Template MIM Education Project Agreement (WEP Strategic Partnering Delivery Model)

ITPDSB Version 1.4

Template MIM Education Project Agreement, WEP Strategic Partnering Delivery Model Version

Important Notice¹

1. This is the Template Project Agreement for education sector Mutual Investment Model ("**MIM**") projects (the "**Template MIM Education PA**") as referred to in and set out in Section 1 of Schedule 7 (*Template Project Agreement*) of the WEP Strategic Partnering Agreement ("**SPA**"). Under the terms of the SPA, the parties are obliged to use this Template MIM Education PA, subject to the amendments described below. It is based on the MIM Standard Form Project Agreement (Accommodation Version), version 1, published in March 2017 (the "**Accommodation PA**") which has been amended to include:
 - (a) sector specific drafting to make the document suitable for delivering accommodation in the education sector;
 - (b) footnotes to provide information and recommendations to assist local authorities and further education institutions (as contracting counterparties) with project specific amendments;
 - (c) the Welsh Government's preferred procurement route for its "Band B" MIM education sector procurements, using a strategic partnering framework;
 - (d) inclusion of a sector specific standard form of Service Level Specification and Authority's Construction Requirements; and
 - (e) other updates, to reflect developments in legislation and good industry practice.

Please note, this Template MIM Education PA (together with footnotes) supersedes guidance contained in the MIM Standard Form Project Agreements User Guide, dated March 2017, in respect of education sector MIM projects.
2. This Template MIM Education PA assumes that:
 - (a) in respect of further education college projects, the relevant "Further Education Corporation" or "Designated Institution" shall be the "Authority" (and a Participant under the SPA);
 - (b) in respect of schools projects, the relevant local authority shall be the "Authority" (and a Participant under the SPA).
3. The Template MIM Education PA has been drafted on the basis of a maintained community school project with some alternative drafting and/or drafting notes provided where it is to be used on a further education college project. Amendments may be required where the Template MIM Education PA is to be used for different educational facilities such as a voluntary aided school. The Template MIM Education PA has also been drafted to facilitate

¹ It is anticipated amendments to reflect the UK's withdrawal from the European Union will require to be made to the Template MIM Education PA by Welsh Government.

project specific tailoring for batched facility projects and post completion works (i.e. demolition of an existing facility and external works/pitches post completion). On the basis that the draft assumes a standard schools approach, the "ICT Handover" provisions may not be appropriate for all types of further education college projects and should be specifically considered by further education institutions and their advisers. Any alternative phasing solutions will also require project specific tailoring. The standard form of Authority's Construction Requirements, Service Level Specification, Payment Mechanism, Outline Commissioning Programme, Joint Operating Protocol and Equipment Schedule have been developed primarily in the context of a schools project, albeit generic terminology and footnotes have been used for ease of tailoring. It is expected that a significant amount of the drafting will be equally applicable to further education college projects and Welsh Government expects a standardised approach to be adopted unless there is project specific justification for departures, for example to accommodate college opening hours in the definition of Core Sessions.

4. The Authority's Construction Requirements are divided into two parts. The first part is the Generic Design Requirements which refers to requirements applicable to all Facilities and requirements that are applicable only to school projects or further education college projects. Project specific derogations or supplements to the Generic Design Requirements are to be included within the Site-Specific Brief and this document is to be prepared on a project by project basis. Cross references to specific sections of the Generic Design Requirements will need to be checked prior to Financial Close and updated to reflect where additional or alternative references ought to be made to the Site-Specific Brief.
 5. The Authority, as a 'Participant' under the SPA, will issue the project specific version of this agreement (including appropriate technical schedules) with the 'New Project Request' that it issues under the SPA.
 6. Whilst drafting and guidance has been included in the footnotes of this Template MIM Education PA, Authorities should note:
 - (a) Use of the Template MIM Education PA is not a substitute for project specific advice and Authorities must take appropriate legal, financial and technical advice when using them. Authorities should also obtain professional insurance advice on all insurance related provisions in the context of the insurance market at that time.
 - (b) The footnotes in the Template MIM Education PA do not represent an exhaustive list of project specific matters that need to be considered by each Authority and its advisers, who must analyse and review them in detail to ensure that they are tailored to the requirements of the specific project and that their terms (and their impact) are clearly understood by the Authority.
 - (c) The Template MIM Education PA should be used in conjunction with any further guidance issued/adopted by the Welsh Government from time to time. It should also be read in conjunction with the accompanying SPA and Template Project Co Shareholders' Agreement, referred to therein.
 - (d) All changes to the Template MIM Education PA require the prior approval of the Welsh Government, acting through the relevant officials. For the avoidance of doubt, this includes any amendments to "technical" schedules, such as the Service Level Specification, Authority's Construction Requirements and Payment Mechanism and relates to the process for the procurement of "WEPCo", as well as the new project approvals process under the SPA.
-

- (e) It should be noted derogations to the Template MIM Education PA are strongly discouraged and it is expected Welsh Government approval will be strictly limited to changes that represent value for money and are required for project specific reasons, or to reflect a change to Welsh Government guidance or demonstrable changing market circumstances. Further, amendments which may adversely affect an "off-balance sheet" statistical classification by ONS/EUROSTAT will be rejected by Welsh Government. Project teams are therefore advised to read EPEC/EUROSTAT's Guide before contacting Welsh Government for approval. For ease, attention has been drawn to certain key aspects of EPEC/EUROSTAT's Guide within footnotes but it is not intended to be a substitute for reading EPEC/EUROSTAT's Guide in its entirety.
 - (f) Authorities must propose a detailed timetable indicating when requests for derogations to the Template MIM Education PA will be presented to the Welsh Government, and such programme shall then be updated in discussion with the Welsh Government as required. An Authority/the project team must give Welsh Government no less than one (1) month notice of when it intends to submit a request for derogations and the dates should generally tie in with Commercial Approval Point ("**CAP**") dates. The Welsh Government will endeavour to respond to a request for approval to derogations within two (2) weeks of receipt. In requesting derogations the Authority must provide its amended version of the Template MIM Education PA (including the Schedules) and provide explanations for the proposed amendments by way of accompanying commentary. Authorities should liaise with Welsh Government regarding the level of detail required. The Welsh Government will do a comparison of the document submitted against its master version of the Template MIM Education PA. It will then decide whether to approve each derogation, or whether to decline to do so, and in each case will inform the Authority and the relevant project team of its decision in writing.
 - (g) As noted above, this Template MIM Education PA contains optional/required drafting to deal with matters that are specific to the education sector and in some instances specific to schools (only) or colleges (only) and particular circumstances that are commonly encountered. Use of such drafting must nevertheless be reported to the Welsh Government and approval obtained.
 - (h) All footnotes (and optional drafting) should be used/implemented/deleted as appropriate before the document is issued by the relevant Authority for a specific project. For ease of future contract management, the Welsh Government does not expect to see the Template MIM Education PA amended to any individual law firm's house style. Clause and paragraph numbering should be preserved through the use of lettered additions and "not used" deletions. Automatic numbering and hyperlinked cross references should be maintained.
7. Under the terms of the SPA, the parties are obliged to use this Template MIM Education PA, subject to the amendments described above on all revenue (MIM) funded 21st Century Schools and Colleges Band B projects being procured through the SPA.

3. COMMENCEMENT AND DURATION

This Agreement, and the rights and obligations of the parties, shall commence on the date of execution of this Agreement and, without prejudice to Clause 47.6 (*Continuing Obligations*), shall terminate automatically on the expiry of the Project Term.

4. PROJECT DOCUMENTS

Ancillary Documents

- 4.1 Project Co shall perform its obligations under, and observe all of the provisions of, the Project Documents to which it is a party and shall not:

4.1.1 terminate or agree to the termination of all or part of any Ancillary Document;

- 4.2 Subject to Clauses 4.3 and 4.4 (*Changes to Funding Agreements and Refinancing*), Project Co shall be free, at any time, to enter into, terminate, amend, waive its rights and generally deal with its Funding Agreements on such terms and conditions as it sees fit without the prior written consent of the Authority provided that (at the time such action is contemplated and effected) the same will not materially and adversely affect the ability of Project Co to perform its obligations under the Project Documents or this Agreement.
- 4.3 No amendment, waiver or exercise of a right under any Funding Agreement or Ancillary Document shall have the effect of increasing the Authority's liabilities on early termination of this Agreement unless:
 - 4.3.1 Project Co has obtained the prior written consent of the Authority to such increased liability for the purposes of this Clause 4.3 (*Changes to Funding Agreements and Refinancing*)⁴; or
 - 4.3.2 it is a Permitted Borrowing.
- 4.4 Any amendment or variation of any Funding Agreements which constitutes a Refinancing shall be carried out in accordance with the provisions of Schedule 23 (*Refinancing*).
- 4.5 Without prejudice to Clause 4.2 (*Changes to Funding Agreements and Refinancing*), Project Co shall liaise with the Authority, and shall use all reasonable endeavours to provide the Authority with a copy of the relevant agreement in settled draft form, not less than ten (10) Business Days before it enters into any Funding Agreement (other than the Initial Funding Agreements).

Delivery

- 4.6 Without prejudice to the provisions of this Clause 4 (*Project Documents*), if at any time an amendment is made to any Project Document, or Project Co enters into a new Project Document (or any agreement which affects the interpretation or application of any Project Document), Project Co shall deliver to the Authority a conformed copy of each such amendment or agreement within ten (10) Business Days of the date of its execution or creation, certified as a true copy by an officer of Project Co.

⁴ The Authority's consent should not be given unless the Additional Permitted Borrowing Limit has been reached.

Funding Default

- 4.7 Project Co shall promptly upon the occurrence of a Funding Default notify the Authority of such Funding Default.⁵
- 4.8 The Authority may, in circumstances referred to in Clause 4.7 (*Funding Default*) above (regardless of whether the Senior Funders have exercised any enforcement or similar rights under the Senior Funding Agreements), require Project Co to provide an Interim Project Report⁶ and to attend, and use all reasonable endeavours to ensure that the Senior Funders attend, such meetings as the Authority may convene to discuss such Interim Project Report and the circumstances giving rise to it.
- 4.9 Project Co shall promptly upon a failure by the Senior Funders to advance amounts due under the Senior Funding Agreements (or in circumstances that might reasonably be expected to lead to such a failure) notify the Authority of such failure (or expected failure).
- 4.10 The Authority may, in the circumstances referred to in Clause 4.9 (*Funding Default*) above, require Project Co to attend, and use all reasonable endeavours to ensure that the Senior Funders attend, such meetings as the Authority may convene to discuss the circumstances.

5. THE PROJECT OPERATIONS

Scope

- 5.1 Subject to and in accordance with the provisions of this Agreement, Project Co shall perform its duties under this Agreement at its own cost and risk without recourse to the Authority except as otherwise expressly provided in this Agreement.

General Standards

- 5.2 Project Co shall at its own cost be solely responsible for procuring that the Project Operations are at all times performed:
- 5.2.1 in compliance with all Law and Consents (including without limitation the giving of notices and the obtaining of any such Consents) and so as not to prejudice the renewal of any such Consents⁷;

⁵ The term "**Funding Default**" should be defined by reference to the borrower defaults under the Senior Funding Agreement(s) (and applies whether or not the Senior Funders choose to accelerate their loan). Please note this obligation is additional to the obligation of the Agent under paragraph 9.4 of Schedule 4 (*Funders' Direct Agreement*).

⁶ The Interim Project Report ought to include any information Project Co is required to provide to the Senior Funders under the Senior Funding Agreements in the circumstances described in Clauses 4.7 and 4.8. A template form is included at Schedule 33.

⁷ Refer to guidance in footnote at Clause 11.3.

5.2.2 in a manner that is not likely to be injurious to health or to cause damage to property; and

5.2.3 in a manner consistent with the Authority discharging its statutory duties and other functions undertaken by it as the same may be notified to Project Co from time to time.

In the event that any ambiguity, uncertainty, dispute or discrepancy arises in the nature and scope of Project Co's obligations under this Clause 5.2 (*General Standards*), the provisions of this Clause 5.2 (*General Standards*) will be given meaning and have effect in descending order of precedence set out in this Clause 5.2 (*General Standards*).

Authority's Undertaking

5.3 The Authority undertakes to Project Co that it shall:

5.3.1 subject to the provisions of this Agreement, comply with all Laws and Consents applicable to it which relate to the Project Operations;

5.3.2 not wilfully impede Project Co in the performance of its obligations under this Agreement (having regard always to the interactive nature of the activities of the Authority and/or Authority Parties and of Project Co and to the Authority's use of the Facilities to provide the relevant Authority Services and any other operations or activities carried out by the Authority and/or Authority Parties on or at the Site[s] for the purposes contemplated by this Agreement and any other of the Authority's statutory functions);

5.3.3 inform Project Co as soon as reasonably practicable if at any time it becomes unable to meet any of its financial obligations and in such case inform, and keep Project Co informed, of any course of action to remedy the situation recommended or required by the Welsh Government, the Authority or other competent authority; and

5.3.4 to the extent permitted by Law, supply to Project Co within sixty (60) Business Days of their publication, a copy of the Authority's Annual Reports and Accounts,

provided that, to avoid doubt, nothing in this Clause 5.3 (*Authority's Undertaking*) shall in any way fetter the discretion of the Authority in fulfilling its statutory functions.

Notification of Terms and Examination Periods

5.4 The Terms for the [first] Academic Year for each Facility are [♦].

- 5.5 No later than [31st December] in each Contract Year the Authority must notify Project Co of the dates for Terms (including any half-term holidays) in the period [1st September] to [31st August] following that notice.
- 5.6 Without prejudice to Clause 5.7 (*Notification of Terms and Examination Periods*), in the event the Authority wishes either:
- 5.6.1 to have an aggregate yearly duration in excess of the number of Core Days detailed in the Academic Year; or
- 5.6.2 to make a change to Core Sessions,
- it must propose a change to Appendix 1 to Schedule 14 (*Payment Mechanism*) in accordance with Section 3 (*Medium Value Changes*) of Schedule 16 (*Change Protocol*).
- 5.7 The Authority is entitled, without proposing a change to Appendix 1 to Schedule 14 (*Payment Mechanism*) in accordance with Section 3 (*Medium Value Changes*) Schedule 16 (*Change Protocol*), to make de minimis changes to the Core Sessions, provided the total number of hours falling within Core Sessions remains the same and Project Co cannot demonstrate to the Authority (acting reasonably) that such change will have more than a de minimis impact on the cost of and/or delivery of the Services.
- 5.8 The Examination Periods for the current [and subsequent]⁸ Academic Year[s] following the date of this Agreement have been notified by the Authority to Project Co.
- 5.9 Where such dates have not already been notified pursuant to Clause 5.8 (*Notification of Terms and Examination Periods*), then no later than [31 August] in each Academic Year prior to the [final] Actual Completion Date for the Facilities, the Authority shall notify Project Co of the dates of the Examination Periods for the next Academic Year.

⁸ Depending on when in the Academic Year the date of financial close falls.

- 5.12 The Authority shall notify Project Co:
- 5.12.1 within ten (10) Business Days prior to the last day of each Academic Year of the timings of the proposed Additional Periods for the following Academic Year; and
- 5.12.2 (without prejudice to Clause 5.10) in relation to Additional Periods not notified to Project Co pursuant to Clause 5.12.1 (*Additional Periods*) as soon as is reasonably practicable and in any event not less than forty-eight (48) hours in advance of each proposed Additional Period,
- including details of the intended use, the dates and times of such use, the Areas of [each of the]/[the] Facilities required.
- 5.13 The obligation of Project Co to provide Services at [each of the]/[the] Facilities in accordance with Clause 5.10 (*Additional Periods*) shall be satisfied if, and only if, the Areas of the [relevant] Facility identified by the Authority in accordance with Clause 5.12 (*Additional Periods*) are Available and the other requirements of the Service Level Specification relevant to those areas are satisfied throughout the Additional Period concerned.⁹

Co-operation

- 5.14 Each party agrees to cooperate, at its own expense, with the other party in the fulfilment of the purposes and intent of this Agreement. To avoid doubt, neither party shall be under any obligation to perform any of the other's obligations under this Agreement.

Use other than During Core Sessions [and Additional Periods]

- 5.15 At all times outside of the Core Sessions [and Additional Periods] an [Authority]/ [School Entity] shall, subject to access in order to perform the Services always in accordance with agreed Access to Work Permits, be for the exclusive use of the relevant [Authority]/ [School Entity] and its invitees and Project Co will not be entitled to make a charge for any such use.

¹⁰ The Template MIM Education PA does not envisage any third party revenue generation activities will form part of the Project. However, some MIM projects may charge for services or activities that are ancillary to the primary use of the asset (e.g. renting school/ college facilities to third parties outside of Core Sessions). Authorities should note, under Chapter 2 of the

Project Co Parties

- 6.2 Subject to the provision of Clause 31.1.7 (*Relief Events*), Project Co shall not be relieved or excused of any responsibility, liability or obligation under this Agreement by the appointment of any Project Co Party. Project Co shall, as between itself and the Authority, be responsible for the selection, pricing, performance, acts, defaults, omissions, breaches and negligence of all Project Co Parties. All references in this Agreement to any act, default, omission, breach or negligence of Project Co shall be construed accordingly to include any such act, default, omission, breach or negligence of a Project Co Party.

Safety

- 6.3 Project Co shall, in carrying out the Project Operations, have full regard for the safety of all persons on the Site[s] (whether lawfully or not) and keep the Site[s], the Works and the Facilities in an orderly state, appropriate in accordance with Good Industry Practice, to avoid danger to such persons.

7. AUTHORITY'S DATA

No Liability

- 7.1 [Subject to Clause 53 (*Warranties*),]¹¹ the Authority shall not be liable to Project Co for and Project Co shall not seek to recover from the Authority (or from any Authority Party) any damages, losses, costs, liabilities or expenses which may arise (whether in contract, tort or otherwise) from the adoption, use or application of the Disclosed Data by, or on behalf of, Project Co, the Independent Tester or any Project Co Party.

No Warranty

- 7.2 [Subject to Clause 53 (*Warranties*),] the Authority gives no warranty or undertaking of whatever nature in respect of the Disclosed Data and, specifically (but without limitation), the Authority does not warrant that the Disclosed Data represents all of the information in its possession or power (either during the conduct of the tender process for the Project or at the time of execution of this Agreement) relevant or material to or in connection with the Project or the obligations of Project Co under this Agreement or under any of the Project Documents. In addition, without prejudice to the application of [Clause 53 (*Warranties*),] Clause 30.11

EPEC/EUROSTAT Guide, EUROSTAT will not classify a project as off balance sheet if, at Financial Close, the revenues that the Authority (and/or government more widely) is forecast to receive from users of the asset over the life of the contract will exceed 50% of the total value of payments that the Authority is forecast to make to Project Co over the life of the contract. Revenues and forecast payments should be compared on a net present value basis at Financial Close. The amount of revenues forecast should be those specifically related to the MIM asset. Comprehensive details of revenue generation activities related to the MIM asset must be included in the Authority's outline business case and approved by Welsh Government. Authorities must also seek approval from Welsh Government to any anticipated change to such forecast revenues, to allow ongoing review of statistical treatment. Consideration will also be required in connection with defining the Authority Services to include such activities. Where Project Co undertakes third party revenue schemes, this Clause (and the Agreement generally) will need to be amended, as appropriate. However, as noted above, the amount of third party revenues that the Authority is forecast to receive over the life of the contract (whether through itself charging for the use of the asset or through sharing of revenues Project Co generates) will influence statistical treatment so reference must be made to the thresholds set out at section 5.5 of Chapter 3 the EPEC/EUROSTAT Guide.

¹¹ Any warranties to be given by the Authority must be justified on a project specific basis and should be set out in Clause 53. The drafting in square brackets should be deleted where no relevant warranties are to be provided by the Authority.

(*Compensation*), Clause 30.3.2 (*Delay Events and Compensation Events*) and/or Clause 52.2.1 (*Excusing Causes*) to the extent that such provisions may apply in respect of any breach on the part of the Authority of Clauses 9.1 (*Access During Construction*) or 9.2 (*Access Following Construction*), the Authority shall not be liable to Project Co in respect of any failure to disclose or make available to Project Co (whether before, on or after the execution of this Agreement) any information, documents or data, nor any failure to review or to update the Disclosed Data, nor any failure to inform Project Co (whether before, on or after execution of this Agreement) of any inaccuracy, error, omission, defects or inadequacy in the Disclosed Data.

Project Co Investigation

7.3 [Without prejudice to its rights and remedies under Clause 53 (*Warranties*),] Project Co acknowledges and confirms that:

7.3.1 it has conducted its own analysis and review of the Disclosed Data and has, before the execution of this Agreement, satisfied itself as to the accuracy, completeness and fitness for purpose of any such Disclosed Data upon which it places reliance; and

7.3.2 it shall not be entitled to and shall not (and shall procure that no Project Co Party shall) make any claim against the Authority or any Authority Party whether in contract, tort or otherwise including, without limitation, any claim in damages, for extensions of time or for additional payments under this Agreement on the grounds:

(a) of any misunderstanding or misapprehension in respect of the Disclosed Data; or

(b) that incorrect or insufficient information relating to the Disclosed Data was given to it by any person, whether or not an Authority Party,

nor shall Project Co be relieved from any obligation imposed on, or undertaken by it, under this Agreement on any such ground.

Fraudulent Statements

7.4 Nothing in this Clause 7 (*Authority's data*) shall exclude any liability which the Authority or any of its agents or employees would otherwise have to Project Co in respect of any statements made fraudulently prior to the date of this Agreement.

8. REPRESENTATIVES

Representatives of the Authority

- 8.1 The Authority's Representative shall be [♦] or such other person appointed pursuant to Clause 8.3 (*Representatives of the Authority*). The Authority's Representative shall exercise the functions and powers of the Authority in relation to the Project Operations which are identified in this Agreement as functions or powers to be carried out by the Authority's Representative. The Authority's Representative shall also exercise such other functions and powers of the Authority under this Agreement as may be notified to Project Co from time to time.
- 8.2 The Authority's Representative shall be entitled at any time, by notice to Project Co, to authorise any other person to exercise the functions and powers of the Authority delegated to him pursuant to this Clause 8 (*Representatives*), either generally or specifically. Any act of any such person shall, for the purposes of this Agreement, constitute an act of the Authority's Representative and all references to the "**Authority's Representative**" in this Agreement (apart from this Clause 8 (*Representatives*)) shall be taken as references to such person so far as they concern matters within the scope of such person's authority.
- 8.3 The Authority may by notice to Project Co change the Authority's Representative. The Authority shall (as far as practicable) consult with Project Co prior to the appointment of any replacement for the Authority's Representative, taking account of the need for liaison and continuity in respect of the Project. Such change shall have effect on the date specified in the written notice (which date shall, other than in the case of emergency, be such date as will not cause material inconvenience to Project Co in the execution of its obligations under this Agreement).
- 8.4 During any period when no Authority's Representative has been appointed (or when the Authority's Representative is unable through illness, incapacity or any other reason whatsoever to carry out or exercise his functions under this Agreement) the Authority shall carry out the functions which would otherwise be performed by the Authority's Representative.
- 8.5 No act or omission of the Authority, the Authority's Representative or any officer, employee or other person engaged by the Authority shall, except as otherwise expressly provided in this Agreement:
- 8.5.1 in any way relieve or absolve Project Co from, modify, or act as a waiver or personal bar of, any liability, responsibility, obligation or duty under this Agreement; or
- 8.5.2 in the absence of an express order or authorisation under Schedule 16 (*Change Protocol*), constitute or authorise a Change.
- 8.6 Except as previously notified in writing before such act by the Authority to Project Co, Project Co and Project Co's Representative shall be entitled to treat any act of the Authority's Representative which is authorised by this Agreement as being expressly authorised by the Authority and Project Co and Project Co's

Representative shall not be required to determine whether an express authority has in fact been given.

Representative of Project Co

- 8.7 Project Co's Representative shall be [♦] or such other person appointed pursuant to Clause 8.8 (*Representative of Project Co*). Project Co's Representative shall have full authority to act on behalf of Project Co for all purposes of this Agreement. Except as previously notified in writing before such act by Project Co to the Authority, the Authority and the Authority's Representative shall be entitled to treat any act of Project Co's Representative in connection with this Agreement as being expressly authorised by Project Co and the Authority and the Authority's Representative shall not be required to determine whether any express authority has in fact been given.
- 8.8 Project Co may by reasonable notice to the Authority change Project Co's Representative. Where Project Co wishes to do so it shall by written notice to the Authority propose a substitute for approval, taking account of the need for liaison and continuity in respect of the Project. Such appointment shall be subject to the approval of the Authority (not to be unreasonably withheld or delayed).
- 8.9 Project Co's Key Personnel are identified in Schedule 3 (*Key Personnel*). Project Co shall, as far as it is within Project Co's control, ensure that such persons retain their involvement in the Works and, in particular, will not, for the duration of the Works, require or request any of them to be involved in any other project on behalf of Project Co or any of the Shareholders or its or their Associated Companies if, in the reasonable opinion of the Authority, this would adversely affect the Project. In the event that due to matters outwith Project Co's control it is necessary for there to be a change in any Key Personnel, Project Co shall by written notice to the Authority propose a substitute for approval, taking account of the need for liaison and continuity in respect of the Project. Such appointment shall be subject to the approval of the Authority (not to be unreasonably withheld or delayed).

[Liaison Procedures

- 8.10 The Authority and Project Co shall establish and maintain throughout the Project Term a joint Liaison Committee and shall initiate, develop, agree, distribute, implement, control and maintain liaison procedures, all in accordance with the provisions of Schedule 24 (*[Liaison Procedure]*).¹²
- 8.11 **Facility Representative**
- 8.11.1 The [head teacher/principal] of [each]/[the] Facility or such other member of staff of [a]/[the] Facility as the [head teacher/principal] may notify in advance to Project Co from time to time, shall undertake the role of a Facility representative (the "**Facility Representative**"), which Facility

¹² Liaison procedures may be adopted where this is considered beneficial to a specific project. The role of the Liaison Committee should only be to make recommendations to the parties, which they may accept or reject in their complete discretion. Neither the Liaison Committee itself, nor the members acting in that capacity, should have the authority to vary any of the provisions of the Project Agreement or make any decision that is binding on the parties.

Representative shall provide a day to day contact with Project Co for the routine operation of this Agreement.

- 8.11.2 Unless pursuant to a specific delegation under Clause 8.11.3 or otherwise specifically provided for in terms of this Agreement, the Facility Representative[s] shall have no power or authority to bind the Authority or vary the terms of this Agreement in any way and Project Co acknowledges that it shall not act on the instructions of or as a consequence of or otherwise rely upon any act or omission of a Facility Representative for the purposes of this Agreement unless under a specific [delegation issued pursuant to Clause 8.11.3 or otherwise specifically provided for in this Agreement].

- 8.11.3 The Authority's Representative may from time to time by notice to Project Co in writing, delegate any of his powers, duties or responsibilities under this Agreement to a Facility Representative, subject to such terms and conditions, and for such duration as may be specified by the Authority's Representative.]

PART 2: LAND ISSUES

9. NATURE OF LAND INTERESTS¹³

Access During Construction¹⁴

9.1 From the Commencement Date until the Actual Completion Date [for a Facility] [and from the Actual Completion Date until the Actual Post Completion Works Date in respect of the [relevant] Post Completion Works Areas of [a]/[the] Facility only] or (if earlier) the Termination Date, the Authority shall grant to Project Co and Project Co Parties, or procure that Project Co and the Project Co Parties are granted:

9.1.1 access to the [relevant] Site; and

9.1.2 the Ancillary Rights;

in each case subject only to the Reserved Rights, the Title Conditions and the Authority's rights under this Agreement and solely for the purposes of implementing the Works and carrying out Project Co's Pre-Completion Commissioning.

Access Following Construction

9.2 After the occurrence of the Actual Completion Date [for a Facility] [and the Actual Post Completion Works Date in respect of the [relevant] Post Completion Works Areas of [a]/[the] Facility only] the Authority shall grant to Project Co and Project Co Parties, or procure that Project Co and Project Co Parties are granted, access to the Facilities subject only to the Reserved Rights, the Title Conditions and the provisions of this Agreement and solely for the purposes of:

9.2.1 carrying out the Project Operations (other than those Project Operations for which Project Co is granted rights pursuant to Clause 9.1 (*Access During Construction*));

¹³ The Authority must arrange for suitable title due diligence to be carried out by its own or external legal advisors prior to issuing a New Project Request under the SPA in order to determine whether any title matters might reasonably be expected to interfere with the carrying out of the Works and/or Services. Where Project Co would reasonably be expected to be the party best placed to manage any identified issues, these issues should be disclosed as Reserved Rights or Title Conditions associated with the relevant Site, in Schedule 5. See further guidance at Schedule 5 below. The drafting assumes a licence structure.

¹⁴ To be reviewed on a project specific basis. Where a project involves phased construction or post-completion works, a phased programme of access may be required.

- 9.2.2 remedying Defects and Snagging Items [relating to the relevant Facility];
and
- 9.2.3 exercising the Ancillary Rights.

Such rights shall terminate on the Expiry Date or (if earlier) the Termination Date.

Extent of Rights

- 9.3 The rights referred to at Clauses 9.1 (*Access During Construction*) and 9.2 (*Access Following Construction*) shall not operate or be deemed to operate as a lease of the Facilities or the Site[s] or any part of the Facilities or the Site[s] and Project Co shall not have or be entitled to exclusive possession (save to the extent expressly included within the Ancillary Rights) or any estate, right, title or interest in and to the Site[s] or the Facilities except as provided herein and shall occupy the Site[s] as a licensee only.
- 9.4 The rights referred to at Clause 9.1 (*Access During Construction*) and 9.2 (*Access Following Construction*) are personal to Project Co and the Project Co Parties.
- 9.5 Project Co shall procure that:
 - 9.5.1 all Project Operations carried out at [the]/[each] Site by or on behalf of Project Co (whether before, during or after the completion of the Works) shall be carried out in a manner which does not breach any of the [relevant] Title Conditions and/or the Reserved Rights; and
 - 9.5.2 there shall be no action, or omission to act by Project Co or a Project Co Party, which shall give rise to a right for any person to obtain title to [the]/[any] Site or any part of [it]/[them].
- 9.6 Notwithstanding the terms of Clauses 9.1 (*Access During Construction*) and 9.2 (*Access Following Construction*) or any other rights granted under this Agreement, the Authority shall (if it is the legal owner of [the]/[a] Site), or (if it is not the legal owner of [the]/[a] Site) shall procure that the legal owner of [the]/[a] Site shall, enter into such wayleaves, deeds of easement and grant or other similar agreements with any third party that Project Co or any Project Co Party may require to be granted in favour of or by any third party, in order to exercise its rights or perform its obligations under this Agreement (other than Utilities Agreements which are subject to the provisions of Clause 10.15 (*Utilities*)). The Authority shall enter into (or, where appropriate, shall procure that the legal owner of [the]/[a] Site shall enter into) any such wayleave, deed of easement and grant or other similar agreement (other than Utilities Agreements which are subject to the provisions of Clause 10.15 (*Utilities*)), as soon as reasonably practicable after Project Co has provided to the Authority all relevant information in connection therewith provided always that Project Co has obtained at its own cost the prior agreement of the third party in terms acceptable to the Authority (acting reasonably). Project Co shall reimburse the Authority for all costs and expenses reasonably and properly incurred by the Authority (and/or the legal owner of [the]/[a] Site) in connection with entering into such wayleaves, deeds of easement and grant or other similar agreements at the request of Project Co.

10. THE SITE[S]¹⁵

- 10.1 The condition of the Site[s] shall[, subject to Clauses 10.3 [and 10.4] (*[Responsibility for Ground Conditions and Contamination]*) / [to 10.14 (*[Asbestos]*),] be the sole responsibility of Project Co. Accordingly (without prejudice to any other obligation of Project Co under this Agreement), Project Co shall be deemed to have:
- 10.1.1 carried out the Ground Physical and Geophysical Investigation and to have inspected and examined the Site[s] and [its][their] surroundings and (where applicable) any existing structures or works on, over or under the Site[s];
 - 10.1.2 satisfied itself as to the nature of the Site Conditions, the ground and the subsoil, the form and nature of the Site[s], the load bearing and other relevant properties of the Site[s], the risk of injury or damage to property affecting the Site[s], the nature of the materials (whether natural or otherwise) to be excavated and the nature of the design, work and materials necessary for the execution of the Works;
 - 10.1.3 satisfied itself as to the extent and adequacy of the Site[s] and of the rights of access to and through the Site[s] granted hereunder and any accommodation it may require for the purposes of fulfilling its obligations under this Agreement (such as additional land or buildings outside the Site[s]) without prejudice to Project Co's rights under this Agreement in respect of a breach by the Authority of its obligations under Clause 9.1 (*Access During Construction*) and/or Clause 9.2 (*Access Following Construction*);
 - 10.1.4 satisfied itself as to the precautions, times and methods of working necessary to prevent any nuisance or interference, whether public or private, being caused to any third parties (except where such matters can only be ascertained by a review of title conditions, not included in the Title Conditions); and
 - 10.1.5 satisfied itself as to the conditions, burdens, restrictions and reservations set out in the Title Conditions and the Reserved Rights.

¹⁵To the extent that it is not practical to investigate areas of the Site(s) (for example, due to Authority occupation of existing premises on the Site(s) to be developed in order to construct the Facilities), the drafting at Clauses 10.3 and 10.4 can be included to provide Project Co with appropriate relief. These Clauses provide that the Authority bears any additional costs arising out of unforeseen conditions in areas which Project Co cannot investigate and which cannot be reasonably identified by Project Co. Areas of the Site(s) to which this carve out applies should be clearly identified in the Project Agreement.

WEPCo will be required to undertake Ground Physical and Geophysical Investigations at stage 1 of the New Project Approval Process under the SPA, where these have not already been procured by the relevant Authority in advance of the New Project Request (and included in the site brief. It may be appropriate, where updated or additional surveys are obtained by WEPCo (acting in accordance with Good Industry Practice and in good faith during the New Project Approval Process under the SPA), that these should also be specifically carved out of Clause 10.3.

The risk that an Authority assumes in terms of Clauses 10.3 and 10.4 where relevant (i.e. where there are areas of the Site(s) under or within existing buildings that are not capable of survey) will not include the risk of asbestos.

Where a specific asbestos risk has been identified and the risk of Additional Asbestos is to be an Authority risk, the drafting at Clauses 10.5 to 10.14 should also be used.

- 10.2 To avoid doubt, Project Co accepts full responsibility for all matters referred to in Clause 10.1 and [subject to Clause 10.3 [and Clause 10.4] (*[Responsibility for Ground Conditions and Contamination]*)] /to 10.14 (*[Asbestos]*) [and Clause 53 (*Warranties*)],] Project Co shall:
- 10.2.1 not be entitled to make any claim against the Authority of any nature whatsoever save, if applicable, as expressly provided in Clause 30 (*Delay Events and Compensation Events*), on any grounds including (without limitation) the fact that incorrect or insufficient information on any matter relating to [any of] the Site[s] was given to it by any person, whether or not the Authority or an Authority Party; and
- 10.2.2 be responsible for, and hold the Authority harmless from, cleaning up and/or otherwise dealing with any Contamination at [any of] the Site[s] so that it shall at all times comply with its obligations under this Agreement including (without limitation) complying with, at its own cost, any applicable Laws and any Consents, orders, notices or directions of any regulatory body (whether made against the Authority or Project Co).

[Responsibility for Ground Conditions and Contamination

- 10.3 To the extent that unforeseen ground conditions and/or Contamination exist in any parts of the Site[s] which are under existing buildings as at the Commencement Date and which it is not practical for Project Co to investigate or survey, Project Co shall not be responsible for them unless they were discovered by the Ground Physical and Geophysical Investigation[s] and accordingly identified in Section 3 (*Authority's Construction Requirements*) of Schedule 6 (*Construction Matters*) or unless they should reasonably have been discoverable if the Ground Physical and Geophysical Investigation[s] had been properly carried out or unless they would have been identified had Project Co carried out such additional surveys as it would have been reasonable to expect an experienced contractor to have carried out in the circumstances. The Authority shall be responsible for any ground conditions and/or Contamination for which Project Co is not responsible by virtue of this Clause 10.3 (*[Responsibility for Ground Conditions and Contamination]*). This Clause 10.3 (*[Responsibility for Ground Conditions and Contamination]*) applies to the following areas: [♦].
- 10.4 Where pursuant to Clause 10.3 (*[Responsibility for Ground Conditions and Contamination]*) the Authority is responsible for any of the matters referred to then the following provisions shall apply:
- 10.4.1 during the Construction Phase any such matter shall be deemed to be a Delay Event (to the extent that there will be (or is likely to be) delay to [satisfaction of the [relevant] ICT Handover Requirements or,] completion of the relevant [Main] Works [or the [relevant] Post Completion Works (as applicable)]) and/ or a Compensation Event (where Project Co has incurred a loss (including a loss in revenue) and/or expense as a direct result);
- 10.4.2 where any such matter arises during the Operational Term it shall, for the avoidance of doubt, be deemed to be an Excusing Cause for the purposes of Clause 52 (*Excusing Causes*);

- 10.4.3 further where any such matter arises during the Operational Term and any work or change to the Services is required or instructed to be done in consequence of it, it shall be deemed to be a Qualifying Change; and
- 10.4.4 where any such matter is Contamination (whether during the Construction Phase or the Operational Term) the Authority shall further hold Project Co harmless from cleaning up and otherwise dealing with the Contamination and shall indemnify Project Co in respect of all Direct Losses incurred by Project Co resulting from such Contamination.]

[Asbestos¹⁶

- 10.5 Subject to Clauses 10.6 to 10.14 below, Project Co shall be responsible for and shall hold the Authority harmless from the removal of any Asbestos at the Site(s) and the Authority shall have no liability in respect of the removal of any Asbestos at the Site(s) other than as set out in Clauses 10.6 to 10.14.
- 10.6 Prior to the commencement of the Works at a Demolition Site, Project Co shall procure¹⁷:
 - 10.6.1 the appointment of an Asbestos Surveyor in accordance with Clause 10.7 and 10.9; and
 - 10.6.2 the Asbestos Surveyor (appointed in accordance with Clause 10.7 and 10.9) carries out an Asbestos Survey and submits an Asbestos Survey Report in respect of the relevant Demolition Site.
- 10.7 Project Co shall seek competitive tenders from a minimum of three [(3)] licensed Asbestos surveyors with the necessary skills, qualifications and experience to carry out Asbestos Surveys on the basis that the successful tenderer shall:
 - 10.7.1 provide Asbestos Surveys in respect of all of the Demolition Sites;
 - 10.7.2 for each Demolition Site, as soon as reasonably practicable after the relevant Asbestos Survey has been carried out, produce the Asbestos Survey Report to include its recommendations as to updates required to the Asbestos Schedule and with all information required to complete the Asbestos Schedules pursuant to Clause 10.7.3;

¹⁶ This drafting should be included where Project Co is required to carry out demolition work and initial Asbestos Management Surveys carried out under the SPA have identified an asbestos risk.

¹⁷The drafting assumes that (a) an Asbestos Surveyor has not been appointed to carry out Demolition survey(s), HSG 264; and (b) a Licensed Contractor has not priced and been appointed in respect of associated works, prior to financial close. If it is the case that these appointments have been made prior to financial close (and the HSG 264 Refurbishment/Demolition survey(s) carried out before financial close), Asbestos risk should sit entirely with Project Co.

- 10.7.3 liaise with the Authority and/ or its designated asbestos specialist¹⁸ on the content of the updated Asbestos Schedule, in order to agree (where applicable) the items to be included and the quantities to be inserted and such Asbestos Schedule shall be in a format suitable for pricing by a Licensed Contractor tendering for the Asbestos Works;
- 10.7.4 for each Demolition Site, on a monthly basis in respect of the period when the Asbestos Works are being undertaken by the Licensed Contractor, produce updated Asbestos Survey Reports to include its recommendations as to updates required to the Asbestos Schedules and with all information required to complete the Asbestos Schedules referred to in Clause 10.7.5;
- 10.7.5 for each Demolition Site, on a monthly basis in respect of the period when the Asbestos Works are being undertaken by the Licensed Contractor, liaise with the Authority and/ or its designated asbestos specialist¹⁹ on the content of the updated Asbestos Schedules, for the purpose of agreeing the nature and extent of any Additional Asbestos; and
- 10.7.6 comment upon and provide guidance in connection with the proposed methodologies included within the tenders submitted pursuant to Clause 10.8 by the Licensed Contractors.
- 10.8 Project Co shall procure competitive tenders from a minimum of [three (3)] Licensed Contractors, based on the Asbestos Schedule as updated pursuant to Clause 10.10.1 and to include the scope of materials identified in the relevant Asbestos Survey Report and a target programme that is aligned so far as practicable (and without prejudice to Project Co's obligations pursuant to Clause 30.2.1, 30.4.5 and 30.13 (*Delay Events and Compensation Events*)) with the Asbestos Works Period. Tenders are to be invited and evaluated on the basis of the scope of materials shown in such Asbestos Schedule, with each individual line being priced on an open book basis in order to derive the total tendered price including analytical costs of associated asbestos removal and subject to any discount (the "**Asbestos Tendered Sum**"). Tenders shall include a schedule of rates to assist in the pricing of the Asbestos Works and which shall apply in respect of transparent verification of allowances (which may be subject to discounting) within the Asbestos Tendered Sum and the calculation of any Additional Asbestos pursuant to Clause 10.13.1(b)
- 10.9 As soon as reasonably practicable following receipt of the tender referred to in Clauses 10.7 and 10.8, Project Co shall submit copies of such tenders to the Authority together with Project Co's recommendation as to which tenders should be accepted and the Authority shall notify Project Co within five (5) Business Days which tender to accept (such period shall commence on the date which the Authority has all relevant information including any responses to clarifications that the Authority may, acting reasonably, request.)²⁰. Project Co or the Contractor (but not any other subcontractor) shall appoint the Licensed Contractor and Asbestos Surveyor that are selected by the Authority (and shall take on board any reasonable

¹⁸ It is anticipated that the Authority will appoint its own specialist asbestos technical adviser who will provide support through the project development phase under the SPA and through the procedure for Project Co's appointment of an Asbestos Surveyor and Licensed Contractor, to payment for any Further Asbestos and/or an extension of time for any Further Asbestos Delay.

¹⁹ Please note comments above as regards the Authority's appointment of its own asbestos specialist.

representations of the Authority as to the terms of those appointments), provided that where the Authority does not respond to Project Co within five (5) Business Days of receipt of the information to be provided by Project Co pursuant to this Clause 10.9, Project Co or the Contractor (but not any other subcontractor) shall be entitled to appoint the Licensed Contractor and/or Asbestos Surveyor (as the case may be) that Project Co has recommended to the Authority pursuant to this Clause 10.9.

10.10 Project Co shall procure that a copy of each Asbestos Survey Report (and updates thereto) issued by the Asbestos Surveyor is submitted to the Authority within seven (7) Business Days of receipt of the same by Project Co and, the Parties shall agree the items to be included and the quantities to be inserted in the relevant updated Asbestos Schedule:

10.10.1 in the case of an Asbestos Schedule to be issued as part of the tender for a Licensed Contractor, as referred to in Clause 10.8, within ten (10) Business Days of receipt by the Authority of the Asbestos Survey Report²¹; and,

10.10.2 in the case of the updated Asbestos Survey Reports to be issued on a monthly basis while Asbestos Works are being undertaken by the Licensed Contractor within 10 Business Days receipt by the Authority of:

(a) the relevant Asbestos Survey Report; and

(b) complete, true and up to date records and all other documentation that the Health and Safety Executive require to be maintained by the Licensed Contractor and complete, true and up to date records and documentation as is required to be produced or maintained in respect of the Asbestos Works in accordance with Law, demonstrating the nature, extent and location of all asbestos forming part of the Asbestos Works²².

10.11 Project Co shall procure the Asbestos Works are completed by the Licensed Contractor in accordance with the requirements of Clause 10.2.

10.12 To the extent that, only as a result of the nature and/or extent and/or location of Further Asbestos, the period of time taken to complete the Asbestos Works at a Demolition Site is longer than the relevant Asbestos Works Period ("**Further Asbestos Delay**"), Project Co will be entitled to apply for relief from its obligations and/or compensation in accordance with Clause 30 (*Delay Events and Compensation Events*) provided compensation for any additional direct costs and associated expenditure incurred by Project Co for the removal and disposal of Further Asbestos (including any Additional Asbestos) shall be calculated on the

basis provided for in Clause 10.13 below and Clause 30 (*Delay Events and Compensation Events*) shall be construed accordingly.²³

10.13 In respect of any additional direct costs and associated expenditure incurred by Project Co as a result of the nature and/or extent and/or location of Further Asbestos at a Demolition Site (whether or not there has been a Further Asbestos Delay):

10.13.1 Project Co shall deliver to the Authority a valid VAT invoice for such additional direct costs and associated expenditure, calculated on the basis of:

- (a) in respect of Identified Asbestos, the Licensed Contractor's Asbestos Tendered Sum, less any sum identified in respect of such Asbestos Works in the column titled "Total allowance" of the asbestos schedule set out at Schedule [♦] (*Asbestos Surveys and Schedule*); and
- (b) in respect of Additional Asbestos, the schedule of rates set out in [the Licensed Contractor's tender and the relevant Asbestos Schedule, as updated at that time pursuant to Clause 10.10.2,

provided that in each case no sums may be claimed for Further Asbestos to the extent such sums have already been claimed in respect of such Further Asbestos and where a sum calculated in respect of Identified Asbestos in accordance with paragraph (a) of this Clause 10.13.1 is a negative figure, such sum shall be deducted from any sum due by the Authority to Project Co under Clause 10.13.2 or otherwise may be set off to reduce any amount owed by the Authority to Project Co in accordance with Clause 35.6 (*Set-Off*); and

10.13.2 where sums are due to Project Co from the Authority under Clause 10.13.1 above, the Authority shall pay to Project Co the amount of each such invoice that is provided in accordance with Clause 10.13.1 above, within twenty (20) Business Days of receipt of the same.

10.14 Unless the exposure arises directly or indirectly as a result of any act or omission of Project Co or any Project Co Party, the Authority accepts full responsibility, including any financial and other consequences which result (whether directly or indirectly) for death and personal injury in respect of exposure to Asbestos on the Site, where the exposure takes place prior to the date on which Project Co is given possession of the Site for the purposes of carrying out the Works.]

²³ As part of the New Project Approval and tendering process under the SPA, consideration should be given to weekly prelim cost for any additional time on Site as a result of Asbestos Works having to be carried out beyond the Asbestos Works Period, as a consequence of Further Asbestos being identified. The asbestos drafting should be updated to refer to any agreed weekly prelim cost.

10.15 Utilities

10.15.1 Project Co shall, in relation to the Utilities required or affected as a result of carrying out the Works:

- (a) be responsible for determining the location of such Utilities as may be at the Site[s] and for the maintenance of access to such Utilities at the Site[s];
- (b) make and rely upon all necessary investigations and surveys as to such Utilities at the Site[s];
- (c) be responsible and make provision for lawfully diverting, connecting, disconnecting or otherwise dealing as may be necessary with any Utilities not within the Site[s];

- (b) within ten (10) Business Days of receipt of a Utilities Agreement agreed pursuant to Clause 10.15.1 (e) execute such Utilities Agreement; and

(c) complies with its obligations as party to any Utilities Agreement.

10.15.3 Any delay in the obtaining of a Utilities Agreement not due to an Authority breach of Clause 10.15.2, shall be deemed to be a Relief Event, provided in each case that such event does not arise (directly or indirectly) as a result of any wilful act or default of the party claiming relief and/or (i) in the case of Project Co claiming relief, any Project Co Party; and (ii) in the case of the Authority claiming relief, any Authority Party subject to and in accordance with Clause 31 (*Relief Events*).

Off Site Contamination²⁴

10.16 To the extent that any part(s) of the Site[s] suffer from or are affected by Contamination arising from a source off [the relevant] Site (whether or not on adjacent land) Project Co shall be responsible for cleaning up or otherwise dealing with such Contamination and for taking reasonable steps to prevent the recurrence of such Contamination on [a]/ [the] Site and then the following provisions shall apply:

10.16.1 where any such matter arises [(a)] prior to the Actual Completion Date [for that Facility] [or (b) prior to the Actual Post Completion Works Date in respect of the Post Completion Works Areas only], it shall be deemed to be a Relief Event for a reasonable period (to be agreed between the Parties acting reasonably) for the purposes of this Agreement;

10.16.2 where any such matter arises [(a)] after the Actual Completion Date [for that Facility] [or (b) after the Actual Post Completion Works Date in respect of the Post Completion Works Areas only] it shall be deemed to be a Relief Event and an Excusing Cause and no Deductions may be made in respect of the relevant Area for a reasonable period (to be agreed between the Parties acting reasonably) but any work or change to the Services required or instructed to be done in consequence of it, shall be Project Co's responsibility and shall not constitute an Authority Change;

10.16.3 before or after the [relevant] Actual Completion Date Project Co shall:

(a) clean up, or otherwise deal with, such Contamination, and take steps reasonably necessary to prevent the recurrence of the same, all in accordance with Good Industry Practice, all relevant Consents and Law; and

(b) other than where Clause 10.16.4 applies, hold the Authority harmless from, and indemnify the Authority in respect of, all Direct Losses incurred by the Authority resulting from such Contamination; and

²⁴ To the extent that WEPCo can demonstrate that it is not feasible to insure against a project specific risk of off site contamination, an Authority may discuss approach to this risk and scope for derogation from the existing provisions further with WEPCo and Welsh Government.

10.16.4 the Authority shall, but only to the extent that Project Co is able to demonstrate to the Authority that it does not have the right to take action against third parties in its own name to recover the losses suffered or incurred by Project Co in cleaning up or otherwise dealing with such Contamination, at the Authority's option either:

- (a) take such action against third parties in its own name as Project Co may (acting reasonably) direct; or
- (b) permit Project Co to take such action in the name of the Authority at Project Co's own expense in which case the provisions of Clauses 49.3(*Conduct of Claims*) shall apply as if Project Co were the Indemnifier and the Authority were the Beneficiary,

subject to Project Co indemnifying the Authority in respect of all costs properly and reasonably incurred by the Authority in respect of such action. Where the Authority takes action under Clause 10.16.4(a) or 10.16.4(b), the Authority shall be liable to Project Co for all losses suffered or incurred by Project Co as a result of its obligations under this Clause 10.16.4, provided that Project Co's entitlement in respect of any matter to which this Clause 10.16.4 applies shall be limited to the amount recovered by or in the name of the Authority from the relevant third party in respect of the losses referred to in this Clause 10.16.4.

11. CONSENTS AND PLANNING APPROVAL²⁵

11.1 Project Co shall be responsible for:

11.1.1 obtaining all Consents which may be required for the performance of the Project Operations²⁶; and

11.1.2 implementing each Consent within the period of its validity in accordance with its terms.²⁷

11.2 In the event that:

11.2.1 a Consent that has been granted is subsequently amended, repealed, revoked or otherwise ceases to be in full force and effect in accordance with its terms as a consequence of any action by a Relevant Authority;

²⁵ Authorities will require WEPCo to deal with detailed planning prior to FBC approval and financial close.

²⁶ Where, on a project specific basis, there are certain Consents which only the Authority can obtain, or Consents which Project Co can obtain only with input from the Authority, appropriate drafting should be included in this Clause 11 (*Consents and Planning Approval*) and cross referred to in Clause 5.2.1 (*General Standards*). Acceptance of any such responsibility by the Authority should be narrowly prescribed. A similar approach should be followed where there are legislative requirements in relation to the Facilities which can only be complied with by, or that require the input or co-operation of the Authority as occupier or user of the Facilities or any part of them. Again, acceptance of any such responsibility by the Authority should be narrowly prescribed.

²⁷ The costs associated with any planning agreements etc should be for the account of Project Co.

11.2.2 affected persons are entitled to claim compensation for the adverse effects of such action under a statutory scheme of compensation; and

11.2.3 Project Co is not entitled in its own name to claim under that scheme but the Authority is so entitled,

the Authority must use all reasonable endeavours, at the request and at the cost of Project Co, to claim or to include within its claim such sums as Project Co acting reasonably requests and shall pay to Project Co the part of any compensation that it receives under that scheme that relates to the sums claimed at the request of Project Co.

