continue to undertake the role of Decision Maker in relation to a particular Planning Application, **they cannot change their role to that of Local Representative and address the meeting in relation to that application (subject to Rules 19.97 to 19.99).** A Councillor in this situation may, however, ask the Committee to defer the application for consideration at a future meeting and must then leave the room during any subsequent discussion of the application in question by the Planning Committee.
- 19.30 **A Councillor who is a member of the Planning Committee and who wishes to undertake the Local Representative role in relation to a Planning Application which is to be determined by the Planning Committee shall comply with the provisions in this Protocol relating to the Local Representative in Rules 19.39 to 19.45.**
- 19.31 A Councillor who is a member of the Planning Committee shall comply with the provisions of the **Decision Making Process** and the provisions of this Protocol relating to **Councillor with a Personal Interest, Councillor with a Prejudicial Interest and Councillor with a Dispensation** and with the **Members' Code of Conduct** generally and is reminded in particular that if they have in respect of a Planning Application to be determined by the Planning Committee:-
- 19.31.1 a Personal Interest - the requirements as to disclosure;
- 19.31.2 a Prejudicial Interest – the need to obtain a dispensation from the Standards Committee – or otherwise be unable to undertake the role of Decision Maker.

DECISION MAKER WHO HAS EXERCISED POWER OF CALL-IN

- 19.32 If a specific planning application falls to be determined by the Planning Committee as a result of a Call-in request from a member of the Committee then that Councillor needs to consider carefully the role which they are able to play when the Planning Committee comes to consider and determine the application in question. **In particular where the member of the Planning Committee who has made the Call-in request:**
- 19.32.1 **has couched the Call-in request in language which might indicate that they have already formed a clear and settled view as to the appropriate outcome of the application ;or**
- 19.32.2 **has made the Call-in request following discussions with the application /Agent /Objector and / or any third party**

COUNCILLORS WITH PERSONAL AND PREJUDICIAL INTERESTS

COUNCILLOR WITH A PERSONAL INTEREST

- 19.62 A Councillor with a Personal Interest in relation to a Planning Application who attends a meeting of the Planning Committee (whether as a member of the Committee or not) when that Planning Application is considered must, in accordance with the Members' Code of Conduct, disclose orally to that meeting the existence and nature of the Personal Interest in question before or at the commencement of the consideration of the Planning Application or when the Personal Interest becomes apparent to the Councillor. The role of a Councillor with a Personal Interest who also has a prejudicial interest under the Members' Code of Conduct is further limited as detailed in Rules **19.66 to 19.68** below.

DEFINITION OF COUNCILLOR WITH A PERSONAL INTEREST

- 19.63 Under the Members' Code of Conduct a Councillor (whether a member of the Planning Committee or not) must consider whether they have a Personal Interest (as defined in the Members' Code of Conduct) in respect of a Planning Application and whether the Members' Code of Conduct requires them to disclose that interest in the event of the Councillor attending a meeting of the Planning Committee which considers that Planning Application. A Councillor who is required to declare a personal interest in respect of a Planning Application at a meeting of the Planning Committee will for the purposes of this Protocol be a Councillor with a Personal Interest in relation to that Planning Application.

EXAMPLES OF PERSONAL INTERESTS

- 19.64 Paragraph 10 of the Members' Code of Conduct details what will constitute a "Personal Interest" for the purposes of the Code and, by extension through Rule **19.63** above. Illustrative of the types of interest referred to in Paragraph 10 are the categories listed below. They must not be taken as authoritative. The Councillor who takes over the Local Representative role may not be a Decision Maker or have a significant Prejudicial Interest which would prejudice their ability to act as the Local Representative.

DEFINITION OF COUNCILLOR WITH A PREJUDICIAL INTEREST

- 19.70 Where a Councillor (whether a member of the Planning Committee or not) is a Councillor with a Personal Interest in relation to a Planning Application that Councillor will, for the purposes of this Protocol, also be a Councillor with a Prejudicial Interest in respect of that Planning Application if the interest of that Councillor is one which a member of the public with knowledge of the relevant facts would reasonably regard as so significant that it is likely to prejudice that Councillor's judgement of the public interest.

