Dear Aled

Commons Rights : Safnycoed

With reference to your enquiry about the Common Rights relating to the 2 fields sold to Penryochr not included in Derek Morgan Safnycoed's common rights. Cwmduddwr Commoners Association can confirm that the two fields in question were part of Safnycoed when the rights were registered back in the 1960's and the grazing rights associated have always been treated as such.

We hope that this information will assist Derek in changing the entry details on the Commons Register.

Kind regards

James Pugh
Chairman