11.3 Each party shall, at its own cost, comply with its responsibilities for complying with or discharging the conditions attached to the Planning Approval, as determined by reference to the table set out at Schedule 27 (*Planning Responsibilities Matrix*).²⁸

11.4 **[²⁹Judicial Proceedings**

11.4.1 Either party shall notify the other forthwith upon becoming aware of any Judicial Proceedings.

11.4.2 If in accordance with Clause 11.4.1 either party serves a notice then:

(a) the Authority shall be entitled by notice in writing to Project Co (the "**Suspension Notice**") to require Project Co to suspend the Works (or the relevant part thereof) and Project Co shall forthwith suspend the Works (or the relevant part thereof) upon receipt of the Suspension Notice at the Site which is the subject of any Judicial Proceedings and such suspension shall subsist subject to Clause 11.4.5(a) until such time as (i) such Judicial Proceedings are finally dismissed or withdrawn leaving in place a valid planning permission; or (ii) provided there is no subsisting Judicial Proceedings Action the Authority informs Project Co that the Works (or the relevant part thereof) should be resumed (whichever is the earlier); and/or

(b) Project Co must suspend the Works (or the relevant part thereof) at the Site which is the subject of any Judicial Proceedings Action and forthwith give notice of such suspension in writing to the Authority (the "**Project Co Suspension Notice**") and such suspension shall subsist subject to Clause 11.4.5(b) until such time as (i) such Judicial Proceedings Action is finally overturned leaving in place a valid planning permission; (ii) this Agreement

²⁸ Planning Responsibilities Matrix will be agreed by the parties prior to financial close. If the detailed planning permission includes conditions with which the Authority (as owner/occupier of the Facilities) must comply, appropriate drafting should be included at Clause 11.3 (*Consents and Planning Approval*) and cross-referred to in Clause 5.2.1 (*General Standards*). Authorities should seek advice on the extent and consequences of any such obligations.

²⁹ This drafting must be used where Financial Close is reached less than six (6) weeks after detailed planning permission is granted. In line with market practice, this drafting places the risk of judicial review of the planning permission within that six (6) week period with the Authority. Thereafter judicial review risk transfers to Project Co. The risk transferred to the Authority excludes any judicial review or challenge that arises from Project Co's conduct during or compliance with the planning process.

is varied by means of an Authority Change in order to permit Project Co lawfully to resume the Works (or the relevant part thereof) and/or perform its obligations under this Agreement; or (iii) the parties otherwise agree in writing that the Works (or the relevant part thereof) should be resumed (whichever is the earlier).

11.4.3 Save for where Project Co or a Project Co Party (and for the purposes of this Clause 11.4.3 only "Project Co or a Project Co Party" shall exclude an employee or agent of Project Co or of a Project Co Party acting in a personal capacity) has brought or caused to be brought on its behalf Judicial Proceedings, any suspension of the Works (or the relevant part thereof) pursuant to Clause 11.4.2(a) or 11.4.2(b) shall be deemed to be:

(a) a Delay Event (to the extent that there will be (or is likely to be) delay to [satisfaction of the [relevant] ICT Handover Requirements or,] completion of the relevant [Main] Works [or the [relevant] Post Completion Works (as applicable)] as a result (and for the purposes of the provisions of Clause 65 (*Notices*) Project Co is deemed to have become aware that there will be or is likely to be a delay in the commencement or completion of the relevant Works on the date of receipt of the Suspension Notice or the date of Project Co Suspension Notice as appropriate); and/or

(b) a Compensation Event (in respect of the Works pertaining to the relevant Site) where Project Co has incurred a loss (including a loss in revenue) and/or expense as a direct result of the Suspension Notice or Project Co Suspension Notice, from the date of the Suspension Notice or Project Co Suspension Notice as appropriate.

11.4.4 Where a Project Co Party (and for the purposes of this Clause 11.4.4 only "Project Co Party" shall exclude an employee or agent of Project Co or any Project Co Party acting in a personal capacity) has brought or caused to be brought on its behalf Judicial Proceedings any suspension of the Works (or the relevant part thereof) pursuant to Clause 11.4.2(a) or 11.4.2(b) shall be deemed to be a Relief Event from the date of the Suspension Notice or Project Co Suspension Notice as appropriate and the provisions of Clause 31 (*Relief Events*) shall apply but solely for the purpose of entitling Project Co to apply for relief from any rights of the Authority to terminate this Agreement for a Project Co Event of Default pursuant to Clauses 40.1.2 and/or 40.1.4 (*Project Co Event of Default*).

11.4.5 If by the date falling [twelve (12)]³⁰ months after the date of the:

(a) Suspension Notice, the Works (or the relevant part thereof) are still suspended pursuant to Clause 11.4.2(a); or

³⁰ The time limit must be realistic and take into account the likely time for the Judicial Proceedings to be heard.

(b) Project Co Suspension Notice, the Works (or the relevant part thereof) are still suspended pursuant to Clause 11.4.2(b),

then unless agreed otherwise in writing between the parties, the Authority shall either (i) issue an Authority Change Notice to remove the affected Facilities from the scope of the Project and/or varying the Authority's Construction Requirements to remove those requirements relating to the affected Facilities to which the Judicial Proceedings relate; or (ii) serve notice of termination under Clause 42 (*Authority Voluntary Termination*) of this Agreement.]

PART 3: DESIGN AND CONSTRUCTION

12. THE DESIGN CONSTRUCTION AND COMMISSIONING PROCESS

Overall Responsibility

- 12.1 Project Co shall carry out the Works:
- 12.1.1 so as to procure satisfaction of the Authority's Construction Requirements;
 - 12.1.2 in accordance with Project Co's Proposals;
 - 12.1.3 in accordance with the Quality Plans;
 - 12.1.4 in accordance with Good Industry Practice; and
 - 12.1.5 in accordance with the terms of this Agreement.
- 12.2 To avoid doubt, the obligations in Clauses 12.1.1 to 12.1.5 are independent obligations and, in the case of conflict between obligations requiring different levels of performance, the default position is that the obligation requiring the highest standard of performance shall take precedence. In particular:
- 12.2.1 the fact that Project Co has complied with Project Co's Proposals and/or the Quality Plans shall not be a defence to an allegation that Project Co has not satisfied the Authority's Construction Requirements; and
 - 12.2.2 the fact that Project Co has satisfied the Authority's Construction Requirements shall not be a defence to an allegation that Project Co has failed to comply with Project Co's Proposals and/or the Quality Plans,

provided always that where there is any conflict between the Authority's Construction Requirements, Project Co's Proposals and/or Quality Plans, the Authority shall, subject to any applicable default order of precedence, be entitled (in its sole discretion) to decide which shall take precedence and shall inform Project Co of its decision (within five (5) Business Days of Project Co's reasonable request for such decision of the Authority pursuant to this Clause 12.2) and Project Co shall, at its own cost, be obliged to implement the Authority's decision.

Design Responsibility

- 12.3 Project Co warrants that it has used, and will continue to use, the degree of skill and care in the design of the Facilities that would reasonably be expected of a competent professional designer experienced in carrying out design activities of a similar nature, scope and complexity to those comprised in the Works.

Corporate Identity and Signage

- 12.4 The parties acknowledge that the Authority may, from time to time during the Construction Phase, be required to procure the erection of hoarding, site boards, plaques and/or other signage in connection with the Project. Accordingly:
- 12.4.1 where requested by the Authority (acting reasonably), Project Co shall procure the erection and maintenance of such hoarding, site boards, plaques and/or other signage as the Authority may require; and
 - 12.4.2 the size, design, information disclosed, position and materials used in connection with such hoarding, site boards, plaques or other signage shall be approved by the Authority, such approval not to be unreasonably withheld; and
 - 12.4.3 for the purposes of this Clause 12.4 (*Corporate Identity and Signage*), the Authority shall be deemed to be acting reasonably where any proposals made by it and/or any approvals exercised by it conform with the Welsh Language Standards and any further relevant guidance, amendments or supplements issued by the Welsh Government from time to time in connection with bilingual use of the Welsh and English language.

Authority Design Review³¹

- 12.5 Project Co shall develop and finalise the design and specification of the Works and the Authority shall review the Reviewable Design Data in accordance with Schedule 8 (*Review Procedure*) and the provisions of this Clause 12.5 (*Authority Design Review*):
- 12.5.1 Project Co shall submit the Reviewable Design Data and the design of any Changes developed in accordance with the [Reviewable Design Data Programme and the] procedure set out in Schedule 16 (*Change Protocol*) to the Authority's Representative for review under Schedule 8 (*Review Procedure*). Project Co shall not commence or permit the commencement of construction of the part or parts of the Facilities to which such Reviewable Design Data relates until it has submitted the appropriate Reviewable Design Data and either it is confirmed by the Authority's Representative that Project Co is entitled to proceed with construction in accordance with paragraph 3.3 of Schedule 8 (*Review Procedure*) or Project Co is:
 - (a) disputing the status of such Reviewable Design Data pursuant to paragraph 1.3.1 or paragraph 4.3 of Schedule 8 (*Review Procedure*); and

³¹ A timetable for submission of RDD will need to be developed by Project Co and agreed by the Authority. This can be developed along with a process protocol and should tie in with the BIM Protocol.

(b) proceeding at risk pursuant to paragraph 1.3.2 of Schedule 8 (*Review Procedure*).

- 12.5.2 with effect from the date at which any item of Reviewable Design Data is or becomes an Approved RDD Item in accordance with Schedule 8 (*Review Procedure*), Project Co is entitled to proceed with construction of the relevant part or parts of the Works (subject to the need to submit any associated Reviewable Design Data for review) in accordance with that Approved RDD Item;
- 12.5.3 Project Co shall allow the Authority's Representative, at any time, a reasonable opportunity to view any items of Design Data, which shall be made available to the Authority's Representative as soon as practicable following receipt of any written request from the Authority's Representative; and
- 12.5.4 Project Co shall procure that the Contractor establishes and maintains a computerised design database which Project Co and the Authority's Representative may access remotely by computer to view drawings comprised within the Design Data (including Reviewable Design Data) and electronically store and/or print copies of such Design Data. In the event of the Authority's Representative being unable to access such design database, Project Co shall procure that it is made available for inspection by the Authority's Representative, or any other person authorised by the Authority's Representative.

Rectification of Project Co's Proposals

- 12.6 Without prejudice to Clause 12.1 (*Overall Responsibility*), if it should be found that Project Co's Proposals do not meet the requirements of the Authority's Construction Requirements, Project Co shall at its own expense, and in accordance with Clause 12.7 (*Rectification of Project Co's Proposals*) below, amend Project Co's Proposals and rectify the Works or any part affected. Such amendment and rectification shall have the effect that:
- 12.6.1 Project Co's Proposals shall satisfy the Authority's Construction Requirements; and
- 12.6.2 following the amendment or rectification, the structural, mechanical and electrical performance of the Facilities will be of an equivalent standard of performance to that set out in Project Co's Proposals prior to their amendment or rectification (for the purpose of this comparison disregarding the fault which required the amendment or rectification to be made).
- 12.7 Where Clause 12.6 (*Rectification of Project Co's Proposals*) applies, Project Co shall submit its proposal for amending Project Co's Proposals and rectifying the Works (or any part affected) to the Authority's Representative for review under Schedule 8 (*Review Procedure*) and shall not amend Project Co's Proposals or commence or allow the commencement of the rectification of the Works (or any

part affected) until it is permitted to proceed in accordance with Schedule 8 (*Review Procedure*).

Construction Skills Certification Scheme

- 12.8 Project Co shall ensure that all persons engaged in carrying out the Works (or part thereof) on the Site[s] are accredited under the Construction Skills Certification Scheme or an equivalent scheme and where Project Co enters into a sub-contract for the purposes of carrying out the Works, Project Co shall cause a term to be included in such sub-contract:
- 12.8.1 which requires the Sub-Contractor to ensure that such persons are accredited under the Construction Skills Certification Scheme or an equivalent scheme; and
 - 12.8.2 in the same terms as that set out in this Clause 12.8 (*Construction Skills Certification Scheme*) (including for the avoidance of doubt this Clause 12.8.2) subject only to modification to refer to the correct designation of the equivalent party as Project Co and sub-contractor as the case may be.

Building Information Model³²

- 12.9 The Authority and Project Co shall:
- 12.9.1 comply with their respective obligations set out in the BIM Protocol;
 - 12.9.2 have the benefit of any rights granted to them in the BIM Protocol; and
 - 12.9.3 have the benefit of any limitations or exclusions of their liability contained in the BIM Protocol.

13. RIGHT OF ACCESS OF AUTHORITY'S REPRESENTATIVE³³

Access to the Site[s]

- 13.1 Project Co shall procure that:
- 13.1.1 subject to complying with all relevant safety procedures, which shall include any relevant construction phase plans and health and safety plans

³² Welsh Government requires the use of Building Information Modelling on all MIM Projects delivered under the SPA.

³³ Authorities are reminded of the duty they ultimately owe to the public to ensure the provision of a safe environment. Authorities should therefore consider what internal resource and/or specialist technical support is needed to perform the role of the 'intelligent client' and carry out the appropriate degree of internal assurance, notwithstanding the services being provided by the Independent

for the construction of the Facilities, the Contractor's Site Rules from time to time and any reasonable directions with regard to site safety that may be issued by or on behalf of the Contractor's Site Manager from time to time, the Authority's Representative (together with any specialist advisers) shall have unrestricted access at all reasonable times during normal working hours to:

- (a) monitor and view the Works at the Site[s] on reasonable prior notice appropriate to the circumstances, provided that the notice procedures in this Clause 13.1.1(a) shall not apply to the right of access for the Authority's Representative and his staff and visitors to the office and other facilities provided at the Site[s] for his use; and
- (b) subject to obtaining the consent of the relevant manufacturer or supplier (which Project Co agrees to use all reasonable endeavours to obtain), visit any site or workshop where materials, plant or equipment are being manufactured, prepared or stored for use in the Works for the purposes of general inspection and of attending any test or investigation being carried out in respect of the Works;

13.1.2 the Authority's Representative shall have such rights of access to the Site[s] in an emergency as he (acting reasonably) considers suitable in the circumstances;

13.1.3 monthly progress meetings and site meetings are held and that the Authority's Representative and [relevant] Facility Representative shall have the right to attend such monthly progress meetings and site meetings and to attend such other meetings as the Authority's Representative may reasonably request; and

13.1.4 satisfactory facilities are made available to accommodate the Authority's Representative and his staff or visitors (when accompanied by a representative of the Authority) for the purposes of Clause 13.1.1(a) and (b)(*Access to the Site[s]*), subject to Project Co and the Contractor's construction obligations not being adversely affected and the Authority reimbursing Project Co for any reasonable costs or expenses incurred in connection with the accommodation of the Authority under this Clause 13.1 (*Access to the Site[s]*).

Increased Monitoring

13.2 If, following any viewing, visit or inspection made pursuant to Clause 13.1.1 (*Access to the Site[s]*), it is discovered that there are Defects in the Works or that Project Co has failed to comply with the Authority's Construction Requirements or Project Co's Proposals, the Authority's Representative may (without prejudice to any other right or remedy available to the Authority) by notice to Project Co increase the level of monitoring of Project Co until such time as Project Co shall have demonstrated to the satisfaction of the Authority that it is capable of performing and will perform all

Tester. Authorities should discuss their intended approach with the Welsh Government and seek guidance in relation to assurance processes.

its obligations to the Authority under this Agreement. Project Co shall compensate the Authority for any reasonable additional costs incurred as a result of such increased monitoring.

Right to Open Up

13.3 Subject to Clause 13.4 (*Right to Open Up*), the Authority's Representative shall have the right at any time prior to:

13.3.1]the Actual Completion Date, to request Project Co to open up and inspect any part or part of the [Main] Works]; and

13.3.2 the [relevant] Actual Post Completion Works Date, to request Project Co to open up and inspect any part or parts of the relevant Post Completion Works],³⁴

where the Authority's Representative reasonably believes that such part or parts of the [Main] Works [or the Post Completion Works (as appropriate)] is or are defective and Project Co shall comply with such request.

13.4 Prior to exercising his right pursuant to Clause 13.3 (*Right to Open Up*) above, the Authority's Representative shall notify Project Co of his intention to exercise such right, setting out detailed reasons.

13.5 If, following the exercise by the Authority's Representative of his right pursuant to Clause 13.3 (*Right to Open Up*), the inspection shows that the relevant part or parts of the Works are not defective then Clause 30 (*Delay Events and Compensation Events*) shall apply.

13.6 If, following the exercise by the Authority's Representative of his right pursuant to Clause 13.3 (*Right to Open Up*), the inspection shows that the relevant part or parts of the Works is or are defective, Project Co shall rectify and make good such Defect(s) and any consequence of such rectification and/or making good Defect(s) shall be carried out by Project Co at no cost to the Authority and Project Co shall not be entitled to any extension of time in relation to such rectification and making good of the Works.

13.7 If, following the exercise by the Authority's Representative of his right pursuant to Clause 13.3 (*Right to Open Up*), the Authority's Representative is of the opinion that the inspection shows that the relevant part or parts of the Works is or are defective and Project Co does not agree with such opinion, the matter shall be determined in accordance with Schedule 20 (*Dispute Resolution Procedure*).

13.8 Without prejudice to the rights of the Authority's Representative pursuant to this Clause 13 (*Right of Access of Authority's Representative*) the parties acknowledge that the exercise of such rights shall not in any way affect the obligations of Project

³⁴ An Authority should decide whether to require a right to open up in respect of Post Completion Works (if relevant to the Project depending on the nature of those Works).

Co under this Agreement save as expressly set out in this Clause 13 (*Right of Access of Authority's Representative*).

Safety during Construction

13.9 The provisions of Section 2 (*Safety During Construction*) of Schedule 6 (*Construction Matters*) shall apply to matters of safety.

14. PROGRAMME AND DATES FOR COMPLETION

Dates for Completion

14.1 Project Co shall [in respect of each Facility]:

14.1.1 [satisfy the ICT Handover Requirements by the [relevant] ICT Handover Date; and]

14.1.2 complete the [Main] Works and satisfy the Payment Commencement Requirements by the [relevant] Completion Date [; and]

14.1.3 [complete the [relevant] Post Completion Works and satisfy the Post Completion Works Requirements by the [relevant] Post Completion Works Date.]

Without prejudice to [Clause 14.9 (*Provision of Temporary Accommodation*)], Clause [14.10 (*Unavailability of Existing Facilities*)], [Clause 14.11 (*Post Completion Works Phase*)], Clause 40 (*Project Co Event of Default*), 42 (*Authority Voluntary Termination*), 46 (*Compensation on Termination*) and 47 (*Consequences of Termination*), the Authority shall not be entitled to claim [liquidated or] general damages in respect of any delay which elapses between the [relevant] ICT Handover Date and the corresponding Actual ICT Handover Date[,/or] the [relevant] Completion Date and corresponding Actual Completion Date [and the [relevant] Post Completion Works Date and [relevant] Actual Post Completion Works Date].

14.2 [The Certificate of Practical Completion [in respect of the [relevant] Facility] shall not be issued any less than [twenty (20)] Business Days after the issue of the ICT Handover Acceptance Certificate.]³⁵

The Programme

14.3 Any Programme submitted in accordance with the provisions set out below shall be prepared in accordance with Good Industry Practice and shall be in sufficient detail so as to enable the Authority's Representative to monitor the progress including all commissioning activities and likely future progress of the Works.

³⁵ To be reviewed in the context of college commissioning needs.

- 14.4 The initial Programme is set out at Schedule 7 (*The Programme*). Any change to the Programme shall only be made in accordance with this Clause 14 (*Programme and Dates for Completion*) and Schedule 8 (*Review Procedure*). Project Co shall promptly submit to the Authority's Representative a copy of any version of the Programme varied in accordance with this Clause 14 (*Programme and Dates for Completion*) and Schedule 8 (*Review Procedure*).
- 14.5 If it appears to the Authority's Representative at any time that the actual progress of the Works has significantly fallen behind the Programme, then the Authority's Representative shall be entitled to require Project Co to submit to the Authority's Representative a report identifying the reasons for the delay and, unless the event causing the delay is still subsisting and it is not possible to predict with any certainty when the delay might come to an end, require Project Co (at the Authority's option):
- 14.5.1 to produce and submit to the Authority's Representative in accordance with Schedule 8 (*Review Procedure*) a revised Programme showing the manner and the periods in which the Works will be carried out to ensure completion; and/or
- 14.5.2 to produce and submit to the Authority's Representative in accordance with Schedule 8 (*Review Procedure*) a revised Programme showing the steps which are to be taken to eliminate or reduce the delay.

[Early Completion³⁶

- 14.6 Notwithstanding that the [Main] Works [or Post Completion Works] may have been completed in accordance with this Agreement[:
- 14.6.1]the Actual Completion Date [for a Facility] may only occur on a date on or (subject to Clause 14.8 (*Handover Dates*)) after the [relevant] Completion Date[; and
- 14.6.2 the [relevant] Actual Post Completion Works Date may only occur on a date on or after the [relevant] Post Completion Works Date],
- unless the Authority, in its absolute discretion, agrees otherwise in writing.]
- 14.7 Project Co shall notify the Authority's Representative if at any time the actual progress of the Works is significantly ahead of the Programme such that Project Co anticipates that [the]/[an] Actual Completion Date [or Post Completion Works Date, as appropriate] could occur earlier than the [relevant] Completion Date [or [relevant] Post Completion Works Date, as appropriate] in which case the Authority's

³⁶ Provision for notification of early completion has been included to enable the parties (at their discretion) to consider early occupation by the Authority of the Facilities. The consequential amendments required as a result of agreeing to early completion (e.g. in relation to commissioning, phasing, equipment procurement, service payments, as appropriate) would have to be considered and agreed on a project specific basis at the time and Authorities will be required to seek Welsh Government approval prior to agreeing to early completion. If the Authority is not willing to accept early completion of the Facilities under any circumstances, this Clause may be deleted. However, an Authority should be mindful that there may be circumstances where these provisions are useful e.g. where a Delay Event has impacted upon the Completion Date and Project Co has subsequently made up time in its Programme.

Representative shall be entitled to require Project Co to produce and submit to the Authority's Representative a revised Programme showing the manner and the periods in which the relevant Works will be carried out and what the revised date for completion would be to enable:

- 14.7.1 the Authority to consider (at its absolute discretion) whether to agree an earlier date for completion if requested by Project Co to do so; and
- 14.7.2 the parties to consider what modifications (if any) will be required to the Agreement in order to accommodate such earlier date for completion if agreed to by the Authority pursuant to Clause 14.6 (*[Early Completion]*).

Handover Dates

- 14.8 [Subject to Clause 14.6 (*[Early Completion]*), the Actual ICT Handover Date for [the]/[a] Facility shall be the date on which the ICT Handover Acceptance Certificate is issued [in respect of that Facility] provided that if:
 - 14.8.1 the ICT Handover Acceptance Certificate [in respect of a Facility] is not issued by the ICT Handover Date [in respect of a Facility], it shall not thereafter be issued until the [twenty-fifth (25th)] Business Day before the first day of the half term (other than the summer half term) or Term commencing after the ICT Handover Date, and, if not issued by that date, it shall not thereafter be issued until the [twenty-fifth (25th)] Business Day before any subsequent start of half term (other than summer half term) or Term; and
 - 14.8.2 a Certificate of Practical Completion [in respect of a Facility] is not issued by the Completion Date [in respect of that Facility], it shall not thereafter be issued until the [fifth (5th)] Business Day before the first day of the half term (other than the summer half term) or Term commencing after the Completion Date [in respect of that Facility] and, if not issued by that date it shall not thereafter be issued until the [fifth (5th)] Business Day before any subsequent start of half term (other than summer half term) or Term.]³⁷

[Provision of Temporary Accommodation]³⁸

- 14.9 If for any reason a Certificate of Practical Completion is not issued [in relation to a Facility] by the Completion Date [for that Facility] then:
 - 14.9.1 from the Completion Date [for that Facility] until:
 - (a) the Actual Completion Date [for that Facility]; or

³⁷ Approach to be reviewed on a project specific basis in the case of colleges.

³⁸ In the event the Certificate of Practical Completion has not been issued by the Completion Date for that Facility, the Authority may need recourse to either liquidated damages or the provision of temporary accommodation. Drafting has been included above in relation to provision of temporary accommodation in respect of delay to the main facility. The Authority must decide

- (b) if earlier, the Termination Date; or
- (c) the date on which the Actual Completion Date [for that Facility] would otherwise have occurred if a Delay Event occurs following the Completion Date [for that Facility] and this delays the achievement of the Certificate of Practical Completion,

other than where Clause 14.9.2 applies, Project Co shall be responsible for ensuring that suitable temporary accommodation is available to the Authority that (i) complies with paragraph [2.13.10.1] (*Temporary Accommodation*) of the Generic Design Requirements [and [♦]] of the Site-Specific Brief; and (ii) can be used without interfering with the provision of education to all Students, including any increase in Student numbers due to be accommodated at the [relevant] Facility.

14.9.2 [Subject to:

- (a) Project Co complying with its obligations to survey and carry out any necessary remedial works required pursuant to Clauses 14.9.3 and 14.9.4; and
- (b) the [relevant] Existing Facility meeting the requirements of:
 - (i) paragraph (a) of this Clause 14.9.2; and
 - (ii) paragraphs [2.13.10.1(a), to (f), and paragraph 2.13.10.2] (*Temporary Accommodation*) of the Generic Design Requirements [and [♦]] of the Site-Specific Brief],

the [relevant] Existing Facility shall be deemed to be suitable temporary accommodation under Clause 14.9.1, provided always Project Co provides or funds such additional temporary accommodation (within or outside of the curtilage of the site of the Existing Facility) as may be necessary in accordance with Clause 14.9.5, in order to satisfy in full the requirements of [(a) to (f)] of paragraph 2.13.10.1 and 2.13.10.2] (*Temporary Accommodation*) of the Generic Design Requirements [and [♦]] of the Site-Specific Brief.³⁹

14.9.3 Where this Clause 14.9 applies and an Existing Facility is proposed for use as temporary accommodation (with or without additional temporary

which option is the most appropriate for its project. It will not generally be appropriate to include provision for temporary accommodation where LADs are payable. However, one example where LADs may be appropriate is where delay impacts payment of a capital receipt for land. Generally, insistence on LADs without a project specific need for them is unlikely to offer value for money. Welsh Government approval must be sought in respect of any proposed LAD drafting.

³⁹ This drafting will require to be reviewed on a project specific basis. The general principle to be followed is that where the relevant requirements are met, the Existing Facility should be used to the extent such Facilities are suitable for the relevant educational services that are to be delivered from the Completion Date. If for example, the Existing Facility is too small to accommodate Student numbers at that time, Project Co's obligation to provide or pay for additional alternative accommodation (such as portacabins) shall only apply to the extent necessary to accommodate those Students / classes that cannot be taught in the Existing Facility.

accommodation within the curtilage of the site of the Existing Facility), Project Co shall be responsible for and shall procure (at its cost) an independent survey of the Existing Facility, to ascertain the extent to which such accommodation is suitable for temporary use in accordance with Clause 14.9.1.

14.9.4 To the extent that Project Co is seeking to utilise an Existing Facility as temporary accommodation, pursuant to Clause 14.9.1, the Authority shall not be required to accept such temporary accommodation unless and until the survey referred to in Clause 14.9.3 has been carried out and Project Co has completed all necessary remedial works identified in the survey.

14.9.5 If the provision of temporary accommodation in accordance with Clauses 14.9.2 to 14.9.4 is not possible or practical [to accommodate some or all Students of [the Authority]/[the [relevant] School Entity]] at the Existing Facility (with or without additional temporary accommodation within the curtilage of the site of the Existing Facility), Project Co shall at the option of the Authority either:

(a) reimburse to the Authority the proper costs reasonably incurred by the Authority in the provision of alternative accommodation and any additional or alternative ancillary services as may be required to enable that accommodation to be used for the provision of Educational Services, including, if relevant, the cost of providing temporary facilities or accommodation and/or the costs of transportation to and from any facilities or accommodation so provided; or

(b) provide at Project Co's expense equivalent alternative accommodation that meets the requirements of Clause 14.9.1 in a location within [one (1) mile of the [relevant] Facility / [relevant] Existing Facility] and provide such additional or alternative ancillary services as may be required to enable that accommodation to be used for the provision of Educational Services.

[Unavailability of Existing Facilities⁴⁰

14.10 If a Disruption Event occurs at an Existing Facility (or part thereof) prior to the Actual Completion Date [for the corresponding Facility]:

14.10.1 where the Disruption Event arises from a breach by Project Co of the site conduct requirements set out in paragraph [2.13.9] (*Construction*) of the Generic Design Requirements [and [♦] of the Site Specific Brief] of Section 3 (*Authority's Construction Requirements*) of Schedule 6 (*Construction Matters*) and the Disruption Event will cease upon suspension of the part of the Works which are the subject of that breach, the Authority may require a suspension of that part of the Works. Project Co shall comply with such request until such time as it can carry out such

Works in accordance with this Agreement and shall not be entitled to claim any relief or compensation in respect of any delay to the Works arising in such circumstances; and

14.10.2 where the Disruption Event arises from a breach by Project Co of the site conduct requirements set out in paragraph [2.13.9] (*Construction*) of the Generic Design Requirements [and [♦] of the Site Specific Brief] of Section 3 (*Authority's Construction Requirements*) of Schedule 6 (*Construction Matters*) and the Works are not suspended in accordance with Clause 14.10.1, Project Co and the Authority shall agree (acting reasonably) as expeditiously as possible the steps to be taken to ensure any unavailable parts of an Existing Facility may be re-provided as soon as practicable. The steps the parties agree to consider are the following (in the agreed order of preference set out below) or any combination of the following as appropriate:

- (a) remediation of the Disruption Event through temporary and/or permanent measures;
- (b) use of other facilities at the Existing Facility;
- (c) use of temporary accommodation at the Existing Facility;
- (d) use of facilities at another [school] / [college] or Authority property;
- (e) use of temporary accommodation at another [school] / [college] or Authority property; and/or
- (f) use of commercial facilities (in the case only if specialist facilities cannot be otherwise provided under this Clause).

14.10.3 Project Co shall be responsible for providing such facilities or accommodation as are agreed appropriate pursuant to Clause 14.10.2 and paragraph [2.13.10.1] (*Temporary Accommodation*) of the Generic Design Requirements [and [♦] of the Site-Specific Brief] and shall be responsible for all proper costs arising from all administrative arrangements associated with providing such facilities or accommodation, including, if relevant, the cost of providing temporary facilities or accommodation and/or costs of transportation to and from any facilities or accommodation so provided. Whenever Project Co fails to implement any steps in the manner agreed pursuant to Clause 14.10.2, the Authority may (provided it has first served written notice on Project Co to that effect) take such steps itself and Project Co shall reimburse to the Authority the costs incurred by the Authority in so doing, on demand.

14.10.4 Where in any circumstances the Authority requires suspension of part of the Works and notifies Project Co that this is because the Works are interfering with or otherwise disrupting examinations at an Existing Facility during the Examination Period, Project Co shall immediately cease such

part of the Works and/or take or refrain from taking such other steps as are necessary to cease interference with examinations until the end of the Examination Period in question (or such other time is reasonably decided by the Authority [or the [relevant] School Entity]).]

14.10.5 Where Clause 14.10.4 applies, provided:

- (a) Project Co has complied with its obligations under Clause 14.10.4; and
- (b) it is agreed (or determined) that the interference or disruption in question did not arise from a Disruption Event,

there shall be deemed to be a Delay Event (to the extent that there will be (or is likely to be) delay to [satisfaction of the [relevant] ICT Handover Requirements or,] completion of the relevant [Main] Works [or the [relevant] Post Completion Works (as applicable)] as a result and/ or a Compensation Event (where Project Co has incurred a loss (including a loss in revenue) and/or expense as a direct result).

[Post Completion Works Phase⁴¹

14.11 Subject to Clauses 14.12 and 14.13 following issue of a Certificate of Practical Completion [in relation to a Facility], Project Co shall or shall procure that the Contractor shall carry out the Post Completion Works at the Site relating to such Facility so that such Post Completion Works are completed by the [relevant] Post Completion Works Date provided:

14.11.1 where the Certificate of Practical Completion for the [relevant] Post Completion Works has not been issued by the [relevant] Post Completion Works Date, the Authority shall be entitled to levy liquidated and ascertained damages in respect of each calendar week (or part thereof) that elapses after the [relevant] Post Completion Works Date up to and including the date that a Certificate of Practical Completion for the Post Completion Works is issued, for the following amount:

For each calendar week following the [relevant] Post Completion Works Date	£[INSERT FIGURE] ⁴²

and

⁴¹ Where Post Completion Works are required to demolish Existing Facilities and/or build playing fields for example on multi-facility projects, this drafting should be inserted. However, there may be occasions where it is appropriate to instead have a step-up of the Monthly Service Payment in respect of Post Completion Works, where the latter approach sufficiently incentivises Project Co. Such approach is more likely to be suited to single facility projects. Where there are different phases of Post Completion Works project specific drafting to reflect different LAD levels should be included with reference to specific phases of works, such as Soft Landscaping Works at a particular Facility.

⁴² Where the Post Completion Works are sports pitches the LADs figure will need to include all costs to be incurred in hiring alternative facilities, transporting pupils to the alternative facilities etc.

- 14.11.2 after the date that falls [♦] after the [relevant] Post Completion Works Date the Authority shall be entitled to employ an alternative contractor to carry out the [relevant] Post Completion Works and shall be entitled to be reimbursed by Project Co for all costs properly and reasonably incurred in the carrying out of any such Post Completion Works, within [♦] days of a valid invoice.⁴³
- 14.12 Where the Authority employs an alternative contractor to carry out any Post Completion Works in accordance with Clause 14.11.2 it shall cease to have the right to levy liquidated damages in accordance with Clause 14.11.1 once a reasonable period of time for completing the relevant Post Completion Works (having regard to the nature and extent of the relevant Post Completion Works outstanding and the programme for carrying out of such Post Completion Works by the Authority's alternative contractor) has expired.
- 14.13 For the avoidance of doubt Clause 14.11 and Clause 14.12 shall be the Authority's sole remedy in connection with any delays to the completion of the Post Completion Works and the Authority shall not be entitled to levy any Deductions under Schedule 14 (*Payment Mechanism*) in relation to any Areas which are subject to Post Completion Works prior to the [relevant] Actual Post Completion Works Date.
- 14.14 If a Disruption Event occurs between the Actual Completion Date and the [final] Actual Post Completion Works Date [for a Facility], where the Disruption Event arises from a breach by Project Co of the site conduct requirements set out in paragraph [2.13.9] (*Construction*) of the Generic Design Requirements [and ♦] of the Site Specific Brief] of Section 3 (*Authority's Construction Requirements*) of Schedule 6 (*Construction Matters*), the Authority may by written notice require suspension of that part of the Post Completion Works on the basis that the [relevant] Post Completion Works are interfering with or otherwise disrupting examinations at the Facility during the Examination Period and Project Co shall immediately cease such part of the Post Completion Works and/or take or refrain from taking such other steps as are necessary to cease interference with examinations until the end of the Examination Period in question (or such other time as is reasonably decided by the Authority [or the relevant School Entity]) and Project Co shall not be entitled to claim any relief or compensation in respect of any delay to the [relevant] Post Completion Works arising in such circumstances.]
- 14.15 It is acknowledged and agreed by the Authority and Project Co that the damages provided for in Clause 14.11 (*[Post Completion Works Phase]*) are in all respects fair and reasonable and represent a genuine pre estimate of the losses, damages and expenses, arising out of any breach by Project Co if its obligations under this Agreement to complete the [relevant] Post Completion Works by the [relevant] Post Completion Works Date.
- 14.16 In the event that the provisions of Clause 14.11 (*[Post Completion Works Phase]*) are unenforceable so that the Authority is unable to recover any payment to which the Authority would otherwise have been entitled under Clause 14.11 (*[Post Completion Works Phase]*) the Authority shall be entitled to claim general damages from Project Co in respect of the loss and/or damage and/or expense suffered or incurred by the Authority up to, but not exceeding the sum that would have been

payable under Clause 14.11 (*Post Completion Works Phase*) had the same been enforceable.

Changes to Terms of Appointment

15.2 Neither the Authority nor Project Co shall without the other's prior written approval (not to be unreasonably withheld or delayed):

15.2.1 terminate, repudiate or discharge the Independent Tester Contract or treat the same as having been terminated, repudiated or otherwise discharged;

15.2.2 waive, settle, compromise or otherwise prejudice any rights or claims which the other may from time to time have against the Independent Tester; or

15.2.3 vary the terms of the Independent Tester Contract or the service performed or to be performed by the Independent Tester.

15.3 The parties shall comply with and fulfil their respective duties and obligations arising under or in connection with the Independent Tester Contract.

Co-operation

15.4 The parties agree to co-operate with each other generally in relation to all matters within the scope of or in connection with the Independent Tester Contract. All instructions and representations issued or made by either of the parties to the Independent Tester shall be simultaneously copied to the other and both parties shall be entitled to attend all inspections undertaken by or meetings involving the Independent Tester.

Replacement

15.5 If the Independent Tester's appointment is terminated otherwise than for full performance, the parties shall liaise and co-operate with each other in order to appoint, in accordance with this Clause 15.5 (*Replacement*), a replacement consultant to act as the Independent Tester as soon as reasonably practicable. The identity of any such replacement shall be as agreed by the parties and the terms of

his appointment shall, unless otherwise agreed, be as set out in the Independent Tester Contract.

- 15.6 If the parties fail to agree the identity and/or terms of a replacement Independent Tester in accordance with Clause 15.5 (*Replacement*) within ten (10) Business Days of the original Independent Tester's appointment being terminated then such disagreement shall be referred for resolution in accordance with Schedule 20 (*Dispute Resolution Procedure*).

16. EQUIPMENT

The provisions of Schedule 11 (*Equipment*) shall apply in respect of the procurement, installation, commissioning and maintenance of Equipment.

17. PRE-COMPLETION COMMISSIONING AND COMPLETION⁴⁴

- 17.1 Not less than [six (6)] months before the Completion Date [for each Facility] [and the [relevant] Post Completion Works Date [for each Facility]], Project Co shall provide the Authority with a draft of the Final Commissioning Programme in respect of the Works relative thereto, as jointly developed by the Authority and Project Co in accordance with the provisions of Clause 17.2 and 17.3 (*Pre-Completion Commissioning and Completion*) and Schedule 10 (*Outline Commissioning Programme*). The Authority shall provide Project Co with comments on the draft Final Commissioning Programme submitted to it within [fifteen (15)] Business Days. The parties shall, within [fifteen (15)] Business Days of receipt by Project Co of the Authority's comments agree the terms of the Final Commissioning Programme provided that the Authority may by prior notice to Project Co change the scope and time of the Authority's Commissioning or the Authority's Post Completion Commissioning and reimburse Project Co its reasonable costs incurred as a result of such change in scope or time of the Authority's Commissioning. If the parties are unable to agree the Final Commissioning Programme or the change in scope or time of the Authority's Commissioning by [♦], the matter shall be referred for determination in accordance with Schedule 20 (*Dispute Resolution Procedure*).
- 17.2 The Final Commissioning Programme[s] [for each Facility] shall be in accordance with the [relevant] Outline Commissioning Programme and shall impose no greater or more onerous obligations on the Authority than those set out in the [relevant] Outline Commissioning Programme (unless otherwise agreed by the Authority in its absolute discretion). The Final Commissioning Programme shall then replace the [relevant] Outline Commissioning Programme. Without prejudice to the parties obligations in Clause 17.1, where this Agreement refers to an obligation being in accordance with, or pursuant to the [relevant] Final Commissioning Programme, such reference shall prior to the replacement of the [relevant] Outline Commissioning Programme with the [relevant] Final Commissioning Programme,

⁴⁴ The Template MIM Education PA assumes the Authority and Project Co will each undertake inspection and commissioning activities both prior to and after completion. In the case of schools projects, the approach to commissioning that is to be followed is set out in Table A, Appendix A (*Commissioning Responsibilities*) of Schedule 10 (*Outline Commissioning Programme*). The Template MIM Education PA envisages that the Final Commissioning Programme(s) will set out all requirements and obligations in relation to the development, nature, principles and performance of the completion tests to be performed to enable certification of completion to take place. Parties need to consider which commissioning activities have to occur before and which after completion (and, in each case, by whom) on a project specific basis on further education college projects in particular.

Template drafting has been provided here for Post Completion Works, to be used where relevant. Authorities will need to consider whether further project specific drafting is required, including amendments to accommodate multi-facility projects where relevant.

be deemed to be a reference to the obligation being in accordance with or pursuant to the [relevant] Outline Commissioning Programme.

- 17.3 [The][Each] Final Commissioning Programme shall describe the steps necessary, the party responsible for taking each of such steps and the timing and sequence of each of such steps to ensure insofar as relevant to the applicable Works:
- 17.3.1 that Project Co's Pre-Completion Commissioning and the Authority's Commissioning will not delay:
- (a) the Actual Completion Date occurring by the [relevant] Completion Date[; or
 - (b) [the [relevant] Actual Post Completion Works Date occurring by the [relevant] Post Completion Works Date].
- 17.3.2 that Project Co's Post Completion Commissioning and the Authority's Post Completion Commissioning in respect of the [Main] Works [for each Facility] [and Project Co's Post Completion Commissioning and the Authority's Post Completion Commissioning in respect of the Post Completion Works for [each]/[the] Facility] are [each] completed by the relevant Commissioning End Date.
- 17.4 The parties shall procure that the steps that they are responsible for carrying out and completing pursuant to the Final Commissioning Programme include, the activities described in Schedule 10 (*Outline Commissioning Programme*) [and in the case of Project Co's activities, the activities described at paragraphs [♦] of the Generic Design Requirements [and paragraphs [♦] of the Site Specific Brief]].⁴⁵
- 17.5 [In respect of each Facility,] Project Co shall notify the Independent Tester and the Authority's Representative of the date when Project Co (acting reasonably) considers that the Works will achieve the [ICT Handover Requirements][,/and] Payment Commencement Requirements [and the Post Completion Works Requirements] not less than [♦] months prior to such anticipated completion. Such notification shall trigger the completion activities of the Independent Tester under this Clause.
- 17.6 The parties each undertake to co-operate with the Independent Tester to ensure that the Independent Tester is familiar with all necessary aspects of the Project for the purposes of its role as described in this Clause.

⁴⁵ The Authority should describe any other core requirements to be complied with in relation to Project Co's commissioning activities including in respect of the decant of ICT equipment under the Authority's Construction Requirements.

Commissioning prior to Completion Date/[Post Completion Works Date]

17.7 Project Co shall:

- 17.7.1 undertake Project Co's Pre-Completion Commissioning in accordance with the [relevant] Final Commissioning Programme; and
- 17.7.2 permit the Authority to undertake the Authority's Commissioning [including permitting specialist contractors engaged by the Authority to deliver and install equipment] on such dates as agreed between the Authority and Project Co, in accordance with the [relevant] Final Commissioning Programme,⁴⁶

and the Authority shall undertake the Authority's Commissioning in accordance with the [relevant] Final Commissioning Programme and so as not to cause material damage to the Works.

17.8 Project Co shall:

- 17.8.2 be entitled to and if so requested shall attend the inspection referred to at Clause 17.10 (*Pre-Completion Inspection*).

17.9 Project Co shall (or shall procure that the Contractor shall), give the Authority access to the Facilities at such times as may be set out in the [relevant] Final Commissioning Programme to enable the Authority and Authority Parties to undertake the Authority's Commissioning in accordance with such Final Commissioning Programme for the period prior to completion of the [Main] Works [or Post Completion Works (as applicable)]. When exercising such rights the Authority shall and shall procure the Authority Parties shall comply with all relevant safety procedures, which shall include any relevant construction phase plans and health and safety plans for the construction of the Facilities, the Contractor's Site Rules from time to time and any reasonable directions with regard to site safety that may be issued by or on behalf of the Contractor's Site Manager from time to time.

Pre-Completion Inspections

17.10 Project Co shall give the Independent Tester, the [relevant] Facility Representative and the Authority's Representative not less than [five (5)]⁴⁷ Business Days' notice and not more than [thirty (30)] Business Days' notice of the date upon which Project Co considers that the [ICT Handover Requirements,] Payment Commencement Requirements [and Post Completion Works Requirements] [for each Facility] will be complete and the relevant tests on completion required to be performed in accordance with the [relevant] Final Commissioning Programme will be carried out. Project Co shall be entitled to and if so requested shall accompany the Authority's Representative, the [relevant] Facility Representative, [the representative of the ICT Installer] and the Independent Tester on any such inspection.

(*Snagging Items*), issue a Snagging Items Completion Certificate, each to that effect, to the Authority and Project Co.

- 17.13 Without prejudice to Clauses 17.14 and 17.19 (*Snagging Items*), the issue of [[the]/[a] ICT Handover Acceptance Certificate,] [the]/[a] Certificate of Practical Completion [and/or [the]/[a] Certificate of Practical Completion in respect of Post Completion Works] shall, in the absence of manifest error, bad faith or fraud, be conclusive evidence (but only for the purpose of ascertaining the [relevant] [Actual ICT Handover Date,] [Payment Commencement Date]/[Payment Commencement Date 1] [and/or the Actual Post Completion Works Date] (as applicable)) that the [relevant] Works are complete in accordance with the [ICT Handover Requirements,] Payment Commencement Requirements [and/or Post Completion Works Requirements] (as the case may be) on the date stated in the [relevant] Certificate of Practical Completion [or ICT Handover Acceptance Certificate].

Snagging Items⁴⁸

- 17.14 [The Independent Tester shall on the same day as the date of issue of [the]/[an] ICT Handover Acceptance Certificate [in relation to a Facility], issue to Project Co and the Authority a list of any relevant Snagging Items (the "**Snagging List**"). relevant Snagging Items in respect of the [relevant] Post Completion Works (the "**PCW Snagging List**"), Within [five (5)] Business Days after the date of receipt from the Independent Tester of that PCW Snagging List, Project Co will provide to the Authority and the Independent Tester a reasonable programme (the "**PCW Snagging Programme**") for making good each Snagging Item set out on the PCW Snagging List provided that the PCW Snagging Programme will require that each Snagging Item will be made good within [twenty (20)] Business Days after the date of provision of the PCW Snagging List or, where it is not reasonably practicable to make good within [twenty (20)] Business Days due to the lead times for supplies or materials, within such time as is reasonably practicable (up to a maximum of [three (3) months]). The parties will seek to agree the PCW Snagging Programme or in default of agreement will refer the matter for determination under Clause 57 (*Dispute Resolution Procedure*).]

- 17.17 Project Co shall, in consultation with the Authority's Representative and in such a manner as to cause as little disruption as reasonably practicable to the Authority's Post Completion Commissioning and the Authority's use of the [relevant] Facilities [and so as not to interfere with the activities of the ICT Installer to be carried out pursuant to Section 2 (*Construction Phase Access Protocol*) of Schedule 34 (*Joint Operating Protocol*)] and otherwise in accordance with the requirements of Schedule 34 (*Joint Operating Protocol*), make good each Snagging Item in accordance with the [relevant] Snagging Programme [or PCW Snagging Programme (as applicable)] to the satisfaction of the Independent Tester. [WiFi Completion

- 17.20 Project Co and the Authority shall procure that the Independent Tester shall, in accordance with the Independent Tester Contract and no earlier than the date that falls [♦] weeks following the Actual Completion Date [in respect of each Facility] carry out the WiFi Post-Completion Tests so that they have been completed by no later than the WiFi Tests Completion Date. The Authority and Project Co shall be entitled to attend such WiFi Post-Completion Tests. Project Co shall, if so requested, accompany the Authority's Representative and the Independent Tester in relation to the carrying out of the WiFi Post Completion Tests.

repetition of any of the WiFi Post-Completion Tests which are required to be carried out and passed in accordance with the Final Commissioning Programme) which are required to be attended to before the WiFi Post-Completion Tests can be considered to be complete in accordance with the WiFi PC Criteria. Project Co shall attend to such matters at its own cost and shall give the Independent Tester and the Authority's Representative further notice of the date on which Project Co considers that such matters have been attended to so that the procedures in Clause 17.20 (*WiFi Completion*) and this Clause 17.21 (*WiFi Completion*) are repeated as often as may be necessary to ensure that all such outstanding matters are attended to and that the WiFi PC Criteria are satisfied.

- 17.22 Pursuant to the terms of the Independent Tester Contract, the parties shall procure the Independent Tester shall, when he is satisfied that the WiFi Post Completion Tests have been passed and the WiFi PC Criteria met, issue a Certificate of WiFi Completion to that effect. - 17.23.1 Project Co shall be relieved of its obligations to provide such part of the Services; and
- 17.23.2 in respect of the period in which the Authority is taking the WiFi Remedial Steps, the Monthly Service Payments due from the Authority to Project Co shall equal the amounts Project Co would receive if it were satisfying all of its obligations and providing the Services affected by the WiFi Remedial Steps in full over that period, less an amount equal to all of the costs incurred by the Authority in taking the WiFi Remedial Steps (including, without limitation, an appropriate sum in respect of general staff costs and overheads).

- 20.7 Project Co shall from time to time submit to the Authority's Representative in accordance with Schedule 8 (*Review Procedure*) any changes to any of the Quality Plans required for such Quality Plan to continue to comply with the requirements set out in Clause 20.2 (*Quality Plans and Systems*). ⁵⁵ Provisions relating to Information Technology are to be included on a project specific basis, where required.(or marked 'not used', where not required).

PART 6: SERVICES

22. THE SERVICES

General Obligations

22.1 Throughout the Operational Term Project Co shall provide (or procure that the Service Provider provides) the Services in accordance with:

22.1.1 the Service Level Specification;

22.1.2 the Method Statements;

22.1.3 the Quality Plans;

22.1.4 Good Industry Practice; and

22.1.5 the terms of this Agreement.

22.2 To avoid doubt the obligations in Clauses 22.1.1 to 22.1.5 are independent obligations and, in the case of conflict between obligations requiring different levels of performance, the default position is that the obligation requiring the highest standard of performance shall take precedence. In particular:

22.2.1 the fact that Project Co has complied with the Method Statements and/or Quality Plans shall not be a defence to an allegation that Project Co has not satisfied the Service Level Specification; and

22.2.2 the fact that Project Co has complied with the Service Level Specification shall not be a defence to an allegation that Project Co has not satisfied the Method Statements and/or Quality Plans,

provided always that where there is any conflict between the Service Level Specification, the Method Statements and/or Quality Plans the Authority shall, subject to any applicable default order of precedence, be entitled (in its sole discretion) to decide which shall take precedence and inform Project Co of its decision and Project Co shall, at its own cost, be obliged to implement the Authority's decision.

Commencement and Phase In of Services

22.3 Project Co shall procure that the provision of the Services commences on the Actual Completion Date [for a Facility] [and in respect of the Post Completion Works Areas, the [relevant] Actual Post Completion Works Date] [for a Facility].

Project Co Services Changes

- 22.4 Project Co may at any time submit to the Authority's Representative in accordance with Schedule 8 (*Review Procedure*) proposals for amendments to or substitution for the Method Statements or any part of them. If there is no comment on such proposed amendment or substitution (on the grounds set out in paragraph 3 of Schedule 8 (*Review Procedure*)), then the Method Statements as so amended or substituted shall be the Method Statements for the purposes of this Agreement, subject to any further amendment or substitution to which there has been no comment in accordance with Schedule 8 (*Review Procedure*).
- 22.5 To avoid doubt, an amendment to or substitution for the Method Statements proposed pursuant to Clause 22.4 (*Project Co Services Changes*) shall not be a Qualifying Change entitling Project Co to any payment (or other compensation) or to any relief from the performance of its obligations under this Agreement.

No Disruption

- 22.6 Project Co shall perform the Services so as to co-ordinate with the Authority's operations on the [relevant] Site and/or Facilities and shall take all reasonable care to ensure that it does not interfere with the operations of the Authority or any Authority Party.