SECTION 19 – PLANNING PROTOCOL

COUNCILLOR WITH A DISPENSATION

COUNCILLOR WITH A DISPENSATION

- 19.71 A Councillor with a Dispensation attending a meeting of the Planning Committee (whether a member of the Committee or not) to which the dispensation is relevant may only participate in the meeting subject to:-

MEMBERS' CODE OF CONDUCT

- 19.76 The Members' Code of Conduct in force ~~at the time for the time being~~ (as supplemented by this Protocol), **must be followed at all times.**

PREDISPOSITION AND PREDETERMINATION

- 19.77 A Councillor who is a Decision Maker may be predisposed to a particular view. However the Councillor must be open to the possibility that they will hear arguments during the debate about the Planning Application that, will change their mind about how they intend to vote. As long as the Councillor is willing to keep an open mind about the Planning Application they are entitled to take part on any vote on it.
- 19.78 A Decision Maker must exercise care not to predetermine a Planning application. Predetermination is where the Councillor's mind is closed to the merits of any arguments which differ from their own about a Planning Application. A Decision Maker should avoid giving the appearance that they have decided how they will vote at the meeting and that nothing will change their mind.

A COUNCILLOR'S DIRECT CONNECTIONS WITH APPLICANTS AND OTHERS

- 19.79 If a Councillor advises Applicants, Agents, Objectors or other interested parties about the likely acceptability of planning proposals then in relation to planning applications relating to those proposals that Councillor cannot undertake the role of Decision Maker and may need to consider whether they fall within the category of a Councillor with a Prejudicial Interest.
- 19.80 A Councillor who wishes to ensure that they remain eligible to carry out the role of Decision Maker should advise prospective Applicants to contact a Planning Officer for advice on both merits and procedures.
- 19.81 **A Councillor should never seek to influence / lobby fellow Councillors or officers in these circumstances.**

DEVELOPMENT PROPOSALS INVOLVING COUNCILLORS

- 19.82 A Planning Application by a Councillor (or their own business) or their family and relatives, close friends and business associates can easily give rise to suspicions of impropriety. It is vital that it is handled in a way that gives no grounds for accusations of favouritism.
- 19.83 A serving Councillor who prepares plans or generally acts as an Agent for people submitting a Planning Application should never be a Decision

SECTION 19 – PLANNING PROTOCOL

Maker or Local Representative in relation to that Planning Application and should not seek to lobby / influence fellow Councillors or officers.

- 19.84 Where a Councillor is the Applicant for a planning permission they:
- 19.84.1 must appoint an Agent or Representative to act on their behalf;
 - 19.84.2 must notify, in writing, the Professional Lead - Development Management that such application has been submitted;
 - 19.84.3 should take no part in the processing of that application or endeavour to influence the final decision on the application;
 - 19.84.4 must not seek to influence / lobby fellow Councillors or officers;
 - 19.84.5 must not attend any meeting of the Planning Committee whilst it is considering their application;
 - 19.84.6 must regard themselves as being both a Councillor with a Personal Interest and a Councillor with a Prejudicial Interest.
 - 19.84.7 must not act as a Local Representative and must advise Democratic Services who will liaise with neighbouring Members and agree a replacement Local Representative and advise Development Management – as in Rule 19.68.
- 19.85 Any Planning Application submitted by a Councillor will be determined by the Planning Committee and shall never be dealt with by officers under 'delegated powers'. The Council's Planning Solicitor should confirm in the Planning Officer's report to the Planning Committee that the application has been processed normally and therefore must be given the opportunity to review the file.
- 19.86 Where a Planning Application is made by a member of a Councillor's family, a friend or business associate of the Councillor or an organisation in which the Councillor holds a position of responsibility the Councillor shall advise the Professional Lead - Development Management of the submission of that application, and the relationship between the Councillor and that individual. The Professional Lead - Development Management shall determine whether the nature of the relationship would warrant the application being referred to the Planning Committee for determination or whether it could be determined by him. In any event the Councillor should not seek to influence / lobby fellow Councillors or officers in respect of the application.
- 19.87 A Councillor must have regard to the Members' Code of Conduct when dealing with a Planning Application involving another Councillor.

COUNCILLORS SHOULD SEEK ADVICE

- 19.88 A Councillor in any doubt as to his position under this Protocol or Members' Code of Conduct should always seek the advice of the Monitoring Officer.

DECISION MAKING PROCESS

- 19.89 Subject to Rule 19.90 below the Committee will perform the functions and follow the delegation set out in Section 13 (Responsibility for Functions).

SECTION 19 – PLANNING PROTOCOL

- 19.90 The Professional Lead - Development Management will not exercise their delegated responsibility for functions in the following circumstances whereupon the function will be dealt with by the Planning Committee:
- 19.90.1 the Professional Lead - Development Management considers that the Planning Function should be dealt with by the Planning Committee and not by him / herself;
 - 19.90.2 a Councillor registers a Call-in request under Rules **19.51 to 19.61** that a Planning Application be referred to the Planning Committee for decision and not determined by the Professional Lead - Development Management;
 - 19.90.3 the Planning Application in question constitutes a material departure from the Development Plan and the view of the Professional Lead - Development Management is that the Planning Application should be approved;
 - 19.90.4 the Planning Application is made by or on behalf of the County Council or relates to or affects Council land or premises (whether or not actually occupied by the Council);
 - 19.90.5 the Planning Application is required to be accompanied by an Environmental Statement under the EIA Regulations;