23. MAINTENANCE

Programmed Maintenance Works

- 23.1 No later than [three (3)] months prior to the Completion Date [for a Facility] Project Co shall submit to the Authority's Representative in accordance with Schedule 8 (*Review Procedure*) a Schedule of Programmed Maintenance for the period from the Completion Date to the expiry of the current Academic Year [and in respect of the Post Completion Works Areas where the Post Completion Works are scheduled to be completed prior to commencement of or in that Academic Year].
- 23.2 Not later than [three (3)] months prior to the commencement of each subsequent Academic Year Project Co shall submit to the Authority's Representative in accordance with Schedule 8 (*Review Procedure*) a Schedule of Programmed Maintenance for the next succeeding Academic Year relevant to the [Main] Works [and in respect of the Post Completion Works Areas where Post Completion Works are complete or scheduled to be completed prior to commencement of or in that Academic Year].
- 23.3 Each Schedule of Programmed Maintenance shall contain the following information (the "**Programmed Maintenance Information**"):
- 23.3.1 details of the proposed start and end dates for each period of Programmed Maintenance, the works to be carried out, the proposed hours of work and the Areas where work is to be carried out;

- 23.3.3 a proposed Lifecycle Schedule, together with a report on any differences between the Lifecycle Profile and Lifecycle Spend for the previous Academic Year and a prediction of any differences between the Lifecycle Profile and Lifecycle Spend for that Academic Year.
- 23.4 Not later than twenty (20) Business Days prior to the end of any Term, Project Co may submit to the Authority's Representative for approval in accordance with Schedule 8 (*Review Procedure*) a revision to the Schedule of Programmed Maintenance for the Academic Year in which the next Term falls showing the effect of the proposed changes to the Programmed Maintenance Information. If the Authority's Representative does not raise comments on such proposed revision in accordance with Schedule 8 (*Review Procedure*), the Schedule of Programmed Maintenance as revised shall become the Schedule of Programmed Maintenance in respect of the next Term.
- 23.5 Where the Authority's Representative raises comments in respect of any Programmed Maintenance periods and/or hours of work shown in a Schedule of Programmed Maintenance in accordance with paragraph 3 of Schedule 8 (*Review Procedure*), he shall indicate whether, and if so when, the Programmed Maintenance can be re-scheduled and Project Co shall amend the relevant Schedule of Programmed Maintenance accordingly.

Programmed and Unprogrammed Maintenance

- 23.6 Project Co shall not carry out any Programmed Maintenance or Unprogrammed Maintenance Work or Lifecycle Replacement save:
- 23.6.1 in accordance with:
- (a) a Schedule of Programmed Maintenance to which no objection has been made under Schedule 8 (*Review Procedure*) or, where comment has been raised in respect of the Programmed Maintenance or Lifecycle Replacement periods and/or time, the Schedule of Programmed Maintenance has been amended pursuant to the Service Level Specification; and
 - (b) Section 3 (*Access To Work Protocol*) of Schedule 34 (*Joint Operating Protocol*);
- 23.6.2 in accordance with:
- (a) the procedures set out in Clause 23.8 (*Programmed and Unprogrammed Maintenance*); and

(b) Section 3 (*Access To Work Protocol*) of Schedule 34 (*Joint Operating Protocol*); or

23.6.3 in an emergency, in accordance with Clause 23.9 (*Programmed and Unprogrammed Maintenance*).

23.7 Notwithstanding that there has been no objection to a Schedule of Programmed Maintenance, the Authority's Representative may, at any time, require Project Co to accelerate or defer any Programmed Maintenance or Lifecycle Replacement by giving written notice to Project Co, (unless otherwise agreed) not less than [twenty (20)] Business Days prior to the scheduled date for carrying out such Programmed Maintenance or Lifecycle Replacement, which notice shall set out the time and/or periods at or during which the Authority requires the Programmed Maintenance or Lifecycle Replacement to be performed. Project Co shall notify the Authority of the amount of any additional reasonable costs which it will incur as a direct consequence of such acceleration or deferment (the "**Estimated Increased Maintenance Costs**") within [five (5)] Business Days of the receipt of the written notice advising of the requirement for an acceleration or deferment of the Programmed Maintenance. The Authority shall, within a further period of [five (5)] Business Days following receipt by the Authority of notification of the amount of the Estimated Increased Maintenance Costs, at the Authority's option, either confirm or withdraw its request to accelerate or defer the Schedule of Programmed Maintenance. If the Authority does not respond within this [five (5)] Business Day period, the request shall be deemed to have been confirmed. The Authority shall reimburse Project Co the direct and reasonable costs actually incurred by Project Co as a consequence of such acceleration or deferment up to, but not exceeding, the amount of the Estimated Increased Maintenance Costs.

23.8 If, in circumstances other than an emergency, the need arises for Maintenance Works or Lifecycle Replacement (excluding any works of a *de minimis* nature in respect of which the parties have agreed this Clause 23.8 (*Programmed and Unprogrammed Maintenance*)) shall not apply [and excluding works carried out for the purpose of Rectification, which shall take place in accordance with the provisions of Schedule 14 (*Payment Mechanism*)], which are not scheduled to be carried out as part of the Programmed Maintenance or Lifecycle Replacement ("**Unprogrammed Maintenance Work**"), Project Co shall not carry out any Unprogrammed Maintenance Work unless and until the Authority's Representative has approved the proposed commencement date, the proposed hours of work and estimated duration of the requisite Unprogrammed Maintenance Work in accordance with the provisions of paragraph 3.9 of Schedule 8 (*Review Procedure*). Nothing in this Clause 23.8 (*Programmed and Unprogrammed Maintenance*) (including any approval of the Authority pursuant to Schedule 8 (*Review Procedure*)) shall prevent the Authority from making any Deductions in calculating the Monthly Service Payments pursuant to the Payment Mechanism.

23.9 If, as a result of an emergency, the need arises for Unprogrammed Maintenance Work, Project Co may carry out such Unprogrammed Maintenance Work provided that Project Co shall notify the Authority's Representative and [relevant] Facility Representative and Facility Liaison Persons as soon as possible (and in any event within two (2) Business Days of the occurrence of the emergency) of the extent of the necessary Unprogrammed Maintenance Work and the reasons for them. Project Co shall take all reasonable steps to minimise the duration of such Unprogrammed Maintenance Work. Nothing in this Clause 23.9 (*Programmed and Unprogrammed Maintenance*) shall prevent the Authority from making any Deductions in calculating the Monthly Service Payments pursuant to the Payment Mechanism.

- 23.10 Where Programmed Maintenance or Lifecycle Replacement scheduled to be carried out in accordance with the Schedule of Programmed Maintenance has been deferred by the Authority's Representative under Clause 23.7 (*Programmed and Unprogrammed Maintenance*), Project Co shall not be treated as having failed to perform the relevant Service on account of the condition of the Facilities or any part of them from the time the Programmed Maintenance or Lifecycle Replacement was scheduled to have been completed until the time the deferred Programmed Maintenance or Lifecycle Replacement was scheduled to have been completed, but not afterwards, provided always, to avoid doubt, that Project Co shall not be relieved from the consequences of any failure to maintain the Facilities in respect of any period prior to the period for performing the particular work according to the Schedule of Programmed Maintenance.

5 Year Maintenance Plan

- 23.11 Project Co shall deliver to the Authority's Representative not less than [♦] Business Days prior to the Completion Date, and thereafter not less than [♦] Business Days prior to the commencement of each Academic Year the latest version of the 5 Year Maintenance Plan.
- 23.12 The Authority shall have a right to inspect the Facilities, the Maintenance Works and the Lifecycle Replacement to ensure that the Facilities are being maintained in accordance with the Service Level Specification and that the Facilities comply with the Authority's Construction Requirements and Project Co's Proposals throughout the Project Term. The Authority may appoint an independent third party for the purposes of carrying out any such inspection and shall make known the findings to Project Co and the Funders. The parties shall then meet to discuss any implications of such findings and any steps that are necessary to remedy any failure to comply with such obligations. Project Co shall (subject to Clause 34 (*Change Protocol*)) take into account such discussions in the next Schedule of Programmed Maintenance so that any failure to comply with such obligations shall be remedied.

Authority's Maintenance Obligations

- 23.13 The Authority shall be responsible for:
- 23.13.1 maintaining anything new that is provided by the Authority under a Derogated Low Value Change (excluding Assets which have been repaired or replaced by the Authority in accordance with Sections 2 (*Low Value Changes*) of Schedule 16 (*Change Protocol*)); and
 - 23.13.2 performing the maintenance obligations identified as its responsibility under the Interface Protocol.

Method Statements

- 23.14 Project Co shall ensure on a continuing basis that at all times its maintenance and operating procedures reflect its Method Statements and are carried out and remain sufficient to ensure that:

- 23.14.4 Project Co can deliver the Services in accordance with this Agreement (including the Service Level Specification).

Surveys

- 23.15 If the Authority reasonably believes that Project Co is in breach of its obligations under Clause 23.14 (*Method Statements*) and subject always to Schedule 18 (*Handback Procedure*), then it may carry out or procure the carrying out of a survey of the Facilities to assess whether the Facilities have been and are being maintained by Project Co in accordance with its obligations under Clause 23.14 (*Method Statements*). This right may not be exercised more than once every two (2) years.
- 23.16 The Authority shall notify Project Co in writing a minimum of ten (10) Business Days in advance of the date it wishes to carry out the survey. The Authority shall consider in good faith any reasonable request by Project Co for the survey to be carried out on a different date if such request is made at least five (5) Business Days prior to the notified date and Project Co (acting reasonably) is able to demonstrate that carrying out the survey on the notified date would materially prejudice Project Co's ability to provide the Services.
- 23.17 When carrying out any survey, the Authority shall use reasonable endeavours to minimise any disruption caused to the provision of the Services by Project Co. The cost of the survey, except where Clause 23.18 (*Surveys*) applies, shall be borne by the Authority. Project Co shall give the Authority (free of charge) any reasonable assistance required by the Authority from time to time during the carrying out of any survey.
- 23.18 If a survey shows that Project Co has not complied or is not complying with its obligations under Clause 23.14 (*Method Statements*), the Authority shall:
 - 23.18.1 notify Project Co of the standard that the condition of the Facilities should be in to comply with its obligations under Clause 23.14 (*Method Statements*) and this Agreement generally;

- 23.18.2 specify a reasonable period within which Project Co must carry out such rectification and/or maintenance work;
- 23.18.3 be entitled to be reimbursed by Project Co for the cost of the survey and any administrative costs incurred by the Authority in relation to the survey other than where the costs of the rectification and/or maintenance work are less than the costs of the survey in which case the cost of the survey shall be shared equally between the Authority and Project Co; and
- 23.18.4 Project Co shall carry out such rectification and/or maintenance work within the period specified by the Authority and any costs it incurs in carrying out such rectification and/or maintenance work shall be at its own expense.
- 23.19 In the event of any failure by Project Co to comply with Clause 23.18.4 (*Surveys*) or if the Authority is or becomes aware of a breach by Project Co of its obligations under Clause 23.18.4 (*Surveys*) then the Authority shall be entitled to exercise its right of access and remedy such breach. To the extent that the Authority performs any of the obligations of Project Co pursuant to this Clause 23.19 (*Surveys*), ("**Remedial Action**"), the Authority shall perform such Remedial Action to the same standard as would be required of Project Co under the terms of this Agreement and for so long as, and to the extent that the Remedial Action is taken, and this prevents Project Co from providing any part of the Services:
- 23.19.1 Project Co shall be relieved of its obligations to provide such part of the Services; and
- 23.19.2 in respect of the period in which the Authority is taking the Remedial Action, the Monthly Service Payments due from the Authority to Project Co shall equal the amounts Project Co would receive if it were satisfying all of its obligations and providing the Services affected by the Remedial Action in full over that period, less an amount equal to all of the costs incurred by the Authority in taking the Remedial Action (including, without limitation, an appropriate sum in respect of general staff costs and overheads).

24. LIFECYCLE REPLACEMENT

- 24.1 Project Co shall undertake Lifecycle Replacement at the Facilities in accordance with a Lifecycle Schedule which has been approved or not commented on by the Authority under the Review Procedure.
- 24.2 No later than forty (40) Business Days before each occasion on which any part of the Facilities is due for replacement (as identified in the Lifecycle Schedule), where Project Co does not believe it is necessary to undertake such replacement, Project Co shall submit to the Authority (under the Review Procedure) a written statement detailing:
- 24.2.1 the replacement(s) which the Lifecycle Schedule records as being due; and

- 24.2.2 why Project Co does not believe it is necessary to undertake such replacement having regard to the condition of the relevant part and Project Co's obligations under this Agreement.
- 24.3 If the Authority approves in accordance with the Review Procedure (or it is determined in accordance with the Dispute Resolution Procedure) that the replacement should be deferred, Project Co shall amend the Lifecycle Schedule to reflect such deferral.
- 24.4 Without prejudice to Clause 24.3 (*Lifecycle Replacement*) Project Co shall replace any items listed in the Lifecycle Schedule with parts of at least equivalent standard to those at the [relevant] [Actual Completion Date] [or in respect of Post Completion Works, the [relevant] Actual Post Completion Works Date] measured by reference to the standards set out in the Service Level Specification and the standards of the Equipment set out in [Project Co's Proposals and/or the Authority's Construction Requirements], measured in each case against the current standards for the relevant part so that as a minimum any replacement part should have an equivalent or greater anticipated lifespan at the same quality as the original part provided that nothing in this Clause 24.4 (*Lifecycle Replacement*) shall require the relevant elements of the Facilities to have a longer working life than required by [Appendix D] of the Service Level Specification.
- 24.5 In the event that Project Co fails to either:
- 24.5.1 replace any part of the Facilities by the date that it is due for replacement (as identified in the Lifecycle Schedule); or
- 24.5.2 comply with Clause 24.4 (*Lifecycle Replacement*),
- and such failure is not remedied within one (1) month of receipt of written notice by Project Co of such failure from the Authority, the Authority may remedy such failure itself and recover the cost from Project Co as a debt.

Lifecycle Profile and Spend

- 24.6 Project Co shall keep detailed records of the Lifecycle Replacement and Lifecycle Spend.
- 24.7 Project Co shall upon written request permit the Authority access to all Project Co's records, receipts, invoices, reports, drawings, technical specifications and performance logs relating to any Lifecycle Asset and Lifecycle Spend, so as to enable the Authority to obtain an accurate assessment of the figures quoted. Project Co shall provide all reasonable co-operation and assistance to the Authority to allow it access to such documents and information and shall in a bona fide manner respond promptly to all reasonable requests for further documents and information made by the Authority in respect of any Lifecycle Asset and the condition of the same and Lifecycle Spend.

- 24.8 At least [sixty (60)] Business Days prior to a Lifecycle Review Date, Project Co shall submit to the Authority a report containing:
- 24.8.1 a survey of the state and condition of the Facilities and Lifecycle Assets by comparison to Project Co's maintenance and lifecycle obligations under this Agreement;
 - 24.8.2 a revised projection for any alteration to anticipated replacement or renewal of Lifecycle Assets in respect of:
 - (a) the period from the relevant Lifecycle Review Date until the next Lifecycle Review Date; and
 - (b) the period from the relevant Lifecycle Review Date until the Expiry Date;
 - 24.8.3 confirmation of any differences between the Lifecycle Profile and Lifecycle Spend, and transactions that have taken place since the previous Lifecycle Review Date;
 - 24.8.4 confirmation of the Lifecycle Profile for the period up to the next Lifecycle Review Date;
 - 24.8.5 confirmation of the Lifecycle Profile from that Lifecycle Review Date to the Expiry Date;
 - 24.8.6 a summary of how Project Co has achieved the Lifecycle Efficiencies Plan in the period since the previous Lifecycle Review Date;
 - 24.8.7 details of Equipment to be replaced and commentary on how this has been determined with particular reference to any changes to the Authority Services which the Authority has made Project Co aware of, which mean that a like for like replacement of Equipment may not be appropriate or represent best value for money for the Authority,
- (to be referred to as the "**Lifecycle Report**").
- 24.9 On the Lifecycle Review Date, the parties shall discuss the contents of the Lifecycle Report, and Project Co shall make such revisions to the Lifecycle Report as the parties agree are necessary and supply the Authority with a copy of the same within twenty (20) Business Days of the Lifecycle Review Date.

25. BIENNIAL REVIEWS AND REPORTING

25.1 Biennial Reviews

- 25.1.1 Project Co shall work with the Authority to identify opportunities for improving the performance, efficiency and effectiveness of the Facilities and the Services. This shall be termed a "**Biennial Review**".
- 25.1.2 On the date falling two (2) years after the [Actual Completion Date] and every two (2) years thereafter, during the Operational Term (each a "**Contract Review Date**"), Project Co and the Authority shall conduct a Biennial Review in order to ensure that the Services and the Facilities are providing a suitable and cost effective solution for the Authority.
- 25.1.3 The Biennial Review shall include a meeting held between the Authority and Project Co, where both parties shall present their overview of the effectiveness of the Agreement. During each Biennial Review a discussion shall take place concerning the improvements to be made, and Project Co shall record the decisions taken.
- 25.1.4 Project Co shall produce a "**Biennial Review Report**" and submit this for review by the Authority no less than thirty (30) days prior to the relevant Contract Review Date.
- 25.1.5 The Biennial Review Report shall identify any activities undertaken by Project Co to improve the effectiveness of the Services, and any further opportunities for improvement of the Agreement through prospective changes in the Services, changes in the Authority Services, and/or behaviour or usage changes by either party; and it shall include as a minimum:
- (a) a trend analysis of performance against performance and availability standards over the years to date to identify areas of performance that can be improved, and steps taken by Project Co to address performance issues. Where the performance trend analysis identifies a deteriorating trend in performance, repeat failures, or significant failures that impact on the Authority, Project Co shall produce an action plan to identify how performance is to be improved;
 - (b) [a summary of energy consumption over the period since the last Biennial Review and identification of measures that may be taken to improve energy performance and efficiency;]
 - (c) a review of Programmed Maintenance and Unprogrammed Maintenance, in the form of a risk based maintenance analysis (in line with [ISO55000] requirements or equivalent);
 - (d) Not used

- (e) any alterations to the Facility which may lead to improvements in the performance and availability of the Facility and whether or not this may require capital expenditure on the part of the Authority;
- (f) a financial summary identifying the cost impact of all the efficiency improvement opportunities identified separated into:
 - (i) improvements that can be achieved without instigating a Change under Schedule 16 (*Change Protocol*) of the Agreement including changes made by changes in user behaviour and/or changes in Authority or Project Co working which would not require an Authority Change Notice; and
 - (ii) other changes to the Services, or the Facilities that can improve efficiency but which would require an Authority Change Notice.

25.1.6 Any proposed Change set out in a Biennial Review Report which is approved by the Authority shall be subject to Schedule 16 (*Change Protocol*).

25.2 **Provision of an Independent Biennial Review and Biennial Review Report**

25.2.1 Where Project Co fails to either provide the Biennial Review Report, or it is not to a standard acceptable to the Authority acting reasonably or the Authority has reasonable ground for questioning the accuracy of the analysis undertaken by Project Co, then the Authority may appoint suitable competent independent advisors to carry out an independent review and produce an independent Biennial Review Report.

25.2.2 Project Co shall cooperate fully with any independent advisors and provide access to systems, copies or reports and any relevant data to enable such independent advisors to complete their report.

25.2.3 The costs of the independent advisors shall be borne by Project Co.

26. **MONITORING OF PERFORMANCE**

Monitoring

26.1 In carrying out the Services, Project Co shall, and shall procure that all Project Co Parties and any other persons for whom it is responsible shall, comply with the provisions of Schedule 12 (*Service Requirements*).

- 26.2 Project Co shall be responsible for monitoring its performance of this Agreement during the Operational Term, in the manner and at the frequencies set out in Schedule 12 (*Service Requirements*). Project Co shall provide the Authority's Representative with relevant particulars of any aspects of its performance which fail to meet the requirements of this Agreement (unless otherwise notified in writing by the Authority). The Authority may at all reasonable times observe, inspect and satisfy itself as to the adequacy of the monitoring procedures (including without limitation carrying out sample checks).

Grounds for Warning Notices⁵⁶

- 26.3 If at any time during the Operational Term (other than by reason of Force Majeure, a Relief Event or an Emergency):
- 26.3.1 the total Deductions for any Contract Month amount to more than [♦] per cent of the Annual Service Charge for the current Contract Year; [or]
 - 26.3.2 the total Deductions in each of any [three (3)] Contract Months in any [six (6)] consecutive Contract Months amount to more than [♦] per cent of the Annual Service Charge for the current Contract Year;
 - 26.3.3 [the Facility Warning Threshold occurs in relation to the same Facility in any [♦] consecutive Contract Months or any [♦] Contract Months during any [twelve (12)] month period; or
 - 26.3.4 in any period of [♦] Contract Months an individual Facility has been Unavailable for [twenty (20)] days or more;]

the Authority's Representative may serve a Warning Notice on Project Co, provided always that, to give Project Co time to take appropriate rectification measures, the Authority's Representative shall not be entitled:

- (a) to serve more than one (1) Warning Notice in any Contract Month; or
- (b) to serve a Warning Notice in any two (2) consecutive Contract Months to the extent that the same event has contributed to the Authority's right to serve the Warning Notice, but provided that Project Co demonstrates to the Authority that it has taken all reasonable steps to remedy the cause of that event.

⁵⁶ The Template MIM Education PA Warning Notice triggers in respect of Deduction levels assume a single Facility.

Where the Project is a multi-facility Project, such as batched schools, it may be appropriate for the Authority to include Warning Notice triggers relevant to the level of Deductions applied in respect of an individual Facility in 26.3.3 and 26.3.4.

The warning notice regime is now triggered by the levels of Deductions being made from the Annual Service Charge. The trigger levels in this Clause need to be calibrated and to be consistent with that in Clause 40.1.9.

Warning Notices Disputes

- 26.4 If Project Co disputes that the Authority was or is entitled to serve a Warning Notice, Project Co may refer that dispute for determination under the Dispute Resolution Procedure. If, after the Authority's Representative issues a Warning Notice, the parties subsequently agree, or it is determined under the Dispute Resolution Procedure that the Warning Notice was served without justification, that Warning Notice shall be recalled or shall be cancelled and deemed not to have been served.

Authority's Remedial Rights

- 26.5 The provisions of Clauses 26.6 to 26.9 (*Authority's Remedial Rights*) (inclusive) shall apply if the Authority, acting reasonably, considers that it needs to take action in connection with the Services:

26.5.1 because of an immediate and serious threat to the health or safety of any user of the Facilities; or

26.5.2 to prevent or address material interruption in the provision of one or more of the Services; or

26.5.3 because of a risk of the ability of the Authority to provide the relevant Authority Services being prejudiced to a material degree.

- 26.6 If any of the circumstances set out in Clause 26.5 (*Authority's Remedial Rights*) arise (without prejudice to its rights under Clause 40 (*Project Co Event of Default*) or any other express rights under this Agreement) and the Authority wishes to take action (either by itself or by engaging others), the Authority shall notify Project Co in writing of the following:

26.6.1 the action it wishes to take;

26.6.2 the reason for such action;

26.6.3 the date it wishes to commence such action;

26.6.4 the time period which it believes will be necessary for such action; and

26.6.5 to the extent practicable, the effect on Project Co and its obligation to provide the Services during the period such action is being taken.

- 26.7 Following service of such notice, the Authority shall take such action as has been notified under Clause 26.6 (*Authority's Remedial Rights*) and any consequential additional action as it reasonably believes is necessary (together, the "**Required Action**") and Project Co shall give all reasonable assistance to the Authority while it is taking the Required Action. To the extent that the Authority performs any of the

obligations of Project Co hereunder or undertakes tasks that would otherwise be undertaken by Project Co pursuant to this Agreement, the Authority shall perform such obligations or undertake such tasks to the same standard as would be required of Project Co under the terms of this Agreement.

26.8 If the Required Action is taken other than as a result of a breach by Project Co of its obligations under this Agreement, then for so long as and to the extent that the Required Action is taken, and this prevents Project Co from providing any part of the Services:

26.8.1 Project Co shall be relieved from its obligations to provide such part of the Services; and

26.8.2 in respect of this period in which the Authority is taking the Required Action and provided that Project Co provides the Authority with reasonable assistance (such assistance to be at the expense of the Authority to the extent that additional costs are incurred), the Monthly Service Payments due from the Authority to Project Co shall equal the amounts that Project Co would receive if it were satisfying all of its obligations and providing the Services affected by the Required Action in full over that period and the Authority shall indemnify Project Co against all Direct Losses sustained by Project Co as a result of the Authority taking the Required Action.

26.9 If the Required Action is taken as a result of a breach by Project Co of its obligations under this Agreement, then for so long as and to the extent that the Required Action is taken, and this prevents Project Co from providing any part of the Services:

26.9.1 Project Co shall be relieved of its obligations to provide such part of the Services; and

26.9.2 in respect of the period in which the Authority is taking the Required Action, the Monthly Service Payments due from the Authority to Project Co shall equal the amounts Project Co would receive if it were satisfying all of its obligations and providing the Services affected by the Required Action in full over that period, less an amount equal to all of the costs incurred by the Authority in taking the Required Action (including, without limitation, an appropriate sum in respect of general staff costs and overheads).

Emergencies

26.10 If an Emergency arises during the Operational Term which cannot be dealt with by performance of the Services, the Authority may instruct Project Co to procure that such additional or alternative services are undertaken by Project Co as and when required by the Authority to ensure that the Emergency is dealt with and normal operation of the Facility resumes as soon as is reasonably practicable.

26.11 The net cost (if any) of any additional or alternative services provided by Project Co under Clause 26.10 (*Emergencies*) shall be borne by the Authority and paid in accordance with Clause 35 (*Payment*).

27. EMPLOYMENT MATTERS⁵⁷

Compliance with Law and Authority Policies

- 27.1 Project Co shall comply and shall procure that each Service Provider and all persons employed or engaged by a Service Provider in connection with the provision of any Service shall comply at all times with the Law on health and safety at work and on anti-discrimination and equal opportunities.
- 27.2 Project Co shall procure that each Service Provider takes all reasonable steps to procure that all persons including any employed or engaged by a Service Provider in connection with the provision of any Service shall, so far as applicable, comply with the Authority Policies as regards health and safety at work (including the Authority Policy regarding smoking) and with those relating to anti-discrimination and equal opportunities (including those relating to harassment). Project Co also shall take and shall procure that every Service Provider shall take all such steps as the Authority may reasonably require, which shall include co-operation with action proposed or taken by the Authority, to ensure that the Authority complies with its duty under Section 3(1) Health and Safety at Work Act 1974 regarding the conduct of the undertaking of the Authority.

Project Co Indemnities

- 27.3 Project Co shall indemnify and keep indemnified in full the Authority and, at the Authority's request, each and every service provider who has or shall provide any service equivalent to any of the Services against:
- 27.3.1 claims in respect of all emoluments and all other contractual or statutory payments unpaid by Project Co or a Service Provider to any person entitled to such payments from Project Co or a Service Provider who is or has been employed or engaged by Project Co or any Service Provider in connection with the provision of any of the Services which relate to any period of employment or engagement with Project Co or any Service Provider on or after the Relevant Service Transfer Date but on or prior to the date of expiry or termination of this Agreement, and all income tax (or any tax replacing it) and pension and national insurance contributions payable thereon; and
- 27.3.2 insofar as Clause 27.3.1 does not apply, all Direct Losses incurred by the Authority as a result of any claim against the Authority in respect of any liability to any person who is or has been employed or engaged (whether as a consequence of the Transfer Regulations or of the provisions of this Clause 27 (*Employment Matters*)) by Project Co or any Service Provider in connection with the provision of any of the Services, where such claim arises as a result of any act or omission of Project Co or the Service Provider occurring after the Relevant Service Transfer Date and before the expiry or termination of this Agreement;

⁵⁷ Clause 27 (*Employment Matters*) contains drafting for projects that envisage no staff transfers. Alternative drafting for projects where staff transfers would or could occur is available from Welsh Government.

provided the indemnities in Clauses 27.3.1 and 27.3.2 shall not apply to the extent that the claim arises from a wrongful act or omission of the Authority or is in respect of sums for which the Authority is liable pursuant to Clause 27.11 (*No Employee Transfer*).

- 27.4 Clause 49.3 (*Conduct of Claims*) of this Agreement shall apply where any claim is made in respect of the indemnities given by Project Co under Clause 27.3 (*Project Co Indemnities*).

Position on expiry or earlier termination of this Agreement

- 27.5 On the expiry or earlier termination of this Agreement, the Authority and Project Co agree that it is their intention that the Transfer Regulations shall apply in respect of the provision thereafter of any service equivalent to a Service but the position shall be determined in accordance with the Law at the date of expiry or termination as the case may be and this Clause 27 (*Employment Matters*) is without prejudice to such determination.

- 27.6 Project Co shall not and shall procure that no Service Provider shall make any material change to the terms and conditions of employment of any person employed in the provision of any Service, transfer any person employed in the provision of any Service to another part of its business, or materially increase or decrease the number of such persons:

27.6.1 within the period of twelve (12) months immediately preceding the expiry of this Agreement, or

27.6.2 within the period of twelve (12) months before the termination of this Agreement or, if shorter, during the period of notice of termination

without the Authority's consent (which shall not be unreasonably withheld), except if such change is required by Law.

- 27.7 If the Transfer Regulations do not apply on the expiry or earlier termination of this Agreement, the Authority shall ensure that each new provider of a service equivalent to a Service on or after the expiry or earlier termination of this Agreement (including the Authority) shall offer employment to the persons employed by Project Co or a Service Provider in the provision of the Service immediately before the expiry or earlier termination of this Agreement and shall indemnify Project Co or a Service Provider for Direct Losses any of them may suffer or incur as a result of its failure to do so, and for any costs, claims or liabilities for redundancy payments (whether statutory or contractual).

- 27.8 If an offer of employment is made in accordance with Clause 27.7 (*Position on expiry or earlier termination of this Agreement*) the employment shall be on the same terms and conditions as applied immediately before the expiry or earlier termination of this Agreement including full continuity of employment, except that the Authority or other new service provider may at its absolute discretion not offer such terms and conditions if there has been any change to the terms and conditions of the persons

concerned in breach of Clause 27.6 (*Position on expiry or earlier termination of this Agreement*).

- 27.9 Project Co shall⁵⁸:
- 27.9.1 comply with the Ethical Employment Code and any similar applicable schemes or codes of practice which apply to Project Co;
 - 27.9.2 encourage all Sub-Contractors to sign up to the Ethical Employment Code and any similar applicable schemes or codes of practice promoted by the Welsh Government; and
 - 27.9.3 ensure that the [Contractor and the Service Provider and] all Sub-Contractors who have signed up to the Ethical Employment Code comply with that code of practice and any similar applicable schemes or codes of practice which apply to that Sub-Contractor.

No Employee Transfer

- 27.10 The Authority and Project Co agree that there are no individuals presently employed by the Authority [or any other sub-contractor of the Authority]⁵⁹ whose contracts of employment will, by virtue of the transfer to Project Co of responsibility for provision of (or procuring the provision by Service Providers of) any of the Services in accordance with this Agreement and in accordance with the Transfer Regulations, have effect after the date or dates of such transfer as agreed by the parties (each a "**Relevant Service Transfer Date**") (or at any other time) as if originally made between those persons and the relevant Service Provider.
- 27.11 If it is subsequently agreed or determined that there are persons presently employed by the Authority [or any other sub-contractor of the Authority]⁶⁰ whose contracts of employment do have effect after the Relevant Service Transfer Date as if originally made between those persons and the relevant Service Provider ("**Transferring Staff**") then:
- 27.11.1 the Authority shall within ten (10) Business Days of the date on which it was so agreed or determined have the opportunity to offer or procure the offer of a position as an employee of the Authority to some or all of the Transferring Staff;
 - 27.11.2 Project Co shall procure that no person to whom the Authority has offered a position in accordance with Clause 27.11.1 shall be dismissed by reason of redundancy until the period⁶¹ for acceptance of such offer has expired and the person in question has not accepted such offer; and

⁵⁸ Where the Contractor and/or the Service Provider has signed up to the Welsh Government's Code of Practice - Ethical Employment and Supply Chains, compliance with the code shall be mandatory.

⁵⁹ Applicable where the Authority is a local authority.

⁶⁰ Applicable where the Authority is a local authority.

⁶¹ Time period to be agreed on a project by project basis.

27.11.3 subject to Clauses 27.11.1 and 27.11.2, Project Co or any Service Provider shall be entitled to dismiss any or all of the Transferring Staff by reason of redundancy provided that Project Co shall use and shall procure that any Service Provider shall carry out in the required manner any obligation to consult with the Transferring Staff or any of them, or their respective representatives, and shall use all reasonable endeavours to mitigate the amount of any costs payable in respect of the Transferring Staff or their dismissal.

The Authority shall indemnify Project Co against any costs referred to in Clause 27.11.3 reasonably incurred by Project Co (or by a relevant Service Provider and for which Project Co is responsible) and shall reimburse any costs reasonably and properly incurred by Project Co or the Service Provider in employing any Transferring Staff prior to the expiry of the period referred to in Clause 27.11.2.

27.12 Following the expiry or earlier termination of this Agreement, the Authority shall indemnify Project Co (for itself and for the benefit of each Service Provider) in respect of those employees employed in the provision of any Service against all Direct Losses incurred by Project Co or any Service Provider in connection with or as a result of any failure by the Authority or any new provider of a service equivalent to a Service to comply with its obligations under Regulation 13(4) of the Transfer Regulations as if such legislation applied, even if it does not in fact so apply, save to the extent that any such failure arises as a result of any act or omission of Project Co or any relevant Service Provider.

28. SITE SECURITY AND PERSONNEL ISSUES

Access

- 28.1 The Authority shall have the right to refuse admittance to, or order the removal from, the Facilities of any person employed by (or acting on behalf of) Project Co, any Project Co Party or any sub-contractor whose presence, in the reasonable opinion of the Authority, is likely to have a material adverse effect on the provision by the Authority of the relevant Authority Services at the Facilities or who is not a fit and proper person to be in the Facilities.⁶²
- 28.2 Action taken under Clause 28.1 (*Access*) shall forthwith be confirmed in writing by the Authority to Project Co and, to avoid doubt, shall not relieve Project Co of any of its obligations under this Agreement.
- 28.3 If and when so directed in writing by the Authority, Project Co shall within twenty (20) Business Days provide a list of the names and addresses of all persons it expects may require admission in connection with this Agreement, to any premises occupied by the Authority, specifying the capacities in which those persons are concerned with this Agreement and giving such other particulars as the Authority may reasonably require.

⁶² The Template MIM Education PA assumes the Project is a stand-alone development and not part of a larger site and therefore the Authority's rights here apply in relation to the Facilities only. Authorities should refer to any other relevant areas (e.g. existing premises from which the Authority operates) as necessary on a project specific basis.

- 28.4 The decision of the Authority as to whether any person is to be refused admission shall be final and conclusive.

Authority Policies⁶³

- 28.5 Project Co shall, and shall procure that all Project Co Parties shall, comply at all times with the Authority Policies (in so far as relevant to the Project Operations).
- 28.6 The Authority shall notify Project Co of any proposed change to the Authority Policies as soon as practicable (and, in any event, prior to such change taking effect) and consult with Project Co. Subject to Clause 28.7 (*Authority Policies*), such change shall take effect as a Change in accordance with Schedule 16 (*Change Protocol*).
- 28.7 The Authority may, at its sole option, notify Project Co that Project Co shall not be obliged to comply with any change to any Authority Policy and that Project Co should continue to comply with the relevant Authority Policy prior to any change in which case such change shall not take effect as a Change in accordance with Schedule 16 (*Change Protocol*).

Convictions and Disciplinary Action

- 28.8 Project Co (to the extent permitted by Law) shall subject to paragraph [1.9.3] of the Service Level Specification procure that all potential staff or persons performing any of the [Project Operations]⁶⁴ who may reasonably be expected in the course of their employment or engagement to have access to children[, the elderly] and/or vulnerable adults⁶⁵:
- 28.8.1 are questioned concerning their Convictions; and
- 28.8.2 Project Co, the Contractor and/or the Service Provider obtains a check of the most extensive available kind made with the Disclosure and Barring Service of such persons.
- 28.9 Project Co shall procure that no person who may reasonably be expected in the course of their employment or engagement to have access to children[, the elderly] and/or vulnerable adults, who discloses any Convictions, or who appears on a Barred List following the results of a Disclosure and Barring Service check, in either case of which Project Co, the Contractor or a Service Provider is aware or ought to be aware is employed or engaged in the provision of the [Project Operations] without

⁶³ The Template MIM Education PA assumes Authority Policies will include any relevant rules, regulations and requirements of the Authority relating to the conduct of staff (including those in respect of security arrangements).

⁶⁴ The following drafting should be inserted after the words "performing any of the Project Operations" where staff transfers are envisaged:

"other than transferring Authority employees (as confirmed by the Authority whose duties do not thereafter change so that they may reasonably be expected to have access to children, the elderly and/or vulnerable adults in the course of their employment or engagement)"

⁶⁵ Project specific tailoring required in this Clause 28 and the Access to Work Protocol in Schedule 34 to refer to the relevant user group.

the Authority's prior written consent (such consent not to be unreasonably withheld or delayed).

- 28.10 Subject always to having the prior written consent of the relevant individual, Project Co shall procure that the Authority is kept advised at all times of any person employed or engaged by Project Co, the Contractor or any Service Provider in the provision of any of the Project Operations who may reasonably be expected in the course of their employment or engagement to have access to children[, the elderly] and/or vulnerable adults and who, subsequent to his/her commencement of such employment or engagement, receives a Conviction of which Project Co, the Contractor or a Service Provider becomes aware or whose previous Convictions become known to Project Co, the Contractor or a Service Provider. The Authority shall have the right to refuse admittance to, or require the removal of such person(s). Project Co shall procure the immediate removal of those person(s) from the Facilities either:
- 28.10.1 at the Authority's request (where the relevant information has been provided to the Authority); and,
- 28.10.2 in all cases where the relevant information has not been provided to the Authority.
- 28.11 The Authority's Representative (acting reasonably) may instruct Project Co to procure that appropriate disciplinary action is taken against any employee of Project Co or any Sub-Contractor (in accordance with the terms and conditions of employment of the employee concerned) who misconducts himself or is incompetent or negligent in his duties or whose presence or conduct on [the]/[a] Site or at work is otherwise considered by the Authority's Representative (acting reasonably) to be undesirable. The Authority shall co-operate with any such disciplinary proceedings and shall be advised in writing by Project Co of the outcome.
- 28.12 Project Co shall procure that there are set up and maintained, by it and by all Service Providers, personnel policies and procedures covering all relevant matters (including discipline, grievance, equal opportunities and health and safety). Project Co shall procure that the terms and the implementation of such policies and procedures comply with Law and Good Industry Practice and that they are published in written form and that copies of them (and any revisions and amendments to them) are forthwith issued to the Authority.⁶⁶
- 28.13 In the event that Project Co is notified at any time that any person employed or engaged by Project Co or a Project Co Party in carrying out the Project Operations and who may reasonably be expected in the course of their employment or engagement to have access to children[, the elderly] and/or vulnerable adults is included on a Barred List, is a barred person, is subject to verification procedures by the Disclosure and Barring Service or, is making representations to the Disclosure and Barring Service (pursuant to the Safeguarding Vulnerable Groups Act 2006), then save where the Authority's consent is obtained pursuant to Clause 28.9, it shall immediately remove or procure the removal of that person or persons from the Facilities and shall not permit their return to the Facilities in the course of

⁶⁶ Authorities should note the procedures in Clause 28.12 will be governed by Data Protection Laws. To the extent that the Authority envisages receiving information concerning Project Co employees, the Agreement will need to oblige Project Co to include a relevant clause in the contract of employment of the relevant employees.

their employment or engagement for, without prejudice to the preceding provisions of this Clause, so long as such person is no longer on a Barred List, not a barred person and where relevant, verification procedures or representations have concluded with the Disclosure and Barring Service.

Management

- 28.14 Project Co shall consult with the Authority in relation to the selection procedure for Project Co's [Facility Manager, Facility Liaison Persons and Facility Helpdesk Co-ordinators] and in the case of the Facility Manager, such person shall not be appointed (or replaced) without the prior written consent of the Authority (such consent not to be unreasonably withheld or delayed).
- 28.15 Project Co shall provide, and shall procure that all Service Providers provide, to the Authority upon request details of their respective management organisations.

Lists and Records

- 28.16 Project Co shall procure that the Authority's Representative shall at all reasonable times have access to all material details in respect of all employees of Project Co or any Service Provider engaged in the provision of the Services including numbers and categories of staff employed to perform the Services and including in respect of each such employee:

28.16.1 details of qualifications; and

28.16.2 details of training undertaken by the employee.

Resources and Training

- 28.17 Project Co shall procure that:
- 28.17.1 there shall at all times be a sufficient number of staff (including all relevant grades of supervisory staff) engaged in the provision of the Services with the requisite level of skill and experience. To avoid doubt, this obligation shall include ensuring that there are sufficient staff to cover periods of holiday, sickness, other absence, and anticipated and actual peaks in demand for each of the Services; and
- 28.17.2 all staff receive such training and supervision as is necessary to ensure the proper performance of this Agreement and compliance with all health and safety rules, procedures and requirements.⁶⁷

⁶⁷ The following proviso should be added at the end of Clause 28.17 where staff transfers are envisaged; "provided Project Co shall not be in breach of its obligations under this Clause 28.17 to the extent that such breach is caused or contributed to by the Authority failing to comply with its obligations under Clause 28.18."

The following Clause should be inserted where staff transfers are envisaged:

29. STOCKS CONSUMABLES, MATERIALS AND EQUIPMENT

Standards

- 29.1 All goods, equipment, consumables and materials which are to be used in the provision of the Services shall be of satisfactory quality.
- 29.2 Project Co shall ensure that the goods, equipment, consumables and materials used by it or any Sub-Contractor in connection with the provision of any of the Services (each as a distinct and separate obligation) are:
- 29.2.1 maintained in a safe, serviceable and clean condition in accordance with Good Industry Practice;

- 29.4.1 material damage to the Facilities;
 - 29.4.2 dust, noise or vibration constituting a nuisance to the owners and/or occupiers of any property adjoining or near to the Facilities; or

"28.18 The Authority agrees to permit and arrange for any person who in the event that he or she remains in the employment of the Authority as at the Relevant Service Transfer Date will be a transferring Authority employee to receive training and to make familiarisation visits to the Facilities (all as reasonably requested by Project Co and in such manner as to ensure that there is no material adverse effect on the operations of the Authority as a result of the same)."

⁶⁸ The drafting in Clause 29 places obligations on both parties, recognising that both parties may keep hazardous materials at the Facilities. The Authority should consider who is best placed to maintain the COSHH register[s] for the Facilities.

Where the Authority considers it appropriate, a carve-out may be provided in Clause 29.4 to cover the case of phased construction and handover for the Site[s].

29.4.3 the generation, accumulation or migration of any hazardous substance in an unlawful manner whether within or outside the Facilities,

and shall use all reasonable endeavours to ensure (by directions to staff and otherwise) that all materials, equipment or apparatus in or on the Facilities are operated so as to minimise noise and vibration likely to cause annoyance or disturbance and the unlawful generation or migration of any hazardous substance.

29.5 Project Co shall not bring in or on to (or keep or maintain in or on) the Facilities any hazardous materials or equipment without the prior written consent of the Authority and unless Project Co has complied with all relevant Law.

29.6 Without prejudice to the generality of its obligations, Project Co shall:

29.6.1 procure that all hazardous materials and equipment used, by it or by a Sub-Contractor or used on behalf of any of them, or stored, by it or by a Sub-Contractor or stored on behalf of any of them, on the Site[s] are kept in accordance with all relevant Law and Good Industry Practice, properly and securely labelled and stored, under appropriate supervision and used only by appropriately trained and competent staff; and

(a) prevent or counteract, to the satisfaction of the Authority's Representative, the unlawful emission of any such hazardous substance;

(b) avoid the unlawful discharge into any conducting media serving the Facilities of any hazardous substance;

(c) prevent the unlawful generation, accumulation or migration of any hazardous substance at or from the Facilities; and

(d) prevent any environmental claims arising or any circumstances arising likely to result in any environmental claims,

in so far as any such hazardous substance is, or should be, under the control of Project Co pursuant to this Agreement.

29.7 The Authority shall:

29.7.1 procure that all hazardous materials and equipment used, by it or by any Authority Party or used on behalf of any of them, or stored, by it or by any Authority Party or stored on behalf of any of them, on the Site[s] are kept in accordance with all relevant Law and Good Industry Practice, properly and securely labelled and stored, under appropriate supervision and used only by appropriately trained and competent staff; and

29.7.2 use all practicable and reasonable means to:

29.8.2 ensure that a copy of the [relevant] COSHH register is kept at the Facilities; and

29.8.3 ensure that a further copy of the [relevant] COSHH register is given to [Project Co] [the Authority] as often as it is changed.

29.10 If, in relation to the Works and prior to issue of the Certificate of Practical Completion [for the final Facility], Project Co does not:

29.10.1 [*insert target*] then Project Co shall pay to the Authority the sum of [*insert amount*] (indexed);

29.10.2 [*insert target*] then Project Co shall pay to the Authority the sum of [*insert amount*] (indexed);

29.10.4 provide the Authority with quarterly monitoring information in the form required using the Dashboard Template at the end of each quarter, commencing on the Commencement Date, and ending on the Certificate of Practical Completion [for the final Facility] (each a "**Quarterly Works Monitoring Date**") then Project Co shall pay to the Authority the sum of [five thousand pounds (£5,000)] (indexed);

29.12.4 provide the Authority with [annual] monitoring information in the form required using the Dashboard Template, at the end of the Contract Year falling after the commencement of the [first] Operational Term and each anniversary of such date thereafter (the "**Annual Operations Monitoring Date**") then on the occurrence of each such failure Project Co shall pay to the Authority the sum of [five thousand pounds (£5,000)] (indexed);

[provided that in each case the Authority has first served notice on Project Co notifying it of its non-compliance and (where remediable) Project Co has failed to remedy such non-compliance within [twenty (20)] Business Days of such notice. The parties shall endeavour to agree the contents of each annual monitoring report within [ten (10)] Business Days of each Annual Operations Monitoring Date in accordance with this Clause 29.12, failing which either party may refer the matter to the Dispute Resolution Procedure.]

- 29.13 The Authority's sole and exclusive remedy in respect of a breach of Clause [29.12.1 to 29.12.3] shall be the payments provided for in Clause [29.12.1 to 29.12.3], respectively and Project Co's maximum liability in this respect shall be [*insert amount*] (indexed).

- 29.14.2 In respect of each Contract Month following an Annual Operations Monitoring Date, such sums as are specified as being due to the Authority under that [annual] report submitted by Project Co to the Authority pursuant to Clause 29.12.4 (or such sums as are otherwise agreed or determined, in accordance with the Disputes Resolution Procedure, as being due and payable by Project Co) and which shall be included as a negative figure in the Monthly Invoice pursuant to Clause 35.2.1(c) (*Invoicing and Payment Arrangements*) and the terms of Clause 35.2.2 (*Invoicing and Payment Arrangements*) shall apply in respect of such Monthly Invoice.]

Sustainable Development

- 29.15 Project Co acknowledges that the Authority is subject to the Well-being of Future Generations Act and shall assist and cooperate with the Authority to facilitate the Authority's compliance with its obligation to carry out sustainable development.
- 29.16 Project Co further acknowledges that the information contained in or supplied in connection with Clauses 29.9 to 29.14 (*Community Benefits*) and Schedule 29 (*Community Benefits*) may be published in whole or in part and/or supplied by the Authority to a Relevant Authority, as the Authority in its sole discretion considers necessary for compliance with its obligations to supply, produce and/or publish information under the Well-being of Future Generations Act.
- 29.17 Where the Authority requests information from Project Co in connection with Project Co's obligations under this Agreement (including without limitation Clauses 29.9 to 29.14 (*Community Benefits*) and Schedule 29 (*Community Benefits*)) in relation to any duty or obligation on the Authority under the Well-being of Future Generations Act, Project Co shall supply such information as soon as possible and in any event within [♦] Business Days of receiving such request.

PART 7: DELAY EVENTS, RELIEF EVENTS AND FORCE MAJEURE

30. DELAY EVENTS AND COMPENSATION EVENTS ⁶⁹

- 30.1 If, at any time, Project Co becomes aware that there will be (or is likely to be) a delay in completion of the Works or that Project Co will be unable to provide the Services at the [relevant] Facility on the Completion Date [or Post Completion Works Date] [for that Facility], Project Co shall forthwith give notice to the Authority's Representative to that effect specifying the relevant delay or impediment. In relation to any such delay or impediment if the Authority's Representative is satisfied, or it is determined in accordance with Schedule 20 (*Dispute Resolution Procedure*), that such delay or impediment has arisen as a result of the occurrence of a Delay Event, then, subject to Clause 30.2 (*Delay Events and Compensation Events*) and Clause 30.15 (*Term Dates*), the Authority's Representative shall allow Project Co an extension of time equal to the delay or impediment caused by such Delay Event (taking into account reasonably foreseeable consequences of the Delay Event) and shall revise the [relevant] Completion Date, [the [relevant] ICT Handover Date] [and/or the [relevant] Post Completion Works Date (as appropriate)] accordingly but to avoid doubt, there shall be no extension to the Project Term as a result of any such delay or impediment.
- 30.2 Notwithstanding any other provision in this Agreement, if Project Co is (or claims to be) affected by a Delay Event and/ or a Compensation Event:
- 30.2.1 it shall (and shall procure that the Project Co Parties shall) take and continue to take all reasonable steps to eliminate or mitigate the consequences of such an event upon the performance of its obligations under this Agreement and, where relevant, resume performance of its obligations affected by the Delay Event and/ or Compensation Event as soon as practicable; and
- 30.2.2 it shall neither be relieved from liability under this Agreement nor entitled to any extension of time for the purpose of Clause 30 (*Delay Events and Compensation Events*) to the extent that it is delayed or impeded due to its failure (if any) to comply with its obligations under Clause 30.2.1 above.
- 30.3 For the purposes of this Agreement, a Delay Event means any of the following to the extent in each case that there will be (or is likely to be) a delay to [satisfaction of the [relevant] ICT Handover Requirements or,] completion of the relevant [Main] Works [or the [relevant] Post Completion Works (as applicable)]:
- 30.3.1 the occurrence of a Qualifying Change in relation to which it has been agreed or determined that the implementation of the Authority Change would delay the completion of the Facilities;⁷⁰

⁶⁹ Delay Events may apply after the original completion date. However, the Authority should be under no obligation to accept early completion where Project Co has completed prior to the revised completion date.

⁷⁰ The issue of an Authority Change Notice will not, in itself, give rise to a Delay Event as Project Co will be obliged to continue to carry out the Project Operations until such time as the Change is agreed. The Authority may wish to consider whether the Project Operations ought to be suspended whilst the Change process is ongoing e.g. to avoid abortive works and costs being incurred, in which case it would be appropriate to factor the time/cost implications of such suspension in Project Co's claim for a Delay Event and/ or Compensation Event.

- 30.3.2 any breach by the Authority and/or any Authority Party of any of the Authority's express obligations under this Agreement to the extent in each case that any such breach is not caused, or contributed to, by Project Co or any Project Co Party;
 - 30.3.3 the execution of works on the [relevant] Site not forming part of this Agreement by the Authority or any contractors employed by the Authority;
 - 30.3.4 opening up of the Works pursuant to Clauses 13.3 to 13.7 (*Right to Open Up*) (inclusive) where such Works are not subsequently found to be defective (unless it is agreed or determined in accordance with Schedule 20 (*Dispute Resolution Procedure*) that the opening up of the Works was reasonable in the light of other Defects previously discovered by the Authority);
 - 30.3.5 Force Majeure;
 - 30.3.6 a Relief Event;
 - 30.3.7 a Relevant Change in Law referred to in Clause 33.3.1 (*Relevant Changes in Law*) and Clause 33.3.2 (*Relevant Changes in Law*);
 - 30.3.8 [the occurrence of circumstances deemed to be a Delay Event pursuant to Clause 10.4 (*[Responsibility for Ground Conditions and Contamination]*);⁷¹
 - 30.3.9 [a Further Asbestos Delay];⁷²
 - 30.3.10 [the occurrence of circumstances deemed to be a Delay Event pursuant to Clause 11.4.3 (a) (*[Judicial Proceedings]*); [or]⁷³
 - 30.3.11 the occurrence of circumstances deemed to be a Delay Event pursuant to Clause 14.10.5 (*[Unavailability of Existing Facilities]*).
- 30.4 Without prejudice to the generality of Clause 30 (*Delay Events and Compensation Events*), Project Co shall give notice in writing to the Authority's Representative as soon as it (or the Contractor) can reasonably foresee a Delay Event and/ or a Compensation Event (as applicable) occurring or, if the same is not reasonably foreseeable, as soon as it (or the Contractor) shall become aware of a Delay Event and/or a Compensation Event (as applicable). Project Co shall within ten (10)

⁷¹ Include where Clauses 10.3 and 10.4 are used.

⁷² Include where Clauses 10.5 to 10.14 are used.

⁷³ Include where Clause 11.4 is used.

Business Days after such notification, give further written details to the Authority's Representative which shall include:

- 30.4.1 a statement of which Delay Event and/or Compensation Event the claim is based upon;
 - 30.4.2 details of the circumstances from which the Delay Event and/ or Compensation Event arises;
 - 30.4.3 details of the contemporary records which Project Co will maintain to substantiate its claim;
 - 30.4.4 details of the consequences (whether direct or indirect, financial or non-financial) which such Delay Event and/ or Compensation Event may have upon completion of the [relevant] Facilities [the Main Works] [, the achievement of the ICT Handover Requirements] [and/or completion of the Post Completion Works if relevant];
 - 30.4.5 details of any measures which Project Co proposes to adopt to mitigate the consequences of such Delay Event and/ or Compensation Event; and
 - 30.4.6 details of any relief from its obligations under this Agreement that Project Co considers is reasonably required as a consequence of a Compensation Event including:
 - (a) a detailed description of the obligations from which relief is requested and the extent and duration of the requested relief;
 - (b) an explanation of why Project Co considers that the Compensation Event has or will result in a breach of Project Co's obligations would be reasonable in the circumstances; and
 - (c) the likely impact on Project Co and/or the Project in the event that Project Co is not relieved from such obligations under the this Agreement.
- 30.5 As soon as possible but in any event within five (5) Business Days of Project Co (or the Contractor) receiving, or becoming aware of, any supplemental information which may further substantiate or support Project Co's claim then, other than in respect of:
- 30.5.1 a Delay Event where the [relevant] Completion Date[, ICT Handover Date] [and/or [a/the] Post Completion Works Date if relevant] has already been revised pursuant to Clause 30.7 (*Delay Events and Compensation Events*); or

30.5.2 a Compensation Event where Project Co has already been compensated pursuant to Clause 30.14 and has (where relevant) been granted such relief from its obligations under this Agreement as is reasonable for such Compensation Event,

Project Co shall submit further particulars based on such information to the Authority's Representative.

30.6 The Authority's Representative shall, after receipt of written details under Clause 30.4 (*Delay Events and Compensation Events*), or of further particulars under Clause 30.5 (*Delay Events and Compensation Events*), be entitled by notice in writing to require Project Co to provide such further supporting particulars as he may reasonably consider necessary. Project Co shall afford the Authority's Representative reasonable facilities for investigating the validity of Project Co's claim including, without limitation, onsite inspection.

30.7 Subject to the provisions of this Clause 30 (*Delay Events and Compensation Events*), the Authority's Representative shall:

30.7.1 in respect of a Delay Event, revise the [relevant] Completion Date[, ICT Handover Date] [and/or the [relevant] Post Completion Works Date (as appropriate)] in accordance with Clause 30.1 (*Delay Events and Compensation Events*); and

30.7.2 in respect of a Compensation Event give Project Co such relief from its obligations under this Agreement as is reasonable for such Compensation Event,

as soon as reasonably practicable and in any event within five (5) Business Days of the later of:

(a) the date of receipt by the Authority's Representative of Project Co's notice given in accordance with Clause 30.4 (*Delay Events and Compensation Events*) and the date of receipt of any further particulars (if such are required under Clause 30.6 (*Delay Events and Compensation Events*)), whichever is the later; and

(b) the date of receipt by the Authority's Representative of any supplemental information supplied by Project Co in accordance with Clause 30.5 (*Delay Events and Compensation Events*) and the date of receipt of any further particulars (if such are required under Clause 30.6 (*Delay Events and Compensation Events*)), whichever is the later.

30.8 If Project Co has failed to comply with the requirements as to the giving of notice under Clause 30.4 (*Delay Events and Compensation Events*), or has failed to maintain records or afford facilities for inspection to the Authority's Representative, then:

30.8.1 in respect of a Delay Event, Project Co shall not be entitled to any extension of time (and the [relevant] Completion Date[, ICT Handover Date] [and/or the [relevant] Post Completion Works Date] shall not be revised); and

30.8.2 in respect of a Compensation Event, Project Co shall not be entitled to any compensation or relief from its obligations under this Agreement,

in respect of any period of delay by Project Co in giving notice or providing information under Clause 30.4 (*Delay Events and Compensation Events*) and/or to the extent that its failure to maintain records or afford facilities for inspection to the Authority's Representative has prevented the Authority's Representative from assessing the consequences of the Delay Event and/or Compensation Event, as applicable.

30.9 If:

30.9.1 in respect of a Delay Event, the Authority's Representative declines to fix a revised Completion Date[, ICT Handover Date] [and/or Post Completion Works Date (as relevant)]; or

30.9.2 Project Co considers that a different Completion Date[, ICT Handover Date] [and/or Post Completion Works Date] should be fixed; or

30.9.3 there is a disagreement as to whether a Delay Event has occurred; or

30.9.4 the parties cannot agree the extent of any relief from Project Co's obligations under this Agreement in respect of a Compensation Event,

then Project Co shall be entitled to refer the matter for determination in accordance with Schedule 20 (*Dispute Resolution Procedure*).

Compensation

30.10 If a Compensation Event occurs Project Co's sole right to compensation shall be as provided for in Clauses 30.12 to 30.14 (*Compensation*) inclusive. To avoid doubt, no other Delay Event shall entitle Project Co to receive any compensation save as otherwise expressly provided in:

30.10.1 Schedule 16 (*Change Protocol*) in the case of a Delay Event referred to in Clause 30.3.1 (*Delay Events and Compensation Events*) (subject always to the provisions of Clause 33 (*Changes in Law*)); or

30.10.2 Clause 33 (*Changes in Law*) in the case of a Delay Event referred to in Clause 30.3.7 (*Delay Events and Compensation Events*).

- 30.11 For the purposes of Clause 30.10 (*Compensation*), a Compensation Event arises where Project Co has incurred a loss (including loss of revenue) and/ or expense as a direct result of any of the following circumstances arising prior to the Actual Completion Date for the [relevant] Facility [or in respect of the Post Completion Works (only) the Actual Post Completion Works Date]:
- 30.11.1 any breach by the Authority and/or any Authority Party of any of the Authority's express obligations under this Agreement to the extent in each case that any such breach is not caused, or contributed to, by Project Co or any Project Co Party;
 - 30.11.2 the execution of works on the [relevant] Site not forming part of this Agreement by the Authority or any contractors employed by the Authority;
 - 30.11.3 opening up of the Works pursuant to Clauses 13.3 to 13.7 (*Right to Open Up*) (inclusive) where such Works are not subsequently found to be defective (unless it is agreed or determined in accordance with Schedule 20 (*Dispute Resolution Procedure*) that the opening up of the Works was reasonable in the light of other Defects previously discovered by the Authority);
 - 30.11.4 [the occurrence of circumstances deemed to be a Compensation Event pursuant to Clause 10.4 (*[Responsibility for Ground Conditions and Contamination]*)];⁷⁴
 - 30.11.5 [a Further Asbestos Delay (provided that in calculating any compensation due to Project Co pursuant to Clause 30.12 (*Compensation*) there shall be no double counting with sums which are payable to Project Co pursuant to Clause 10.13 (*Asbestos*)];⁷⁵
 - 30.11.6 [the occurrence of circumstances deemed to be a Compensation Event pursuant to Clause 11.4.3 (b) (*[Judicial Proceedings]*)];⁷⁶ [or]⁷⁶
 - 30.11.7 the occurrence of circumstances deemed to be a Compensation Event pursuant to Clause 14.10.5 (*[Unavailability of Existing Facilities]*).
- 30.12 Subject to Clause 30.13 (*Compensation*), if it is agreed, or determined, that there has been a Compensation Event, and Project Co has incurred loss (including loss of revenue) and/or expense as a direct result of such Compensation Event, Project Co shall be entitled to such compensation as would place Project Co in no better or worse position than it would have been in had the relevant Compensation Event not occurred and (where relevant) such relief from its obligations under this Agreement as is reasonable for such Compensation Event (taking into account the reasonably foreseeable consequences of the Compensation Event). Project Co shall promptly provide the Authority's Representative with any additional information he may

⁷⁴ Include where Clauses 10.3 and 10.4 are used.

⁷⁵ Include where Clauses 10.5 to 10.14 are used.

⁷⁶ Include where Clause 11.4 is used.

require in order to determine the amount of such compensation and where applicable, the extent of relief from Project Co's obligations under this Agreement.

30.13 Notwithstanding any other provision in this Agreement, Project Co shall take all reasonable steps so as to minimise the loss and/or expense referred to in Clause 30.12 (*Compensation*) in relation to any Compensation Event and any compensation payable shall:

30.13.1 exclude any amounts incurred or to be incurred as a result of any failure of Project Co (or any Project Co Party) to comply with this Clause 30.13 (*Compensation*); and

30.13.2 be reduced by any amount which Project Co has recovered or will recover under any insurance policy (or would have recovered if it had complied with the requirements of this Agreement or of any policy of insurance required under this Agreement) which amount, to avoid doubt, shall not include any excess or deductibles or any amount over the maximum amount insured applicable to any such insurance policy.

30.14 The amount of any compensation due to Project Co under Clause 30.12 (*Compensation*) shall be agreed between the parties or, failing agreement, determined pursuant to Schedule 20 (*Dispute Resolution Procedure*) and such compensation shall be payable:

30.14.1 in respect of compensation for a Compensation Event to the extent resulting in Capital Expenditure being incurred, the Authority shall compensate Project Co for the actual Capital Expenditure incurred by Project Co within twenty (20) Business Days of its receipt of a written demand accompanied by a valid VAT invoice for the same by Project Co supported by all relevant information; and

30.14.2 in all other cases in accordance with Section 6 (*Changing the Financial Model*) of Schedule 16 (*Change Protocol*) as if a Relevant Event had taken place.

[Term Dates

30.15 The Authority agrees that when assessing the effect of any Delay Event for the purpose of Clause 30.7 (*Delay Events and Compensation Events*) and assessing the effect of any Compensation Event for the purpose of Clause 30.12 (*Compensation*), any delay to the achievement of a revised Completion Date[, ICT Handover Date] [and/or [a/the] Post Completion Works Date] [for a Facility] and/or any loss of revenue that may arise as a result of the operation of Clause 14.8 (*Handover Dates*) shall be taken into account provided that: the ICT Handover Date shall only ever move to the [twenty fifth (25th)] Business Day, and the Completion Date shall only ever move to the [fifth (5th)] Business Day, before the first day of a Term or half term (other than the summer half term).]⁷⁷

⁷⁷ See note at Clauses 14.6 to 14.8.

31.2 Subject to Clauses 31.3 (*Relief Events*) and 31.4 (*Mitigation*), no right of termination shall arise under this Agreement by reason of any failure by a party to perform any of its obligations under this Agreement to the extent that such failure to perform occurs because of the occurrence of a Relief Event (and, to avoid doubt, and without prejudice to Clause 31.9 (*Mitigation*), unless expressly stated to the contrary in this Agreement, it is acknowledged that all other rights and obligations of the parties under this Agreement remain unaffected by the occurrence of a Relief Event).

31.3 Without prejudice to Project Co's rights under Clause 30 (*Delay Events and Compensation Events*), Project Co shall only be relieved of its obligations under Clauses 12 (*The Design Construction and Commissioning Process*), 13 (*Right of Access of Authority's Representative*), 14 (*Programme and Dates for Completion*), 17 (*Pre-Completion Commissioning and Completion*) and 30 (*Delay Events and*

- 31.4.1 it shall take all reasonable steps to mitigate the consequences of such an event upon the performance of its obligations under this Agreement, resume performance of its obligations affected by the Relief Event as soon as practicable and use all reasonable endeavours to remedy its failure to perform; and
 - 31.4.2 it shall not be entitled to rely upon the relief afforded to it pursuant to Clause 31.2 (*Relief Events*) of this Agreement to the extent that it is not able to perform, or has not in fact performed, its obligations under this Agreement due to its failure (if any) to comply with its obligations under Clause 31.4.1 above.
- 31.5 The party claiming relief shall serve written notice on the other party within five (5) Business Days of it becoming aware of the relevant Relief Event. Such initial notice shall give sufficient details to identify the particular event claimed to be a Relief Event.
- 31.6 A subsequent written notice shall be served by the party claiming relief on the other party within a further five (5) Business Days of the notice referred to in Clause 31.5 (*Mitigation*) which shall contain such relevant information relating to the failure to perform (or delay in performing) as is available, including (without limitation) the effect of the Relief Event on the ability of the party to perform, the action being taken in accordance with Clause 31.4 (*Mitigation*), the date of the occurrence of the Relief Event and an estimate of the period of time required to overcome it (and/or its effects).
- 31.7 The party claiming relief shall notify the other as soon as the consequences of the Relief Event have ceased and of when performance of its affected obligations can be resumed.
- 31.8 If, following the issue of any notice referred to in Clause 31.6 (*Mitigation*), the party claiming relief receives or becomes aware of any further information relating to the Relief Event (and/or any failure to perform), it shall submit such further information to the other party as soon as reasonably possible.
- 31.9 To avoid doubt, and subject to any other express provision of this Agreement, the occurrence of a Relief Event shall not entitle Project Co to any compensation.

32.1 For the purposes of this Agreement, Force Majeure means any of the following events or circumstances:

32.1.1 war, civil war, armed conflict or terrorism; or

32.1.2 nuclear contamination unless in any case Project Co and/or any Project Co Party is the source or the cause of the contamination; or

32.1.3 chemical or biological contamination of the [relevant] Works and/or Facilities and/or Site from any of the events referred to in Clause 32.1.1 above; or

32.1.4 pressure waves caused by devices travelling at supersonic speeds,

which directly causes either party to be unable to comply with all or a material part of its obligations under this Agreement.

32.2 Subject to Clauses 32.3 and 32.4 (*Force Majeure*) the party claiming relief shall be relieved from liability under this Agreement to the extent that by reason of the Force Majeure it is not able to perform its obligations under this Agreement. For the avoidance of doubt (but without prejudice to Clause 41 (*Termination Resulting from Force Majeure*)) the Authority shall not be entitled to terminate this Agreement for a Project Co Event of Default if such Project Co Event of Default arises from an event of Force Majeure.

32.3 Where a party is (or claims to be) affected by an event of Force Majeure:

32.3.1 it shall take all reasonable steps to mitigate the consequences of such an event upon the performance of its obligations under this Agreement, resume performance of its obligations affected by the event of Force Majeure as soon as practicable and use all reasonable endeavours to remedy its failure to perform; and

32.3.2 it shall not be relieved from liability under this Agreement to the extent that it is not able to perform, or has not in fact performed, its obligations under this Agreement due to its failure (if any) to comply with its obligations under Clause 32.3.1.

32.4 Without prejudice to Project Co's rights under Clause 30 (*Delay Events and Compensation Events*), Project Co shall only be relieved from its obligations under Clauses 12 (*The Design Construction and Commissioning Process*), 13 (*Right of Access of Authority's Representative*), 14 (*Programme and Dates for Completion*) and 30 (*Delay Events and Compensation Events*) by Delay Events in accordance with Clause 30 (*Delay Events and Compensation Events*).

- 32.5 The party claiming relief shall serve written notice on the other party within five (5) Business Days of it becoming aware of the relevant event of Force Majeure. Such initial notice shall give sufficient details to identify the particular event claimed to be an event of Force Majeure.
- 32.6 A subsequent written notice shall be served by the party claiming relief on the other party within a further five (5) Business Days which shall contain such relevant information relating to the failure to perform (or delay in performing) as is available, including (without limitation) the effect of the event of Force Majeure on the ability of the party to perform, the action being taken in accordance with Clause 32.3 (*Force Majeure*), the date of the occurrence of the event of Force Majeure and an estimate of the period of time required to overcome it (and/or its effects).
- 32.7 The party claiming relief shall notify the other as soon as the consequences of the event of Force Majeure have ceased and of when performance of its affected obligations can be resumed.
- 32.8 If, following the issue of any notice referred to in Clause 32.6 (*Force Majeure*), the party claiming relief receives or becomes aware of any further information relating to the event of Force Majeure (and/or any failure to perform), it shall submit such further information to the other party as soon as reasonably possible.
- 32.9 Nothing in this Clause 32 (*Force Majeure*) shall affect the Authority's entitlement to make Deductions in the period during which any event of Force Majeure is subsisting.
- 32.10 The parties shall endeavour to agree any modifications to this Agreement which may be equitable having regard to the nature of an event or events of Force Majeure. Schedule 20 (*Dispute Resolution Procedure*) shall not apply to a failure of the Authority and Project Co to reach agreement pursuant to this Clause 32.10 (*Force Majeure*).

Disaster Plan

- 32.11 The parties shall comply with the provisions of the Disaster Plan.

PART 8: CHANGES IN LAW & CHANGES

33. CHANGES IN LAW

General

33.1 Project Co shall take all steps necessary to ensure that the Project Operations are performed in accordance with the terms of this Agreement (including, without limitation, Clause 5.2.1) following any Change in Law.

Relevant Changes in Law

33.2 Subject to Clause 33.4.3(e) and Clause 33.4.3(f) and on the occurrence of any Relevant Change in Law, the parties shall be entitled to seek adjustments to the Annual Service Charge to compensate for any increase or decrease (as the case may be) in the net cost to Project Co of performing the Project Operations. Such adjustments (if any) will be calculated in accordance with and subject to Clause 33.4 (*Relevant Changes in Law*).

33.3 Relevant Change in Law means any of the following:

33.3.1 the occurrence of any Discriminatory Change in Law having an impact on the cost of performance of the Project Operations;

33.3.2 the occurrence of any Specific Change in Law having an impact on the cost of performance of the Project Operations; or

33.3.3 the occurrence, after the relevant date, of any Change in Law which requires any work of alteration, addition, demolition or extension or variation in the quality or function of the Facilities which is not Maintenance Work or Lifecycle Replacement or work which Project Co would otherwise be required to undertake to comply with its obligations under this Agreement. For the purposes of this Clause 33.3.3, the relevant date shall be:

(a) in respect of the [Main] Works the later to occur of the Completion Date and the Actual Completion Date [for a Facility], save where the Actual Completion Date is delayed by a Delay Event referred to in Clause 30.3.1 to Clause 30.3.4 or by a Delay Event referred to in Clause 30.3.7 to Clause 30.3.11, in which case the relevant date shall be the later to occur of the Completion Date and the date on which the Works would have been completed in accordance with this Agreement had the relevant Delay Event not occurred; and

(b) in respect of the Post Completion Works be the later to occur of the [relevant] Post Completion Works Date and the Actual Post Completion Works Date, save where the [relevant] Actual Post

Completion Works Date is delayed by a Delay Event referred to in Clause 30.3.1 to Clause 30.3.4 or by a Delay Event referred to in Clause 30.3.7 to Clause 30.3.11, in which case the relevant date shall be the later to occur of the [relevant] Post Completion Works Date and the date on which the [relevant] Post Completion Works would have been completed in accordance with this Agreement had the relevant Delay Event not occurred].

provided that in either case:

- (i) such Change in Law was not reasonably foreseeable at the date of this Agreement by an experienced contractor performing operations similar to the relevant Project Operations, on the basis of draft bills published in Government green or white papers or other Government departmental consultation papers, bills, draft statutory instruments or draft instruments or proposals published in the Official Journal of the European Union, in each case published:
 - (aa) prior to the date of this Agreement; and
 - (bb) in substantially the same form or having substantially the same effect as the Relevant Change in Law; and
- (ii) a Change in Law relating to the application for, coming into effect, terms, implementation, repeal, revocation or otherwise of any Planning Permission shall not constitute a Relevant Change in Law.

33.4 On the occurrence of a Relevant Change in Law:

- 33.4.1 either party may give notice to the other of the occurrence of the Relevant Change in Law;
- 33.4.2 the parties shall meet within fifteen (15) Business Days of the notice referred to in Clause 33.4.1 to consult and seek to agree the effect of the Relevant Change in Law. If the parties, within ten (10) Business Days of this meeting, have not agreed the occurrence or the effect of the Relevant Change in Law, either party may refer the question of whether a Relevant Change in Law has occurred or the effect of any Relevant Change in Law for resolution in accordance with Schedule 20 (*Dispute Resolution Procedure*); and
- 33.4.3 within ten (10) Business Days of the agreement or determination referred to in Clause 33.4.2 above, the Authority's Representative shall issue an

Authority Change Notice and the relevant provisions of Schedule 16 (*Change Protocol*) shall apply except that:

- (a) Project Co may give notice to the Authority's Representative that it objects to such an Authority Change Notice only on the grounds that the implementation of the Change would not give effect to or comply with the Relevant Change in Law;
- (b) the Authority shall (i) agree the implementation of the Low Value Change, or (ii) confirm the estimate for the Medium Value Change, or (iii) approve the High Value Change Stage 2 Submission, (as appropriate) in respect of the Change in accordance with the relevant provisions of Schedule 16 (*Change Protocol*);
- (c) the provisions of Clause 11 (*Consents and Planning Approval*) shall apply;
- (d) the Authority shall not be entitled to withdraw any Authority Change Notice or its agreement as to the implementation of the Low Value Change, confirmation of an estimate for the Medium Value Change or approval of a High Value Change Stage 2 Submission (as appropriate), issued in accordance with this Clause 33.4 (*Relevant Changes in Law*);
- (e) Project Co shall, without prejudice to its general obligation to comply with the terms of this Agreement:
 - (i) use all reasonable endeavours to mitigate the adverse effects of any Relevant Change in Law and take all reasonable steps to minimise any increase in costs arising from such Relevant Change in Law; and
 - (ii) use all reasonable endeavours to take advantage of any positive or beneficial effects of any Relevant Change in Law and take all reasonable steps to maximise any reduction in costs arising from such Relevant Change in Law; and
- (f) any compensation payable, or reduction to the Annual Service Charges, shall be calculated in accordance with the relevant provisions of Schedule 16 (*Change Protocol*) provided that:
 - (i) the amount of any compensation payable; or

- (ii) the amount by which the Annual Service Charge is to be reduced,

shall not take into account any amounts incurred or to be incurred as a result of Project Co's failure to comply with Clause 33.4.3(e) above.

General Change in Law

33.5 Either party may give notice to the other of the need for a Change which is necessary in order to enable Project Co to comply with any Change in Law which is not a Relevant Change in Law, in which event:

33.5.1 the parties shall meet within fifteen (15) Business Days to consult and seek to agree the effect of the Change in Law and any Change required as a consequence. If the parties, within ten (10) Business Days of this meeting, have not agreed the occurrence or the effect of the relevant Change in Law, either party may refer the question of whether a Change in Law has occurred or the effect of the Change in Law for resolution in accordance with Schedule 20 (*Dispute Resolution Procedure*); and

33.5.2 within ten (10) Business Days of the agreement or determination referred to in Clause 33.5.1 above the Authority's Representative shall, if it is agreed or determined that a Change is required in order to comply with the Change in Law, issue an Authority Change Notice and the relevant provisions of Schedule 16 (*Change Protocol*) shall apply except that:

- (a) Project Co may give notice to the Authority's Representative that it objects to such an Authority Change Notice only on the grounds that the implementation of the Change would not give effect to or comply with the Change in Law;
- (b) the Authority shall (i) agree the implementation of the Low Value Change; or (ii) confirm the estimate for the Medium Value Change; or (iii) approve the High Value Change Stage 2 Submission, (as appropriate) in respect of the Change in accordance with the relevant provisions of Schedule 16 (*Change Protocol*);
- (c) the provisions of Clause 11 (*Consents and Planning Approval*) shall apply;
- (d) the Authority shall not be entitled to withdraw any Authority Change Notice or its (i) agreement as to the implementation of the Low Value Change; or (ii) confirmation of an estimate for the Medium Value Change; or (iii) approval of a High Value Change Stage 2 Submission (as appropriate), issued in accordance with this Clause 33.5 (*General Change in Law*); and

- (e) Project Co shall not be entitled to any payment or other compensation or relief from any performance of its obligations under this Agreement in respect of such Change in Law or associated Change (or the consequences of either).

34. CHANGE PROTOCOL

The provisions of Schedule 16 (*Change Protocol*) shall have effect in respect of Changes except as otherwise expressly provided in this Agreement.

PART 9: FINANCIAL

35. PAYMENT⁷⁸

Service Payments

- 35.1 Project Co shall not be entitled to receive any Monthly Service Payments until [the Payment Commencement Date] [Payment Commencement Date 1]. Subject to the provisions of this Agreement, the Authority shall pay Project Co the Monthly Service Payments in respect of each Contract Month from [the Payment Commencement Date]/[Payment Commencement Date 1] in accordance with this Clause 35.1 (*Service Payments*) and the provisions of Schedule 14 (*Payment Mechanism*).

Invoicing and Payment Arrangements

- 35.2 The provisions of this Clause 35.2 (*Invoicing and Payment Arrangements*) apply to the issue of invoices in respect of the Monthly Service Payment by Project Co under this Agreement:

⁷⁸ Authorities are referred to Theme 14 (*Financing arrangements*) at Chapter 3 of EPEC/EUROSTAT's Guide.

Government financing (e.g. capital contributions, loans, equity, grants or financing guarantees) must not exceed 49% of the capital expenditure to be incurred for the construction of the MIM asset. However, **all** Authority/government financing must be considered in light of statistical treatment under EPEC/EUROSTAT's Guide.

Authorities must seek consent from the Welsh Government to any and all public financing proposals, at each stage of the New Project Approval Process under the SPA.

Where, for example, the Authority is considering a capital contribution to a project, this should be considered as part of the outline business case in both the affordability and value for money assessments. This will be relevant to statistical classification of the financing of the Project and will be considered in conjunction with, for example, equity in Project Co/Hold Co.

Other factors to be considered include:

- ensuring capital is reflected in value already delivered in the project (e.g. following the achievement of Actual Completion Date);
- under the "no-retendering procedure" adjustment should be made in respect of any outstanding capital contribution that has been committed by the Authority but is unpaid at that date;
- VAT status (especially if the capital contribution is funded by grant monies from a third party source); and/or
- if there is any re-scheduling of Senior Debt drawdown, Authority capital contributions should be withheld until the Authority is satisfied no drawdown of Senior Debt or equity is retired behind those of the Authority and that the ratio of private capital to Authority capital is not adversely affected.

If the Authority intends to make a capital contribution, it should use the drafting set out below.

"Capital Contributions

- 35.8 Subject to Clause 35.9 to 35.11, the Authority hereby agrees to make a capital contribution in the sum of [[♦] (£♦)] (the "Contribution") to Project Co in respect of [capital construction costs to be incurred by Project Co in relation to the Works (but excluding professional and administrative fees and other similar overheads)].
- 35.9 [The Contribution shall become due and payable by the Authority to Project Co on the later of (a) fifteen (15) Business Days after the Actual Completion Date, or (b) fifteen (15) Business Days after the Authority receives a valid invoice for the Contribution from Project Co.]
- 35.10 The ratio of private sector funding (including Senior Debt, [Junior Debt] and share capital) drawn down as compared with the Contribution made shall at all times be that determined from the [Base Case].
- 35.11 For the avoidance of doubt, the Contribution is exclusive of VAT and shall not be Indexed."

35.2.1 [On or before the fifth Business Day of each Contract Month Project Co shall submit to the Authority an invoice in the Agreed Form ("**Monthly Invoice**") aggregating the following:

- (a) the Monthly Service Payment for that Contract Month, calculated in accordance with Section 2 (*Calculation Of Service Payments*) of Schedule 14 (*Payment Mechanism*);
- (b) adjustments to reflect previous over-payments and/or under-payments (each adjustment stated separately);
- (c) any other amounts due by one party to the other (and where owed by Project Co showing as a negative figure);
- (d) any VAT payable in respect of the above amounts;
- (e) as a negative figure, in respect of the Monthly Invoice issued during the final Contract Month only, an amount equivalent to twice the monthly average of the Deductions incurred in the previous six (6) Contract Months ("**Estimated Deductions**"),⁷⁹

and setting out the date of the invoice, the due date for payment of the invoice and the account to which payment is to be made together with supporting information that clearly sets out the derivation and calculation of amounts referred to in the Monthly Invoice.]

35.2.2 Subject to Clauses 35.2.3 (*Invoicing and Payment Arrangements*) and 35.3 (*Manner of Payment*) and the submission of the supporting information referred to in Clause 35.2.1, where a Monthly Invoice shows a net amount owed by the Authority to Project Co, the Authority shall pay the amount of the Monthly Invoice on the later of the final Business Day of the Contract Month or the date falling fifteen (15) Business Days after receipt of the Monthly Invoice, together with delivery of a valid VAT invoice in respect thereof. Where a Monthly Invoice shows a net amount owed by Project Co to the Authority, Project Co shall pay that amount to the Authority on the later of the final Business Day of the Contract Month or the date falling fifteen (15) Business Days after the Monthly Invoice or, at the option of the Authority and subject to Section 3 of Schedule 14 (*Payment Mechanism*), carry forward that amount to the next Monthly Invoice to reduce amounts which would otherwise be owed by the Authority to Project Co.

35.2.3 Within ten (10) Business Days of the Expiry Date, Project Co shall provide to the Authority a Monthly Service Report in respect of the final two (2) Contract Months. If the Deductions incurred in the final two (2) Contract Months exceed the Estimated Deductions, Project Co shall pay to the Authority an amount equal to the excess within fifteen (15) Business Days

⁷⁹ Add a new limb (e) as follows, where staff transfers are envisaged:

"(e) any amounts owed to Project Co to take account of an Equal Pay Adjustment in accordance with Clause 27.26;"
And re-order the existing limb (e) as limb (f).

of receipt of an invoice therefor. If the Estimated Deductions exceed the Deductions incurred in the final two (2) Contract Months the Authority shall pay to Project Co an amount equal to the excess within fifteen (15) Business Days of receipt of an invoice therefor.

35.2.4 On or before the fifth Business Day of each Contract Month Project Co shall submit to the Authority a Monthly Service Report in respect of the immediately preceding Contract Month. The Monthly Service Report shall set out, in respect of the immediately preceding Contract Month:

- (a) details of each and the aggregate amount of all Deductions incurred in relation to Performance Failures;
- (b) details of each and the aggregate amount of all Deductions incurred in relation to Availability Failures;
- (c) other information detailed in paragraph 2 of Section 4 of Schedule 14 (*Payment Mechanism*).

35.2.5 The parties shall endeavour to agree the contents of a Monthly Service Report within ten (10) Business Days of its submission in accordance with Clause 35.2.4, failing which either party may refer the matter to the Dispute Resolution Procedure.

Manner of Payment⁸⁰

35.3 All invoices under this Agreement shall be raised in Pounds Sterling and the money of account and money of payment in respect of all payments, liabilities and claims (including any accrued rights) under this Agreement at any time shall remain denominated in Pounds Sterling. All payments under this Agreement shall be made in Pounds Sterling by [electronic transfer of funds for value on the day in question] to the bank account of the recipient (located in the United Kingdom) specified in the relevant invoice, quoting the invoice number against which payment is made.

Disputes

35.4 If the Authority (acting in good faith) disputes all or any part of the Monthly Service Payments or other amounts calculated in accordance with Clause 35.2 (*Invoicing and Payment Arrangements*), the undisputed amount of the Monthly Service Payment shall be paid by the Authority in accordance with Clause 35.2 (*Invoicing and Payment Arrangements*) and the provisions of this Clause 35.4 (*Disputes*) shall apply. The parties shall use all reasonable endeavours to resolve the dispute in question within ten (10) Business Days of the dispute arising. If they fail so to resolve it, either party may refer the matter to the Dispute Resolution Procedure. Following resolution of the dispute, any amount agreed or determined to have been payable shall be paid forthwith by the Authority to Project Co, together with interest on such amount calculated in accordance with Clause 35.5 (*Late Payments*).

⁸⁰ Project Co to specify the manner of payment.

Late Payments

- 35.5 Each party shall be entitled, without prejudice to any other right or remedy, to receive interest on any payment not duly made pursuant to the terms of this Agreement on the due date calculated from day to day at a rate per annum equal to the Default Interest Rate and including from the day after the date on which payment was due up to and including the date of payment.

Set-Off

- 35.6 Subject to Clause 46.11 (*Rights of Set-Off*), whenever any sum of money shall be agreed, or determined, as due and payable by Project Co to the Authority, such sum may at the Authority's discretion be deducted from or applied to reduce the amount of any sum then due, or which at any time afterwards may become due, to Project Co from the Authority under this Agreement provided that the Authority has given Project Co not less than five (5) Business Days' notice of its intention to deduct or apply such sum.
- 35.7 Whenever any sum of money shall be agreed, or determined, as due and payable by the Authority to Project Co, such sum may at Project Co's discretion be deducted from or applied to reduce the amount of any sum then due, or which at any time afterwards may become due, from Project Co to the Authority under this Agreement provided that Project Co has given the Authority not less than five (5) Business Days' notice of its intention to deduct or apply such sum.

36. VAT AND CONSTRUCTION INDUSTRY TAX DEDUCTION SCHEME

VAT

- 36.1 All amounts stated to be payable by either party under this Agreement shall be exclusive of any VAT properly chargeable on any amount.
- 36.2 Each party shall pay to the other party any VAT properly chargeable on any supply made to it under this Agreement provided that it shall first have received from the other party a valid tax invoice in respect of that supply which complies with the requirements of Part III Value Added Tax Regulations 1995.
- 36.3 If either party (referred to in this Clause 36 as the "**First Party**") shall consider that any VAT which the other party (referred to in this Clause 36 as the "**Second Party**") claims to be properly chargeable to the First Party in connection with this Agreement is not in fact properly so chargeable, the First Party shall be entitled to require the Second Party to obtain clearance from HM Revenue and Customs (or, if relevant, such other body as is charged at the time with the collection and management of VAT) as to the VAT (if any) properly so chargeable. The Second Party shall forthwith request HM Revenue and Customs for such clearance.

- 36.4 The following further provisions shall apply in respect of the application for clearance in accordance with Clause 36.3 (VAT):
- 36.4.1 prior to submitting its request for such clearance and any further communication to HM Revenue and Customs in connection with the obtaining of the clearance, the Second Party shall first obtain the agreement of the First Party to the contents of such request and any such further communication, such agreement not to be unreasonably withheld or delayed;
 - 36.4.2 the Second Party shall provide to the First Party copies of all communications received from HM Revenue and Customs in connection with the application for clearance as soon as practicable after receipt; and
 - 36.4.3 the Second Party shall use all reasonable endeavours (including without limitation the provision of such additional information as HM Revenue and Customs may require) to obtain such clearance as soon as reasonably practicable following the initial request.
- 36.5 If clearance is required by the First Party under Clause 36.3 (VAT), the First Party shall not be obliged to pay the VAT so claimed by the Second Party unless and until clearance is received from HM Revenue and Customs which states that a sum of VAT (the "**VAT Sum**") is properly so chargeable or HM Revenue and Customs state that they are not prepared to give any clearance on the matter. In this case, then subject to Clauses 36.6 (VAT) and 36.7 (VAT) and provided that the First Party shall first have received a valid tax invoice which complies with the requirements of Part III Value Added Tax Regulations 1995 and which states the VAT Sum to be the amount of VAT chargeable to the First Party, the First Party shall pay the VAT Sum (and any interest or penalties attributable to the VAT Sum) to the Second Party.
- 36.6 If the First Party disagrees with any clearance obtained pursuant to Clause 36.3 (VAT) by the Second Party from HM Revenue and Customs, then the Second Party (provided that it is indemnified to its reasonable satisfaction against all costs and expenses including interest and penalties which it may incur in relation thereto) shall take such action and give such information and assistance to the First Party as the First Party may require to challenge such clearance or otherwise to resist or avoid the imposition of VAT on the relevant supply.
- 36.7 The following further provisions shall apply if the First Party shall exercise its rights under Clause 36.6 (VAT):
- 36.7.1 the action which the First Party shall be entitled to require the Second Party to take shall include (without limitation) contesting any assessment to VAT or other relevant determination of HM Revenue and Customs before any tax tribunal or court of competent jurisdiction and appealing any judgement or decision of any such tribunal or court;

- 36.7.2 if the Second Party shall be required to pay to or deposit with HM Revenue and Customs a sum equal to the VAT assessed as a condition precedent to its pursuing any appeal, the First Party shall, at its election, either pay such sum to HM Revenue and Customs on behalf of the Second Party or on receipt of proof in a form reasonably satisfactory to the First Party that the Second Party has paid such sum to or deposited such sum with HM Revenue and Customs the First Party shall pay such sum to the Second Party;
- 36.7.3 save as specifically provided in Clause 36.5 (VAT), the First Party shall not be obliged to pay to the Second Party any sum in respect of the VAT in dispute to the Second Party or in respect of VAT on any further supplies made by the Second Party to the First Party which are of the same type and raise the same issues as the supplies which are the subject of the relevant dispute unless and until the final outcome of the relevant dispute is that it is either determined or agreed that VAT is properly chargeable on the relevant supply or supplies; and
- 36.7.4 the Second Party shall account to the First Party for any costs awarded to the Second Party on any appeal, for any sum paid to or deposited with HM Revenue and Customs in accordance with Clause 36.7.2 which is repayable to the Second Party and for any interest to which the Second Party is entitled in respect of such sums.

Changes in Recoverability of VAT

- 36.8 Subject to Clause 36.9 (*Changes in Recoverability of VAT*), if, following a Change in Law, Project Co becomes unable to recover VAT attributable to supplies to be made to the Authority by Project Co pursuant to this Agreement, the Authority shall ensure that Project Co is left in no better and no worse position than it would have been had such Change in Law not occurred (including but not limited to making such amendments to this Agreement as Project Co and the Authority shall agree acting reasonably), provided that Project Co shall use all reasonable endeavours to mitigate the adverse effects of any such Change in Law.
- 36.9 The provisions of Clause 36.8 (*Changes in Recoverability of VAT*) shall apply only if (and to the extent that) the Change in Law was not reasonably foreseeable at the date of this Agreement by an experienced contractor performing operations similar to the relevant Works on the basis of draft bills published in Government green or white papers or other Government departmental consultation papers, bills, draft statutory instruments or draft instruments or proposals published in the Official Journal of the European Union, in each case published:
- 36.9.1 prior to the date of this Agreement; and
- 36.9.2 in substantially the same form as the Change in Law.

Construction Industry Tax Deduction Scheme

36.10 This Clause 36.10 (*Construction Industry Tax Deduction Scheme*) relates to the Construction Industry Tax Deduction Scheme:

36.10.1 In this Clause 36.10 (*Construction Industry Tax Deduction Scheme*) (but not otherwise):

- (b) "**the Regulations**" means the Income Tax (Construction Industry Scheme) Regulations 2005 (SI 2005/2045);
- (c) "**the Legislation**" means Chapter 3 Part 3 of the Act and the Regulations, taken together;
- (d) "**Contractor**" means a person who is a contractor for the purposes of Chapter 3 Part 3 of the Act; and
- (e) "**sub-contractor**" means a person who is a sub-contractor for the purposes of Chapter 3 Part 3 of the Act.

36.10.2 Each of the Authority and Project Co shall comply with the Legislation.

36.10.3 If any payment due from the Authority to Project Co under this Agreement is a contract payment under section 60(1) of the Act, then the Authority, as Contractor, shall (not later than fifteen (15) Business Days before the first such payment is due to be made) verify, in accordance with Regulation 6 of the Regulations, whether the sub-contractor is registered for gross payment or for payment under deduction or is not registered under Chapter 3 Part 3 of the Act.

36.10.4 If any payment due from the Authority to Project Co under this Agreement is a contract payment under section 60(1) of the Act, then:

- (a) if Project Co is registered for gross payment under section 63(2) of the Act, the Authority shall make a payment to Project Co without any deduction;
- (b) if Project Co is not registered for gross payments under section 63(2) of the Act, the Authority shall make a payment to Project Co, subject to the deduction of the relevant percentage in accordance with section 61(1) of the Act, and thereupon Clause 36.10.6 below shall apply.

- 36.10.5 If any dispute arises between the Authority and Project Co as to whether any payment due by the Authority to Project Co under this Agreement is or is not a contract payment by virtue of the exemption in Regulation 23 of the Regulations, the parties will jointly apply to HM Revenue and Customs for a written clearance and until such clearance is received it shall be assumed that such payment is a contract payment and the provisions of Clause 36.10 (*Construction Industry Tax Deduction Scheme*) shall apply accordingly.
- 36.10.6 The Authority shall be entitled to make a deduction at the rate specified in section 61(1) of the Act or at such other rate as may be in force from time to time from the whole of any payment to Project Co (and not just that part of such payment which does not represent the direct cost to Project Co or any other person of materials used or to be used in carrying out the construction operations to which the relevant payment relates) unless prior to making such payment the Authority shall have received written confirmation from HM Revenue and Customs (obtained by and at the expense of Project Co) in a form which is reasonably satisfactory to the Authority directing the Authority to make the deduction against only a specified amount or proportion of any such payment to Project Co.
- 36.10.7 Where any error or omission has occurred in calculating or making any payment under this Clause 36.10 (*Construction Industry Tax Deduction Scheme*) then:
- (a) in the case of an over deduction, the Authority shall correct that error by repayment of the sum over deducted to Project Co; and
 - (b) in the case of an under deduction, Project Co shall correct that error or omission by repayment of the sum under deducted to the Authority.
- 36.10.8 The Authority shall send promptly to HM Revenue & Customs any returns required by the Legislation, and shall provide to Project Co a payment statement (where appropriate) and/or such other information as may be required by the Legislation in relation to any contract payment.
- 36.10.9 If compliance with this Clause 36.10 (*Construction Industry Tax Deduction Scheme*) involves the Authority or Project Co in not complying with any other of the terms of this Agreement, then the provisions of this Clause shall prevail.

37. FINANCIAL MODEL⁸¹

- 37.1 Unless otherwise agreed between the parties, any amendments to the Financial Model shall reflect, be consistent with and be made only in accordance with the provisions of this Agreement, and shall in all cases be subject to the prior written

⁸¹ The Welsh Government considers that parties ought to be able to safeguard their own copies of the base case financial model and any amended versions during the life of the Project. The Authority should ensure that it has suitable contract management arrangements in place for obtaining updates of the financial model, as well as arrangements for safeguarding these. The Authority will be required to supply the Welsh Government with a copy of the financial model at Financial Close and whenever it is amended.

37.2 Following any amendment of the Financial Model in accordance with this Agreement, Project Co shall promptly deliver a copy of the revised Financial Model to the Authority in the same form as the original form (or such other form as may be agreed by the parties from time to time).

40.6 Project Co shall reimburse the Authority for all reasonable costs incurred by the Authority in exercising any of its rights pursuant to this Clause 40 (*Project Co Event of Default*) (including, without limitation, any relevant increased administrative expenses). The Authority shall take reasonable steps to mitigate such costs.

- 43.4 Once a termination notice is served for a Persistent Breach, Project Co should not be entitled to any further rectification period, although the provisions of the Funders' Direct Agreement will still apply.

44. EXPIRY

This Agreement shall terminate automatically on the Expiry Date unless it shall have been terminated earlier in accordance with the provisions of this Agreement. To avoid doubt, Project Co shall not be entitled to any compensation for termination of this Agreement on the Expiry Date.

 - 45.3.1 if a Prohibited Act is committed by Project Co or by an employee of Project Co not acting independently of Project Co, then the Authority may terminate this Agreement with immediate effect by giving written notice to Project Co;

(a) the nature of the Prohibited Act;

(b) the identity of the party who the Authority believes has committed the Prohibited Act; and

46. COMPENSATION ON TERMINATION

- 46.1 If this Agreement is terminated pursuant to Clause 41 (*Termination Resulting from Force Majeure*), then the Authority shall pay compensation to Project Co in accordance with Section 3 (*Consequence of Termination for Force Majeure*) of Schedule 17 (*Compensation on Termination*).
- 46.2 If this Agreement is terminated pursuant to Clause 40 (*Project Co Event of Default*) or Clause 43 (*Termination for Persistent Breach by Project Co*) then the Authority shall pay compensation to Project Co in accordance with Section 2 (*Compensation on Project Co Default*) of Schedule 17 (*Compensation on Termination*).
- 46.3 If this Agreement is terminated pursuant to Clause 39 (*Authority Events of Default*), then the Authority shall pay compensation to Project Co in accordance with Section 1 (*Compensation on Termination for Authority Default and Voluntary Termination*) of Schedule 17 (*Compensation on Termination*).
- 46.4 If this Agreement is terminated pursuant to Clause 42 (*Authority Voluntary Termination*), then the Authority shall pay compensation to Project Co in accordance with Section 1 (*Compensation on Termination for Authority Default and Voluntary Termination*) of Schedule 17 (*Compensation on Termination*).

Tax Equalisation

- 46.5 Where a payment is to be made to Project Co pursuant to Clause 46.1, Clause 46.3 or Clause 46.4 (*Compensation on Termination*) (a "**Compensation Payment**") and Project Co has a Relevant Tax Liability in respect of such payment, then the amount of the Compensation Payment to be made by the Authority to Project Co shall be increased so as to ensure that Project Co is in the same position (after account is

taken of the Relevant Tax Liability) as it would have been in had it not been for such Relevant Tax Liability.

46.6 For the purposes of this Clause 46 (*Compensation on Termination*):

46.6.1 "**Relief**" shall mean any relief, allowance or deduction in computing profits or tax or a credit against, or right to repayment of, tax granted by or pursuant to any legislation for tax purposes;

46.6.2 a "**Relief derived from the Project**" is a Relief which arises in connection with the Project and includes any Relief arising as a consequence of the distribution of any amount obtained in respect of the Project (other than a Compensation Payment) by Project Co (whether by way of interest, dividend or other distribution, repayment, reduction or redemption of capital or indebtedness or return of assets or otherwise); and

46.6.3 Project Co shall be regarded as having a "**Relevant Tax Liability**" in respect of a Compensation Payment to the extent that:

(a) it has a liability for tax in consequence of or in respect of a Compensation Payment ("**Actual Liability**"); or

(b) it would have had a liability for tax within paragraph (a) above but for the utilisation of a Relief other than a Relief derived from the Project ("**Deemed Liability**").

46.7 In determining whether Project Co has a Relevant Tax Liability by reason of a Compensation Payment, it should be assumed that any Reliefs derived from the Project which are available to Project Co (or would have been so available but for a surrender by Project Co of such Reliefs by way of group or consortium relief) for offset against the Compensation Payment, or against tax in relation to the same, have been so offset to the maximum extent possible.

46.8 Project Co shall keep the Authority fully informed of all negotiations with HM Revenue and Customs in relation to any Relevant Tax Liability in respect of a Compensation Payment. Project Co shall not agree, accept or compromise any claim, issue or dispute relating to such Relevant Tax Liability without the prior written consent of the Authority, which shall not be unreasonably withheld or delayed. The Authority may, if it considers in good faith that such action is justified having regard to the likely costs and benefits, direct Project Co to resist, appeal, defend or otherwise dispute the Relevant Tax Liability in respect of the Compensation Payment, provided that the cost of any such dispute (including any interest or penalties incurred) shall be at the Authority's expense. However, if Project Co obtains professional advice from an independent person with relevant expertise that any resistance, appeal, defence or other mode of dispute is not likely to result in any more beneficial position in relation to the Relevant Tax Liability, Project Co shall be entitled not to continue with such resistance, appeal, defence or other mode of dispute. Where any resistance, appeal, defence or other mode of dispute results in a more beneficial position in relation to the Relevant Tax Liability, an adjustment will be made to the amount payable under Clause 46.5 (*Tax Equalisation*) to reflect such outcome.

- 46.9 Any increase in the amount of a Compensation Payment which is payable under Clause 46.5 (*Tax Equalisation*) shall be paid on the later of five (5) Business Days after a demand therefore (together with evidence in sufficient detail for the Authority to satisfy itself of the Relevant Tax Liability and its calculation) is made by Project Co and:
- 46.9.1 in the case of an Actual Liability, five (5) Business Days before the date on which the relevant tax must be paid to the tax authority in order to avoid incurring interest and penalties; and
- 46.9.2 in the case of a Deemed Liability, five (5) Business Days before the date on which tax which would have been payable but for the utilisation of the relevant Relief must be paid in order to avoid incurring interest or penalties (whether by Project Co or otherwise) and, for the purposes of determining when the Relief would otherwise have been utilised, Reliefs shall be regarded as utilised in the order in which they arise.
- 46.10 The Authority shall have the right to pay the amount payable under Clause 46.5 (*Tax Equalisation*) direct to HM Revenue and Customs in satisfaction of the relevant tax due by Project Co.

Rights of Set-Off

- 46.11 To avoid doubt, the Authority's obligations to make any payment of compensation to Project Co pursuant to this Clause are subject to the Authority's rights under Clause 35.6 (*Set-Off*), save that the Authority agrees not to set-off any amount agreed or determined as due and payable by Project Co to the Authority against any payment of termination compensation (whether payable as a lump sum or in instalments) under Clauses 46.1, 46.3 or 46.4 (*Compensation on Termination*), except to the extent that such termination payment exceeds the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount (as the case may be) at that time.

Full and Final Settlement

- 46.12 Subject to the provisions of paragraph 2.1.1 of Section 4 (*General*) of Schedule 17 (*Compensation on Termination*):
- 46.12.1 any compensation paid pursuant to this Clause shall be in full and final settlement of any claim, demand and/or proceedings of Project Co in relation to any termination of this Agreement and/or any Project Document (and the circumstances leading to such termination) and Project Co shall be excluded from all other rights and remedies in respect of any such termination; and
- 46.12.2 the compensation payable (if any) pursuant to this Clause 46 (*Compensation on Termination*) above shall be the sole remedy of Project Co and Project Co shall not have any other right or remedy in respect of such termination.

47. CONSEQUENCES OF TERMINATION

Continued Performance

- 47.1 Subject to any exercise by the Authority of its rights to perform, or to procure a third party to perform, the obligations of Project Co, the parties shall continue to perform their obligations under this Agreement, notwithstanding the giving of any notice of default or notice of termination, until the Termination Date.

Transfer to Authority of Assets, Contracts etc.⁸⁷

 - 47.5.1 providing any information which the Authority may reasonably require to conduct such competition but, to avoid doubt, information which is commercially sensitive to Project Co shall not be provided (and, for the purpose of this Clause 47.5.1 commercially sensitive shall mean information which would if disclosed to a competitor of Project Co give that competitor a competitive advantage over Project Co and thereby prejudice the business of Project Co but shall, to avoid doubt, exclude any

PART 11: INDEMNITIES, RELIEF, WARRANTIES & INSURANCE

49. INDEMNITIES

Project Co Indemnities to Authority

- 49.1 Project Co shall indemnify and keep the Authority indemnified at all times from and against all Direct Losses sustained by the Authority in consequence of:
- 49.1.1 any claim for, or in respect of, the death and/or personal injury of any employee of, or person engaged by, Project Co or any Project Co Party notwithstanding any act or omission of the Authority or any Authority Party;⁹¹
 - 49.1.2 any claim for, or in respect of, the death and/or personal injury of any third party (other than a person referred to in Clause 49.2.1) arising out of, or in the course of, the Project Operations, save to the extent caused (or contributed to) by any Unreasonable Act by the Authority or any Authority Party, breach of any express provision of this Agreement by the Authority or any Authority Party or any deliberate⁹² or negligent act or omission of the Authority or any Authority Party;
 - 49.1.3 any physical loss of or damage to Authority Assets arising by reason of any act or omission of Project Co or any Project Co Party, save to the extent that such loss or damage arises out of the breach of any express provision of this Agreement by the Authority or any Authority Party or any deliberate or negligent act or omission of the Authority or any Authority Party; and
 - 49.1.4 any loss of or damage to property or assets of any third party arising by reason of any act or omission of Project Co or any Project Co Party, save to the extent that such loss or damage arises out of the breach of any express provision of this Agreement by the Authority or any Authority Party or any deliberate or negligent act or omission of the Authority or any Authority Party.