 - 19.91.3 act impartially, fairly and not take into account any political considerations;

- 19.92 The Council is also subject to a number of statutory duties which it must comply with when carrying out its statutory functions. These will apply to the planning function except when such matters are clearly immaterial because they are not capable of relating to the use of development land. Examples of these duties include:

RECONSIDERED APPLICATIONS

19.99 Where an application which has been previously considered and / or determined by the Committee, is subsequently ~~resubmitted~~ reconsidered, the Professional Lead - Development Management in consultation with the Chair and Vice-Chair should consider whether:

19.99.1 the application is materially the same as the previous application considered. If so only those Councillors who were present when the application was considered can take part in any subsequent consideration of the ~~resubmitted~~ reconsidered application. Speaking rights at this meeting will be in accordance with Rule ~~19.116.7.8.4~~ 19.117.8.4 as follows:

DECISIONS CONTRARY TO OFFICER RECOMMENDATION

- 19.100 When members of the Planning Committee are minded to either approve or refuse a Planning Application contrary to the recommendation of the Professional Lead - Development Management (in a written report to the Committee or communicated orally at a meeting of the Committee) those members shall clearly identify and articulate the planning reasons supporting their view before a vote is taken on the application in question and those reasons shall be recorded in the Minutes of the meeting if the Planning Committee makes a decision contrary to the recommendation of the Professional Lead - Development Management and a copy of the minute containing the Committee's reasons shall be placed on the relevant application file.
- 19.101 If the Planning Committee is minded to refuse or grant an application contrary to Officer recommendation, it may wish to consider whether to defer the confirmation of reasons for granting or refusal conditions of the application to the next available committee. This will allow members the opportunity to obtain further planning and legal advice on the proposed reasons for acting contrary to the recommendation based on material planning considerations.
- 19.102 If the Planning Committee is minded to grant an application contrary to Officer recommendation, it should either delegate the conditions to the Professional Lead – Development Management or defer the confirmation of conditions to the next available committee. The decision as to whether that Councillor shall continue to play the role of Decision Maker shall rest with that Councillor.

CORRESPONDENCE AND OTHER RELEVANT INFORMATION RECEIVED BY MEMBERS OF THE PLANNING COMMITTEE

- 19.106 A member of the Planning Committee may receive from time to time correspondence and other relevant information from persons or groups who have an interest in the outcome of a planning application to be determined by the Planning Committee and there will be pressure to reply. A member of the Planning Committee will occasionally receive a significant amount of unsolicited correspondence and other information on more contentious applications. The Councillor shall not reply or respond to this correspondence but instead shall refer it to the Professional Lead - Development Management. This will prevent any delay in the process. The Professional Lead - Development Management shall also:

- 19.106.1 if time permits, send a copy of such correspondence / other information to the Applicant or their Agent (provided neither is the author) so as to allow them an opportunity to respond;

19.107 On occasions the new information may be so substantial as to lead to a deferment of the application. Where the Planning Application is not deferred the Chair will allow members an appropriate period of time to read the new material before proceeding with consideration of the item.

19.108 The Professional Lead - Development Management shall be responsible for reporting any correspondence or new information of relevance to the Planning Committee.

SITE INSPECTIONS

19.109 There will be no Site Inspections undertaken by the Planning Committee unless there are exceptional circumstances justifying a site inspection (that is to say it must be clearly demonstrated that a site inspection is essential to the decision making process i.e. that a proper decision cannot be made without a site inspection taking place). For the avoidance of doubt, it will be the expectation that Local Representatives will make any request for Site Inspections well in advance of the meeting:

19.109.1 as recommended ~~in the report to the committee~~ by the Professional Lead - Development Management in consultation with the Solicitor to the Council and the Chair and Vice-Chair of the Planning Committee; or

19.109.2 as determined by the Committee itself to deal with unresolved site specific planning issues in which case these wholly exceptional circumstances justifying the site visit shall be recorded in the minutes of the meeting at which the decision is taken.

19.109.3 as determined by the Chair and Vice-Chair of the Planning Committee on the application of one or more Councillors in whose electoral division(s) the development in question will take place or whose electoral division will be affected by the development in question subject to consultation with the Professional Lead - Development Management and the Solicitor to the Council.

19.110 Where Site Inspections are held the following Policies shall apply.

19.110.3 Councillors acting as a Local Representative shall, be allowed to attend site visits ~~(but not travel with the committee)~~ to provide

SECTION 19 – PLANNING PROTOCOL