⁹¹ This mirrors the indemnity given by the Authority in relation to its employees in Clause 49.2.1. Project Co should manage the risks covered by the indemnity (and the fact that there is no carve out for causation) by putting appropriate insurance cover in place (which it is required by law to do), which contains satisfactory non-vitiation provisions (see Clause 54.6 (*Subrogation and Vitiatio*)).

⁹² Deliberate acts or omissions do not include acts or omissions which are within the contemplation of the parties or provided for in this Agreement (see paragraph 11 of Section 2 of Schedule 1 (*Definitions and Interpretation*)).

Authority Indemnities to Project Co

49.2 The Authority shall indemnify and keep Project Co indemnified at all times from and against all Direct Losses sustained by Project Co in consequence of:

49.2.1 any claim for, or in respect of, the death and/or personal injury of any employee of, or person engaged by, the Authority or any Authority Party notwithstanding any act or omission of Project Co or any Project Co Party;

49.2.2 any claim for, or in respect of, the death and/or personal injury of any third party (other than a person referred to in Clause 49.1.1) (*Project Co Indemnities to Authority*) arising by reason of any act or omission of the Authority or any Authority Party in the course of provision of the Authority Services, any Unreasonable Act by the Authority or any Authority Party, breach of any express provision of this Agreement by the Authority or any Authority Party or any deliberate act or omission of the Authority or any Authority Party, save to the extent caused (or contributed to) by any act or omission of Project Co or any Project Co Party;

49.2.3 any physical damage to any part of the Facilities or any assets or other property of Project Co or any Project Co Party arising by reason of any breach of any express provision of this Agreement by the Authority or any Authority Party or any deliberate act or omission of the Authority or any Authority Party, save to the extent caused (or contributed to) by any act or omission of Project Co or any Project Co Party; and

49.2.4 any loss of or damage to property or assets of any third party arising by reason of any breach of any express provision of this Agreement by the Authority or any Authority Party or any deliberate act or omission of the Authority or any Authority Party, save to the extent caused (or contributed to) by any act or omission of Project Co or any Project Co Party;

provided that in the case of Clauses 49.2.3 and 49.2.4 there shall be excluded from the indemnity given by the Authority any liability:

- (a) for the occurrence of risks against which and to the extent to which Project Co is obliged to insure under this Agreement (but for the avoidance of doubt, not such liability to the extent within any applicable excess or deductible or over the maximum amount insured or to be insured under such insurance); or
- (b) in respect of a matter which is a Compensation Event; or
- (c) in respect of Malicious Damage.

Conduct of Claims

49.3 This Clause 49.3 (*Conduct of Claims*) shall apply to the conduct, by a party from whom an indemnity is sought under this Agreement, of claims made by a third person against a party having (or claiming to have) the benefit of the indemnity. The party having, or claiming to have, the benefit of the indemnity is referred to as the "**Beneficiary**" and the party giving the indemnity is referred to as the "**Indemnifier**". Accordingly:

49.3.1 if the Beneficiary receives any notice, demand, letter or other document concerning any claim for which it appears that the Beneficiary is, or may become, entitled to indemnification under this Agreement, the Beneficiary shall give notice in writing to the Indemnifier as soon as reasonably practicable and in any event within twenty (20) Business Days of receipt of the same;

49.3.2 subject to Clauses 49.3.3, 49.3.4 and 49.3.5 below, on the giving of a notice by the Beneficiary pursuant to Clause 49.3.1 above, where it appears that the Beneficiary is or may be entitled to indemnification from the Indemnifier in respect of all (but not part only) of the liability arising out of the claim, the Indemnifier shall (subject to providing the Beneficiary with an indemnity to its reasonable satisfaction against all costs and expenses that it may incur by reason of such action) be entitled to dispute the claim in the name of the Beneficiary at the Indemnifier's own expense and take conduct of any defence, dispute, compromise, or appeal of the claim and of any incidental negotiations. The Beneficiary shall give the Indemnifier all reasonable cooperation, access and assistance for the purposes of considering and resisting such claim;

49.3.3 with respect to any claim conducted by the Indemnifier pursuant to Clause 49.3.2 above:

(a) the Indemnifier shall keep the Beneficiary fully informed and consult with it about material elements of the conduct of the claim;

(b) the Indemnifier shall not bring the name of the Beneficiary into disrepute; and

(c) the Indemnifier shall not pay or settle such claims without the prior consent of the Beneficiary, such consent not to be unreasonably withheld or delayed;

49.3.4 the Beneficiary shall be free to pay or settle any claim on such terms as it thinks fit and without prejudice to its rights and remedies under this Agreement if:

(a) the Indemnifier is not entitled to take conduct of the claim in accordance with Clause 49.3.2 above; or

- (b) the Indemnifier fails to notify the Beneficiary of its intention to take conduct of the relevant claim within twenty (20) Business Days of the notice from the Beneficiary under Clause 49.3.1 above or notifies the Beneficiary that it does not intend to take conduct of the claim; or
 - (c) the Indemnifier fails to comply in any material respect with the provisions of Clause 49.3.3 above;
- 49.3.5 the Beneficiary shall be free at any time to give notice to the Indemnifier that it is retaining or taking over (as the case may be) the conduct of any defence, dispute, compromise or appeal of any claim (or of any incidental negotiations) to which Clause 49.3.2 above applies. On receipt of such notice the Indemnifier shall promptly take all steps necessary to transfer the conduct of such claim to the Beneficiary, and shall provide to the Beneficiary all reasonable cooperation, access and assistance for the purposes of considering and resisting such claim. If the Beneficiary gives any notice pursuant to this Clause 49.3.5, then the Indemnifier shall be released from any liability under its indemnity under Clause 49.1 (*Project Co Indemnities to Authority*) or Clause 49.2 (*Authority Indemnities to Project Co*) (as the case may be) and, without prejudice to any accrued liabilities, any liability under its indemnity given pursuant to Clause 49.3.2 in respect of such claim;
- 49.3.6 if the Indemnifier pays to the Beneficiary an amount in respect of an indemnity and the Beneficiary subsequently recovers (whether by payment, discount, credit, saving, relief or other benefit or otherwise) a sum which is directly referable to the fact, matter, event or circumstances giving rise to the claim under the indemnity, the Beneficiary shall forthwith repay to the Indemnifier whichever is the lesser of:
 - (a) an amount equal to the sum recovered (or the value of the saving or benefit obtained) less any out of pocket costs and expenses properly incurred by the Beneficiary in recovering the same; and
 - (b) the amount paid to the Beneficiary by the Indemnifier in respect of the claim under the relevant indemnity,
- 49.3.7 provided that there shall be no obligation on the Beneficiary to pursue such recovery and that the Indemnifier is repaid only to the extent that the amount of such recovery aggregated with any sum recovered from the Indemnifier exceeds any loss sustained by the Beneficiary (including for this purpose indirect or consequential losses or claims for loss of profits which are excluded by this Agreement from being recovered from the Indemnifier); and
- 49.3.8 any person taking any of the steps contemplated by Clauses 49.3.1 to 49.3.5 shall comply with the requirements of any insurer who may have an obligation to provide an indemnity in respect of any liability arising under this Agreement.

Mitigation – Indemnity Claims

- 49.4 To avoid doubt the provisions of Clause 60 (*Mitigation*) apply to any indemnity given under this Agreement and any such indemnity shall not apply to the extent that such part or parts of Direct Losses could have been reduced or avoided by the Beneficiary complying with the provisions of such Clause 60 (*Mitigation*).

50. MALICIOUS DAMAGE

50.1 Remit of Clause

This Clause 50 (*Malicious Damage*) specifies the respective obligations of the parties in relation to Malicious Damage to the Facilities during the Operational Term.

50.2 Notification

50.2.1 As soon as possible after a Service Event has been notified to the Helpdesk by an Authorised Caller or after Project Co has itself or by a Service Provider become aware of a Service Event, if it considers that the Service Event was caused by Malicious Damage by a person other than a Project Co Party, Project Co must verbally inform the Helpdesk, the [relevant] Facility Representative and the [Authority's Representative] (a "**Malicious Damage Report**"). Where it is reasonably practicable for it to do so without prejudicing its ability to achieve Rectification of the Service Event within the Rectification Period and subject to any immediate steps that it requires to take to make the Facilities safe, it must allow the [Authority's Representative and] the [relevant] Facility Representative an opportunity to inspect the evidence it relies on to support its claim that Malicious Damage caused the Service Event concerned before carrying out Rectification and, where this is not reasonably practicable, Project Co must take reasonable steps to preserve or record in a suitable manner any such evidence and forthwith make that record available to the Authority and the [relevant] Facility Representative.

50.2.2 Provided Project Co has complied with the requirements of Clause 50.2.1, unless within [[♦] hours] of receipt of a Malicious Damage Report or within [[♦] hours] of the start of the next Core Session where the Malicious Damage Report is made outside Core Sessions, or, if applicable, within [one (1)] Business Day of receipt of the evidence or record of the alleged Malicious Damage concerned the [Authority's Representative] notifies Project Co that he agrees that the Service Event referred to in the relevant Malicious Damage Report was caused by Malicious Damage by a person other than a Project Co Party, the [Authority's Representative] will be deemed to have disagreed that the Service Event concerned was caused by Malicious Damage by a person other than a Project Co Party.

50.3 **Rectification of Malicious Damage**

50.3.1 In relation to any Service Event referred to in a Malicious Damage Report, Project Co shall always take such steps as are necessary in accordance with its obligations under this Agreement to make the Facilities safe.

50.3.2 If the [Authority's Representative] agrees in accordance with Clause 50.2 (*Notification*) that a Service Event was caused by Malicious Damage by a person other than a Project Co Party:

(a) except when Clause 50.3.2(b) (*Rectification of Malicious Damage*) applies, Project Co shall not Rectify the Service Event beyond what is required by Clause 50.3.1 unless instructed by the Authority to do so as an Authority Change under Schedule 16 (*Change Protocol*); or

(b) if, in the reasonable opinion of Project Co, the Service Event referred to in a Malicious Damage Report, if not Rectified, will or is likely to result in the costs of performing the Services and in particular the costs of Maintenance Works and Lifecycle Replacement being materially increased, it may notify the [Authority's Representative] to that effect and shall be entitled to proceed with Rectification in accordance with its obligations under this Agreement.

50.3.3 If the [Authority's Representative] does not agree in accordance with Clause 50.2 (*Notification*) that the Service Event referred to in a Malicious Damage Report was caused by Malicious Damage by a person other than a Project Co Party, Project Co shall proceed with Rectification as soon as reasonably practical after the Authority has issued a notice to that effect or is deemed to have disagreed with the Malicious Damage Report pursuant to Clause 50.2.2 (*Malicious Damage*) and in any event, in accordance with its obligations under this Agreement.

50.3.4 Where Clause 50.3.2(a) applies the Authority may, at its option, issue a Derogated Low Value Change Notice and/or other Authority Change Notice pursuant to Schedule 16 (*Change Protocol*).

50.4 **Costs of Rectifying Malicious Damage**

Project Co will be entitled to include all reasonable costs incurred with any Service Provider or third party:

50.4.1 to make the Facilities safe pursuant to Clause 50.3.1 and 50.3.2(a) (*Rectification of Malicious Damage*) if it is agreed by the Authority or subsequently determined under the Dispute Resolution Procedure that the Service Event was caused by Malicious Damage by a person other than a Project Co Party; or

50.4.2 to carry out Rectification pursuant to Clause 50.3.2(b) (*Rectification of Malicious Damage*); or

50.4.3 to carry out Rectification pursuant to Clause 50.3.3 (*Rectification of Malicious Damage*) if it is subsequently determined under the Dispute Resolution Procedure that the Service Event was caused by Malicious Damage by a person other than a Project Co Party,

in a Monthly Invoice in accordance with Clause 35.2.1(c) (*Invoicing and Payment Arrangements*). In deciding what a reasonable cost is, regard may be had to prices and rates in the Catalogue (as defined in Schedule 16 (*Change Protocol*)).

50.5 **Project Co to Provide Information**

Project Co must provide:

50.5.1 the Authority with such information as the Authority reasonably requests for the purpose of making claims for losses due to Malicious Damage, under the Operational Insurances; and

50.5.2 the [relevant] Facility Representative with such information and assistance as may reasonably be required to facilitate the [relevant] Facility Representative's inspection of Rectification carried out by Project Co pursuant to this Clause 50 (*Malicious Damage*).

50.6 **Disputes**

Any dispute under this Clause 50.6 (*Disputes*) shall be determined under the Dispute Resolution Procedure.

51. **TAX ON INDEMNITY PAYMENTS**

If any payment by one party under an indemnity in this Agreement is subject to income tax or corporation tax (or any tax replacing them) in the hands of the recipient, the recipient may demand in writing to the party making the payment that the payment shall be increased by such amount as would ensure that, after taking into account any such tax payable in respect of such additional amount, the recipient receives and retains a net sum equal to the amount it would have otherwise received had the payment not been subject to such tax. In relation to any such additional amount payable to Project Co, Project Co and the Authority shall have the same rights and obligations as would apply to a Relevant Tax Liability under Clause 46.6.3 and Clauses 46.5 to 46.10 (*Tax Equalisation*) (inclusive) shall apply mutatis mutandis to the payment of the additional amount. The party making the payment shall pay such additional amount within ten (10) Business Days of receipt of such demand.

52. EXCUSING CAUSES

52.1 If an Excusing Cause interferes adversely with, or causes or contributes to a failure of, the performance of the Project Operations by Project Co and/or causes or contributes to the occurrence of an Availability Failure and/or a Performance Failure and provided that the effect of such Excusing Cause is claimed within ten (10) Business Days of the date on which Project Co became aware (or ought reasonably to have become so aware) of the occurrence of the Excusing Cause, then (subject to Clauses 52.3 (*Insured Exposure*) and 52.4 (*Mitigation of Excusing Cause*)) to the extent such failure or interference or occurrence of an Availability Failure and/or a Performance Failure arises as a result of such Excusing Cause:

52.1.1 such failure by Project Co to perform or interference or occurrence, and any poor performance of, any affected Service shall not constitute a breach of the provisions of this Agreement by Project Co;

52.1.2 such failure by Project Co to perform or interference or occurrence shall not be taken account of in measuring the performance of any affected Service in accordance with the Service Level Specification, which shall be operated as though the relevant Service had been performed free from such adverse interference; and

52.1.3 any such Availability Failure and/or Performance Failure shall be deemed not to have occurred,

so that Project Co shall be entitled to payment under this Agreement as if there had been no such interference with, or failure in the performance of, the Project Operations and no such occurrence of an Availability Failure and/or Performance Failure.

52.2 For the purpose of Clause 52 (*Excusing Causes*), an Excusing Cause means:

52.2.1 any Authority Event of Default or breach of any express provision of this Agreement by the Authority or any Authority Party (unless, and to the extent, caused or contributed to by Project Co or any Project Co Party);

52.2.2 any (i) deliberate act or omission of the Authority, of any Authority Party or of any Authority Invitee; or, (ii) any failure by the Authority, an Authority Party or an Authority Invitee (having regard always to the interactive nature of the activities of the Authority, Authority Parties and Authority Invitees and of Project Co) to take reasonable steps to carry out its activities in a manner which minimises undue interference with Project Co's performance of the Project Operations, save where (and to the extent):

(a) caused or contributed to by Project Co or any Project Co Party;

(b) the Authority, Authority Party or Authority Invitee is acting in accordance with a recommendation or instruction of Project Co or any Project Co Party;

- (c) any such act or omission giving rise to such failure was within the contemplation of the parties or was otherwise provided for in this Agreement;
 - (d) the consequences of any such deliberate act or omission or other acts or omissions giving rise to such failure would have been prevented by the proper performance of Project Co's obligations under this Agreement; or
 - (e) the same arises from an act of the Authority, an Authority Party or Authority Invitee compliant with the Contractor's Site Rules and other requirements of the Contractor as referred to in Clause 13.1 (*Access to the Site[s]*) or 17.9 (*Commissioning prior to Completion Date[/Post Completion Works Date]*);
- 52.2.3 the implementation of any action taken by the Authority or any Authority Party, or any suspension of Project Co's obligation to deliver any or any part of the Services or the compliance by Project Co with instructions given by the Authority, in each case in the circumstances referred to in Clauses 26.6 to 26.9 (*Authority's Remedial Rights*) (inclusive);
- 52.2.4 the carrying out of any Low Value Change in accordance with the terms of this Agreement during the period of time agreed between the Authority and Project Co;
- 52.2.5 the carrying out of planned preventative maintenance in accordance with the Schedule of Programmed Maintenance;
- 52.2.6 the occurrence of a Service Event that the [Authority's Representative] has agreed pursuant to Clause 50.3.2 or that it has been determined pursuant to the Dispute Resolution Procedure has been caused by Malicious Damage by a person other than a Project Co Party, but only until such time as either (i) the Authority has instructed Project Co to Rectify the Service Event as an Authority Change and the time period for implementation of such Authority Change has expired or (ii) Project Co has Rectified the Service Event pursuant to Clause 50.3.2(b);
- 52.2.7 Project Co complying with an instruction of the Authority pursuant to Clause 26.10 (*Emergencies*); [or]
- 52.2.8 [the occurrence of a matter referred to in Clause 10.4 (*Responsibility for Ground Conditions and Contamination*) during the Operational Term;]⁹³

⁹³ This Excusing Cause shall be included where the drafting at Clause 10.4 (*Responsibility for Ground Conditions and Contamination*) applies.

52.2.9 the Authority's Representative, the Facility Representative or a Facility Liaison Person [from the relevant Facility]:

(a) making a specific request of Project Co; or

(b) giving specific instructions to Project Co,

in either case, against the reasonable advice of Project Co and provided that Project Co has advised the Authority's Representative or [relevant] Facility Representative (as appropriate) of the impact of such request or instruction will have on the ability of Project Co to perform its obligations under this Agreement and that where such advice is provided verbally it is confirmed in writing as soon as reasonably practicable thereafter;

52.2.10 [a Flooding Event [in excess of that anticipated by [♦] of the Authority's Construction Requirements];⁹⁴

52.2.11 if and to the extent the Authority is using Alternative Accommodation in accordance with paragraphs 4.7 of Section 3 of Schedule 14 (*Payment Mechanism*);

52.2.12 [an External Utility Failure;]

52.2.13 the introduction of Equipment by the Authority beyond the design parameters stated in the Authority's Construction Requirements;

52.2.14 a failure on the part of the Authority or an Authority Party to grant access to Project Co to the Facility pursuant to paragraphs [4.1.4 or 4.3] of Section 3 of Schedule 34 (*Joint Operating Protocol*);

52.2.15 a failure by the Authority to stop using or to remove Authority Maintenance Equipment following issue of a valid notification to do so by Project Co under paragraph 2.5 (*Authority Maintenance Equipment*) of Section 1 (*General*) of Schedule 11 (*Equipment*); or

52.2.16 the occurrence of the circumstances referred to in Clause 10.16.2 (*Off Site Contamination*).

Insured Exposure

52.3 Without prejudice to Clause 54 (*Insurance*), Project Co shall not be entitled to any payment which would not have been due under this Agreement but for Clause 52 (*Excusing Causes*) to the extent that Project Co is or should be able to recover under any policy of insurance required to be maintained by Project Co or any Project Co

⁹⁴ This additional Excusing Cause may be added on a project specific basis. Please refer to footnote at definition of "Flooding Event" in Schedule 1.

Party in accordance with this Agreement (whether or not such insurance has in fact been effected or, if effected, has been vitiated as a result of any act or omission of Project Co (or any Project Co Party), including but not limited to non-disclosure or under insurance) or any other policy of insurance which Project Co has taken out and maintained.

Mitigation of Excusing Cause

- 52.4 Project Co shall take all reasonable steps to mitigate the consequences of an Excusing Cause on Project Co's ability to perform its obligations under this Agreement. To the extent that Project Co does not take such steps, Project Co shall not be entitled to, and shall not receive, the relief specified in Clause 52.1 (*Excusing Causes*).
- 52.5 To avoid doubt, Clause 52.2.2 (*Excusing Causes*) shall not impose a general obligation on the Authority to take (or to procure that any Authority Party or Authority Invitee takes) such steps and shall apply (and be construed) solely for the purpose of establishing whether an Excusing Cause has occurred.

53. WARRANTIES

53.1 Tax Compliance

- 53.1.1 Project Co represents and warrants to the Authority that at the date of this Agreement, it has notified the Authority in writing of any Occasions of Tax Non-Compliance and any litigation in connection with any Occasions of Tax Non-Compliance that it or, so far as it is aware having made reasonable enquiries, any of the Shareholders (other than [♦]⁹⁵) is involved in.
- 53.1.2 If at any time an Occasion of Tax Non-Compliance occurs in relation to it or any Shareholder other than [♦]⁹⁶ (a "**Non-Compliant Shareholder**"), Project Co shall:
- (a) notify the Authority in writing of such fact within five (5) Business Days of it becoming aware of that occurrence; and
 - (b) provide to the Authority:
 - (i) promptly, and in any event within twenty (20) Business Days of its becoming aware of that occurrence, details of the steps which it, or as the case may be, the Non-Compliant Shareholder is taking to address the Occasion of Tax Non-Compliance and to prevent the same from recurring, together with any mitigating

factors that it considers relevant (together '**Proposed Mitigating Measures**'); and

- (ii) such other information in relation to the Occasion of Tax Non-Compliance as the Authority may reasonably require within five (5) Business Days of receipt of notice from the Authority to do so.

53.1.3 The Authority will notify Project Co in writing if the Proposed Mitigating Measures are acceptable to it, in its reasonable opinion, within fifteen (15) Business Days of receipt of all information required to be provided in accordance with Clause 53.1.2.

53.1.4 Where the Authority notified Project Co that the Proposed Mitigating Measures are not acceptable, the Authority may, in that notice, request that Project Co provides details of further measures it, or as the case may be, the Non-Compliant Shareholder, would take to prevent the same from recurring, together with any further mitigating factors that it considers relevant. Within twenty (20) Business Days of receipt of a notice from the Authority requesting further measures, Project Co will either provide details of the further measures it, or as the case may be, the Non-Compliant Shareholder, is willing to take or notify the Authority that it is not willing to take further measures. The Authority will consider any further measures proposed by Project Co and notify Project Co within fifteen (15) Business Days if those further measures, taken together with the Proposed Mitigating Measures, are acceptable to the Authority acting reasonably.

53.1.5 If:

- (a) the warranty by Project Co contained in Clause 53.1.1 is untrue and Proposed Mitigating Measures are not agreed in accordance with Clauses 53.1.2 to 53.1.4 (inclusive); and/or
- (b) Project Co commits a material breach of its obligation to notify the Authority of any Occasion of Tax Non-Compliance and / or Project Co fails to provide details of Proposed Mitigating Measures each as required by Clause 53.1.2; and/or
- (c) the Authority otherwise becomes aware that an Occasion of Tax Non-Compliance has occurred in relation to Project Co or a Shareholder (other than [♦]⁹⁷) and Project Co fails to provide details of Proposed Mitigating Measures within twenty (20) Business Days of its being required by the Authority to do so; and/or
- (d) the Authority notifies Project Co under Clause 53.1.4 that the Proposed Mitigating Measures are not acceptable and, if Project Co is requested to provide details of further measures pursuant

⁹⁷ Reference to be made to the Welsh Government shareholder entity, under the Shareholders' Agreement.

to Clause 53.1.4 the further measures (if any) are not acceptable to the Authority, in its reasonable opinion and the Authority notifies Project Co to that effect; and / or

- (e) in any such case Project Co fails to implement, or procure the implementation by a Non-Compliant Shareholder of, any Proposed Mitigating Measures agreed to by the Authority in any material respect (including as to timetable),

then the Authority shall be entitled to give to Project Co:

- (i) where the Occasion of Tax Non-Compliance has occurred in relation to Project Co, a notice under Clause 40.3.4 (*Authority's Options*); and
- (ii) where the Occasion of Tax Non-Compliance has occurred in relation to a Shareholder, a notice under Clause 53.1.6.

53.1.6 Where the Occasion of Tax Non-Compliance applies to a Non-Compliant Shareholder, the Authority may by written notice (a "**Shareholder Tax Non-compliance Notice**") require that the Non-Compliant Shareholder transfers all its shares and Shareholder loan notes in Project Co or Hold Co to a person who is not a Restricted Person within one hundred and eighty (180) days commencing on the date the Shareholder Tax Non-compliance Notice is served. If the Non-Compliant Shareholder does not effect such transfer of shares and Shareholder loan notes in Project Co or Hold Co to a person who is not a Restricted Person within such one hundred and eighty (180) day period (or such longer period as may be agreed by the Authority in its absolute discretion) then the Authority will be entitled to give a notice to Project Co under Clause 40.3.4 (*Authority's Options*).

If Project Co fails to implement, or procure the implementation by a Non-Compliant Shareholder of, any Proposed Mitigating Measures agreed to by the Authority in any material respect (including as to timetable) following an Occasion of Tax Non-Compliance which applies to a Non-Compliant Shareholder, the Authority may by written notice (a "**Shareholder Tax Mitigation Measures Non-Compliance Notice**") require that the Non-Compliant Shareholder transfers all its shares and Shareholder loan notes in Project Co or Hold Co to a person who is not a Restricted Person within ninety (90) days commencing on the date the Shareholder Tax Mitigation Measures Non-Compliance Notice is served. If the Non-Compliant Shareholder does not effect such transfer of shares and Shareholder loan notes to a person who is not an Restricted Person within such ninety (90) day period (or such longer period as may be agreed by the Authority in its absolute discretion) then the Authority will be entitled to give a notice to Project Co under Clause 40.3.4 (*Authority's Options*).

54. INSURANCE⁹⁸

Project Co Insurances

- 54.1 Project Co shall procure that the Insurances, details of which are set out in Section 1 (*Policies To Be Taken Out By Project Co And Maintained During The Design And Construction Phase*) of Schedule 15 (*Insurance Requirements*), are taken out prior to the commencement of the Works and are maintained for the periods specified in Section 1 (*Policies To Be Taken Out By Project Co And Maintained During The Design And Construction Phase*) of Schedule 15 (*Insurance Requirements*).

- 54.3 Without prejudice to the other provisions of this Clause 54 (*Insurance*), Project Co shall, at all relevant times, at its own cost, effect and maintain in full force those insurances which it is required to effect by any applicable Law. In addition, Project Co shall discharge all its obligations under the Insurance Act 2015 when placing, renewing, maintaining or amending any of the Insurances referred to in Clauses 54.1, 54.2 and 54.3 including complying with the duty of fair presentation to insurers, and taking the actions needed to protect the Authority's separate interests where appropriate.
- 54.4 All Insurances referred to in Clauses 54.1 and 54.2 (*Project Co Insurances*) shall:
- 54.4.1 be maintained in the names of the parties specified in Schedule 15 (*Insurance Requirements*) and shall be composite policies of insurance (and not joint) unless stated otherwise in Schedule 15 (*Insurance Requirements*);
 - 54.4.2 be placed with insurers who are acceptable to the Authority (such acceptance not to be unreasonably withheld or delayed);
 - 54.4.3 in so far as they relate to damage to assets (including the Facilities), cover the same for the full reinstatement value;
 - 54.4.4 comply with the relevant provisions of Section 1 (*Policies To Be Taken Out By Project Co And Maintained During The Design And Construction Phase*) and Section 2 (*Policies To Be Taken Out By Project Co And Maintained From The [Relevant] Actual Completion Date*) of Schedule 15 (*Insurance Requirements*);

⁹⁸ The Authority should seek professional insurance advice on the insurance requirements in Clause 54 and Schedule 15 (*Insurance Requirements*), on a project specific basis.

- 54.4.5 provide for thirty (30) days prior written notice of their cancellation, non-renewal or amendment to be given to the Authority in accordance with Endorsement 1 in Section 3 (*Endorsements*) of Schedule 15 (*Insurance Requirements*);
 - 54.4.6 in respect of the Physical Damage Policies provide for payment of any proceeds received by Project Co to be applied in accordance with Clause 54.22 (*Reinstatement*);
 - 54.4.7 in the case of the Operational Insurances only, be reviewed and renewed in accordance with Section 4 (*Insurance Arrangements*) of Schedule 15 (*Insurance Requirements*);
 - 54.4.8 the limit of indemnity and maximum deductible for each of the Operational Insurances shall, where such values are specified as being indexed under Section 2 (*Policies To Be Taken Out By Project Co And Maintained From The [Relevant] Actual Completion Date*) of Schedule 15 (*Insurance Requirements*) be indexed provided that the limit of indemnity or maximum deductible (as appropriate) shall only be increased where the indexed sum is equal to or exceeds the next whole insurable amount or deductible (as the case may be) available in the insurance market.
- 54.5 Project Co shall ensure that its brokers give the Authority a letter of undertaking substantially in the form set out in Section 5 (*Broker's Letter Of Undertaking*) of Schedule 15 (*Insurance Requirements*) at Financial Close and subsequently on the renewal of each of the Insurances.

Subrogation and Vitiation

- 54.6 Project Co shall in respect of the Insurances referred to in Clauses 54.1 and 54.2 (*Project Co Insurances*):
- 54.6.1 [procure that all policies of insurance to be effected by it pursuant to this Clause shall contain a provision to the effect that the insurers have agreed to waive all rights of subrogation against the Authority (and all Authority Parties other than Contractors and Sub-Contractors) in accordance with Endorsement 2 in Section 3 (*Endorsements*) of Schedule 15 (*Insurance Requirements*)]⁹⁹; and

⁹⁹ Waivers of subrogation are available in the prevailing UK insurance market and should be sought to protect the Authority's interests, particularly in relation to the insurances where the Authority is to be a co-insured party for its separate rights and interests. Drafting of the required endorsement is set out in Section 3 (*Endorsements*) of Schedule 15 (*Insurance Requirements*) (Endorsement 2).

54.6.2 [provide for non-vitiation protection in respect of any claim made by the Authority as co-insured in accordance with Endorsement 2 in Section 3 (*Endorsements*) of Schedule 15 (*Insurance Requirements*)]¹⁰⁰;

provided that, to avoid doubt, this Clause 54.6 (*Subrogation and Vitiating*) shall not by itself prevent Project Co from claiming against the Authority (or any Authority Party) under an express provision of this Agreement for any loss or damage not covered because of the level of deductibles under such insurance permitted by this Agreement or to the extent such loss or damage exceeds the maximum of such insurance required by this Agreement.

54.7 Neither party shall take any action or fail to take any reasonable action or (in so far as it is reasonably within its power) permit or allow others to take or fail to take any action (including failure to disclose any fact) as a result of which any of the Insurances may be rendered void, voidable, unenforceable or suspended or impaired in whole or in part or which may otherwise render any sum paid out under any relevant policy repayable in whole or in part.

Evidence of Project Co Insurance

54.8 Not less than twenty (20) Business Days prior to the amendment or expiry of any relevant insurance policy (other than the expiry of any of the Operational Insurances in respect of which Project Co must comply with the provisions of Section 4 (*Insurance Arrangements*) of Schedule 15 (*Insurance Requirements*)), Project Co shall submit to the Authority a request for approval from the Authority of the insurer and the principal terms and conditions of such insurance policy (and any revision to such terms and conditions or change in identity of such insurer), such approval not to be unreasonably withheld or delayed.

54.9 Project Co shall provide to the Authority:

54.9.1 copies on request of all insurance policies referred to in Clauses 54.1 to 54.3 (*Project Co Insurances*) (together with any other information reasonably requested by the Authority relating to such insurance policies) and the Authority shall be entitled to inspect them during ordinary business hours; and

54.9.2 evidence that the premiums payable under all insurance policies have been paid and that the Insurances are in full force and effect in accordance with the requirements of this Clause 54 (*Insurance*) and Schedule 15 (*Insurance Requirements*).

54.10 Renewal certificates or other such evidence of renewal in relation to the Insurances shall be obtained as and when necessary and copies (certified in a manner

¹⁰⁰ Non vitiation protection will be required under every policy where the Authority requires that it be a co-insured party for its separate rights and interests. Drafting of the required endorsement is set out in Section 3 (*Endorsements*) of Schedule 15 (*Insurance Requirements*) (Endorsement 2).

acceptable to the Authority) shall be forwarded to the Authority as soon as possible but in any event within twenty (20) Business Days of the Renewal Date.

- 54.11 If Project Co defaults in insuring or continuing to maintain the Insurances, the Authority may insure against any risk in respect of which such default has occurred and recover any premiums from Project Co as a debt provided that if the default occurs during the Operational Term the amount recoverable from Project Co shall be the difference between the premiums had Project Co continued to maintain the Insurances and the premiums paid by the Authority to take out and maintain the Insurances.

Acceptance and Compliance

- 54.12 The supply to the Authority of any draft insurance policy or certificate of insurance or other evidence of compliance with this Clause 54 (*Insurance*) shall not imply acceptance by the Authority (or the Authority's Representative) that:

54.12.1 the extent of insurance cover is sufficient and its terms are satisfactory; or

54.12.2 in respect of any risks not insured against, that the same were Uninsurable.

- 54.13 Neither failure to comply, nor full compliance, with the insurance provisions of this Agreement shall relieve Project Co of its liabilities and obligations under this Agreement.

54.14 Uninsurable Risks

54.14.1 If a risk usually covered by [contractors' 'all risks' insurance, property damage insurance, third party liability insurance, delay in start up and business interruption insurance (but not loss of profits) or statutory insurances] in each case required under this Agreement becomes Uninsurable then:

(a) Project Co shall notify the Authority of any risk becoming Uninsurable within five (5) Business Days of becoming aware of the same and in any event at least five (5) Business Days before expiry or cancellation of any existing insurance in respect of that risk; and

(b) if both parties agree, or it is determined in accordance with the Dispute Resolution Procedure that the risk is Uninsurable and that:

(i) the risk being Uninsurable is not caused by the actions of Project Co or any sub-contractor of Project Co (of any tier); and

- (ii) Project Co has demonstrated to the Authority that Project Co and a prudent board of directors of a company operating the same or substantially similar businesses in the United Kingdom to that operated by Project Co would in similar circumstances (in the absence of the type of relief envisaged by this Clause) be acting reasonably and in the best interests of the company if they resolved to cease to operate such businesses as a result of that risk becoming Uninsurable, taking into account inter alia (and without limitation) the likelihood of the Uninsurable risk occurring (if it has not already occurred), the financial consequences for such company if such Uninsurable risk did occur (or has occurred) and other mitigants against such consequences which may be available to such company,

the parties shall meet to discuss the means by which the risk should be managed or shared (including considering the issue of self-insurance by either party).

54.14.2 If the requirements of Clause 54.14.1 are satisfied, but the parties cannot agree as to how to manage or share the risk, then:

- (a) where such requirements are satisfied in respect of such third party liability insurance the Authority shall (at the Authority's option) either pay to Project Co an amount equal to the amount calculated in accordance with Section 3 (*Compensation On Termination For Force Majeure*) of Schedule 17 (*Compensation on Termination*) and this Agreement will terminate, or elect to allow this Agreement to continue and Clause 54.14.2(b) below shall thereafter apply in respect of such risk; and
- (b) where such requirements are satisfied in respect of [contractors' 'all risks' insurance, property damage insurance, third party liability insurance (if the Authority elects to allow this Agreement to continue in accordance with Clause 54.14.2(a)), delay in start up and business interruption insurance (but not loss of profits) or statutory insurances] this Agreement shall continue and on the occurrence of the risk (but only for as long as such risk remains Uninsurable) the Authority shall (at the Authority's option) either pay to Project Co an amount equal to insurance proceeds that would have been payable had the relevant insurance continued to be available and this Agreement will continue, or an amount equal to the amount calculated in accordance with Section 3 (*Compensation On Termination For Force Majeure*) of Schedule 17 (*Compensation on Termination*) plus (in relation to third party liability insurance only) the amount of insurance proceeds that would have been payable whereupon this Agreement will terminate; and
- (c) where pursuant to Clauses 54.14.2(a) and/or 54.14.2(b) this Agreement continues then the Annual Service Charge shall be reduced in each year for which the relevant insurance is not maintained by an amount equal to the premium paid (or which

would have been paid) by Project Co in respect of the relevant risk in the year prior to it becoming Uninsurable (index linked from the date that the risk becomes Uninsurable) save to the extent that such reduction is otherwise reflected in a reduction in the payments claimed by Project Co pursuant to paragraph 1.1 of Section 6 (*Other Costs*) of Schedule 14 (*Payment Mechanism*). Where the risk is Uninsurable for part of a year only the reduction in the Annual Service Charge shall be pro rated to the number of months for which the risk is Uninsurable;

- (d) where pursuant to Clauses 54.14.2(a) and/or 54.14.2(b) this Agreement continues Project Co shall approach the insurance market at least every four (4) months to establish whether the risk remains Uninsurable. As soon as Project Co is aware (and, the parties agree or it is determined pursuant to the Dispute Resolution Procedure) that the risk is no longer Uninsurable, Project Co shall take out and maintain or procure the taking out and maintenance of insurance (to be incepted as soon as is reasonably practicable) for such risk in accordance with this Agreement;
- (e) in respect of any period between the Authority receiving notification in accordance with Clause 54.14.1(a) that a TPL Risk has become Uninsurable and the Authority's notification to the Project Co in accordance with Clause 54.14.2(a) in respect of such risk then, provided it is ultimately agreed or determined that the requirements of Clause 54.14.1(b) are satisfied in respect of the Uninsurable TPL Risk and subject to Clause 54.14.2(f) below, Clause 54.14.2(b) shall apply in respect of occurrences of the Uninsurable TPL Risk during such period unless the parties otherwise agree how to manage the risk during this period; and
- (f) Clause 54.14.2(e) shall only apply provided the Project Co does not unreasonably materially delay (a) agreement and/or determination in accordance with the Dispute Resolution Procedure as to whether the requirements of Clause 54.14.1(b) are satisfied in respect of the Uninsurable TPL Risk and/or (b) meeting with the Authority to discuss the means by which the risk should be managed.

Where this Clause 54.14.2 applies and this Agreement continues, Project Co shall, subject to Clause 54.14.2(c), be relieved of its obligations to maintain insurance in respect of the relevant Uninsurable Risk.

54.14.3 If, pursuant to Clause 54.14.1(b), the Authority elects to make payment of compensation to Project Co (such that this Agreement will terminate) (the "**Relevant Payment**"), Project Co shall have the option (exercisable in writing within twenty (20) Business Days of the date of such election by the Authority (the "**Option Period**") to pay to the Authority on or before the end of the Option Period, an amount equal to the insurance proceeds that would have been payable had the relevant risk not become Uninsurable, in which case this Agreement will continue (and the Relevant Payment will not be made by the Authority), and Project Co's payment shall be applied

for the same purpose and in the same manner as insurance proceeds would have been applied had the relevant risk not become Uninsurable.

54.14.4 During the Operational Term, the Authority shall be entitled to notify Project Co that a risk has become Uninsurable under paragraph (b) of the definition of "Uninsurable". Following such notification Clauses 54.14.1(b) to 54.14.3 (except Clause 54.14.1(b)(ii)) shall apply as if Project Co has issued a notice under Clause 54.14.1(a).

54.15 **Unavailability of Terms**

54.15.1 If, upon the renewal of any of the Insurances:

- (a) any Insurance Term is not available to Project Co in the worldwide insurance market with reputable insurers of good standing; and/or
- (b) the insurance premium payable for Insurance incorporating such Insurance Term is such that the Insurance Term is not generally being incorporated in insurance procured in the worldwide insurance market with reputable insurers of good standing by contractors in the United Kingdom,

other than, in each case by reason of one or more actions of Project Co and/or any sub-contractor of Project Co (of any tier) then Clause 54.15.2, shall apply.

54.15.2 If it is agreed or determined that Clause 54.15.1 applies then the Authority shall waive Project Co's obligations in Clauses 54.1 to 54.3 (*Project Co Insurances*) and/or Schedule 15 (*Insurance Requirements*) in respect of that particular Insurance Term and Project Co shall not be considered in breach of its obligations regarding the maintenance of insurance pursuant to this Agreement as a result of the failure to maintain insurance incorporating such Insurance Term for so long as the relevant circumstances described in Clause 54.15.1 continue to apply to such Insurance Term.

54.15.3 To the extent that the parties agree (acting reasonably), or it is determined pursuant to the Dispute Resolution Procedure, that an alternative or replacement term and /or condition of insurance is available to Project Co in the worldwide insurance market with reputable insurers of good standing which if included in the relevant insurance policy would fully or partially address Project Co's inability to maintain or procure the maintenance of insurance with the relevant Insurance Term, at a cost which contractors in the UK are (at such time) generally prepared to pay, Project Co shall maintain or procure the maintenance of insurance including such alternative or replacement term and/or condition.

54.15.4 Project Co shall notify the Authority as soon as reasonably practicable and in any event within five (5) days of becoming aware that Clause 54.15.1(a)

and/or Clause 54.15.1(b) are likely to apply or (on expiry of the relevant insurance then in place) do apply in respect of an Insurance Term (irrespective of the reason for the same). During the Operational Term the Authority shall be entitled to notify Project Co that Clause 54.15.1(b) is likely to apply or (on expiry of the relevant insurance then in place) does apply in respect of an Insurance Term (irrespective of the reason for the same). Project Co shall provide the Authority with such information as the Authority reasonably requests regarding the unavailability of the Insurance Term and the parties shall meet to discuss the means by which such unavailability should be managed as soon as is reasonably practicable.¹⁰¹

54.15.5 In the event that Clause 54.15.1(a) and/or Clause 54.15.1(b) apply in respect of an Insurance Term, (irrespective of the reasons for the same) Project Co shall approach the insurance market at least every four (4) months to establish whether Clause 54.15.1(a) and/or Clause 54.15.1(b) remain applicable to the Insurance Term. As soon as Project Co is aware that Clause 54.15.1(a) and/or Clause 54.15.1(b) has ceased to apply to the Insurance Term and the parties agree or it is determined pursuant to the Dispute Resolution Procedure, Project Co shall take out and maintain or procure the taking out and maintenance of insurance (to be incepted as soon as is reasonably practicable) incorporating such Insurance Term in accordance with this Agreement.

Risk Management

54.16 With effect from the date of this Agreement, the Authority and Project Co shall each designate or appoint an insurance and risk manager and notify details of the same to the other party. Such person shall:

54.16.1 be responsible for dealing with all risk management matters on behalf of its appointing or designating party including (without limitation) ensuring compliance by that party with this Clause 54.16 (*Risk Management*);

54.16.2 advise and report to that party on such matters; and

54.16.3 ensure that any report or survey conducted by any insurer of any relevant procedures in relation to the Project (or where such report or survey cannot be made available, any recommendation or requirement following that survey) is disclosed to the parties.

54.17 Without prejudice to the provisions of Clause 54.16 (*Risk Management*), the parties shall notify one another, and in Project Co's case the relevant insurer, of any circumstances which may give rise to a claim of a value equal to or in excess of [♦] pounds (£[♦]) (index linked)¹⁰² under the Insurances within [♦] Business Days of becoming aware of the same (or earlier, if so requested by the terms of the relevant insurance policy). If any insurer disputes any such claim, Project Co shall provide

¹⁰¹ Given insurance premiums are a pass-through cost to the Authority during the Operational Term, it is appropriate for the Authority to have the right to trigger the Unavailability provisions if it considers the premium for insuring with a particular term or condition has reached such a level that the term or condition is not generally being incorporated in insurance.

¹⁰² The insurance claims notification threshold should normally represent a significant or material value claim in connection with the requirement or represent an amount that would provide comfort to the Authority that it has knowledge of claims that might impact on the Authority.

the Authority with full details of any disputed claim and the parties shall liaise with one another to ensure that the relevant claim is preserved or pursued.

Application of Proceeds

- 54.18 All insurance proceeds received by Project Co under the Physical Damage Policies shall be paid into the Insurance Proceeds Account and shall be applied in accordance with this Agreement and in accordance with the Insurance Proceeds Account Agreement¹⁰³.
- 54.19 Subject to the provisions of the Funders' Direct Agreement and Clause 54.22 (*Reinstatement*), Project Co shall apply any proceeds of any policies of Insurance:
- 54.19.1 in the case of third party legal liability or employers' liability insurance, in satisfaction of the claim, demand, proceeding or liability in respect of which such proceeds are payable; and
- 54.19.2 in the case of any other insurance other than delay in start up or business interruption insurance, so as to ensure the performance by Project Co of its obligations under this Agreement, including where necessary the reinstatement, restoration or replacement of the Facilities, assets, materials or goods affected by the event giving rise to the insurance claim and consequent payment of proceeds.
- 54.20 Where reinstatement monies are required to be released from the Insurance Proceeds Account Project Co shall obtain the Authority's consent in accordance with the Insurance Proceeds Account Agreement. The Authority shall give its consent (or confirm that it is withholding its consent) to the release of monies from the Insurance Proceeds Account within one (1) Business Day of a request from Project Co (provided that such consent must not be unreasonably withheld).
- 54.21 If the proceeds of any insurance claim are insufficient to cover the settlement of such claims, Project Co will make good any deficiency forthwith.
- 54.22 **Reinstatement**
- 54.22.1 All insurance proceeds received under any Physical Damage Policy¹⁰⁴ shall be applied to repair, reinstate and replace each part or parts of the Facilities in respect of which the proceeds were received.
- 54.22.2 Where a claim is made or proceeds of insurance are received or are receivable under any Physical Damage Policy in respect of a single event

¹⁰³ This Clause must refer to only such insurances, the proceeds of which are to be paid into the Insurance Proceeds Account i.e. Physical Damage insurance policies

¹⁰⁴ This will not include, for example, third party liability, employers' liability, business interruption or advance loss of profits insurance.

(or a series of related events) (the ("**Relevant Incident**") in an amount in excess of [♦] pounds (£[♦]) (index-linked)¹⁰⁵:

- (a) Project Co shall deliver as soon as practicable and in any event within twenty-eight (28) days after the making of the claim a plan prepared by Project Co for the carrying out of the works necessary (the "**Reinstatement Works**") to repair, reinstate or replace (the "**Reinstatement Plan**") the assets which are the subject of the relevant claim or claims in accordance with Clause 54.22.2(b)(iv) below. The Reinstatement Plan shall set out:
 - (i) if not the Contractor, the identity of the person proposed to effect the Reinstatement Works, which shall be subject to the prior written approval of the Authority; and
 - (ii) the proposed terms and timetable or, if not then established, the reasonably anticipated terms and timetable upon which the Reinstatement Works are to be effected (including the date that the Project will become fully operational), the final terms of which shall be subject to the prior written approval of the Authority, which approval shall not be unreasonably delayed;
- (b) provided that the Authority is satisfied that the Reinstatement Plan will enable Project Co to comply with Clause 54.22.2(b)(iv) below within a reasonable timescale:
 - (i) the Reinstatement Plan will be adopted and carried out by Project Co;
 - (ii) Project Co shall enter into contractual arrangements to effect the Reinstatement Works with the person identified in the Reinstatement Plan approved by the Authority;
 - (iii) prior to the earlier to occur of the Termination Date or the Expiry Date, any amounts standing to the credit of the Insurance Proceeds Account (the "**Relevant Proceeds**") (together with any interest accrued) may be withdrawn by Project Co from the Insurance Proceeds Account as required to enable it to make payments in accordance with the terms of the contractual arrangements referred to in Clause 54.22.2(b)(ii) above, and to meet any other reasonable costs and expenses of Project Co for the sole purposes of funding the Reinstatement Works and the parties shall operate the signatory requirements of

the Insurance Proceeds Account in order to give effect to such payments. Following the earlier to occur of the Termination Date and the Expiry Date, the Authority may withdraw amounts standing to the credit of the Insurance Proceeds Account for the purposes of funding any Reinstatement Works;

- (iv) the Authority agrees and undertakes that, subject to compliance by Project Co with its obligations under this Clause, and provided that Project Co procures that the Reinstatement Works are carried out and completed in accordance with the contractual arrangements referred to in Clause 54.22.2(b)(ii), it shall not exercise any right which it might otherwise have to terminate this Agreement by virtue of the event which gave rise to the claim for the Relevant Proceeds;
- (v) the Authority undertakes to use reasonable endeavours to assist Project Co in the carrying out of the Reinstatement Plan;
- (vi) after the Reinstatement Plan has been implemented to the reasonable satisfaction of the Authority and in accordance with Clause 54.22.3 below the Authority shall permit withdrawal by Project Co of any Relevant Proceeds then held in the Insurance Proceeds Account that have not been paid under Clause 54.22.2(b)(iii) above, in respect of the Relevant Incident, together with any interest accrued; and
- (vii) subject to the provisions of Clause 49.1 (*Project Co Indemnities to Authority*) Project Co shall be solely responsible for the payment of any deficiency.

54.22.3 Where insurance proceeds are to be used, in accordance with this Agreement, to repair, reinstate or replace any Facility, Project Co shall carry out the work in accordance with the Authority's Construction Requirements so that on completion of the work, the provisions of this Agreement are complied with.

54.22.4 If and to the extent that a breach by Project Co of its obligations under Clause 54.22.2(b) leads to a delay in the completion of the Reinstatement Works, any entitlement that Project Co has to relief under Clause 31 (*Relief Events*) shall be suspended.

55. EXCLUSIONS AND LIMITATIONS ON LIABILITY

Exclusions

- 55.1 The indemnities under this Agreement shall not apply and (without prejudice to the Authority's rights under the Payment Mechanism) there shall be no right to claim damages for breach of this Agreement, in tort or on any other basis whatsoever to the extent that any loss claimed by either party is for loss of profits, loss of use (subject to Clause 55.3), loss of production, loss of business or loss of business opportunity or is a claim for consequential loss or for indirect loss of any nature ("**Indirect Losses**") suffered or allegedly suffered by either party. The Authority agrees that, notwithstanding the foregoing, any losses of Project Co arising under the Construction Contract and the Service Contracts¹⁰⁶ as originally executed (or as amended in accordance with and subject to Clause 4.1 (*Ancillary Documents*)) which are not Indirect Losses shall not be excluded from such a claim solely by reason of this Clause 55.1 (*Exclusions*).
- 55.2 The Authority shall not be liable in tort to Project Co or any Project Co Party in respect of any negligent act or omission of the Authority or any Authority Party relating to or in connection with this Agreement and Project Co shall procure that no Project Co Party shall bring such a claim against the Authority. Project Co has accepted this on the basis that it and each Project Co Party will cover the risk of negligent acts or omissions by insurance or in such other manner as it (or they) may think fit.
- 55.3 The indemnity under Clause 10.16.3 (b) (*Off Site Contamination*) shall include the direct costs of the use of alternative facilities to the extent covered by Insurance.

No Double Recovery

- 55.4 Subject to:
- 55.4.1 any other express right of the Authority pursuant to this Agreement; and
- 55.4.2 the Authority's right to claim, on or after termination of this Agreement, the amount of its reasonable costs, losses, damages and expenses suffered or incurred by it as a result of rectifying or mitigating the effects of any breach of this Agreement by Project Co save to the extent that the same has already been recovered by the Authority pursuant to this Agreement or has been taken into account to reduce any compensation payable by the Authority pursuant to Clause 46 (*Compensation on Termination*),

the sole remedy of the Authority in respect of a failure to provide the Services in accordance with this Agreement shall be the operation of the Payment Mechanism.

¹⁰⁶ As a matter of good practice, the Authority should review the relevant Sub-contracts prior to Financial Close to ensure that they contain mirror provisions excluding the right to claim Indirect Losses. Assurances on the contents of the sub-contracts will be required to be provided to the Welsh Government, whether or not equity is being invested by the public sector.

- 55.5 Subject to Clause 39 (*Authority Events of Default*) and any other express right of Project Co pursuant to this Agreement, Project Co's sole remedy in respect of any breach of this Agreement which is a Compensation Event shall be pursuant to Clause 30 (*Delay Events and Compensation Events*).
- 55.6 Nothing in Clause 55.4 (*No Double Recovery*) shall prevent or restrict the right of the Authority to seek an injunction or an order for specific performance or other discretionary remedies of the court.
- 55.7 Notwithstanding any other provision of this Agreement, neither party shall be entitled to recover compensation or make a claim under this Agreement or any other agreement in relation to the Project in respect of any loss that it has incurred (or any failure of the other party) to the extent that it has already been compensated in respect of that loss or failure pursuant to this Agreement or otherwise.
- 55.8 Neither party shall have the right to terminate this Agreement for breach of contract save as expressly set out in this Agreement.

No Loss

- 55.9 Where the Authority would otherwise be expressly liable to make payment to Project Co of sums which include amounts payable in turn by Project Co to any Sub Contractor, the Authority shall not be entitled to withhold, reduce or avoid any such payment to Project Co in reliance only on the fact that the amount which is due from Project Co to the Sub Contractor or the entitlement of the Sub Contractor to payment of such amount as a result of the circumstances giving rise to the Authority's obligation to pay, is conditional on the entitlement of, or receipt of payment by Project Co from the Authority.
- 55.10 [Where Project Co would otherwise be expressly liable to make payment to the Authority of sums which include amounts payable in turn by the Authority to any School Entity, Project Co shall not be entitled to withhold, reduce or avoid any such payment to the Authority in reliance only on the fact that the amount which is due from the Authority to the School Entity or the entitlement of the School Entity to payment of such amount as a result of the circumstances giving rise to Project Co's obligation to pay, is conditional on the entitlement of, or receipt of payment by the Authority from Project Co.]

56.1.1 the Authority carrying out the Authority Services (and its operations relating to the performance of the Authority Services), its duties under this Agreement and/or any statutory duties that the Authority may have; and

56.1.2 following termination of this Agreement, the design or construction of the Facilities, the operation, maintenance or improvement of the Facilities and/or the carrying out of operations the same as, or similar to, the Project Operations,

56.2 Project Co:

56.2.1 hereby grants to the Authority, free of charge, an irrevocable, non-exclusive and transferable (but only to any assignee or transferee of any rights or benefits under this Agreement or upon or at any time following termination of this Agreement) licence (carrying the right to grant sub-licences) to use the Intellectual Property Rights which are or become vested in Project Co; and

56.2.2 shall, where any Intellectual Property Rights are or become vested in a third party, use all reasonable endeavours to procure the grant of a like licence to that referred to in Clause 56.2.1 above to the Authority,

in both cases, solely for the Approved Purposes.

Project Co shall use all reasonable endeavours to ensure that any Intellectual Property Rights created, brought into existence or acquired during the term of this Agreement vest, and remain vested throughout the term of this Agreement, in Project Co and Project Co shall enter into appropriate agreements with any Project Co Party (or other third parties) that may create or bring into existence, or from which it may acquire, any Intellectual Property Rights.

Maintenance of Data¹⁰⁷

- 56.3 To the extent that any of the data, materials and documents referred to in this Clause are generated by or maintained on a computer or similar system, Project Co shall use all reasonable endeavours to procure for the benefit of the Authority, at no charge or at the lowest reasonable fee, the grant of a licence or sub-licence for any relevant software to enable the Authority or its nominee to access and otherwise use (subject to the payment by the Authority of the relevant fee, if any) such data for such purposes as the Authority may at its sole discretion require. As an alternative, Project Co may provide such data, materials or documents in a format which may be read by software generally available in the market at the relevant time or in hard copy format.
- 56.4 Project Co shall ensure the back-up and storage in safe custody of the data, materials and documents referred to in Clause 56.3 (*Maintenance of Data*) in accordance with Good Industry Practice. Without prejudice to this obligation, Project Co shall submit to the Authority's Representative for approval its proposals for the back-up and storage in safe custody of such data, materials and documents and the Authority shall be entitled to object if the same is not in accordance with Good Industry Practice. Project Co shall comply, and shall cause all Project Co Parties to comply, with all procedures to which the Authority's Representative has given its approval. Project Co may vary its procedures for such back-up and storage subject to submitting its proposals for change to the Authority's Representative, who shall be entitled to object on the basis set out above.

Claims

- 56.5 Where a claim or proceeding is made or brought against the Authority which arises out of the infringement of any rights in or to any Intellectual Property (other than any Disclosed Data) or because the use of any materials, Plant, machinery or equipment in connection with the Project Operations infringes any rights in or to any Intellectual Property of a third party then, unless such infringement has arisen out of the use of any Intellectual Property by or on behalf of the Authority otherwise than in accordance with the terms of this Agreement, Project Co shall indemnify the Authority at all times from and against all such claims and proceedings and the provisions of Clause 49.3 (*Conduct of Claims*) shall apply.

¹⁰⁷ If either party is to be given access to any of the other party's computer systems, as a matter of good practice and also to clarify potential liability for unauthorised access to those systems under the Computer Misuse Act 1990, the scope of each party's authorisation to access each other's computer systems will need to be defined clearly. The terms of such authorisation will be project specific.

57. DISPUTE RESOLUTION PROCEDURE

58.3 Project Co shall:

58.4.2 which notifies the Sub-Contractor that the contract forms part of a larger contract for the benefit of the Authority and that should the Sub-Contractor have any difficulty in securing the timely payment of an invoice that matter may be referred by the Sub-Contractor to the Authority's Representative; and

58.4.3 which requires any sub contracts to be entered into in relation to the Project Operations to be on the same terms as this Clause 58.4 (*Sub-Contractors*) (including for the avoidance of doubt this Clause 58.4.3) subject only to modification to refer to the correct designation of the equivalent party as the supplier and recipient of the relevant Project Operations as the case may be.

Replacement of a Non-Performing Sub-Contractor

58.5 On the substitution or replacement of a Service Provider due to a breach or default under a Service Contract, Project Co may elect, subject to Clause 58.7 (*Replacement of a Non-Performing Sub-Contractor*) and provided that at the time of making such election no notice of termination has been served under this Agreement, that for the purposes of Clause 40.1.8 (*Deductions*) and Clause 40.1.9 (*Warning Notices*) only, all Deductions incurred and Warning Notices served prior to the date of such substitution or replacement shall be disregarded by virtue of Clause 58.6 (*Replacement of a Non-Performing Sub-Contractor*) below.

¹¹¹ In line with the general approach taken by the Welsh Audit Commission, these Clauses support a general openness in regard to the project contracts and associated documentation. The Welsh Government considers there is a limited amount of the Project Data that can be properly regarded as falling under any of the exemptions in the freedom of information regime. These have been identified in Schedule 26 (*Commercially Sensitive Information*) with what are thought to be reasonable periods when the protection of confidentiality may be claimed. The Authority should be wary of attempts to widen the scope or extend the duration of the limited contractual confidentiality arrangements in these Clauses and should consider these Clauses in light of any other guidance with which it is required to comply.

¹¹² This should be the Monthly Service Report or some other form of report that Project Co is required to produce on a regular basis, detailing (a) the Monthly Service Payment Amounts (gross and net of Deductions), (b) a breakdown of Deductions incurred, (c) Warning Notices issued and (d) other payments included within the Monthly Invoices for the quarter (e.g. in respect of changes, compensation, indemnities etc).

- b. Project Co/ WEPCo has demonstrated in their detailed flood risk assessment how the flood risk to the site can be managed as part of the development proposal (e.g. through placing the building on a particular part of the Site) and what measures are being put in place to minimise the effects of any flooding (e.g. design measures with electrical sockets higher up the wall/ground); and
- c. if having considered the flood mitigation measures that are being put in place it is demonstrated as being reasonable to put further contractual protection in the Project Agreement, then any protection will need to be drafted specifically by reference to the risk on the Site (e.g. by referring to a 1 in 100 annual probability event, as the measures on Site are supposed to protect against flooding up to that point and therefore should be a private sector risk until that threshold has been breached).

3.4 The Authority will copy to the Agent any non-payment notice which the Authority serves on Project Co pursuant to Clause 40.1.10 (*Payment*) of the MIM Project Agreement.

4. **NO LIQUID MARKET**

- 5.1 Subject to Clause 5.2 (*Representative*) and without prejudice to the Agent's rights under the Security Documents, the Agent may give the Authority a Step-In Notice at any time:

- 5.3 On the issue of the Step-In Notice, the Appointed Representative shall assume jointly with Project Co the rights of Project Co under the Authority Project Documents and thereafter, until the end of the Step-In Period the Authority shall deal with the Appointed Representative and not Project Co.

6. STEP-IN PERIOD

- 6.1 Notwithstanding Clause 3 (*No Termination Without Notice*) above, the Authority may terminate the MIM Project Agreement if:
- 6.1.1 any amount referred to in Clause 3.2.2(a) above has not been paid to the Authority on or before the Step-In Date; or

 - 6.1.3 amounts, of which the Authority was not aware (having made proper enquiry) at the time of the Termination Notice, subsequently become payable and are not discharged on or before the date falling twenty (20) Business Days after the date on which the liability of Project Co for these amounts is notified to the Agent or if later the Step-In Date; or
 - 6.1.4 grounds arise after the Step-In Date in accordance with the terms of the MIM Project Agreement provided that Deductions and/or Warning Notices

¹⁸⁷ If Senior Funders are taking enforcement action, then there is no objection to there being a right of step-in, although in practice funders may not wish to step in if there is no Project Co Event of Default (and therefore no threat of termination of the Template MIM Education PA).

that arose pursuant to Schedule 14 (*Payment Mechanism*) to the MIM Project Agreement prior to the Step-In Date shall not be taken into account during the Step-In Period but such Deductions and/or Warning Notices (to the extent applicable under the terms of the MIM Project Agreement) shall be taken into account after the Step-Out Date.

6.2 The Authority shall not terminate the MIM Project Agreement during the Step-In Period on grounds:

6.2.1 that the Agent has served a Step-In Notice or enforced any Security Document; or

6.2.2 arising prior to the Step-In Date of which the Authority was aware (having made proper enquiry) and whether or not continuing at the Step-In Date unless:

(a) the grounds arose prior to the Actual Completion Date, and the Actual Completion Date does not occur on or before the date twelve (12) months after the date on which the Authority would have been entitled to terminate the MIM Project Agreement for non-completion of the Works under Clause 40.1.2 (*Long Stop*) of the MIM Project Agreement; or

(b) the grounds arose after the Actual Completion Date, and neither the Appointed Representative nor Project Co is using all reasonable endeavours (including implementation of any remedial programme) to remedy any breach of the MIM Project Agreement which:

(i) arose prior to the Step-In Date; and

(ii) is continuing (and capable of remedy); and

(iii) would have entitled the Authority to terminate the MIM Project Agreement; or

(c) the grounds (whenever they first arose) did not give rise to any right to terminate until after the Step-In Notice; or

6.2.3 arising solely in relation to Project Co.

7. STEP-OUT

- 7.1 The Appointed Representative may at any time during the Step-In Period deliver to the Authority a Step-Out Notice which shall specify the Step-Out Date.
- 7.2 On expiry of the Step-In Period:
- 7.2.1 the Appointed Representative will be released from all of its obligations and liabilities to the Authority under the Authority Project Documents arising prior to the end of the Step-In Period and rights of the Appointed Representative against the Authority will be cancelled;¹⁸⁸ and
- 7.2.2 the Authority shall no longer deal with the Appointed Representative and shall deal with Project Co in connection with the Authority Project Documents.
- 7.3 Project Co shall continue to be bound by the terms of the MIM Project Agreement, notwithstanding the occurrence of a Step-In Notice, a Step-In Period, a Step-Out Notice, Step-Out Date, any action by the Agent or Appointed Representative or the Senior Funders and/or any provision of this Agreement.

8. NOVATION

- 8.1 Subject to Clause 8.2 (*Novation*), at any time:
- 8.1.1 after an Enforcement Event has occurred; or
- 8.1.2 during the Step-In Period,
- the Agent may, subject to Clause 8.2 (*Novation*), on not less than twenty (20) Business Days' prior notice to the Authority and any Appointed Representative, procure the transfer of Project Co's rights and liabilities under the Authority Project Documents to a Suitable Substitute Contractor in accordance with the provisions of Clause 8.4 (*Novation*).
- 8.2 The Authority shall notify the Agent as to whether any person to whom the Agent proposes to transfer Project Co's rights and liabilities under the Authority Project Documents is a Suitable Substitute Contractor, on or before the date falling twenty (20) Business Days after the date of receipt from the Agent of all information reasonably required by the Authority to decide whether the proposed transferee is a Suitable Substitute Contractor.

¹⁸⁸ The effect of this provision is that rights and obligations which are outstanding from the Step-in Period are preserved and will be reflected in the amount of compensation payable by the Authority on early termination of the Template MIM Education PA. It is not therefore necessary for the Authority to retain rights of action against the Appointed Representative after the end of the Step-in Period.

- 8.3 The Authority shall not unreasonably withhold or delay its decision on whether the proposed transferee is a Suitable Substitute Contractor and it shall, without limitation, be reasonable for the Authority to withhold its consent if there are unremedied breaches under the Authority Project Documents and there is no rectification plan reasonably acceptable to the Authority in respect of the breaches.
- 8.4 Upon the transfer referred to in Clause 8.1 (*Novation*) becoming effective:
- 8.4.1 Project Co, the Appointed Representative and the Authority will be released from their obligations under the Authority Project Documents to each other (the "**discharged obligations**");
 - 8.4.2 the Suitable Substitute Contractor and the Authority will assume obligations towards each other which differ from the discharged obligations only insofar as they are owed to or assumed by the Suitable Substitute Contractor instead of Project Co or the Appointed Representative;
 - 8.4.3 the rights of Project Co and the Appointed Representative against the Authority under the Authority Project Documents and vice versa (the "**discharged rights**") will be cancelled;
 - 8.4.4 the Suitable Substitute Contractor and the Authority will acquire rights against each other which differ from the discharged rights only insofar as they are exercisable by or against the Suitable Substitute Contractor instead of Project Co or the Appointed Representative;
 - 8.4.5 any then subsisting ground for termination of the MIM Project Agreement by the Authority shall be deemed to have no effect and any subsisting Termination Notice shall be automatically revoked;
 - 8.4.6 the Authority shall enter into a direct agreement with the Suitable Substitute Contractor and a representative of Senior Funders lending to the Suitable Substitute Contractor on substantially the same terms as this Agreement; and
 - 8.4.7 any Deductions and/or Warning Notices that arose pursuant to Schedule 14 (*Payment Mechanism*) [or due to [unavailability]] prior to that time shall, without prejudice to the rights of the Authority to make financial deductions, not be taken into account in determining whether a Project Co Event of Default has occurred.

9. MISCELLANEOUS

- 9.1 The Authority shall at Project Co's expense, take whatever action the Agent, an Appointed Representative or a Suitable Substitute Contractor taking a transfer in accordance with Clause 8.1 (*Novation*) may require for perfecting any transfer or release under Clause 5 (*Representative*) above, Clause 7 (*Step-Out*) above and Clause 8 (*Novation*) above including the execution of any transfer or assignment,

and the giving of any notice, order or direction and the making of any registration which, in each case, the Agent or Appointed Representative or Suitable Substitute Contractor reasonably requires.

- 9.4.1 any Enforcement Event and any action taken in connection with such Enforcement Event, any decisions to accelerate the maturity of any amounts owing by Project Co to the Senior Funders under the Senior Funding Agreements and/or any decisions to demand repayment;
- 9.4.2 the date referred to in Clause 9.3.1 above on or before the date falling twenty (20) Business Days after its occurrence;
- 9.4.3 the details and amount of any proposed Additional Permitted Borrowing including:
- (a) the circumstances giving rise to it and reasons for it; and
- (b) the terms on which it will be borrowed;
- 9.4.4 on the first Business Day of each calendar month during which any Additional Permitted Borrowing is, or may be, subsisting, the amount outstanding under the Senior Funding Agreements (as the same may be amended (whether or not with the approval of the Authority)) and, to the extent it is aware (having made reasonable and proper enquiry):

9.6 For the avoidance of doubt, if there is any conflict or inconsistency between the provisions of this Agreement and the MIM Project Agreement, the provisions of this Agreement shall prevail.

9.7 Notwithstanding any provision in the Collateral Agreements to the contrary, the Authority agrees that, subject to Clauses 9.8 and 9.9 (*Miscellaneous*), it will not, in respect of any particular Collateral Agreement, exercise or seek to exercise any of its step-in rights or other rights (other than design, Intellectual Property or similar rights) under such Collateral Agreement until the earliest of:

9.7.1 the Senior Debt Discharge Date; or

9.7.2 the date on which the Agent has given its written consent to such exercise; or

9.7.3 the time when in respect of any such Collateral Agreement either:

(a) the Senior Funders have failed to exercise any corresponding right to such Collateral Agreement under their own Security Documents and the time for exercising such right has ended in accordance with the terms thereof; or

(b) the Agent has confirmed in writing to the Authority (following any request from the Authority for such confirmation, to which the Agent shall be obliged to respond promptly) that it does not intend to exercise any of its rights under the relevant Security Document or that it has no further claim thereunder; or

(c) the Senior Funders have stepped in to or otherwise directly or indirectly taken control over the rights of Project Co under the relevant Sub-Contract (in accordance with their rights under their Security Documents) and then stepped out from, or otherwise relinquished control of such rights under or in connection with such Sub-Contract; or

- 9.9 In addition to its rights under Clause 9.7 (*Miscellaneous*), where the MIM Project Agreement has been terminated, the Authority shall from the Termination Date be able to exercise any of its step-in rights or other rights under or in respect of any of the Collateral Agreements; however notwithstanding the terms of the Collateral Agreements or any other provisions of this Clause 9.9 (*Miscellaneous*), each of the relevant Sub-Contractors (and any guarantors thereof as relevant) shall remain responsible, and be liable, to Project Co in respect of all costs, claims, damages, losses and liabilities which shall have arisen out of or in connection with the relevant Sub-Contracts in respect of the period prior to the Termination Date in relation to which the Agent acting on behalf of Project Co and the Senior Funders shall retain the benefit of all and any rights to all such costs, claims, damages, losses and liabilities.
- 9.10 Except in accordance with the provisions of Clauses 9.7 to 9.9 (*Miscellaneous*) (inclusive) the Authority shall not, prior to the Senior Debt Discharge Date:
- 9.10.1 claim, recover, retain or receive (or seek to claim, recover, retain or receive) any amount under the Collateral Agreements;

The Authority also agrees that any enforcement by the Agent of the security referred to in Clause 2.4 (*Consent To Security*) above (and any subsequent transfer of share capital in Project Co) following an Enforcement Event shall not constitute a Project Co Event of Default under Clause 40.1.6 (*Change in Control*) of the MIM Project Agreement.

 - (c) have an adverse effect on the provision by the Authority of the relevant Authority Services at, or on the safety or enjoyment of any users of, the Facilities; or
 - (d) cause the Authority to incur material additional expense; or

- 3.8.3 the proposed revision or substitution would (on the balance of probabilities) result in an inferior standard of performance of the Services to the standard of performance in accordance with the Method Statement prior to such proposed revision or substitution and/or, as relevant, result in a probable failure to meet the Handback Requirements; and

probabilities) capable of achieving satisfaction of the Handback Requirements by the Expiry Date;

- 6.2 If, having received comments from the Authority's Representative, Project Co considers that compliance with those comments would amount to a Change, Project Co shall, before complying with the comments, notify the Authority of the same and, if it is agreed by the parties or determined pursuant to Schedule 20 (*Dispute*

2. TERMINATION NOTICE AND AUTHORITY TERMINATION

2.1 Contractor's Warranties and Undertakings

The Contractor warrants and undertakes to the Authority that it has complied with and fulfilled and shall continue to comply with and fulfil its duties and obligations arising under or by virtue of the Construction Contract, provided that the Authority shall only be entitled to make a claim against the Contractor under this Clause 2.1 (*Contractor's Warranties and Undertakings*) if the MIM Project Agreement has terminated and shall not be entitled to do so during the Step-in Period or after the Construction Contract has been novated under Clause 4 (*Novation*).

2.2 Liability of Contractor

Any liability arising from any claim for breach of the warranty under or pursuant to Clause 2.1 (*Contractor's Warranties and Undertakings*) shall be in addition to and without prejudice to any other present or future liability of the Contractor to the Authority (including, without prejudice to the generality of the foregoing, any liability in negligence) and shall not be released, diminished or in any other way be affected by any independent enquiry into any relevant matter which may be made or carried out by or on behalf of the Authority by any person nor by any action or omission of any person whether or not such action or omission might give rise to an independent liability of such person to the Authority provided always that the Contractor shall owe no greater duties or obligations to the Authority under this Agreement than it owes or would have owed to Project Co under the Construction Contract. Without prejudice to Clause 12 (*Aggregate Liability*), the Contractor shall be entitled in any action or proceedings brought by the Authority under this Agreement to rely on any limitation or exclusion of liability in the Construction Contract and to raise equivalent rights in defence of liability (but excluding set-offs and counterclaims) as it would have against Project Co under the Construction Contract.

2.3 Termination Notice

- 2.3.1 The Contractor undertakes not to terminate the Construction Contract on account of an Event of Project Co Default without first giving the Authority not less than [fifteen (15)] Business Days' prior written notice specifying the grounds for that termination. Subject to Clause 2.3.2 below any such notice shall be a "**Termination Notice**".
- 2.3.2 Where the Contractor's right to terminate is subject to the terms of the Funders' Contractor's Direct Agreement then the Contractor shall notify the Authority of the same as soon as reasonably practicable upon becoming aware of the provisions of the Funders' Contractor's Direct Agreement applying. Thereafter as soon as the Contractor becomes entitled to terminate the Construction Contract free from the constraints contained in the Funders' Contractor's Direct Agreement, whether upon the expiry of the Step-in Period (as such term is defined in the Funders' Contractor's Direct Agreement) or otherwise, then the Contractor undertakes to the Authority not to terminate the Construction Contract on account of an Event of Project Co Default (whether occurring before or after the Contractor's right to terminate the Construction Contract was free from the constraints of the Funders' Contractor's Direct Agreement) without first giving the Authority not less than [fifteen (15)] Business Days' prior notice specifying the grounds for that termination and noting that the Contractor's right of termination is not subject to the Funders' Contractor's Direct Agreement. Any such notice, other than one given in circumstances where there is no default under the Construction Contract by Project Co or the Contractor, shall for the purposes of this Agreement also be a Termination Notice and the provisions of this Agreement shall apply accordingly.
- 2.3.3 Notwithstanding any provision of the Construction Contract to the contrary, on termination of the MIM Project Agreement by the Authority, the Parties agree that the Construction Contract shall not come to an end except in accordance with the terms of this Agreement.
- 2.3.4 The Authority acknowledges that it shall not be entitled to exercise its rights under Clauses 3 (*Step-In And Step-Out*) and 4 (*Novation*):
- (a) where the event giving rise to termination of the MIM Project Agreement is a Contractor Event of Default (as that term is defined in the Construction Contract) whether or not at the relevant time there has been notice to terminate the Construction Contract for such Contractor Event of Default;
 - (b) until the Security Trustee has released its security over the Construction Contract; or
 - (c) until the Security Trustee has confirmed to the Authority in writing that it has no further claims or interest in the claims of Project Co or any Suitable Substitute Contractor (as such term is defined in the Funders' Contractor Direct Agreement) against the Contractor whether pursuant to the Security Documents, the Construction Contract or the enforcement of any rights under the

Security Documents or the Funders' Contractor Direct Agreement.

3. STEP-IN AND STEP-OUT

3.1 Step-in Notice

3.1.1 If the Authority has terminated the MIM Project Agreement in accordance with the terms of the MIM Project Agreement or if the Authority has received a Termination Notice, then subject to the provisions of this Agreement, the Authority may give written notice to the Contractor (copied to the Security Trustee) (a "**Step-in Notice**") of the intention of the Authority to issue a Step-in Undertaking on a specified date (the "**Proposed Step-in Date**") provided that such Proposed Step-in Date shall be:

- (a) no later than [five (5)] Business Days after termination of the MIM Project Agreement where this has been terminated by the Authority; and
- (b) no earlier than the date falling five (5) Business Days prior to the date of expiry of the Termination Notice and no later than the date of expiry of the Termination Notice where a Termination Notice has been given by the Contractor.

3.1.2 Unless the Contractor otherwise consents, only one (1) Step-in Notice may be given during the period of this Agreement. Subject to Clause 5.1 (*Rights of Termination*) below, the Contractor shall not be entitled to terminate the Construction Contract until after the Proposed Step-in Date.

3.2 Notice of Obligations and Step-in Undertaking

3.2.1 Within [three (3)] Business Days of receipt of any Step-in Notice, the Contractor shall give written notice to the Authority of any sums of which the Contractor has actual knowledge which are due and payable but unpaid by Project Co and of any other material obligations or liabilities, of which the Contractor has actual knowledge, which should have been performed or discharged by Project Co under the Construction Contract, in each case, as at the date of the Step-in Notice.

3.2.2 The Contractor shall inform the Authority in writing as soon as reasonably practicable of:

- (a) any change in such sums, obligations or liabilities referred to in Clause 3.2.1; and
- (b) any further sums, obligations or liabilities thereafter falling due and payable but unpaid or falling due for performance or

discharge and unperformed or undischarged (as the case may be);

in each case of which the Contractor has actual knowledge, before the Step-in Date.

- 3.2.3 The Contractor shall give the Authority the information referred to in Clauses 3.2.1 and 3.2.2 in good faith and may not give any further notifications pursuant to Clause 3.2.2 less than [two (2)] Business Days prior to the Proposed Step-in Date. The Authority shall not be required to assume any liability under a Step-in Undertaking for any outstanding obligations or liabilities of Project Co to the Contractor which are not notified to the Authority pursuant to Clauses 3.2.1 or 3.2.2.
- 3.2.4 Not later than the Proposed Step-in Date the Authority shall decide if it is prepared to issue a Step-in Undertaking. If it does so decide, the Authority shall promptly give the Contractor written notification of such decision and, at the same time, provide a copy of such notification to the Senior Funder. The Authority shall deliver to the Contractor on the Proposed Step-in Date, a written undertaking in form and substance agreed with the Contractor (both the Authority and the Contractor acting reasonably) (the "**Step-in Undertaking**"), incorporating a Clause in terms similar to Clause 11 (*Default Interest*) (but only to the extent that there will not be double counting of default interest accruing under the Construction Contract and this Agreement), and undertaking to the Contractor:
- (a) to pay or procure the payment to the Contractor, within [fifteen (15)] Business Days of demand by the Contractor, of any sum due and payable but unpaid by Project Co to the Contractor under the Construction Contract before the Step-in Date and which has been notified by the Contractor to the Authority in accordance with Clause 3.2.1 or 3.2.2;
 - (b) to perform or discharge or procure the performance or discharge of any unperformed or undischarged obligations of Project Co under the Construction Contract which shall have fallen due for performance or discharge before the Step-in Date and which have been notified by the Contractor to the Authority in accordance with Clause 3.2.1 or 3.2.2 within such period as the Contractor may reasonably require;
 - (c) to pay or procure the payment of any sum due and payable by Project Co under the Construction Contract as a result of any act or omission occurring during the Step-in Period which shall arise from any act or omission occurring after the Step-in Date (but subject to Clauses 3.4 (*Step-Out*) and 4.5.3(b)) but not, to avoid doubt, any sum due in respect of any Works carried out before the Step-in Date; and
 - (d) to perform or discharge or procure the performance or discharge of any obligations of Project Co under the Construction Contract as a result of any act or omission occurring during the Step-in Period which shall arise from any act or omission occurring after

the Step-in Date (but subject to Clauses 3.4 (*Step-Out*) and 4.5.3(b)) but not, to avoid doubt, to perform or discharge or to procure the performance or discharge of any obligations in respect of any Works carried out before the Step-in Date.

- 3.2.5 Following notification of the Authority's decision pursuant to Clause 3.2.4, the Security Trustee shall, on or before the Proposed Step-in Date, take any action which is necessary unconditionally and irrevocably to release the Construction Contract and the Parent Company Guarantee from the security constituted by the Security Documents.
- 3.2.6 Upon release by the Security Trustee of its security over the Parent Company Guarantee in accordance with Clause 3.2.5, Project Co shall immediately assign all its rights and powers under the Parent Company Guarantee to the Authority in accordance with Clause [insert reference] of the same.
- 3.2.7 If the Authority shall not have issued the Step-in Undertaking on or before the Proposed Step-in Date the Step-in Notice shall be deemed to have been withdrawn and the rights and obligations of the Parties shall be construed as if the Step-in Notice had not been given.

3.3 Restriction of Right of Termination

During or in respect of the Step-in Period, the Contractor confirms to the Authority that it shall continue to observe and perform its duties and obligations under the Construction Contract and shall, without prejudice to Clause 5.1 (*Rights of Termination*), only be entitled to exercise its rights of termination under the Construction Contract:

- 3.3.1 by reference to an Event of Project Co Default arising during the Step-in Period provided that no event of default by Project Co under the MIM Project Agreement (whether resulting in termination of the MIM Project Agreement or otherwise, and notwithstanding that it has occurred during the Step-in Period) shall entitle the Contractor to exercise such rights of termination during the Step-in Period; or
- 3.3.2 if the Authority, in breach of the terms of the Construction Contract, fails to pay when due any amount owed to the Contractor or fails to perform or discharge when falling due for performance or discharge any obligation under the Step-in Undertaking or fails to procure such payment or performance or discharge; or
- 3.3.3 if such rights of termination arise in circumstances where there is no default under the Construction Contract by the Authority or the Contractor.

3.4 Step-Out

- 3.4.1 The Authority may, at any time, give the Contractor at least [thirty (30)] days' prior written notice to terminate the Step-in Period on a date specified in the notice (the "**Step-out Date**").
- 3.4.2 The Authority shall give the Contractor at least [thirty (30)] days' prior written notice that (subject to Clause 4.4.2) the Step-in Period will end due to the occurrence (subject to Clause 4.7 (*Extension of Step-In Period*)) of the first anniversary of the Step-in Date;

provided that:

- (a) the Authority has performed and discharged in full or procured the performance and discharge in full of any obligations of Project Co under the Construction Contract in relation to the maintenance of records and the provision of reports during the Step-in Period so as to permit the Contractor to monitor the performance of Project Co's other obligations under the Construction Contract; and
- (b) all liability under the Step-in Undertaking pursuant to any claims made up to the date specified in either Clause 3.4.1 or Clause 3.4.2 (as the case may be) shall have been fully and unconditionally discharged,

the Authority shall be released from the Step-in Undertaking on the expiry of the Step-in Period in accordance with Clauses 3.4.1 and 3.4.2. Such release shall not affect the continuation of Project Co's obligations towards the Contractor under the Construction Contract.

- 3.4.3 On expiry or termination of the Step-in Period pursuant to Clauses 3.4.1 and/or 3.4.2 any rights and powers under the Parent Company Guarantee which have been assigned to the Authority pursuant to Clause 3.2.6 shall be re-assigned to Project Co.

4. NOVATION

4.1 Proposed Substitute

At any time that the Authority is entitled to give a Step-in Notice pursuant to Clause 3.1 (*Step-in Notice*) or at any time during the Step-in Period the Authority may give notice (copied to the Security Trustee) (a "**Proposed Novation Notice**") to the Contractor that it wishes itself or another person (a "**Proposed Substitute**") to assume, by way of sale, transfer or other disposal, the rights and obligations of

Project Co under the Construction Contract and specifying a date (the "**Proposed Novation Date**"):

- 4.1.1 falling not later than [fifteen (15)] Business Days after termination of the MIM Project Agreement where this has been terminated by the Authority;
- 4.1.2 falling not later than the expiry of the Termination Notice where a Proposed Novation Notice is given by the Authority at a time when it is entitled to give a Step-in Notice pursuant to Clause 3.1 (*Step-in Notice*); and
- 4.1.3 falling not later than [twenty-eight (28)] Business Days after the date of the Proposed Novation Notice, where a Proposed Novation Notice is given during a Step-in Period.

Save as provided in Clause 4.4 (*Consent Withheld*), only one (1) Proposed Novation Notice may be given during the period of this Agreement. Without prejudice to Clauses 3.3 (*Restriction of Right of Termination*) and 5.1 (*Rights of Termination*), the Contractor shall not be entitled to terminate the Construction Contract during the notice period specified in a Proposed Novation Notice.

4.2 Information for Consent to Novation

If the Proposed Novation Notice specifies the Authority as the Proposed Substitute, the Contractor's consent to the novation shall be deemed to have been given automatically. Where the Proposed Substitute is not the Authority, a novation in accordance with a Proposed Novation Notice shall only be effective if the Contractor consents to that novation in writing in accordance with Clause 4.3 (*Grant of Consent*) and the Authority shall (as soon as practicable) supply the Contractor with the following information (copied to the Security Trustee):

- 4.2.1 the name and registered address of the Proposed Substitute;
- 4.2.2 the names of the shareholders in the Proposed Substitute and the share capital owned by each of them;
- 4.2.3 the names of the directors and the secretary of the Proposed Substitute;

- 4.2.5 the resources (including contractual arrangements) which are to be available to the Proposed Substitute to enable it to perform its obligations under the Construction Contract.

4.3 Grant of Consent

The Contractor may withhold or delay consent to a novation only where the Proposed Substitute is not the Authority and the Authority has failed to show to the Contractor's satisfaction (acting reasonably) that:

- 4.3.1 the Proposed Substitute has the legal capacity, power and authorisation to become a party to and perform the obligations of Project Co under the Construction Contract; and
- 4.3.2 the technical competence and financial standing of and the technical and financial resources available to the Proposed Substitute are sufficient to perform the obligations of Project Co under the Construction Contract.

The Contractor shall notify the Authority in writing, within [five (5)] Business Days of the later of receipt of a Proposed Novation Notice and all information required under Clause 4.2 (*Information for Consent to Novation*), as to whether or not it has decided to grant such consent (together with an explanation of its reasons if it has decided to withhold its consent).

4.4 Consent Withheld

If, in accordance with Clause 4.3 (*Grant of Consent*), the Contractor withholds its consent to a Proposed Novation Notice, the Authority shall be entitled to give one or more subsequent Proposed Novation Notices, pursuant to the provisions of Clause 4.1 (*Proposed Substitute*), containing changed particulars relating to the same Proposed Substitute or particulars relating to another Proposed Substitute which (where the replacement Proposed Substitute is not the Authority) the Authority has good cause to believe would fulfil the requirements of Clauses 4.3.1 and 4.3.2, provided that only one Proposed Novation Notice may be outstanding at any one time, and provided further that:

- 4.4.1 where a Step-in-Notice has not been issued, any revised Proposed Novation Date shall be a date falling no later than the date specified in Clause 4.1.1 or 4.1.2 as appropriate; and
- 4.4.2 if the Proposed Novation Notice was served during the Step-in Period, any revised Proposed Novation Date shall be a date falling not later than [twenty-eight (28)] Business Days after the date of the revised Proposed Novation Notice.

4.5 Implementation of Novation

- 4.5.1 If the Contractor consents to a novation pursuant to a Proposed Novation Notice (whether automatically or otherwise), then on the Proposed Novation Date and without prejudice to Clause 5.1 (*Rights of Termination*),
- (a) following notification pursuant to Clause 4.1 (*Proposed Substitute*) and in the absence of any prior release in accordance with Clause 3.2.5, the Security Trustee shall, on or before the Proposed Novation Date, take any action which is necessary unconditionally and irrevocably to release the Construction Contract and the Parent Company Guarantee from the security constituted by the Security Documents; and
 - (b) Project Co shall immediately assign all its rights and powers under the Parent Company Guarantee to the Authority or other Proposed Substitute in accordance with Clause [insert reference] of the same and on the Proposed Novation Date and without prejudice to Clause 5.1 (*Rights of Termination*).
- 4.5.2 Subject to the prior performance by the Security Trustee and Project Co of their respective obligations under Clause 4.5.1(a) and Clause 4.5.1(b) the Proposed Substitute shall become a party to the Construction Contract in place of Project Co and, thereafter, shall be treated as if it was and had always been named as a party to the Construction Contract in place of Project Co; and
- (a) the Contractor, Project Co and the Proposed Substitute shall enter into a novation agreement (the "**Novation Agreement**") and any other requisite agreements, in form and substance satisfactory to the Contractor (acting reasonably), pursuant to which:
 - (i) the Proposed Substitute shall be granted all of the rights of Project Co under the Construction Contract (including those arising prior to the end of the Step-in Period);
 - (ii) subject to the Contractor giving to the Proposed Substitute within [three (3)] Business Days of receipt of the Proposed Novation Notice such notice as is referred to in Clause 3.2.1 and to the provisions of Clauses 3.2.2 and 3.2.3, mutatis mutandis, the Proposed Substitute shall assume all of the obligations and liabilities of Project Co under the Construction Contract (including those arising prior to the end of any Step-in Period and those arising during the period of the Proposed Novation Notice);

provided that the Contractor will not be in breach of any of its obligations under this Agreement if the Proposed Substitute does not enter into one or other of such agreements.

4.5.3 On and after the Novation Effective Date:

- (a) the Contractor shall owe its obligations under the Construction Contract (whether arising before, on or after such date) to the Proposed Substitute and the receipt, acknowledgement or acquiescence of the Proposed Substitute shall be a good discharge; and
- (b) if the Authority shall have entered into a Step-in Undertaking, the Authority will be released from the Step-in Undertaking, provided that:
 - (i) all obligations of the Authority under the Step-in Undertaking which have accrued up to the Novation Effective Date and are identifiable as at that date shall have been fully and unconditionally discharged; and
 - (ii) the Authority has performed and discharged in full or procured the performance and discharge in full of the obligations of Project Co under the Construction Contract in relation to the maintenance of records and the provision of reports during the Step-in Period up to the Novation Effective Date so as to permit the Contractor to monitor the performance of Project Co's other obligations under the Construction Contract.

4.5.4 The Authority and the Contractor shall use all reasonable endeavours to agree and the Authority shall use reasonable endeavours to procure that the Proposed Substitute agrees any amendments to the Construction Contract necessary to reflect Clause 3.2.2 and the fact that the MIM Project Agreement may have terminated at the time of the Novation Effective Date.

4.6 Termination After Novation

After the Novation Effective Date the Contractor shall only be entitled to exercise its rights of termination under the Construction Contract:

- 4.6.1 in respect of any Event of Project Co Default arising after that date in accordance with the Construction Contract; or
- 4.6.2 if the Proposed Substitute does not discharge the obligations and liabilities assumed by it under Clause 4.5.2(a) which relate to matters arising prior to the end of the Step-in Period within [fifteen (15)] Business Days following the Novation Effective Date.

4.7 Extension of Step-In Period

As at the date of the first anniversary of the Step-in Date, if the Step-in Period has not previously ended, and:

- 4.7.1 the Authority is in the course of conducting discussions in good faith with a Proposed Substitute (the novation to whom has been approved by the Contractor whether automatically or otherwise in accordance with Clause 4.3 (*Grant of Consent*)), the Step-in Period shall be extended and shall continue until such date as is proposed by the Authority and agreed by the Contractor; or
- 4.7.2 a contract has been entered into between the Authority and a Proposed Substitute (which has been approved by the Contractor in accordance with Clause 4.3 (*Grant of Consent*)) as at such date, the Step-in Period shall be extended and shall continue until the date such contract comes into force, provided that such date shall not be later than [thirty (30)] Business Days after the last date of execution of such contract.

5. RIGHTS AND OBLIGATIONS UNDER THE CONSTRUCTION CONTRACT

5.1 Rights of Termination

If:

- 5.1.1 no Step-in Notice or Proposed Novation Notice is given before a Termination Notice expires or within [♦] Business Days after termination of the MIM Project Agreement by the Authority; or
- 5.1.2 a Step-in Undertaking is not issued on the Proposed Step-in Date; or
- 5.1.3 the Step-in Notice is withdrawn or, pursuant to Clause 3.2.7, deemed to have been withdrawn; or
- 5.1.4 the Step-in Period ends before the occurrence of the Novation Effective Date; or
- 5.1.5 in the absence of a Step-in Undertaking, the Contractor withholds its consent to a novation pursuant to a Proposed Novation Notice, in accordance with Clause 4.3 (*Grant of Consent*), and does not subsequently grant consent to a novation in accordance with Clause 4.4 (*Consent Withheld*) on or before the Proposed Novation Date; or

2.1 Service Provider's Warranties and Undertakings

The Service Provider warrants and undertakes to the Authority that it has complied with and fulfilled and shall continue to comply with and fulfil its duties and obligations arising under or by virtue of the Service Contract, provided that the Authority shall only be entitled to make a claim against the Service Provider under this Clause 2.1 (*Service Provider's Warranties and Undertakings*) if the MIM Project Agreement has terminated and shall not be entitled to do so during the Step-in Period or after the Service Contract has been novated under Clause 4 (*Novation*).

2.2 Liability of Service Provider

Any liability arising from any claim for breach of the warranty under or pursuant to Clause 2.1 (*Service Provider's Warranties and Undertakings*) shall be in addition to and without prejudice to any other present or future liability of the Service Provider to the Authority (including, without prejudice to the generality of the foregoing, any liability in negligence) and shall not be released, diminished or in any other way be affected by any independent enquiry into any relevant matter which may be made or carried out by or on behalf of the Authority by any person nor by any action or omission of any person whether or not such action or omission might give rise to an independent liability of such person to the Authority provided always that the Service Provider shall owe no greater duties or obligations to the Authority under this Agreement than it owes or would have owed to Project Co under the Service Contract. Without prejudice to Clause 12 (*Aggregate Liability*), the Service Provider shall be entitled in any action or proceedings brought by the Authority under this Agreement to rely on any limitation or exclusion of liability in the Service Contract and to raise equivalent rights in defence of liability (but excluding set-offs and counterclaims) as it would have against Project Co under the Service Contract.

2.3 [Retained Employee Indemnity]

If the MIM Project Agreement is terminated because of a Project Co default then the Service Provider shall indemnify and keep indemnified the Authority against all Direct Losses relating to any contractual claims made by Retained Employees as a consequence of their redundancy resulting from the early termination of the MIM Project Agreement and/or the Service Contract. Subject to Clause 2.4.2 below any such notice shall be a "**Termination Notice**".

2.4.2 Where the Service Provider's right to terminate is subject to the terms of the Funders' Service Provider Direct Agreement then the Service Provider shall notify the Authority of the same as soon as reasonably practicable upon becoming aware of the provisions of the Funders' Service Provider Direct Agreement applying. Thereafter as soon as the Service Provider becomes entitled to terminate the Service Contract free from the constraints contained in the Funders' Service Provider Direct Agreement, whether upon the expiry of the Step-in Period (as such term is defined in the Funders' Service Provider Direct Agreement) or otherwise, then the Service Provider undertakes to the Authority not to terminate the Service Contract on account of an Event of Project Co Default (whether occurring before or after the Service Provider's right to terminate the Service Contract was free from the constraints of the Funders' Service Provider Direct Agreement) without first giving the Authority not less than [fifteen (15)] Business Days' prior notice specifying the grounds for that termination and noting that the Service Provider's right of termination is not subject to the Funders' Service Provider Direct Agreement. Any such notice, other than one given in circumstances where there is no default under the Service Contract by Project Co or the Service Provider, shall for the purposes of this Agreement also be a Termination Notice and the provisions of this Agreement shall apply accordingly.

2.4.3 Notwithstanding any provision of the Service Contract to the contrary, on termination of the MIM Project Agreement by the Authority, the Parties agree that the Service Contract shall not come to an end except in accordance with the terms of this Agreement.

- (b) until the Security Trustee has released its security over the Service Contract; or
- (c) until the Security Trustee has confirmed to the Authority in writing that it has no further claims or interest in the claims of Project Co or any Suitable Substitute Contractor (as such term is defined in the Funders' Service Provider Direct Agreement) against the Service Provider whether pursuant to the Security Documents, the Service Contract or the enforcement of any rights under the Security Documents or the Funders' Service Provider Direct Agreement.

3.2.2 The Service Provider shall inform the Authority in writing as soon as reasonably practicable of:

- (a) any change in such sums, obligations or liabilities referred to in Clause 3.2.1; and
- (b) any further sums, obligations or liabilities thereafter falling due and payable but unpaid or falling due for performance or discharge and unperformed or undischarged (as the case may be);

in each case of which the Service Provider has actual knowledge, before the Step-in Date.

The Authority shall not be required to assume any liability under a Step-in Undertaking for any outstanding obligations or liabilities of Project Co to the Service Provider which are not notified to the Authority pursuant to Clauses 3.2.1 or 3.2.2.

3.2.4 Not later than the Proposed Step-in Date the Authority shall decide if it is prepared to issue a Step-in Undertaking. If it does so decide, the Authority shall promptly give the Service Provider written notification of such decision and, at the same time, provide a copy of such notification to the Senior Funder. The Authority shall deliver to the Service Provider on the Proposed Step-in Date, a written undertaking in form and substance agreed with the Service Provider (both the Authority and the Service Provider acting reasonably) (the "**Step in Undertaking**"), incorporating a Clause in terms similar to Clause 11 (*Default Interest*) (but only to the extent that there will not be double counting of default interest accruing under the Service Contract and this Agreement), and undertaking to the Service Provider:

- (a) to pay or procure the payment to the Service Provider, within [fifteen (15)] Business Days of demand by the Service Provider, of any sum due and payable but unpaid by Project Co to the Service Provider under the Service Contract before the Step-in Date and which has been notified by the Service Provider to the Authority in accordance with Clause 3.2.1 or 3.2.2;
- (b) to perform or discharge or procure the performance or discharge of any unperformed or undischarged obligations of Project Co under the Service Contract which shall have fallen due for performance or discharge before the Step-in Date and which have been notified by the Service Provider to the Authority in accordance with Clause 3.2.1 or 3.2.2 within such period as the Service Provider may reasonably require;

- (c) to pay or procure the payment of any sum due and payable by Project Co under the Service Contract as a result of any act or omission occurring during the Step-in Period which shall arise from any act or omission occurring after the Step-in Date (but subject to Clauses 3.4 (*Step-Out*) and 4.5.3(b)) but not, to avoid doubt, any sum due in respect of any Services provided before the Step-in Date; and
- (d) to perform or discharge or procure the performance or discharge of any obligations of Project Co under the Service Contract as a result of any act or omission occurring during the Step-in Period which shall arise from any act or omission occurring after the Step-in Date (but subject to Clauses 3.4 (*Step-Out*) and 4.5.3(b)) but not, to avoid doubt, to perform or discharge or to procure the performance or discharge of any obligations in respect of any Services provided before the Step-in Date.

3.2.5 Following notification of the Authority's decision pursuant to Clause 3.2.4, the Security Trustee shall, on or before the Proposed Step-in Date, take any action which is necessary unconditionally and irrevocably to release the Service Contract and the Parent Company Guarantee from the security constituted by the Security Documents.

3.2.6 Upon release by the Security Trustee of its security over the Parent Company Guarantee in accordance with Clause 3.2.5 Project Co shall immediately assign all its rights and powers under the Parent Company Guarantee to the Authority in accordance with Clause [insert reference] of the same.

3.2.7 If the Authority shall not have issued the Step-in Undertaking on or before the Proposed Step-in Date the Step-in Notice shall be deemed to have been withdrawn and the rights and obligations of the Parties shall be construed as if the Step-in Notice had not been given.

3.3 Restriction of Right of Termination

During or in respect of the Step-in Period, the Service Provider confirms to the Authority that it shall continue to observe and perform its duties and obligations under the Service Contract and shall, without prejudice to Clause 5.1 (*Rights of Termination*), only be entitled to exercise its rights of termination under the Service Contract:

3.3.1 by reference to an Event of Project Co Default arising during the Step-in Period provided that no event of default by Project Co under the MIM Project Agreement (whether resulting in termination of the MIM Project Agreement or otherwise, and notwithstanding that it has occurred during the Step-in Period) shall entitle the Service Provider to exercise such rights of termination during the Step-in Period; or

3.3.2 if the Authority, in breach of the terms of the Service Contract, fails to pay when due any amount owed to the Service Provider or fails to perform or

discharge when falling due for performance or discharge any obligation under the Step-in Undertaking or fails to procure such payment or performance or discharge; or

- 3.3.3 if such rights of termination arise in circumstances where there is no default under the Service Contract by the Authority or the Service Provider.

3.4 Step-Out

- 3.4.1 the Authority may, at any time, give the Service Provider at least [thirty (30)] days' prior written notice to terminate the Step-in Period on a date specified in the notice (the "**Step-out Date**");

- 3.4.2 the Authority shall give the Service Provider at least [thirty (30)] days' prior written notice that (subject to Clause 4.4.2) the Step-in Period will end due to the occurrence (subject to Clause 4.7 (*Extension of Step-In Period*)) of the first anniversary of the Step-in Date;

provided that:

- (a) the Authority has performed and discharged in full or procured the performance and discharge in full of any obligations of Project Co under the Service Contract in relation to the maintenance of records and the provision of reports during the Step-in Period so as to permit the Service Provider to monitor the performance of Project Co's other obligations under the Service Contract; and
- (b) all liability under the Step-in Undertaking pursuant to any claims made up to the date specified in either Clause 3.4.1 or Clause 3.4.2 (as the case may be) shall have been fully and unconditionally discharged,

the Authority shall be released from the Step-in Undertaking on the expiry of the Step-in Period in accordance with Clauses 3.4.1 and 3.4.2. Such release shall not affect the continuation of Project Co's obligations towards the Service Provider under the Service Contract.

4.2 Information for Consent to Novation

If the Proposed Novation Notice specifies the Authority as the Proposed Substitute, the Service Provider's consent to the novation shall be deemed to have been given automatically. Where the Proposed Substitute is not the Authority, a novation in accordance with a Proposed Novation Notice shall only be effective if the Service Provider consents to that novation in writing in accordance with Clause 4.3 (*Grant of Consent*) and the Authority shall (as soon as practicable) supply the Service Provider with the following information (copied to the Security Trustee):

4.3 Grant of Consent

The Service Provider may withhold or delay consent to a novation only where the Proposed Substitute is not the Authority and the Authority has failed to show to the Service Provider's satisfaction (acting reasonably) that:

- 4.3.1 the Proposed Substitute has the legal capacity, power and authorisation to become a party to and perform the obligations of Project Co under the Service Contract; and
- 4.3.2 the technical competence and financial standing of and the technical and financial resources available to the Proposed Substitute are sufficient to perform the obligations of Project Co under the Service Contract.

The Service Provider shall notify the Authority in writing, within [five (5)] Business Days of the later of receipt of a Proposed Novation Notice and all information required under Clause 4.2 (*Information for Consent to Novation*), as to whether or not it has decided to grant such consent (together with an explanation of its reasons if it has decided to withhold its consent).

4.4 Consent withheld

If, in accordance with Clause 4.3 (*Grant of Consent*), the Service Provider withholds its consent to a Proposed Novation Notice, the Authority shall be entitled to give one or more subsequent Proposed Novation Notices, pursuant to the provisions of Clause 4.1 (*Proposed Substitute*), containing changed particulars relating to the same Proposed Substitute or particulars relating to another Proposed Substitute which (where the replacement Proposed Substitute is not the Authority) the Authority has good cause to believe would fulfil the requirements of Clauses 4.3.1 and 4.3.2, provided that only one (1) Proposed Novation Notice may be outstanding at any one time, and provided further that:

- 4.4.1 where a Step-in-Notice has not been issued, any revised Proposed Novation Date shall be a date falling no later than the date specified in Clause 4.1.1 or 4.1.2 as appropriate; and

- (a) following notification pursuant to Clause 4.1 (*Proposed Substitute*) and in the absence of any prior release in accordance with Clause 3.2.5, the Security Trustee shall, on or before the Proposed Novation Date, take any action which is necessary unconditionally and irrevocably to release the Service Contract and the Parent Company Guarantee from the security constituted by the Security Documents; and
 - (b) Project Co shall immediately assign all its rights and powers under the Parent Company Guarantee to the Authority or other Proposed Substitute in accordance with Clause [insert reference] of the same, and on the Proposed Novation Date and without prejudice to Clause 5.1 (*Rights of Termination*).
- 4.5.2 Subject to the prior performance by the Security Trustee and Project Co of their respective obligations under Clause 4.5.1(a) and Clause 4.5.1(b) the Proposed Substitute shall become a party to the Service Contract in place of Project Co and, thereafter, shall be treated as if it was and had always been named as a party to the Service Contract in place of Project Co; and
- (a) the Service Provider, Project Co and the Proposed Substitute shall enter into a novation agreement (the "**Novation Agreement**") and any other requisite agreements, in form and substance satisfactory to the Service Provider (acting reasonably), pursuant to which:

provided that the Service Provider will not be in breach of any of its obligations under this Agreement if the Proposed Substitute does not enter into one or other of such agreements.

4.5.3 On and after the Novation Effective Date:

- (a) the Service Provider shall owe its obligations under the Service Contract (whether arising before, on or after such date) to the Proposed Substitute and the receipt, acknowledgement or acquiescence of the Proposed Substitute shall be a good discharge; and
- (b) if the Authority shall have entered into a Step-in Undertaking, the Authority will be released from the Step-in Undertaking, provided that:
 - (i) all obligations of the Authority under the Step-in Undertaking which have accrued up to the Novation Effective Date and are identifiable as at that date shall have been fully and unconditionally discharged; and
 - (ii) the Authority has performed and discharged in full or procured the performance and discharge in full of the obligations of Project Co under the Service Contract in relation to the maintenance of records and the provision of reports during the Step-in Period up to the Novation Effective Date so as to permit the Service Provider to monitor the performance of Project Co's other obligations under the Service Contract.

4.5.4 the Authority and the Service Provider shall use all reasonable endeavours to agree and the Authority shall use reasonable endeavours to procure that the Proposed Substitute agrees any amendments to the Service Contract necessary to reflect Clause 3.2.2 and the fact that the MIM Project Agreement may have terminated at the time of the Novation Effective Date.

After the Novation Effective Date the Service Provider shall only be entitled to exercise its rights of termination under the Service Contract:

- 4.6.1 in respect of any Event of Project Co Default arising after that date in accordance with the Service Contract; or
- 4.6.2 if the Proposed Substitute does not discharge the obligations and liabilities assumed by it under Clause 4.5.2(a) which relate to matters arising prior to the end of the Step-in Period within [fifteen (15)] Business Days following the Novation Effective Date.

4.7 Extension of Step-In Period

As at the date of the first anniversary of the Step-in Date, if the Step-in Period has not previously ended, and:

- 4.7.1 the Authority is in the course of conducting discussions in good faith with a Proposed Substitute (the novation to whom has been approved by the Service Provider whether automatically or otherwise in accordance with Clause 4.3 (*Grant of Consent*)), the Step-in Period shall be extended and shall continue until such date as is proposed by the Authority and agreed by the Service Provider; or
- 4.7.2 a contract has been entered into between the Authority and a Proposed Substitute (which has been approved by the Service Provider in accordance with Clause 4.3 (*Grant of Consent*)) as at such date,

- 5.2 The Consultant will not seek to modify or vary any of the obligations for which it is responsible under the Appointment in any respect if that modification or variation will be detrimental to the Beneficiary or affects the Beneficiary's rights or obligations under the DBFM Agreement or affects the Consultant's obligations under this Agreement.

6. **EQUIVALENT RIGHTS**

The obligations of the Consultant under this Agreement shall be no greater in extent or quantity than if the Beneficiary had been named as joint employer with the Contractor under the Appointment. The Consultant shall be entitled in any action or proceedings by the Beneficiary to rely on any limitation in the Appointment and to raise the equivalent rights in defence of liability as it would have against the Contractor under the Appointment (other than counterclaim, set-off or to state a defence of no loss or a different loss has been suffered by the Contractor).

6. **[Authority Commissioning: Access Prior to [the]/[an] Actual Completion Date [for a Facility]**

6.1 **Beneficial Access during ICT Handover Period**

- 6.1.1 Prior to the Actual Completion Date [in respect of a Facility], in order to facilitate Authority Commissioning, Project Co shall, at its own cost, provide the Authority and any relevant Authority Party with:
 - (a) Beneficial Access to the [relevant] Facility²³⁸ on and from the date of the [relevant] ICT Handover Acceptance Certificate in accordance with the [relevant] Final Commissioning Programme, for the period set out in [column 5 of Table A of Appendix A of the [relevant] Final Commissioning Programme], as may be adjusted pursuant to paragraph 6.4 (*Impact of Non-Compliance on Issue of the Certificate of Practical Completion*) below (the "**ICT Handover Period**")]; and
 - (b) [♦].

²³⁸ It may be more appropriate to include details of specific areas where non-exclusive access is required for Authority Commissioning (including works by an ICT Installer). Where exclusive access is required for any such Commissioning to be undertaken by an Authority (or an Authority Party), this should be set out separately in paragraph 6.1.1(b).

- 6.1.2 The parties shall comply with their respective obligations set out in Section 2 (*Construction Phase Access Protocol*) of Schedule 34 (*Joint Operating Protocol*) during the ICT Handover Period.

6.2 Acceptance for Commissioning Commencement and Continuation

- 6.2.1 The Authority shall and shall procure that the ICT Installer and any other Authority Party shall carry out its activities during the ICT Handover Period, such that no act or omission on its behalf shall cause any or all of the ICT Handover Requirements to no longer be met [in respect of a Facility].
- 6.2.2 Where Project Co can show on or before the inspection by the Independent Tester of the Payment Commencement Requirements [for the [relevant] Facility]] pursuant to Clause 17.10 (*Pre-Completion Inspections*) that the ICT Installer has caused the Payment Commencement Requirements to not be met then, to the extent such failure is preventing issue of the Certificate of Practical Completion, the Certificate of Practical Completion will be issued.
- 6.2.3 Subject to paragraphs 6.2.1 and 6.2.2 above and without prejudice to paragraph 6.3 (*Live Testing during ICT Handover Period*) the parties acknowledge that notwithstanding the ICT Handover Acceptance Certificate has been issued, the Independent Tester shall be entitled to refuse to issue the Certificate of Practical Completion [in respect of a Facility] on the basis that at the date of the relevant inspection pursuant to Clause 17.10 (*Pre-Completion Inspection*) the ICT Handover Requirements are no longer being met [in respect of such Facility].

6.3 Live Testing during ICT Handover Period

- 6.3.1 Subject to paragraph 6.3.2 below Project Co shall ensure that [[each]/[the] Facility] has mains power during the ICT Handover Period so that, amongst other things, the ICT Installer can carry out live testing of the ICT Assets.
- 6.3.2 For the purposes of avoiding events that would either endanger any part of the building or cause a risk of injury or death to persons Project Co may shut down or reduce the mains power during the ICT Handover Period, provided that:
- (a) for any shut down or power reduction between 8am and 5pm on a Business Day, Project Co shall have given not less than forty-eight (48) hours' prior written notice of such intention to, and obtained the prior written consent of, the Authority's Representative (such consent not to be unreasonably withheld or delayed, provided that it shall be reasonable for the Authority's Representative not to consent where such shutdown or power reduction could have a material adverse effect on the installation of the ICT Assets); or

(b) for any shut down or power reduction outside the hours set out in paragraph 6.3.2(a) above (an "**Out of Hours Shutdown**"), Project Co shall have given not less than twenty four (24) hours' prior written notice of such intention to the Authority's Representative. If there has been two or more Out of Hours Shutdowns in any week then any further Out of Hours Shutdowns in that week shall also require the prior written consent of the Authority's Representative (such consent not to be unreasonably withheld or delayed, provided that it shall be reasonable for the Authority's Representative not to consent where such shutdown or power reduction could have a material adverse effect on the installation of the ICT Assets).

6.3.3 Project Co shall use its best endeavours to reinstate the mains power to the relevant Area as soon as possible after any such event as referred to in paragraph 6.3.2 above and the Authority shall procure that the ICT Installer shall not attempt to connect to the live power within the relevant Area until Project Co instructs the Authority [or the relevant School Entity] in writing that it is safe to do so.

6.4 Impact of Non-Compliance on Issue of the Certificate of Practical Completion

6.4.1 Subject to paragraphs [6.4.2] to [6.4.3] below where Project Co has not complied with its obligations pursuant to paragraph [2] (*Hours of Access*) of Section 2 (*Construction Phase Access Protocol*) of Schedule 34 (*Joint Operating Protocol*) or paragraph 6.3 (*Live Testing during ICT Handover Period*) of this Appendix B (*Completion Criteria*) of Schedule 10 (*Outline Commissioning Programme*), the Independent Tester shall be entitled to withhold issue of the Certificate of Practical Completion [in respect of the relevant Facility] by one Business Day (only) for each Business Day where it has been agreed or determined that Project Co had not complied.

6.4.2 If the period of Project Co's non-compliance referred to in paragraph 6.4.1 above does not exceed fifteen (15) minutes in aggregate on any Business Day then such non-compliance shall be ignored for the purposes of paragraph 6.4.1 above.

6.4.3 Except where such act or omission is the result of an act or omission of Project Co, if the non-compliance referred to in paragraph 6.4.1 above is due to any act or omission of any provider of utilities or statutory undertaker (and, in each case, of any of their respective agencies, employees, contractors or other persons for whom they are responsible) where Project Co is using all reasonable endeavours to minimise the impact of such act or omission on the performance of its obligations under this Agreement then such non-compliance shall be ignored for the purposes of this Appendix B (*Completion Criteria*) to Schedule 10 (*Outline Commissioning Programme*);

6.5 Notwithstanding anything to the contrary in this Agreement, where the only failure(s) to satisfy the Payment Commencement Requirements [in relation to [the]/[a] Facility]

arise as a direct result of a breach by the Authority of its obligations contained in the Decant Protocol, then:

- 6.5.1 the Independent Tester shall issue a Certificate of Practical Completion if it is satisfied all the other Payment Commencement Requirements have been met in relation to the [relevant] Facility;
- 6.5.2 the parties shall agree, acting reasonably, any necessary revision to the Decant Timetable for the [relevant] Facility in accordance with the Decant Protocol; and
- 6.5.3 to the extent Project Co subsequently breaches the Decant Protocol in relation to the [relevant] Facility, the provisions of Schedule 14 (*Payment Mechanism*) shall apply.]

²³⁹ Schedule 11 and associated drafting throughout the Project Agreement assumes that Project Co and the Authority's responsibilities in respect of Equipment follow the Equipment Responsibilities Table (Table 41) in the Generic Design Requirements. In the event that an Authority wished to procure Group 3 Equipment as part of the Project, project specific amendments to this Schedule and associated provisions of the Project Agreement would be required. Consideration of these terms is required in respect of a College project.

²⁴⁰ Responsibilities to be considered on a project specific basis, in particular whether Group 2.2 is needed. Further split in classes of equipment to be considered as necessary.

20. DECANT TIMETABLE

Facility			
Existing Facility			
Planned Decant Start Date ²⁴⁵			
Empty crates delivered to the Existing Facility by Project Co			
Empty crates packed and labelled by the Existing Facility			
Loose Equipment, all information technology equipment, photocopiers and heavy items to be packed by Project Co			
Filled crates and Loose Equipment transported from the Existing Facility to the Facility by Project Co			
Empty crates available for removal by Project Co

In performing the Services, the Independent Tester shall have regard to the interest of the Senior Funders. Whilst the Independent Tester shall take account of any representations made by Project Co and the Authority and the Contractor (as appropriate) [and the Senior Funders' Technical Adviser] the Independent Tester shall not be bound to comply with any representations made by any of them in connection with any matter on which the Independent Tester is required to exercise his professional judgement.
- 2.3 The Independent Tester shall, as far as it is in its reasonable control, ensure that the Services and Varied Services are carried out by the Key Personnel listed in Appendix 3 only (the "**Key Personnel**"). In the event that, due to matters outwith the Independent Tester's control, it is necessary for there to be a change in any Key

²⁵⁰ It has been suggested on some projects that the Contractor should receive the benefit of a duty of care from the Independent Tester (whether under this agreement or through a collateral warranty). Authorities should consider the implications fully and seek advice from their legal advisers on this point. Authorities' interests are likely to be prejudiced as a result. Issues that need to be considered include: whether this would increase the fee; whether the financial liability of the IT would be diluted (e.g. consider any cap on liability); whether the IT's liability to the Authority may be prejudiced as a result of a claim made by the Contractor; whether there could be any adverse impact on the resources of the IT; whether the Contractor's remedy should lie against Project Co in the event of any claim; and other project specific considerations.

Personnel, the Independent Tester shall by written notice to the Authority and Project Co propose a suitable substitute for approval, taking into account the experience of the Key Personnel. Such appointment shall be subject to the approval of Project Co and the Authority (not to be unreasonably withheld or delayed).

3. SERVICES AND VARIED SERVICES

- 3.1 Subject to the prior written agreement of the Authority and Project Co to the costs thereof, the Independent Tester shall carry out and perform any additional and/or varied services required for the implementation of the Project reasonably required by the Authority and Project Co which are not included in, or which are omitted from, the Services (the "**Varied Services**") on the same terms as required for the Services pursuant to Clause 2.2 (*Appointment*). If the Independent Tester shall at any time be required to perform Varied Services, it shall give to the Authority and Project Co a written quote of the cost thereof (taking into account any reduction in work or other expense which might also occur as a result of the circumstances giving rise to the Varied Services) pursuant to Clause 5.7 (*Fee*).
- 3.2 The written agreement by the Authority and Project Co pursuant to Clause 3.1 (*Services and Varied Services*) shall state whether (and where applicable in what proportions) the Authority and/or Project Co will be responsible for the payment of the fee agreed for the Varied Services. The Independent Tester acknowledges that the liability of Project Co and the Authority to pay the Independent Tester for the Varied Services shall be several and not joint.
- 3.3 Where a change to the Project occurs pursuant to the terms of the MIM Project Agreement (whether by virtue of a Delay Event, Compensation Event, Change, change to the Programme or otherwise) which may materially impact on the Services or otherwise on the Independent Tester, the Authority and Project Co shall promptly notify the Independent Tester of such change. The Independent Tester shall within [♦] Business Days of receiving such notification, notify the Authority and Project Co of the impact of such change, if any, on the Services or otherwise, including whether such change gives rise to any Varied Services and the provisions of this Clause 3 (*Services and Varied Services*) shall apply accordingly.
- 3.4 The Independent Tester shall promptly and efficiently provide the Services and the Varied Services:
- 3.4.1 with the reasonable care, skill and diligence to be expected of a properly qualified and competent professional adviser who has held itself out as competent and experienced in rendering such services for projects of a similar size, nature, scope and complexity to the Project; and
- 3.4.2 in accordance with all applicable Law .
- 3.5 All instructions to the Independent Tester must be signed and given jointly by the Authority's Representative and Project Co's Representative or such other person appointed pursuant to Clause 8 (*Representatives*) of the MIM Project Agreement and, for the avoidance of doubt, the Independent Tester shall not act in accordance with any instructions given to him by either the Authority or Project Co (or any other

person) not given in accordance with the provisions of this Clause 3.5 (*Services and Varied Services*).

- 3.6 The Independent Tester shall comply with all reasonable instructions given to it by Project Co and the Authority pursuant to Clause 3.5 (*Services and Varied Services*) except and to the extent that the Independent Tester reasonably considers that any such instructions vary or might vary the Services or its authority or responsibilities under this Agreement or prejudices or might prejudice the exercise by the Independent Tester of its professional judgement in accordance with Clauses 2.2 (*Appointment*) and 3.4 (*Services and Varied Services*) above. The Independent Tester shall promptly confirm in writing to Project Co and the Authority whether or not it shall comply with any such instruction setting out the grounds upon which the decision is made.
- 3.7 The Authority, Project Co, and the Contractor agree to co-operate with and provide reasonable assistance to the Independent Tester to familiarise the Independent Tester with all necessary aspects of the Project to enable the Independent Tester to carry out its obligations under this Agreement.
- 3.8 The Independent Tester shall be deemed to have full knowledge of the provisions of the MIM Project Agreement, the Construction Contract, the Service Contract, the Senior Funding Agreements and the [Sub-Contractor Co-operation Agreement (as defined in the Construction Contract)] such as relates to the Services or Varied Services and shall be deemed to be aware of and to have taken full account of all the undertakings and warranties, both expressed and implied, on the part of Project Co and the Authority which are set out in the MIM Project Agreement provided always that true and accurate copies have been delivered to the Independent Tester.
- 3.9 Subject to Clause 3.10 (*Services and Varied Services*), the Independent Tester shall use the following partners, directors or employees: [insert names of individuals] in connection with the performance of the Services and any Varied Services and such persons' services shall be available when necessary and for so long as may be necessary to ensure the proper performance by the Independent Tester of the Services and any Varied Services. Such persons shall have full authority to act on behalf of the Independent Tester for all purposes in connection with the Services and any Varied Services.
- 3.10 The Independent Tester may by written notice to the Authority and Project Co replace the staff identified in Clause 3.9 (*Services and Varied Services*) taking into account the need for liaison, continuity, level of qualification and availability of personnel in respect of the Project. Such replacement shall be subject to approval in writing by Project Co and the Authority (not to be unreasonably withheld or delayed).

4. DURATION

- 4.1 The Services shall commence on the date of this Agreement²⁵¹.
- 4.2 The parties hereby agree that this Agreement governs all of the Services (including the Varied Services, if any) provided by the Independent Tester in relation to the Project whether before or after the date hereof.

5. FEE

- 5.1 Project Co shall pay to the Independent Tester a fee of [INSERT FEE] for the Services provided under this Agreement. The fee is exclusive of value added tax and inclusive of disbursements. The Independent Tester shall issue an invoice to Project Co on a monthly basis in accordance with Appendix 2 Section 1 (*Schedule of Drawdown of Fees*) (the "**Application for Payment**"). The date on which the Application for Payment is received by Project Co shall constitute the due date (the "**Due Date**"). The final date for payment by Project Co shall be thirty (30) days after the Due Date (the "**Final Date**"). If Varied Services are provided then they shall be paid for in accordance with the agreement between the Independent Tester and the Authority and Project Co pursuant to Clause 3.1 and 3.2 (*Services and Varied Services*) and paid for in accordance with the provisions of this Clause 5 (*Fee*).
- 5.2 Not later than five (5) days after the Due Date is ascertained in accordance with Clause 5.1 (*Fee*), Project Co shall give written notice to the Independent Tester stating the amount which Project Co considers to be or have been due at the Due Date and the basis on which the amount is calculated (the "**Payment Notice**"). It is immaterial that the sum referred to in this notice may be zero. If Project Co fails to give a Payment Notice in accordance with this Clause 5.2 (*Fee*) and the Independent Tester has given an Application for Payment in accordance with Clause 5.1 (*Fee*), subject to any Pay Less Notice given under Clause 5.3 (*Fee*), the sum to be paid to the Independent Tester shall be the sum specified in the Application for Payment.
- 5.3 Where Project Co intends to pay less than the sum stated as due pursuant to this Agreement, Project Co shall, not later than two (2) days before the relevant Final Date, give a written notice to the Independent Tester (a "**Pay Less Notice**"). Such Pay Less Notice shall specify both the sum that Project Co considers to be due to the Independent Tester at the date the notice is given and the basis on which that sum is calculated. It is immaterial that the sum referred to in this Clause 5.3 (*Fee*) may be zero. Where any Pay Less Notice is given, the payment to be made on or before the relevant Final Date shall be not less than the amount stated as due in such notice.
- 5.4 If Project Co fails to pay a sum, or any part of it, due to the Independent Tester under this Agreement by the relevant Final Date, Project Co shall, in addition to any unpaid amount that should properly have been paid, pay the Independent Tester simple interest on that amount from the Final Date until the actual date of payment at the Default Interest Rate.

²⁵¹ Authorities to amend according to specific requirements.

- 5.5 If Project Co fails to pay any amount properly due pursuant to this Agreement by the relevant Final Date and the failure continues for twenty-one (21) days after the Independent Tester has given notice to Project Co of its intention to suspend performance of all or any of the Services or Varied Services and the ground or grounds on which it is intended to suspend performance, the Independent Tester may suspend performance of any or all of its obligations until payment is made in full. [Any period of suspension of the Services or Varied Services in accordance with this Clause 5.5 (*Fee*) shall be disregarded in computing any contractual time limit to complete work directly or indirectly affected by the exercise of the rights conferred by this Clause 5.5 (*Fee*), or as the case may be and the time for completion of such work shall be extended by a period equal to the period of suspension.]²⁵²

Where the Independent Tester exercises its right of suspension under this Clause 5.5 (*Fee*), it shall be entitled to a reasonable amount in respect of costs and expenses reasonably incurred by it as a result of the exercise of that right. Any such costs and expenses shall be included in the Independent Tester's next Application for Payment and the Independent Tester shall, with its application, submit such details of the costs and expenses as are reasonably necessary to enable the Independent Tester's entitlement to be ascertained.

- 5.6 Without prejudice to Clause 3.5 (*Services and Varied Services*), neither the Authority nor Project Co shall issue instructions or do anything which does or is reasonably likely materially to increase the fees payable to the Independent Tester without the prior approval of the other (such approval not to be unreasonably withheld or delayed).
- 5.7 As soon as the Independent Tester becomes aware of the same and before acting on the same the Independent Tester shall inform the Authority and Project Co of any instructions given to him pursuant to Clause 3.5 (*Services and Varied Services*) which will or could reasonably be expected to increase the fees payable to the Independent Tester under the terms of this Agreement. The Independent Tester shall if requested by either Project Co or the Authority provide both the Authority and Project Co with as detailed an estimate as is reasonably practicable of the increase to the fees payable to it if it carries out such instructions. The estimate of increased fees shall be based upon the rates contained in Appendix 2, Section 2 (*Schedule of Daily Rates*).

6. LIMITATIONS ON AUTHORITY

- 6.1 The Independent Tester shall not:
- 6.1.1 make or purport to make any alteration or addition to or omission from the design of the Facilities (including, without limitation, the setting of performance standards) or issue any instruction or direction to any contractor or professional consultant employed or engaged in connection with the Project; or

²⁵² Authorities to consider whether this or similar drafting is necessary for compliance with the Housing Grants and Construction Act 1996, as amended.

- 6.1.2 (unless both Project Co and the Authority consent in writing) consent or agree to any waiver or release of any obligation of Project Co or the Authority under the MIM Project Agreement or of any contractor or professional consultant employed or engaged in connection with the Project.
- 6.2 For the avoidance of doubt, the Independent Tester shall not express an opinion on and shall not interfere with or give any advice, opinion or make any representation in relation to any matters which are beyond its role and responsibilities under this Agreement.

7. TERMINATION

- 7.1 Project Co and the Authority may by joint notice in writing (a "**Joint Notice**") immediately terminate this Agreement if the Independent Tester:
 - 7.1.1 is in breach of any of the terms of this Agreement which, in the case of a breach capable of remedy, shall not have been remedied by the Independent Tester within twenty-one (21) days of receipt by the Independent Tester of a Joint Notice specifying the breach and requiring its remedy;
 - 7.1.2 is incompetent, guilty of gross misconduct and/or any material failure, negligence or delay in the provision of the Services and/or its other duties under this Agreement;
 - 7.1.3 fails or refuses after written warning to provide the Services and/or its other duties under this Agreement reasonably and as properly required of him; or
 - 7.1.4 is subject to an event analogous to any of the events set out in Clause 40.1.1 (*Insolvency*) of the MIM Project Agreement.
- 7.2 If the MIM Project Agreement is rescinded, terminated or repudiated for any reason and, notwithstanding that the validity of such rescission, termination or repudiation may be disputed, this Agreement may be terminated by Joint Notice and with immediate effect.
- 7.3 Following any termination of this Agreement, but subject to any set-off or deductions which Project Co or the Authority may be entitled properly to make as a result of any breach of this Agreement by the Independent Tester, the Independent Tester shall be entitled to be paid in full and final settlement of any valid claim which the Independent Tester may have in consequence thereof for any fees due under Clause 5 (*Fee*) above in respect of the Services or Varied Services carried out in accordance with this Agreement prior to the date of termination.
- 7.4 Termination of this Agreement shall be without prejudice to any accrued rights and obligations under this Agreement as at the date of termination (including the right of Project Co and the Authority to recover damages from the Independent Tester).

- 7.5 If this Agreement is terminated in accordance with Clause 7.1 (*Termination*), Project Co and the Authority shall use reasonable endeavours to engage an alternative Independent Tester within thirty (30) days, subject to Law and public procurement rules. If within such period Project Co and the Authority are unable to procure the appointment of an alternative Independent Tester on reasonable commercial terms, the Independent Tester shall pay to Project Co and/or the Authority, as the case may be, any reasonable incremental loss, damage or extra costs suffered by each of them.
- 7.6 If Project Co fails to make a payment of any undisputed sum to the Independent Tester within [♦] Business Days of the expiry of any notice issued pursuant to Clause 5.5 (*Fee*) in respect of such sum, the Independent Tester may issue a further written notice to the Authority and Project Co specifying that the payment remains outstanding (the "**Second Notice**") and if payment is not made within [♦] Business Days of receipt of the Second Notice the Independent Tester may issue a further written notice terminating this Agreement with immediate effect. Failure by Project Co to pay, following receipt of a Second Notice pursuant to this Clause 7.6 (*Termination*), shall be the Independent Tester's sole ground for terminating this Agreement by reason of breach of this Agreement by the Authority and/or Project Co.
- 7.7 Termination of this Agreement shall not affect the continuing rights and obligations of Project Co, the Authority and the Independent Tester under Clauses 6 (*Limitations On Authority*), 8 (*Confidential Information And Copyright*), 9 (*Professional Indemnity Insurance*), 18 (*Dispute Resolution Procedure*) and this Clause or under any other Clause which is expressed to survive termination or which is required to give effect to such termination or the consequences of such termination.

8. CONFIDENTIAL INFORMATION AND COPYRIGHT

- 8.1 The Independent Tester shall treat as secret and confidential and shall not at any time for any reason disclose or permit to be disclosed to any person or otherwise make use of or permit to be made use of any unpublished information relating to Project Co's or the Authority's or the Contractor's (if appropriate) technology or other know-how business plans or finances or any such information relating to a subsidiary, supplier, customer or client of Project Co or the Authority or the Contractor (if appropriate) where the information was received during the period of this Agreement except as may be reasonably necessary in the performance of the Services or Varied Services. Upon termination of this Agreement for whatever reasons the Independent Tester shall offer to deliver up to Project Co or the Authority (as appropriate) all working papers, computer disks and tapes or other material and copies provided to or prepared by him pursuant either to this Agreement or to any previous obligation owed to Project Co or the Authority provided always that the Independent Tester shall be entitled to retain copies of all such items where such offer is accepted.
- 8.2 The obligation to maintain confidentiality does not apply to any information or material to the extent that the Independent Tester is compelled to disclose any such information or material by law or any regulatory or Government authority.
- 8.3 The copyright in all reports, and other documents produced by the Independent Tester in connection with the Project shall remain vested in the Independent Tester but the Independent Tester grants to Project Co and Authority and their nominees

with full title guarantee a non-exclusive irrevocable royalty free licence to copy and use such reports, and other documents and to reproduce the information contained in them for any purpose related to the Project including (but without limitation) the construction, completion, maintenance, letting, promotion, advertisement, reinstatement, extension and repair of the Project. Such licence shall include a licence to grant sub-licences and to transfer the same to third parties.

- 8.4 The Independent Tester shall not be liable for use by any person of the documents, (including reports, details, plans, specifications, schedules, computer programs, software, consents and any other papers, works, reports and inventions produced by the Independent Tester) for any purpose other than that for which the same were prepared by or on behalf of the Independent Tester.

9. PROFESSIONAL INDEMNITY INSURANCE

- 9.1 Without prejudice to its obligations under this Agreement, or otherwise at law, the Independent Tester shall maintain professional indemnity insurance with a limit of indemnity of not less than [[♦] (£♦)]²⁵³ for any one (1) claim in respect of any neglect, error or omission on the Independent Tester's part in the performance of its obligations under this Agreement for the period commencing on the date of this Agreement and expiring twelve (12) years after:

9.1.1 the date of final certification of the Works; or

9.1.2 the termination of this Agreement,

whichever is the earlier, provided that such insurance is available in the market place at commercially reasonable rates.

- 9.2 The Independent Tester shall maintain such insurance with reputable insurers carrying on business in the United Kingdom.

- 9.3 Any increased or additional premium required by insurers by reason of the Independent Tester's own claims record or other acts, omissions, matters or things particular to the Independent Tester shall be deemed to be within commercially reasonable rates.

- 9.4 The Independent Tester shall as soon as reasonably practicable inform Project Co and the Authority if such insurance ceases to be available at commercially reasonable rates in order that the Independent Tester and Project Co and the Authority can discuss means of best protecting the respective positions of Project Co and the Authority and the Independent Tester in respect of the Project in the absence of such insurance.

- 9.5 The Independent Tester shall fully co-operate with any measures reasonably required by Project Co and the Authority including (without limitation) completing

any proposals for insurance and associated documents and maintaining such insurance at rates above commercially reasonable rates if Project Co and the Authority undertake in writing to reimburse the Independent Tester in respect of the net cost of such insurance to the Independent Tester above commercially reasonable rates.

- 9.6 The Independent Tester shall, prior to commencing the provision of the Services and as soon as reasonably practicable following Renewal Dates, produce for inspection by Project Co and the Authority documentary evidence that such insurance is being properly maintained.
- 9.7 The above obligations in respect of professional indemnity insurance shall continue notwithstanding termination of this Agreement for any reason whatsoever, including (without limitation) breach by Project Co and the Authority.

10. **LIMITATION OF LIABILITY**

- 10.1 With the exception of liability for death, personal injury and/or any other liability that cannot lawfully be excluded or limited, the Independent Tester's maximum [aggregate] liability to all parties, under or in connection with this Agreement, whether in contract or in tort, or for breach of statutory duty is limited to £[♦]²⁵⁴ million.
- 10.2 [Notwithstanding anything to the contrary stated elsewhere in this Agreement, the parties hereby expressly agree that the Independent Tester shall have no liability to any party under or in connection with this Agreement for any claim or claims related to terrorism, asbestos or toxic mould.]²⁵⁵
- 10.3 No action or proceedings under or in connection with this Agreement shall be commenced against the Independent Tester after the expiry of twelve (12) years from the earlier of: (a) the date of final certification of the Works; and (b) the termination of this Agreement.

11. **SUB-CONTRACTOR LOSSES AND NO LOSS AVOIDANCE**

- 11.1 Without prejudice to Clause 10 (*Limitation Of Liability*) the Independent Tester hereby acknowledges and accepts (a) that a breach or failure on the part of the Independent Tester could have adverse financial consequences for the Sub-Contractors (or any of them) and (b) any losses, damages, costs and/or other liabilities suffered or incurred by the Sub-Contractors (or any of them) (as the case may be) arising from or in connection with any breach or failure on the part of the Independent Tester under this Agreement shall, for the purposes of this Agreement and notwithstanding the provisions of any Sub-Contract, be deemed to be losses, damages, costs and/or liabilities suffered or incurred by Project Co arising from or in connection with such breach or failure.

²⁵⁴ Authorities to consider appropriate cap in the context of the specific project and scope of service. The cap should be set out at a minimum level of £10 million.

²⁵⁵ This may be appropriate where the IT's insurance cover excludes liability for these occurrences. Authorities to check.

- 11.2 Where the Independent Tester would otherwise be liable to make a payment by way of compensation to Project Co including amounts which, in turn, comprise compensation to any Sub-Contractor which is payable by Project Co and/or which would be payable by way of compensation to any Sub-Contractor by Project Co the Independent Tester shall not be entitled to withhold, reduce or avoid any such payment to Project Co in reliance (in whole or in part) on the fact that payment of the amount which is or would be due from Project Co to the Sub-Contractor or the entitlement of the Sub-Contractor to receive payment of such amount (as a result of the circumstances giving rise to the Independent Tester's obligation to pay such compensation) is conditional on receipt by Project Co of such amount from the Independent Tester.

²⁵⁷ Where the Independent Tester intends to sub-contract any part of the Services, additional drafting should be included to identify any such sub-contractors and to ensure that the Independent Tester remains liable for the relevant part of the Services. The Authority should consider whether it is appropriate to obtain a warranty from such sub-contractors.

- 13.3 The Independent Tester shall not be entitled to contend that any person to whom this Agreement is assigned in accordance with Clause 13.2 (*Assignment*) is precluded from recovering under this Agreement any loss incurred by such assignee resulting from any breach of this Agreement (whenever happening) by reason that such person is an assignee and not a named promisee under this Agreement.

14. **CUMULATIVE RIGHTS AND ENFORCEMENT**

- 14.1 Any rights and remedies provided for in this Agreement whether in favour of Project Co or the Authority or the Independent Tester are cumulative and in addition to any further rights or remedies which may otherwise be available to the parties.
- 14.2 The duties and obligations of the Independent Tester arising under or in connection with this Agreement are owed to Project Co and the Authority both jointly and severally and Project Co and the Authority may accordingly enforce the provisions hereof and pursue their respective rights hereunder in their own name, whether separately or with each other.
- 14.3 Project Co and the Authority covenant with each other that they shall not waive any rights, remedies or entitlements or take any other action under this Agreement which would or might reasonably be expected to adversely affect the rights, remedies or entitlements of the other without the other's prior written consent, such consent not to be unreasonably withheld or delayed.

²⁶⁰ Authorities to insert any other relevant references.

²⁶¹ Authorities and their advisers should consider whether the regularity of progress meetings and monitoring ought to differ in the context of the specific Post Completion Works to be undertaken on the Project and adjust the drafting accordingly.

SECTION 4

INSURANCE ARRANGEMENTS²⁹⁴

1. For the purpose of this Section 4 (*Insurance Arrangements*) of this Schedule 15 (*Insurance Requirements*) the following words shall have the following meanings:

"Actual Relevant Insurance Cost" means the aggregate of the annual insurance premiums reasonably incurred by Project Co to maintain the Operational Insurance during the relevant Insurance Review Period;

"Insurance Cost Factors" has the meaning given to it in paragraph 7.2.3 of this Section 4 (*Insurance Arrangements*) of this Schedule 15 (*Insurance Requirements*);

"Insurance Renewal Report" shall bear the meaning ascribed to it in paragraph 7.2.10 of this Section 4 (*Insurance Arrangements*) of this Schedule 15 (*Insurance Requirements*);

"Insurance Review Date" means the Operational Insurance Inception Date, the second anniversary of the Operational Insurance Inception Date and the date falling on each subsequent two year anniversary, during the Project Term;

"Insurance Review Period" means a two (2) year period from the Operational Insurance Inception Date and each subsequent two (2) year period commencing on the second anniversary of the Operational Insurance Inception Date except where the end of such period lies beyond the end of the Project Term, in which case the Insurance Review Period shall be the period from the end of the penultimate Insurance Review Period to the last day of the Project Term;

"Insurance Summary Sheet" has the meaning given to it in paragraph 7.2.2 of this Section 4 (*Insurance Arrangements*) of this Schedule 15 (*Insurance Requirements*);

"Joint Insurance Cost Report" shall bear the meaning ascribed to it in paragraph 7.2 of this Section 4 (*Insurance Arrangements*) of this Schedule 15 (*Insurance Requirements*);

"Market Presentations" shall bear the meaning ascribed to it in paragraph 7.2.9 of this Section 4 (*Insurance Arrangements*) of this Schedule 15 (*Insurance Requirements*);

"Operational Insurance Inception Date" means the date on which the Operational Insurance is first providing active insurance cover to the Project Co, being a date no earlier than [first Phase Actual Completion Date];

²⁹⁴ This contains provisions to oblige Project Co to take steps to procure the project insurances on terms that represent best value for money to the Authority. Given the Authority will ultimately bear most insurance costs, it is important that it is given sufficient information on how such costs are being accumulated and managed. There is an Information Breach where Project Co fails to procure that the Authority receives such information.

"Portfolio Cost Saving" means any insurance cost saving which arises from Project Co changing the placement of the Operational Insurances from being on a stand-alone project specific basis, to being on the basis of a policy (or policies) also covering risks on other projects or other matters which are outside the scope of the Project so as to benefit from portfolio savings. A Portfolio Cost Saving is defined to be a positive sum and cannot be less than zero;

"Project Co Factors" shall bear the meaning ascribed to it in paragraph 7.2.5 of this Section 4 (*Insurance Arrangements*) of this Schedule 15 (*Insurance Requirements*);

"Relevant Insurance Market" means the insurance market which insures the majority of all MIM/PFI/PF2/PPP/NPD projects across all of the MIM/PFI/PF2/PPP/NPD sectors (as determined by the number of MIM/PFI/PF2/PPP/NPD projects) and at the date of this Agreement the Relevant Insurance Market is the United Kingdom; and

"Renewal Date" the date on which the relevant existing Insurance policy is due to expire.

2. Project Co must comply with the provisions of this Section 4 (*Insurance Arrangements*) of Schedule 15 (*Insurance Requirements*) when placing or renewing the Operational Insurances.
3. Not less than [sixty (60)] Business Days prior to the [relevant] Completion Date and each subsequent Renewal Date in respect of each of the Operational Insurances, Project Co must inform the Authority Representative of the forthcoming requirement to place or renew an Operational Insurance and provide either:
 - 3.1 confirmation that the existing long-term insurance arrangement (entered into with the agreement of the Authority) is being maintained: or
 - 3.2 its proposals for obtaining competitive quotations from at least three (3) suitable insurers (including any portfolio arrangements where such arrangements are available to Project Co). Project Co must take advice from reputable insurance brokers experienced in arranging insurances for similar risks as to which insurers are most likely to provide quotations that will represent best value for money for the Authority as payer of the premiums for such insurance. In considering which insurers to approach, Project Co must consider whether any of the Shareholders enjoys any special relationship with any insurer and/or is otherwise able to procure the placing of the relevant insurance in any particular manner consistent with the requirements of this Agreement that may result in lower premiums and shall include such insurers in its proposal under this paragraph 3.
4. Within [ten (10)] Business Days of receiving a notice from Project Co pursuant to paragraph 3, the Authority may provide Project Co with details of any other insurers that it wishes Project Co to invite to quote for provision of the relevant Operational Insurance.
5. Not less than [thirty (30)] Business Days prior to the [relevant] Completion Date and each subsequent Renewal Date for any of the Operational Insurances, Project Co must forward to the Authority's Representative quotes from the proposed insurers (together with Insurance Summary Sheets, Market Presentations and Insurance Renewal Reports in respect of each quote), to include any insurer nominated by the Authority pursuant to paragraph 4, including

a reasoned recommendation as to which quote Project Co views as offering best value for money for the Authority, taking into account all relevant circumstances.

6. Within [fifteen(15)] Business Days of receiving a recommendation from Project Co pursuant to paragraph 5, the Authority must notify Project Co in writing which insurer it is to place the relevant Operational Insurance with, failing which Project Co shall be entitled to place the relevant Operational Insurance with the insurer recommended by Project Co.

7. **Insurance Review Procedure**

7.1 This procedure shall be used to determine whether any increase or decrease in Operational Insurance costs is to be excluded from the Operational Insurance costs to be charged by Project Co to the Authority as Other Costs pursuant to Section 6 (*Other Costs*) of Schedule 14 (*Payment Mechanism*).

7.2 Project Co's insurance broker shall prepare a report on behalf of both Project Co and the Authority (the "**Joint Insurance Cost Report**"). The Joint Insurance Cost Report is to be prepared at Project Co's expense, and should, as a minimum, contain the following information for the relevant Insurance Review Period:

7.2.1 A full breakdown of the Actual Relevant Insurance Cost for the current Insurance Review Period, together with the Actual Relevant Insurance Cost for the previous Insurance Review Period.

7.2.2 A spreadsheet (the "**Insurance Summary Sheet**") detailing separately:

- 7.2.4 Full details of any Portfolio Cost Saving;
- 7.2.5 Full details of any factor which increases the cost of the insurance premium and the associated amount of the premium reasonably considered by Project Co's insurance broker to be attributable to any factor other than the Insurance Cost Factors (the "**Project Co Factors**"), together with reasoning for such view (specifying the impact of each of the factors and quantifying the amount attributable to each factor specified);²⁹⁷
- 7.2.6 The calculation of the Other Costs in respect of the Operational Insurances, in accordance with paragraph 8 (*Calculation of Insurance Costs Anticipated to be Payable by the Authority*) below, over the course of the relevant Insurance Review Period (stated on a monthly basis);
- 7.2.7 Evidence satisfactory to the Authority (acting reasonably) of any changes to circumstances generally prevailing in the Relevant Insurance Market that are relied on by the Insurance Broker in preparing the Insurance Summary Sheet;
- 7.2.8 Details of movements from a recognised insurance index plus, if available from other appropriate sources, details of changes in insurance cost across the Relevant Insurance Market as a whole;

²⁹⁵ Malicious damage only to be referred to here where it is an Authority risk.

Following receipt of the Joint Insurance Cost Report, the Authority shall notify Project Co in writing within fifteen (15) Business Days whether or not it accepts the Joint Insurance Cost Report including full details of any disagreement. If the Authority does not provide such notification and/or details of any disagreement to Project Co within fifteen (15) Business Days, the Authority shall be deemed to have accepted the Joint Insurance Cost Report. If the Authority disagrees with any item in the Joint Insurance Cost Report, the parties shall use their respective reasonable endeavours acting in good faith to agree the contents of the Joint Insurance Cost Report. If the parties fail to agree the contents of the Joint Insurance Cost Report within thirty-five (35) Business Days from the date it was delivered to the Authority, the matter shall be resolved pursuant to Clause 57 (*Dispute Resolution Procedure*).
- 7.4 The Authority may make the Joint Insurance Cost Report available to any of its [or the Welsh Government's] agents or advisers or other body or bodies nominated by the Welsh Government for insurance cost verification, benchmarking or similar purpose.

8. **Calculation of Insurance Costs Anticipated to be Payable by the Authority**

SECTION 5

BROKER'S LETTER OF UNDERTAKING²⁹⁸

To: The Authority

Dear Sirs

Agreement dated [♦] entered into between [♦] Limited ("Project Co") and [♦] (the "Authority") (the "Agreement")

1. We refer to the Agreement. Unless the context otherwise requires, terms defined in the Agreement shall have the same meaning in this letter.
2. We act as insurance broker to Project Co in respect of the Insurances and in that capacity we confirm that the Insurances which are required to be procured pursuant to Clause 54 (*Insurance*) and Schedule 15 (*Insurance Requirements*) of the Agreement:
 - 2.1 where appropriate name you and such other persons as are required to be named pursuant to the Agreement for their respective interests;
 - 2.2 are, in our reasonable opinion as insurance brokers, as at today's date, in full force and effect in respect of all the matters specified in the Agreement; and
 - 2.3 that all premiums due to date in respect of the Insurances are paid and the Insurances are, to the best of our knowledge and belief, placed with insurers which, as at the time of placement, are reputable and financially sound. We do not, however, make any representations regarding such insurers' current or future solvency or ability to pay claims; and that
 - 2.4 the endorsements set out in Section 3 (*Endorsements*) of Schedule 15 (*Insurance Requirements*) of the Agreement are as at today's date in full force and effect in respect of the Insurances.
3. We further confirm that the attached cover notes confirm this position.

²⁹⁸ This is recommended drafting. If agreement to this wording is not in practice achievable, then the parties should agree the best terms reasonably available in the market at the time. Project Co's broker may wish to limit its liability and include additional liability wording in the Broker's Letter of Undertaking. Whilst this is in principle acceptable, the Authority will need to check that (i) the scope of such additional wording is appropriate (e.g. does not extend to a limitation of liability for fraudulent acts), and (ii) the capped amount is set at a sufficiently high level.

4. Pursuant to instructions received from Project Co and in consideration of your approving our appointment [or continuing appointment] as brokers in connection with the Insurances, we hereby undertake in respect of the interests of the Authority in relation to the Insurances:

4.1 Notification Obligations

- 4.1.1 to notify you at least thirty (30) days prior to the expiry of any of the Insurances if we have not received instructions from Project Co to negotiate renewal and in the event of our receiving instructions to renew, to advise you promptly of the details thereof; and
- 4.1.2 to notify you at least thirty (30) days prior to ceasing to act as brokers to Project Co unless, due to circumstances beyond our control, we are unable to do so in which case we shall notify you as soon as practicable.

4.2 Advisory Obligations

- 4.2.1 to notify you promptly of any default in the payment of any premium for any of the Insurances;
- 4.2.2 to notify you if any insurer cancels or gives notification of cancellation of any of the Insurances, at least thirty (30) days before such cancellation is to take effect or as soon as reasonably practicable in the event that notification of cancellation takes place less than thirty (30) days before it is to take effect;
- 4.2.3 to notify you of any act or omission, breach or default of which we have knowledge which in our reasonable opinion may either invalidate or render unenforceable in whole or in part any of the Insurances or which may otherwise materially impact on the extent of cover provided under the Insurances; and
- 4.2.4 to advise Project Co of its duties of disclosure to insurers and to specifically advise upon:
- (a) the facts, circumstances and beliefs that should generally be disclosed to insurers; and
 - (b) the obligation not to misrepresent any facts, matters or beliefs to insurers.

4.3 Disclosure Obligations

- 4.3.1 to disclose to insurers all information made available to us from any source and any fact, change of circumstances or occurrence made known to us from any source which in our reasonable opinion is material to the risks insured against under the Insurances and which properly should be

disclosed to insurers as soon as practicable after we become aware of such information, fact, change of circumstance or occurrence whether prior to inception or renewal or otherwise; and

- 4.3.2 to treat as confidential all information so marked or otherwise stated to be confidential and supplied to us by or on behalf of Project Co or the Authority and not to disclose such information, without the prior written consent of the supplier, to any third party other than those persons who, in our reasonable opinion have a need to have access to such information from time to time, and for the purpose of disclosure to the insurers or their agents in respect of the Insurances in discharge of our obligation set out at Clause 4.3.1 of this letter. Our obligations of confidentiality shall not conflict with our duties owed to Project Co and shall not apply to disclosure required by an order of a court of competent jurisdiction, or pursuant to any applicable law, governmental or regulatory authority having the force of law or to information which is in the public domain.

4.4 Administrative Obligations

- 4.4.1 to hold copies of all documents relating to or evidencing the Insurances, including but without prejudice to the generality of the foregoing, insurance slips, contracts, policies, endorsements and copies of all documents evidencing renewal of the Insurances, payment of premiums and presentation and receipt of claims;
- 4.4.2 to supply to the Authority and/or its insurance advisers (or the Authority's or its insurance advisers' authorised representatives) promptly on written request copies of the documents set out in Clause 4.4.1 of this letter, and to the extent available, to make available to such persons promptly upon the Authority's request the originals of such documents;
- 4.4.3 to pay into the Insurance Proceeds Account without set off or deduction of any kind for any reason all payments in respect of claims received by us from insurers in relation to the Insurances specified in Clauses 54.1 to 54.3 (*Project Co Insurances*) of the Agreement.
- 4.4.4 to administer the payment of premiums due pursuant to the Insurances such that, in so far as we hold appropriate funds, all such premiums shall be paid to insurers in accordance with the terms of the Insurances;
- 4.4.5 to administer the payment of claims from insurers in respect of the Insurances (the "**Insurance Claims**") including:
- (a) negotiating settlement of Insurance Claims presented in respect of the Insurances;
 - (b) collating and presenting all information required by insurers in relation to Insurance Claims presented in respect of the Insurances; and

(c) insofar as it is relevant and practicable, liaising with and reporting to each Authority throughout the settlement, payment and administration of such Insurance Claims.

4.4.6 to advise the Authority promptly upon receipt of notice of any material changes which we are instructed to make in the terms of the Insurances and which, if effected, in our opinion as Insurance Brokers would result in any material reduction in limits or coverage or in any increase in deductibles, exclusions or exceptions;

4.4.7 to advise the Authority in advance of any change to the terms of, or any lapse, non-renewal and/or cancellation of any policy maintained in respect of the Insurances;

4.4.8 to use our reasonable endeavours to have endorsed on each and every policy evidencing the Insurances (when the same is issued) endorsements substantially in the form set out in Section 3 (*Endorsements*) to Schedule 15 (*Insurance Requirements*) of the Agreement; and

4.4.9 to:

(a) prepare prior to the commencement of the Operational Insurances and prior to each Insurance Review Date, at the expense of the Project Co, a Joint Insurance Cost Report on behalf of both the Project Co and the Authority in accordance with the insurance review procedure as set forth in Section 4 (*Insurance Arrangements*) of Schedule 15 (*Insurance Requirements*) to the Project Agreement. We shall ensure that the information in the Joint Insurance Cost Report is fairly represented, based on the information available to us; and

(b) provide prior to each Renewal Date such other information required to satisfy the requirement of Section 4 (*Insurance Arrangements*) of Schedule 15 (*Insurance Requirements*) to the Project Agreement,

in each case, supported by appropriate evidence, of the generally prevailing market for the relevant Operational Insurance and of any other circumstances relevant to the application of Section 6 (*Other Costs*) of Schedule 14 (*Payment Mechanism*) to the Project Agreement.

5. We shall supply further letters substantially in this form on renewal of each of the Insurances and shall supply copies of such letters to those parties identified to us by the Authority for such purposes.

6. This letter shall be governed by and construed in accordance with the laws of England and Wales.

Yours faithfully

For and on behalf of [Project Co's broker]

SECTION 2

LOW VALUE CHANGES

1. Low Value Change Notice

- 1.1 Subject to paragraph 1.2 of this Section 2 (*Low Value Changes*), where a Low Value Change is required by the Authority, it must submit an Authority Change Notice to Project Co.
- 1.2 The Authority may carry out Derogated Low Value Changes during the Operational Term. If the Authority wishes to carry out a Derogated Low Value Change it shall send Project Co a notice at least [five (5)] Business Days prior to the date on which it proposes to start to implement the Change setting out the nature of the proposed Change in sufficient detail to enable Project Co to satisfy itself that the proposed Change constitutes a Derogated Low Value Change. Project Co may notify the Authority within [three (3)] Business Days of receipt of a Derogated Low Value Change Notice that it does not agree that the proposed Change constitutes a Derogated Low Value Change and, unless the parties otherwise agree, the Authority must not take any steps to carry out the proposed Change unless it has referred the dispute to the Dispute Resolution Procedure and it has been determined that the proposed Change is a Derogated Low Value Change.
- 1.3 If it carries out a Derogated Low Value Change, the Authority must use Good Industry Practice to the standards that would have applied to Project Co if it had carried it out as a Low Value Change.

2. Authority Change Notice

An Authority Change Notice for a Low Value Change must:

- 2.1 state that it relates to a Low Value Change;
- 2.2 contain a description of the works and/or the change to the Works and/or the Services that the Authority requires including, if relevant, the applicable type of Low Value Change listed in the Catalogue; and
- 2.3 if there is no applicable type of change listed in the Catalogue, specify the time period within which the Authority requires the Change to be implemented.

3. Project Co Response and Authority Confirmation

Within five (5) Business Days of receipt of an Authority Change Notice for a Low Value Change, Project Co must notify the Authority of:

- 3.1 the cost of implementing the required Low Value Change; and

- 3.2 the time period for implementing the Low Value Change (taking into account the requirements of Section 3 (*Access To Work Protocol*) of Schedule 34 (*Joint Operating Protocol*)),

in each case in accordance with paragraph 4 of this Section 2 (*Low Value Changes*).

4. **Cost and Timing**

- 4.1 If the Low Value Change is of a type listed in the Catalogue, the cost of carrying out that Low Value Change shall not exceed the relevant Catalogue Price and the time period for implementing the Low Value Change shall not exceed the relevant time specified in the Catalogue.
- 4.2 If the Low Value Change is not of a type that is listed in the Catalogue, the cost of carrying out that Low Value Change shall be calculated on the basis that:
- 4.2.1 wherever practicable the Low Value Change will be carried out by an [existing on-site and] suitably qualified employee of Project Co or a Project Co Party and in that case Project Co may not charge for labour. Where there is no such suitably qualified on-site employee reasonably available to carry out the Low Value Change, the cost of the labour element will be calculated in accordance with the Small Works and Services Rates or, where such rates are not applicable, in accordance with rates which are fair and reasonable; and
- 4.2.2 the materials element will be charged at the cost of materials to Project Co or to the Project Co Party carrying out the work (net of all discounts) and there shall be no management fee, margin, overhead, contingency or other cost applied in relation thereto.
- 4.3 Other than the costs referred to in paragraphs 4.1 and 4.2 of this Section 2 (*Low Value Changes*) Project Co may not charge the Authority for processing, implementing or managing a Low Value Change.

5. **Authority Objection**

The Authority may object in writing within five (5) Business Days of receipt of Project Co's notice pursuant to paragraph 3 of this Section 2 (*Low Value Changes*), to any part of that notice and in that event the parties shall act reasonably to endeavour to agree as soon as practicable how the Low Value Change is to be implemented, which may include the Authority withdrawing the Authority Notice of Change.

6. Implementation

- 6.1 Project Co must implement a required Low Value Change so as to minimise any inconvenience to the Authority and, subject to paragraph 10.2 of this Section 2 (*Low Value Changes*), within the timescale specified in the notice given by Project Co pursuant to paragraph 3 of this Section 2 (*Low Value Changes*) (or agreed by the parties pursuant to paragraph 5 of this Section 2 (*Low Value Changes*)).
- 6.2 Project Co shall notify the Authority when it considers that the Low Value Change has been completed.
- 6.3 If Project Co:
- 6.3.1 fails to give a notice to the Authority in accordance with paragraph 3 of this Section 2 (*Low Value Changes*) within fifteen (15) Business Days of the date of the Authority Change Notice; or
 - 6.3.2 gives a notice pursuant to paragraph 3 of this Section 2 (*Low Value Changes*) to which the Authority has objected pursuant to paragraph 5 of this Section 2 (*Low Value Changes*) on any ground other than the cost of the Low Value Change, the parties have not reached agreement as to how the Low Value Change is to be implemented and the objection has not been referred to the Dispute Resolution Procedure; or
 - 6.3.3 gives a notice pursuant to paragraph 3 of this Section 2 (*Low Value Changes*) to which the Authority does not object pursuant to paragraph 5 but then fails to fully implement the Low Value Change within ten (10) Business Days after the timescale specified in that notice or agreed in accordance with paragraph 5 of this Section 2 (*Low Value Changes*),

then, subject to paragraph 10.3 of this Section 2 (*Low Value Changes*), the Authority may notify Project Co that the Low Value Change Notice is withdrawn and, following such notification, may procure the implementation of the Low Value Change without further recourse to Project Co, but the Authority must ensure that the Low Value Change is carried out in accordance with Good Industry Practice and to the standards that would have applied to Project Co if it had implemented the Low Value Change.

7. Payment

Unless the Authority notifies Project Co within five (5) Business Days of receipt of a notice from Project Co pursuant to paragraph 6.2 above that the Low Value Change has not been implemented to its reasonable satisfaction:

- 7.1 Project Co shall, where the Low Value Change is implemented prior to the Operational Term, issue an invoice in respect of the costs of the Low Value Change, which the Authority must pay within twenty (20) Business Days of receipt; or

7.2 Project Co shall, where the Low Value Change is implemented during the Operational Term, include the costs of the Low Value Change in the next Monthly Invoice submitted pursuant to Clause 35.2 of this Agreement following completion or implementation of the relevant Low Value Change and the amounts payable for the Low Value Changes shall be invoiced and paid in accordance with the procedure described in Clause 35 (*Payment*) of this Agreement.

8. Update of Catalogue and Small Works and Services Rates

8.1 From the Commencement Date the Catalogue shall be that set out in Part 1 (*Catalogue*) of Appendix 1 to this Schedule 16 (*Change Protocol*) and the Small Works and Services Rates shall be those set out in Part 2 of (*Small Works And Services Rates*) 1 to this Schedule 16 (*Change Protocol*).

8.2 Subject to paragraph 8.3 of this Section 2 (*Low Value Changes*), the unit prices and the Small Works and Services Rates set out in the Catalogue and the Small Works and Services Rates shall be indexed on each anniversary of the Commencement Date for the change in RPIX since the Commencement Date or, after the first Catalogue Review Date, since the most recent Catalogue Review Date.

8.3 On the date which is twenty (20) Business Days before each Catalogue Review Date, Project Co must provide the Authority with:

8.3.1 a revised and updated Catalogue which:

- (a) includes in the Catalogue unit prices for any types of Low Value Changes which have occurred and which the parties consider are reasonably likely to reoccur during the life of the Project and any other types of Low Value Changes as the parties may agree; and
- (b) includes time periods for the carrying out of each listed type of Low Value Change; and

8.3.2 updated Small Works and Services Rates.

The unit prices and Small Works and Services Rates will be for the ensuing three (3) year period following the Catalogue Review Date. The unit prices must represent good value for money having regard to:

- (a) prices prevailing for similar items in the market at the time; and
- (b) paragraph 4.2 of this Section 2 (*Low Value Changes*).

The Small Works and Services Rates must provide value for money with reference to rates prevailing for similar services in the market at the time.

- 8.4 Within ten (10) Business Days of the submission by Project Co of the revised and updated Catalogue and Small Works and Services Rates pursuant to paragraph 8.3 of this Section 2 (*Low Value Changes*), the Authority shall confirm in writing whether or not it agrees that the revised and the updated Catalogue shall constitute the Catalogue and the updated Small Works and Services Rates shall constitute the Small Works and Services Rates for the purposes of this Agreement from the relevant Catalogue Review Date;
- 8.5 If the Authority does not confirm to Project Co that it agrees with the revised and updated Catalogue and/or Small Works and Services Rates provided by Project Co pursuant to paragraph 8.3 of this Section 2 (*Low Value Changes*), the parties shall meet and endeavour, in good faith, to agree any amendments to the Catalogue and/or Small Works and Services Rates. Any dispute in relation to this paragraph 8 may be referred by either party to the Dispute Resolution Procedure. The revised and updated Catalogue and revised and updated Small Works and Services Rates with such amendments as are agreed by the parties or determined under the Dispute Resolution Procedure shall constitute the Catalogue and the Small Works and Services Rates for the purposes of this Agreement from the relevant Catalogue Review Date.

9. Documentation and Monitoring

- 9.1 No due diligence (whether funder, legal, technical, insurance or financial) shall be required in relation to Low Value Changes unless otherwise agreed between the parties.
- 9.2 The Works, Services, Facilities and/or Authorities Policies (as appropriate) shall be deemed to be amended pursuant to Clause 73 (*Amendments*), to include any required Low Value Change implemented by Project Co pursuant to paragraph 6.1 of this Section 2 (*Low Value Changes*). Subject to paragraph 9.3 of this Section 2 (*Low Value Changes*), no other changes shall be made to this Agreement or any Project Document as a result of a Low Value Change, unless otherwise agreed between the parties.
- 9.3 Where it is agreed that an adjustment of the Annual Service Charge is required in respect of a Low Value Change, the Financial Model and Annual Service Charge shall be adjusted to give effect to such Low Value Changes once each Contract Year on a date to be agreed between the parties and all relevant Low Value Changes that have occurred since the preceding such adjustment shall be aggregated together into a single cumulative adjustment in accordance with Section 6 (*Changing The Financial Model*) of this Schedule 16 (*Change Protocol*).
- 9.4 Project Co shall keep a record of all Low Value Changes processed, completed and outstanding and shall provide the Authority with a copy of that record whenever reasonably required by the Authority.

10. Disputes

- 10.1 Any dispute concerning any matter referred to in this Section 2 (*Low Value Changes*) may be referred by either party to the Dispute Resolution Procedure.

- 10.2 Project Co shall not be obliged to implement the Low Value Change until any dispute has been determined except that where such dispute concerns only the cost of a Low Value Change, unless the Authority otherwise directs, Project Co must continue to carry out or implement the Low Value Change within the prescribed timescale notwithstanding the dispute.
- 10.3 The Authority is not entitled to withdraw an Authority Change Notice and procure implementation of a Low Value Change in respect of which there is a dispute that has been referred to the Dispute Resolution Procedure, unless that dispute has been determined in its favour and Project Co has not confirmed to the Authority in writing within five (5) Business Days of the date of the determination that it will implement and carry out the Low Value Change in accordance with the determination.

SECTION 3

MEDIUM VALUE CHANGES

1. Medium Value Changes

- 1.1 If the Authority requires a Medium Value Change, it must serve an Authority Change Notice on Project Co in accordance with paragraph 2 (*Medium Value Change Notice*) of this Section 3 (*Medium Value Changes*).

- 1.2 Project Co shall be entitled to refuse a Medium Value Change that:
 - 1.2.1 requires the Works and/or the Services to be performed in a way that infringes any Law or is inconsistent with Good Industry Practice;
 - 1.2.2 would cause any Consent to be revoked (or would require a new consent to be obtained or any existing Consent to be amended which, after using reasonable efforts, Project Co has been unable to obtain);
 - 1.2.3 would materially and adversely affect Project Co's ability to deliver the Works and/or the Services (except those Works and/or Services which have been specified as requiring to be amended in the Authority Change Notice) in a manner not compensated for pursuant to this Section 3 (*Medium Value Changes*);
 - 1.2.4 would materially and adversely affect the health and safety of any person;
 - 1.2.5 would, if implemented, materially and adversely change the nature of the Project (including its risk profile);
 - 1.2.6 is the subject of an Authority Change Notice that cannot reasonably be complied with;
 - 1.2.7 the Authority does not have the legal power or capacity to require implementation of; or
 - 1.2.8 would, if implemented, adversely affect the enforceability or priority of the security held by or on behalf of the existing Senior Funders.

2. Medium Value Change Notice

- 2.1 An Authority Change Notice for a Medium Value Change must:
 - 2.1.1 state that it refers to a Medium Value Change;

- 2.1.2 set out the change in the Works or Services or the additional works or services required in sufficient detail to enable Project Co to calculate and provide the Estimated Change in Project Costs in accordance with paragraph 3 (*Contractor's Estimate*) of this Section 3 (*Medium Value Changes*);
 - 2.1.3 set out whether, in respect of any additional facilities, Project Co is expected to provide facilities management services and lifecycle maintenance services in respect of such additional facilities; and
 - 2.1.4 set out the timing of the additional works or services required by the Authority (taking into account the requirements of Section 3 (*Access To Work Protocol*) of Schedule 34 (*Joint Operating Protocol*)).
- 2.2 Within fifteen (15) Business Days of receipt of the Medium Value Change Notice, Project Co must notify the Authority in writing:
- 2.2.1 whether it considers that it is entitled to refuse the Medium Value Change on any of the grounds set out in paragraphs 1.2.1 to 1.2.6 of this Section 3 (*Medium Value Changes*);
 - 2.2.2 when it will provide the Estimate to the Authority bearing in mind the requirement in paragraph 7.2.2 of this Section 3 (*Medium Value Changes*); and
 - 2.2.3 its estimate of the Third Party Costs that it will incur to prepare the Estimate.
- 2.3 If Project Co notifies the Authority that it considers that it is entitled to refuse the Medium Value Change on one or more of the grounds set out in paragraphs 1.2.1 to 1.2.6 of this Section 3 (*Medium Value Changes*), then unless the parties otherwise agree, the Authority shall be deemed to have withdrawn the Authority Notice of Change if it has not referred the matter to the Dispute Resolution Procedure within [twenty (20)] Business Days of receipt of Project Co's notice.
- 2.4 If the Authority considers that Project Co's proposed time for providing the Estimate is not reasonable, the parties shall endeavour to agree the time, failing which the matter may be referred to the Dispute Resolution Procedure.
- 2.5 If the Authority considers that the Project Co's estimate of Third Party Costs to prepare the Estimate is not reasonable, the parties shall endeavour to agree the same, failing which the matter may be referred to the Dispute Resolution Procedure.
- 2.6 If any matter is referred to the Dispute Resolution Procedure pursuant to paragraph 2 (*Medium Value Change Notice*) of this Section 3 (*Medium Value Changes*), the time for Project Co to provide the Estimate shall be counted from the date of determination of that dispute if the dispute is determined in Project Co's favour.

3. Contractor's Estimate

As soon as reasonably practicable and in any event within the time period agreed or determined pursuant to paragraph 2.4 of this Section 3 (*Medium Value Changes*), Project Co shall deliver to the Authority the Estimate.

The Estimate must contain:

- 3.1 a detailed timetable for implementation of the Medium Value Change (taking into account the requirements of Section 3 (*Access To Work Protocol*) of Schedule 34 (*Joint Operating Protocol*));
- 3.2 any requirement for relief from compliance with obligations, including the obligations of Project Co:
 - 3.2.1 to achieve the Actual Completion Date [in respect of a Facility] by the [relevant] Completion Date; and
 - 3.2.2 to achieve [a/the] Actual Post Completion Works Date by the [relevant] Post Completion Works Date; and
 - 3.2.3 to meet the requirements set out in the Authority's Construction Requirements and/or the Service Level Specification during the implementation of the Medium Value Change;

- 3.13 any other information requested by the Authority in the Authority Change Notice.

together the "**Estimate**".

4. **Costing of the Estimate**

In calculating the Estimated Change in Project Costs and/or the Capital Expenditure for the purposes of the Estimate, Project Co shall apply the following principles wherever applicable:

- 4.1 unless the Authority's requirements for the Medium Value Change specify a different quality as compared to the Works:
 - 4.1.1 the unit cost of any construction or installation works or associated preliminaries (excluding any temporary or demolition works, professional fees, contingencies, overheads and profit margins) required to implement the Medium Value Change is the equivalent unit rate set out in Part 1 (*Unit Cost For Construction Or Installation Costs*) of Appendix 2 of this Schedule 16 (*Change Protocol*), uplifted using the Department for Trade and Industry PUBSEC index for construction cost inflation in the period between the Commencement Date and the date the Medium Value Change is to be commenced;
 - 4.1.2 any lifecycle replacement and maintenance associated with additional works (or changes to the Works) are consistent with the lifecycle and maintenance profile of the Facilities envisaged in Section 4 (*Project Co's Proposals*) of Schedule 6 (*Construction Matters*) including (without limitation) in terms of the replacement cycles for equipment, provided that Project Co must reflect improvements in technology that can optimise Whole Life Costs for the Authority; and
 - 4.1.3 the unit costs to be applied to the pricing of lifecycle replacement and maintenance is the equivalent unit rate set out in Part 2 (*Unit Costs For Lifecycle Maintenance*) of Appendix 2 of this Schedule 16 (*Change Protocol*) (index linked). If any such additional works are specified to a higher quality as compared to the Works, then the unit Lifecycle Replacement and maintenance cost shall be (in real terms) lower;

- 4.2 any professional fees, contingencies, overheads and/or profit margins to be charged by any consultant, sub-contractor or supplier in respect of construction and/or installation and/or lifecycle and/or service provision for the Medium Value Change are the equivalent rates set out in Part 3 (*Consultant, Sub-Contractor Or Supplier Fees*) of Appendix 2 of this Schedule 16 (*Change Protocol*), or if the professional fees, contingencies, overheads and profit margins being charged by consultants, sub-contractors and/or suppliers in current market conditions have changed significantly from those set out in Part 3 (*Consultant, Sub-Contractor Or Supplier Fees*) of Appendix 2 of this Schedule 16 (*Change Protocol*), such other rates as the parties agree or failing agreement as may be determined under the Dispute Resolution Procedure as being consistent with those charged in current market conditions;
- 4.3 unless the Authority's requirements for the Medium Value Change specify a different quality than required by the Service Level Specification, the unit cost of any extension of, or change to, any Service (either in scope or area), taking into account the capacity of existing labour resources, is consistent with the equivalent unit rate set out in Part 4 (*Unit Costs For Labour Rates*) of Appendix 2 to this Schedule 16 (*Change Protocol*);
- 4.4 other than as referred to in paragraphs 4.1 to 4.3 of this Section 3 (*Medium Value Changes*) no charge shall be made in respect of Project Co's time, or that of any Project Co Party spent processing, managing or monitoring the Medium Value Change (and no additional mark up or management fee shall be applied by Project Co); and
- 4.5 where aspects of the Medium Value Change are not addressed by paragraphs 4.1 to 4.4 of this Section 3 (*Medium Value Changes*), they shall be costed on a fair and reasonable basis reflecting the then current market rates.

5. **Standards of Provision of the Estimate**

In providing the Estimate Project Co must:

- 5.1 use reasonable endeavours to oblige its Sub-Contractors to minimise any increase in costs and maximise any reduction in costs;
- 5.2 demonstrate how any Capital Expenditure to be incurred or avoided is being measured in a cost effective manner, including showing that when such expenditure is incurred, reasonably foreseeable Changes in Law at that time have been taken into account; and
- 5.3 demonstrate that any expenditure that has been avoided, which was anticipated to be incurred to replace or maintain assets that have been affected by the Medium Value Change concerned, has been taken into account in the amount which in its opinion has resulted or is required under paragraphs 3.7 and/or 3.8 of this Section 3 (*Medium Value Changes*); and
- 5.4 provide written evidence of Project Co's compliance with paragraphs 5.1 to 5.3 of this Section 3 (*Medium Value Changes*).

6. **Determination of the Estimate**

As soon as practicable after the Authority receives the Estimate, the parties shall discuss and endeavour to agree the contents of the Estimate. If the parties cannot agree on the contents of the Estimate, the matter may be referred by either party to the Dispute Resolution Procedure to determine if the Estimate represents a fair and reasonable approach to implementing the Medium Value Change in all respects.

7. **Confirmation or Withdrawal of the Medium Value Change Notice**

7.1 As soon as practicable after the contents of the Estimate have been agreed or otherwise determined pursuant to paragraph 6 of this Section 3 (*Medium Value Changes*), the Authority shall:

7.1.1 confirm in writing to Project Co the Estimate (as modified); or

7.1.2 withdraw the Authority Change Notice.

7.2 If, in any Contract Year, the Authority has either not confirmed an Estimate (as modified, if applicable) within twenty (20) Business Days of the contents of the Estimate having been agreed or determined in accordance with the foregoing provisions of this Section 3 (*Medium Value Changes*) or has withdrawn an Authority Change Notice for a Medium Value Change on three or more occasions, then the Authority shall pay to Project Co on the third and each subsequent such occasion in that Contract Year the reasonable additional Third Party Costs incurred by Project Co in preparing the Estimate provided that:

7.2.1 Project Co has used all reasonable endeavours to submit a reasonably priced Estimate; and

7.2.2 Project Co made available to the Authority, with the Estimate, a cost break down of Third Party Costs incurred by Project Co to prepare the Estimate, which shall be consistent with the estimate of such costs approved by the Authority pursuant to paragraph 2.5 of this Section 3 (*Medium Value Changes*).

8. **Implementation of the Medium Value Change**

8.1 When the Authority has confirmed the Estimate in accordance with paragraph 7.1 of this Section 3 (*Medium Value Changes*), Project Co shall, subject to Project Co obtaining all new or amended Consents that are required and have not already been obtained, implement the required Medium Value Change in accordance with the Estimate. Where an extension of time has been agreed as part of the Estimate the [relevant] Completion Date [and/or the [relevant] Post Completion Works Date, as applicable] shall be extended as agreed in the Estimate.

8.2 Project Co shall notify the Authority when it considers that the Medium Value Change has been completed.

8.3 If:

- 8.3.1 Project Co fails to provide a response pursuant to paragraph 2.2 of this Section 3 (*Medium Value Changes*) within fifteen (15) Business Days of the date of the Medium Value Change Notice; or
- 8.3.2 Project Co fails to provide an Estimate in accordance with paragraph 3 of this Section 3 (*Medium Value Changes*); or
- 8.3.3 the Authority has confirmed an Estimate but Project Co fails to fully implement the Medium Value Change within [ten (10)] Business Days after the expiry of the time for implementing the Medium Value Change set out in the Estimate Low Value Change (as such time may be extended for any delay that is, or is equivalent to, a Delay Event);

then, subject to paragraph 14.3 of this Section 3 (*Medium Value Changes*), the Authority may notify Project Co that the Medium Value Change Notice is withdrawn and, following such notification, may procure the implementation of the Medium Value Change without further recourse to Project Co, but the Authority must ensure that the Medium Value Change is carried out in accordance with Good Industry Practice and to the standards that would have applied to Project Co if it had implemented the Medium Value Change.

9. **Certification of the Medium Value Change**

- 9.1 Where the Medium Value Change is implemented at the Facilities before the Actual Completion Date [for that Facility] [or where the Medium Value Change is relevant to the Post Completion Works, the [relevant] Actual Post Completion Works Date], the procedure set out at Clause 17 (*Pre-Completion Commissioning and Completion*) shall apply to the Medium Value Change at the same time as it applies to the original [Main] Works [or Post Completion Works, as applicable].
- 9.2 Where the Medium Value Change is implemented at the Facilities after the Actual Completion Date [for that Facility] [and does not relate to the Post Completion Works or, relates to the Post Completion Works and occurs after the [relevant] Actual Post Completion Works Date], and constitutes additional works, the procedure set out and agreed in the Estimate for certifying the completion of the Medium Value Change shall apply to determine whether the Medium Value Change has been completed appropriately.

10. **Method of Payment of Authority Contribution**

- 10.1 Project Co shall invoice the Authority for Capital Expenditure incurred by Project Co to implement a Medium Value Change according to the payment schedule set out in the Estimate as referred to in paragraph 3.10.
- 10.2 The Authority shall make a payment to Project Co within fifteen (15) Business Days of receipt by the Authority of invoices presented to the Authority (complete in all material respects) in accordance with paragraph 10.1 of this Section 3 (*Medium*

Value Changes) accompanied by the relevant evidence (where applicable) that the relevant part of the Medium Value Change has been carried out.

11. Adjustment to Annual Service Charge

Any adjustment to the Annual Service Charge that is necessary due to the implementation of a Medium Value Change shall be calculated in accordance with Section 6 (*Changing the Financial Model*) of this Schedule 16 (*Change Protocol*).

12. Due Diligence

12.1 Project Co shall procure that the Senior Funders shall not:

12.1.1 (in any event) withhold or delay any consents that are required pursuant to the Senior Funding Agreements to a Medium Value Change other than on the basis that the Senior Funders, acting pursuant to the terms of the Senior Funding Agreements, reasonably believe that one or more of the circumstances set out in paragraphs 1.2.1 to 1.2.6 of this Section 3 (*Medium Value Changes*) apply; or

12.1.2 carry out any due diligence (whether funder, legal, technical, insurance or financial) in relation to the carrying out of any Medium Value Change unless either (i) the Medium Value Change in question would result in an adjustment to the Annual Service Charge that, on a full year basis, is in excess of one percent (1%) of the Annual Service Charge in the relevant Contract Year or (ii) the Senior Funders, acting pursuant to the terms of the Senior Funding Agreements, reasonably believe that one or more of the circumstances set out in paragraphs 1.2.1 to 1.2.6 of this Section 3 (*Medium Value Changes*) apply.

12.2 Where not prohibited by paragraph 12.1 of this Section 3 (*Medium Value Changes*), the Senior Funders may carry out legal, financial, insurance and/or technical due diligence on any proposal for a Medium Value Change. In the event that such due diligence is permitted and required, the parties shall agree a budget for the due diligence not exceeding 5% of the overall value of the Medium Value Change in question unless the parties (acting reasonably) agree otherwise. Any costs incurred by Project Co as a result of the Senior Funders due diligence shall be reimbursed by the Authority following agreement or determination of the contents of the Estimate within ten (10) Business Days of Project Co submitting an invoice for and evidence of such costs, subject to the invoices being in accordance with the agreed budget.

12.3 It is acknowledged that Changes (particularly where they involve a change to the Works or the Facilities) may require authorisation from the insurers under the Insurances. Project Co shall notify the relevant insurance broker immediately upon any material Medium Value Change being agreed (materiality being judged in relation to the size and nature of the scope of the Medium Value Change).

13. **Project Documentation**

- 13.1 The Works, Services, Facilities and/or Authorities Policies (as appropriate) shall be deemed to be amended pursuant to Clause 73 (*Amendments*), to include any required Medium Value Change implemented by Project Co pursuant to paragraph 8 of this Section 3 (*Medium Value Changes*). Subject to paragraph 11 of this Section 3 (*Medium Value Changes*), no other changes to the Project Documents shall be made as a result of a Medium Value Change, unless the parties otherwise agree.
- 13.2 Project Co shall, no later than one (1) month following completion of a Medium Value Change, provide updated hard copies and electronic copies (in accordance with the requirements of the BIM Protocol) of the "as-built" drawings, "as-built" specification and the operating and maintenance manuals to the Authority , as necessary to reflect the Medium Value Change.

14. **Disputes**

- 14.1 Any dispute concerning any matter referred to in this Section 3 (*Medium Value Changes*) may be referred by either party to the Dispute Resolution Procedure.
- 14.2 Project Co shall not be obliged to implement the Medium Value Change until the dispute has been determined.
- 14.3 The Authority is not entitled to withdraw an Authority Change Notice and procure implementation of a Medium Value Change in respect of which there is a dispute that has been referred to the Dispute Resolution Procedure, unless that dispute has been determined in its favour and Project Co has not confirmed to the Authority in writing within five (5) Business Days of the date of the determination that it will implement and carry out the Medium Value Change in accordance with the determination.

SECTION 4

HIGH VALUE CHANGES

1. High Value Changes

- 1.1 If the Authority requires a High Value Change it must serve an Authority Change Notice on Project Co in accordance with paragraph 2 of this Section 4 (*High Value Changes*).
- 1.2 Project Co shall be entitled to refuse a High Value Change that:
 - 1.2.1 requires the Works and/or the Services to be performed in a way that infringes any Law or is inconsistent with Good Industry Practice;
 - 1.2.2 would cause any Consent to be revoked (or would require a new consent to be obtained to implement the relevant change in the Works and/or the Services which, after using reasonable efforts, Project Co has been unable to obtain);
 - 1.2.3 would materially and adversely affect Project Co's ability to deliver the Works and/or the Services (except those Works and/or Services which have been specified as requiring to be amended in the High Value Change Notice) in a manner not compensated pursuant to this Section 4 (*High Value Changes*);
 - 1.2.4 would materially and adversely affect the health and safety of any person;
 - 1.2.5 would, if implemented, materially and adversely change the nature of the Project (including its risk profile);
 - 1.2.6 is the subject of an Authority Change Notice that cannot reasonably be complied with;
 - 1.2.7 the Authority does not have the legal power or capacity to require implementation of; or
 - 1.2.8 would, if implemented, adversely affect the enforceability or priority of the security held by or on behalf of the existing Senior Funders.

2. High Value Change Notice

- 2.1 An Authority Change Notice for a High Value Change must:
- 2.1.1 state that it refers to a High Value Change;

 - 2.1.4 identify how the Authority will assess whether the High Value Change Stage 2 Submission offers it value for money.
- 2.2 The parties may agree written protocols with express reference to this Section 4 (*High Value Changes*) which explain or clarify any aspects of the High Value Change approval procedure set out in this Section 4 (*High Value Changes*) and such protocols shall be read as if incorporated into this Section 4 (*High Value Changes*) (including accelerated procedures with reduced requirements for High Value Changes of relatively low values).
- 2.3 The parties must:
- 2.3.1 within five (5) Business Days of receipt by Project Co of any High Value Change Notice, discuss and review the nature of the High Value Change, including a discussion as to which of the items set out in paragraph 3.4 of this Section 4 (*High Value Changes*) are appropriate to be included within the High Value Change Proposal; and
 - 2.3.2 within five (5) Business Days of a High Value Change Proposal becoming a Stage 1 Approved Project, discuss and review the nature of the Stage 1 Approved Project, including a discussion as to which of the items set out in paragraph 4.3 of this Section 4 (*High Value Changes*) are appropriate to be included within the High Value Change Stage 2 Submission.

3. High Value Change Proposal

- 3.1 Project Co must notify the Authority in writing as soon as practicable and in any event within fifteen (15) Business Days after having received the Authority Change Notice for a High Value Change if it considers that any of the circumstances set out in paragraphs 1.2.1 to 1.2.8 of this Section 4 (*High Value Changes*) apply. If the matter is referred to the Dispute Resolution Procedure the time for Project Co to provide the High Value Change Proposal shall be counted from the date of determination of that dispute if the dispute is determined in Project Co's favour.
- 3.3 If the Authority considers that Project Co's proposed time for providing the High Value Change Proposal is not reasonable, the parties shall endeavour to agree the time, failing which the matter may be referred to the Dispute Resolution Procedure.
- 3.4 Unless Project Co has submitted a High Value Change Proposal in accordance with paragraph 3.1.1 of this Section 4 (*High Value Changes*), Project Co must deliver to the Authority the High Value Change Proposal as soon as reasonably practicable and in any event within the time period agreed or determined pursuant to paragraph 3.3 of this Section 4 (*High Value Changes*). Unless the parties agree otherwise, a High Value Change Proposal will contain at least the following information in sufficient detail to enable the Authority to make an informed decision under paragraph 3.6 of this Section 4 (*High Value Changes*):

3.5 Liaison between Project Co, the Authority and Relevant End Users

In developing a High Value Change Proposal Project Co must liaise with the Authority and relevant end users (being such persons or organisations as Project Co in consultation with the Authority considers appropriate). The Authority must provide Project Co with such information about its requirements as Project Co reasonably requires and must assist Project Co in the review of any draft designs in relation to the High Value Change Proposal. Any and all information and other input or feedback provided by the Authority to Project Co, unless expressly stated otherwise by the Authority, will be without warranty and will be provided without prejudice to the Authority's rights under this Section 4 (*High Value Changes*).

3.6 Consideration of a High Value Change Proposal by the Authority

The Authority will consider in good faith each High Value Change Proposal put forward by Project Co and the Authority will not unreasonably withhold or delay its consent to a High Value Change Proposal. If, acting reasonably, the Authority finds that any material aspects of the High Value Change Proposal are unsatisfactory to it, it shall notify Project Co of the same and offer reasonable assistance to Project Co to enable it to revise and resubmit the High Value Change Proposal as soon as reasonably practicable.

3.7 Authority Response to a High Value Change Proposal

If the Authority approves a High Value Change Proposal (including any revised High Value Change Proposal resubmitted pursuant to paragraph 3.5 of this Section 4 (*High Value Changes*)), then it shall be a "**Stage 1 Approved Project**" or be referred to as having received "**Stage 1 Approval**", as the context requires.

3.8 Project Co Not Entitled to Dispute Non-Approval

Project Co shall not be entitled to refer any dispute concerning the Authority's failure to approve a High Value Change Proposal to the Dispute Resolution Procedure.

4. Stage 2 Submission

4.1 Development of a High Value Change Stage 2 Submission

4.1.1 Within ten (10) Business Days of a High Value Change Proposal having become a Stage 1 Approved Project, the parties shall seek to agree the time period within which Project Co must develop the Stage 1 Approved Project into a detailed submission (the "**High Value Change Stage 2 Submission**"). If the parties are unable to agree a reasonable time period for such submission any dispute may be referred to the Dispute Resolution Procedure.

4.1.2 Following agreement or determination of what is an appropriate time period for submission by Project Co of the High Value Change Stage 2

Submission pursuant to paragraph 4.1.1 of this Section 4 (*High Value Changes*), Project Co shall proceed regularly and diligently to produce and submit the same to the Authority within the agreed or determined time period.

4.2 Liaison between Project Co, the Authority and Relevant End Users

In developing a High Value Change Stage 2 Submission Project Co must continue to liaise with the Authority and relevant end users (being such persons or organisations as the Authority in consultation with Project Co considers appropriate). The Authority must provide Project Co with such information as to its requirements as is reasonably necessary to enable Project Co to submit a full and complete High Value Change Stage 2 Submission and any such other information as Project Co may reasonably require and must assist Project Co in the review of any draft designs in relation to the Stage 1 Approved Project and in the development of other aspects of the High Value Change Stage 2 Submission (but not where this would involve the Authority incurring additional material expense). Any and all information and other input or feedback provided by the Authority to Project Co will be without warranty and will be provided without prejudice to the Authority's rights under this Section 4 (*High Value Changes*).

4.3 Content Requirements in Relation to a High Value Change Stage 2 Submission

- 4.3.4 relevant detailed planning permissions and any other relevant planning approvals and Consents (or such lesser confirmation or information in relation to planning as may be agreed with the Authority);
- 4.3.5 a proposed revised Financial Model including the detailed price estimates for the Stage 1 Approved Project;
- 4.3.6 an explanation (together with appropriate supporting evidence) as to why the High Value Change Stage 2 Submission meets the Approval Criteria (as defined in paragraph 7 of this Section 4 (*High Value Changes*));

- 4.3.7 confirmation (or details of any requested variations to (with supporting justification)) of the Change Management Fee referred in paragraph 3.4.3 of this Section 4 (*High Value Changes*);

Co-operation of the Authority

4.4 The Authority will co-operate with Project Co in relation to any High Value Change Stage 2 Submission being developed by Project Co, including (without limitation) promptly providing:

4.4.1 written confirmation of the Target Cost and/or High Value Change Requirements and any change to such Target Cost and/or High Value Change Requirements; and

4.4.2 any information reasonably required by Project Co to enable it to satisfy the requirements of paragraph 4.3 of this Section 4 (*High Value Changes*).

5. Time Periods for Approval

5.1 Each High Value Change Proposal and each High Value Change Stage 2 Submission shall be valid for a period of three (3) months from the date of its submission by Project Co.

5.2 If by the end of the three (3) month period referred to in paragraph 5.1 of this Section 4 (*High Value Changes*) the Authority has not:

5.2.1 in relation to a High Value Change Proposal, approved or rejected that High Value Change Proposal in accordance with the procedures set out in this Section 4 (*High Value Changes*):

(a) Project Co shall be entitled to withdraw the High Value Change Proposal; and

(b) Project Co shall not be entitled to any costs relating to the High Value Change Proposal unless the Authority has either not responded to the High Value Change Proposal and/or is in material breach of its obligations in paragraph 3 and/or paragraph 4.4 of this Section 4 (*High Value Changes*) in which case paragraph 8.5 of this Section 4 (*High Value Changes*) shall apply;

5.2.2 in relation to a High Value Change Stage 2 Submission, approved or rejected that High Value Change Stage 2 Submission in accordance with the procedures set out in this Section 4 (*High Value Changes*) (or has not given any notification of the Authority's response to the High Value Change Stage 2 Submission or has given written notice to Project Co withdrawing or cancelling the High Value Change to which the High Value Change Stage 2 Submission relates) then the High Value Change Stage 2 Submission shall be deemed to have been improperly rejected by the Authority and paragraph 8.5 shall apply.

6. Changes to the High Value Change Requirements or Approval Criteria

If the High Value Change Requirements or Approval Criteria are subject to any material variation in relation to a High Value Change by the Authority after the High Value Change Proposal has been submitted then:

- 6.1 Project Co and the Authority shall negotiate in good faith as to the implications on the High Value Change Proposal or High Value Change Stage 2 Submission (as the case may be) and shall seek to agree changes thereto to accommodate the variation (including any change to the Target Cost and/or to the Change Management Fee);
- 6.2 if agreement has not been reached pursuant to paragraph 6.1 of this Section 4 (*High Value Changes*) within twenty (20) Business Days (or such longer period as the parties may agree) then:
 - 6.2.1 Project Co shall be entitled by notice in writing to the Authority to withdraw the High Value Change Proposal or the High Value Change Stage 2 Submission (as the case may be) and to be paid the Incurred Change Management Fee with the Calculation Date being the date of the variation notified by the Authority; and
 - 6.2.2 the Authority shall not be entitled to procure the High Value Change without issuing a new Authority Change Notice for the High Value Change and complying with the procedure in this Section 4 (*High Value Changes*) in relation to that High Value Change.
- 6.3 The Authority may, at any time, give notice in writing to Project Co that it proposes to cancel a High Value Change without completing the process set out in this Section 4 (*High Value Changes*) in which case the Authority must pay Project Co the Incurred Change Management Fee in respect of the cancelled High Value Change with the Calculation Date being the date of such notice.

7. Approval Criteria

For the purposes of this Section 4 (*High Value Changes*), Approval Criteria means the criteria against which any Stage 1 Approved Project is to be judged by the Authority in determining whether it achieves Stage 2 Approval. The criteria are:

- 7.1 whether the costs of the Stage 1 Approved Project are within the Target Cost notified to Project Co by the Authority;
- 7.2 whether it has been demonstrated that the Stage 1 Approved Project provides value for money assessed in accordance with the measures identified by the Authority in accordance with paragraph 2.1.4 of this Section 4 (*High Value Changes*);
- 7.3 whether the Authority, acting reasonably, is satisfied that the High Value Change Stage 2 Submission meets the High Value Change Requirements;

- 7.4 whether any material changes or amendments to the relevant Project Document(s) as detailed pursuant to paragraph 4.3.1 of this Section 4 (*High Value Changes*) are acceptable to the Authority, acting reasonably; and
- 7.5 whether the High Value Change Stage 2 Submission contains all the information required pursuant to paragraph 4.3 of this Section 4 (*High Value Changes*) (or as otherwise agreed by the parties).

8. **Submission of the High Value Change Stage 2 Submission to the Authority and consideration of that submission by the Authority**

8.1 The Authority will consider in good faith High Value Change Stage 2 Submissions submitted by Project Co and the Authority will not unreasonably withhold or delay its consent to a High Value Change Stage 2 Submission. The Authority is entitled to call for such reasonable information and assistance as it considers appropriate to enable it to decide whether the High Value Change Stage 2 Submission meets the Approval Criteria. Project Co must reply promptly to all such requests for further information and assistance.

8.2 As soon as reasonably practicable after the submission to it of a High Value Change Stage 2 Submission (including any revised High Value Change Stage 2 Submission re-submitted by Project Co) the Authority must give written notice of whether it:

8.2.1 approves the relevant Stage 1 Approved Project (in which case the Stage 1 Approved Project will be referred to as having received "**Stage 2 Approval**" or as being a "**Stage 2 Approved Project**" or an "**Approved Project**" as the context requires); or

8.2.2 rejects the Stage 1 Approved Project:

(a) on the ground that the High Value Change Stage 2 Submission in relation to the relevant Stage 1 Approved Project has failed to meet one or more of the Approval Criteria (except as referred to in paragraph 8.2.2(b)(i) or paragraph 8.2.2(b)(ii)), in which case (subject to resubmission under paragraph 8.2.3) paragraph 8.3 shall apply; or

(b)

(i) because, as a result of any change to the Target Cost referred to in paragraph 2.1.2, the Stage 1 Approved Project is not in fact Affordable despite the High Value Change Stage 2 Submission being within the Target Cost notified by the Authority pursuant to paragraph 2.1.2 of this Section 4 (*High Value Changes*); or

(ii) because Project Co has failed to meet one or more of the Approval Criteria and the sole reason for that

failure is that any Consent identified by Project Co (in compliance with paragraph 3.4.12 of this Section 4 (*High Value Changes*)) has not been obtained; or

- (iii) otherwise on grounds other than those set out in paragraphs 8.2.2(a), 8.2.2(b)(i) and 8.2.2(b)(ii) of this Section 4 (*High Value Changes*),

in which case paragraph 8.5 shall apply.

8.2.3 If the Authority rejects the High Value Change Stage 2 Submission on the grounds set out in paragraph 8.2.2(a) the Authority and Project Co will work together to address the reasons for such failure and attempt in good faith to produce a revised High Value Change Stage 2 Submission for Project Co to re-submit to the Authority.

8.2.4 If:

- (a) a resubmitted High Value Change Stage 2 Submission is rejected by the Authority on the ground set out in paragraph 8.2.2(a) (subject to paragraphs 16.3 to 16.4 (if applicable) of this Section 4 (*High Value Changes*)); or
- (b) no resubmission of the High Value Change Stage 2 Submission is made within thirty (30) Business Days of the date of the notice of rejection (or such longer period as the parties may agree),

then the relevant Stage 1 Approved Project shall be treated as having been properly rejected, the provisions of paragraph 8.3 of this Section 4 (*High Value Changes*) shall apply and neither the Authority nor Project Co will have any further obligations in relation to the relevant High Value Change referred to in the High Value Change Stage 2 Submission.

If a High Value Change Stage 2 Submission is Properly Rejected by the Authority

8.3 Where this paragraph 8.3 applies (as set out in paragraph 8.2.2(a), paragraph 8.2.4 and paragraph 16.4.2 of this Section 4 (*High Value Changes*)) the Authority shall not be required to reimburse or compensate Project Co in respect of any costs relating to the High Value Change including the Change Management Fee.

8.4 If:

8.4.1 Project Co fails to provide a response to an Authority Change Notice in accordance with paragraph 3.1 of this Section 4 (*High Value Changes*); or

- 8.4.2 (where applicable) Project Co fails to provide a High Value Change Proposal in accordance with paragraph 3.4 of this Section 4 (*High Value Changes*); or
- 8.4.3 Project Co fails to submit a High Value Change Stage 2 Submission in accordance with paragraph 4.1.2 of Section 4 (*High Value Changes*); or
- 8.4.4 the Authority has validly rejected a High Value Change Stage 2 Submission in accordance with paragraph 8.2 and the matter has not been referred to the Dispute Resolution Procedure or any such dispute has been determined as described in paragraph 16.4.2 of this Section 4 (*High Value Changes*),

then, subject to paragraph 17 of this Section 4 (*High Value Changes*), the Authority may notify Project Co that the High Value Change Notice is withdrawn and, following such notification, may procure the implementation of the High Value Change without further recourse to Project Co, but the Authority must ensure that the High Value Change is carried out in accordance with Good Industry Practice and to the standards that would have applied to Project Co if it had implemented the High Value Change.

If a High Value Change Stage 2 Submission is Improperly Rejected by the Authority

- 8.5 Where this paragraph 8.5 applies (as set out in paragraph 5.2.1(b), paragraph 5.2.2 paragraph [8.2.2(b) and paragraph 16.4.1)), the Incurred Change Management Fee and Third Party Costs incurred by Project Co to prepare the High Value Change Proposal and Stage 2 Submission, which shall be in accordance with the activities and budget referred to in paragraph 3.4.4 of this Section 4 (*High Value Changes*), in relation to the relevant High Value Change will be paid by the Authority within ten (10) Business Days of the date on which Project Co receives written notice of the rejection or the date of the deemed rejection (as the case may be) with the date of the rejection or the deemed rejection (as the case may be) being the Calculation Date for the purposes of calculating the amount of the Incurred Change Management Fee (unless a different Calculation Date is expressly stated in this Section 4 (*High Value Changes*) in relation to the circumstances giving rise to the entitlement of Project Co to be paid the Incurred Change Management Fee).

9. Information and Notifications by the Authority to Project Co and Cooperation of the Authority

- 9.1 The Authority must notify Project Co as soon as it becomes aware of any matter which may have a reasonably foreseeable material adverse effect on the viability of any High Value Change including any:
 - 9.1.1 planning issues likely to cause a material delay in the anticipated programme for the High Value Change or material cost increases; and
 - 9.1.2 changes to funding which the Authority receives or to the way in which funding may be applied, either or both of which may affect whether a High Value Change is Affordable.

- 9.2 The Authority shall provide reasonable assistance to Project Co in relation to the procurement by Project Co of all relevant Consents.

10. Change Management Fee

The Change Management Fee is to reimburse Project Co for the time spent by its employees and the employees of the Contractor, the Service Provider [and the [Management Service Provider]] in project managing the development, procurement and implementation of the High Value Change and shall:

- 10.1 be based on actual time spent (validated by time sheets);
- 10.2 be calculated at the daily rates as set out in Appendix 2 Part 3 (*Consultant, Sub-Contractor Or Supplier Fees*) to this Schedule 16 (*Change Protocol*), but capped at the sum set out in the High Value Change Proposal;
- 10.3 not include the time of any person who is not employed by Project Co the Contractor, the Service Provider [and/or the [Management Service Provider]], as the case may be;
- 10.4 not include any mark-up or profit or additional overheads;
- 10.5 be paid in three (3) stages as follows:
- 10.5.1 on Stage 1 Approval;
- 10.5.2 on Stage 2 Approval; and
- 10.5.3 when any works involved in the High Value Change have been completed,

and at each stage Project Co shall charge the Authority (subject to the applicable cap) only for the time incurred by its staff up to completion of that stage.

11. Implementation of the High Value Change

Project Co must implement any High Value Change approved by the Authority so as to minimise any inconvenience to the Authority and to the provision of Authority Services and in accordance with the Approved Project. Where an extension of time has been agreed as part of the Stage 2 Approval the [relevant] Completion Date [and/or the [relevant] Post Completion Works Date, as applicable] shall be extended as agreed in the Approved Project.

12. Method of Payment of Authority Contribution

- 12.1 This paragraph 12 shall apply where Capital Expenditure for an Approved Project is to be funded in whole or part by the Authority.
- 12.2 Project Co shall invoice the Authority for Capital Expenditure incurred by Project Co to implement a High Value Change that is to be borne by the Authority according to the payment schedule set out in the High Value Change Stage 2 Submission as referred to in paragraph 3.4.11 of this Section 4 (*High Value Changes*).
- 12.3 The Authority shall make a payment to Project Co within fifteen (15) Business Days of receipt by the Authority of invoices presented to the Authority (complete in all material respects) in accordance with paragraph 12.2 of this Section 4 (*High Value Changes*), accompanied by the relevant evidence (where applicable) that the relevant part of the High Value Change has been carried out.

13. Adjustment to Annual Service Charge

Any adjustment to the Annual Service Charge which is necessary as a result of the implementation of a High Value Change shall be calculated in accordance with Section 6 (*Changing the Financial Model*) of this Schedule 16 (*Change Protocol*).

14. Due Diligence

- 14.1 Where the Authority is funding the High Value Change, Project Co shall procure that the Senior Funders shall not withhold or delay any consents which are required pursuant to the Senior Funding Agreements to such High Value Change other than on the basis that the Senior Funders, acting pursuant to the terms of the Senior Funding Agreements, reasonably believe that one or more of the circumstances set out in paragraphs 1.2.1 to 1.2.8 of this Section 4 (*High Value Changes*) apply.
- 14.2 Where the Authority is not funding the High Value Change, Project Co shall procure that the Senior Funders do not unreasonably withhold or delay any consents which are required pursuant to the Senior Funding Agreements to such High Value Change other than on the basis that the Senior Funders, acting pursuant to the terms of the Senior Funding Agreements, reasonably believe that one or more of the circumstances set out in paragraphs 1.2.1 to 1.2.8 of this Section 4 (*High Value Changes*) apply.
- 14.3 The parties agree that the Senior Funders may carry out legal, financial, insurance and technical due diligence on any proposal for a High Value Change. The parties shall agree a budget for the due diligence provided that the costs may not exceed the lower of (i) three per cent (3%) of the overall value of the High Value Change in question or (ii) fifty thousand pounds (£50,000) unless, in either case, the parties (acting reasonably) agree otherwise. Any costs incurred by Project Co as a result of the Senior Funders due diligence will be reimbursed by the Authority following the conclusion of the process in this Section 4 (*High Value Changes*) within ten (10) Business Days of Project Co submitting an invoice for and evidence of such costs, subject to the invoices being in accordance with the agreed budget.

- 14.4 It is acknowledged that High Value Changes (particularly where they involve a change to the Works or the Facilities) may require authorisation from the insurers under the Insurances required to be taken out and maintained pursuant to Clause 54 (*Insurance*). Project Co shall notify the relevant insurance broker immediately upon any material High Value Change being agreed (materiality being judged in relation to the size and nature of the scope of the High Value Change).
- 14.5 The parties agree that paragraph 14.2 of this Section 4 (*High Value Changes*) of this Schedule 16 (*Change Protocol*) does not oblige the Senior Funders to provide any additional funding for the relevant High Value Change, which shall be in their absolute discretion.

15. **Project Documentation**

- 15.1 The only changes to the Project Documents or Ancillary Documents to be made as a result of a High Value Change shall be those identified in the Approved Project (subject to any amendments to it agreed by the parties).
- 15.2 Project Co shall, within [♦] days of completion of the Change, deliver updated hard copies and electronic copies (in accordance with the requirements of the BIM Protocol) of the "as-built" drawings, "as-built" specification and the operating and maintenance manuals as necessary to reflect the High Value Change.

- 16.4 If, following a referral to the Dispute Resolution Procedure, it is agreed or determined:
- 16.4.1 that the High Value Change rejected by the Authority pursuant to paragraph 8.2.2(a) of this Section 4 (*High Value Changes*) met the Approval Criteria the Authority shall either:
- (a) declare that the relevant High Value Change has received Stage 2 Approval and that High Value Change shall proceed; or

(b) declare that its rejection of the relevant High Value Change be treated as an improper rejection and that the provisions of paragraph 8.5 of this Section 4 (*High Value Changes*) shall apply.

16.4.2 the High Value Change did not meet the Approval Criteria, save in one of the respects referred to in paragraphs 8.2.2(b)(i) or 8.2.2(b)(ii) the provisions of paragraph 8.3 of this Section 4 (*High Value Changes*) shall apply.

17. The Authority is not entitled to withdraw an Authority Change Notice and procure implementation of a High Value Change in respect of which there is a dispute that has been referred to the Dispute Resolution Procedure, unless that dispute has been determined in its favour and Project Co has not confirmed to the Authority in writing within five (5) Business Days of the date of the determination that it will comply with its obligations under this Section 4 (*High Value Changes*) in accordance with the determination.

SECTION 5

 - 2.3 indicate any implications of the Project Co Change;
 - 2.4 indicate what savings, if any, will be generated by the Project Co Change, including:
 - 2.4.1 whether a reduction of the Annual Service Charge is proposed; or
 - 2.4.2 whether such savings will be paid to the Authority in a lump sum,in each case giving details in accordance with paragraph 8 of this Section 5 (*Project Co Changes*);
 - 2.5 indicate whether there are any critical dates by which a decision by the Authority is required (taking into account the requirements of Section 3 (*Access To Work Protocol*) of Schedule 34 (*Joint Operating Protocol*)); and
 - 2.6 request the Authority to consult with Project Co with a view to deciding whether to agree to the Project Co Change and, if so, what consequential changes the Authority requires as a result.
3. The Authority shall evaluate Project Co Notice of Change in good faith, taking into account all relevant issues, including whether:
 - 3.1 a revision of the Annual Service Charge will occur;
 - 3.2 the Project Co Change may affect the quality of the Services and/or the Works or the likelihood of successful completion of the Works and/or delivery of the Services (or any of them);

- 3.3 the Project Co Change will interfere with the relationship of the Authority with third parties;
 - 3.4 the financial strength of Project Co is sufficient to perform the Works and/or Services after implementation of the Project Co Change;
 - 3.5 the value and/or life expectancy of any of the Facilities will be reduced; or
 - 3.6 the Project Co Change materially affects the risks or costs to which the Authority is exposed.
4. As soon as practicable after receiving the Project Co Notice of Change, the parties shall meet and discuss the matters referred to in it, including in the case of a Relevant Change in Law those matters referred to in Clause 33.4 (*Relevant Changes in Law*) of this Agreement. During discussions the Authority may propose modifications to, or accept or reject, the Project Co Notice of Change.
5. If the Authority accepts the Project Co Notice of Change (with or without modification) the parties shall consult and agree the remaining details as soon as practicable and upon agreement the Authority shall issue a notice confirming the Project Co Change which shall set out the agreed Project Co Change and:
- 5.1 shall enter into any documents to amend this Agreement or any relevant Ancillary Document which are necessary to give effect to Project Co Change;

7. Unless the Authority's written acceptance expressly agrees to an increase in the Annual Service Charge or that Project Co should be entitled to relief from any of its obligations, there shall be no increase in the Annual Service Charge or relief granted from any obligations as a result of a Project Co Change.
8. If a Project Co Change causes, or will cause, Project Co's costs or those of a sub-contractor to decrease, there shall be a decrease in the Annual Service Charge such that any cost savings (following deduction of costs reasonably incurred by Project Co in implementing such Project Co Change) will be shared on the basis of fifty per cent (50%) of the saving being retained by Project Co and fifty per cent (50%) of the saving being paid to the Authority as a lump sum within ten (10) Business Days of agreement or determination or by way of revision

of the Annual Service Charge pursuant to Section 6 (*Changing The Financial Model*) of this Schedule 16 (*Change Protocol*).

SECTION 6

CHANGING THE FINANCIAL MODEL

Procedure

1. If a Relevant Event occurs, the Financial Model shall be adjusted in accordance with this Section 6 (*Changing the Financial Model*) of this Schedule 16 (*Change Protocol*).

Adjusting the Logic or Formulae

2. If it is necessary to make a Logic Adjustment to permit an Input Adjustment or Assumption Adjustment to be made, Project Co shall make such Logic Adjustment only:
 - 2.1 to the extent necessary;
 - 2.2 in accordance with generally accepted accounting principles in the United Kingdom; and
 - 2.3 so as to leave Project Co in no better and no worse a position.
3. In order to demonstrate that the conditions in paragraph 2 are met, Project Co shall prepare:
 - 3.1 a run of the Financial Model before making any Assumption Adjustment or Input Adjustment and immediately prior to making the Logic Adjustment; and
 - 3.2 a run of the Financial Model immediately following the Logic Adjustment which shows that Project Co is in no worse and no better a position following the making of the Logic Adjustment.

Adjusting the Assumptions

4. Subject to paragraph 5, Project Co may make an Assumption Adjustment so that the Assumptions in the Financial Model reflect:
 - 4.1 reasonable economic assumptions prevailing at the Adjustment Date; and
 - 4.2 reasonably foreseeable changes in the prospective technical performance of the Project arising as a result of the Relevant Event.
5. In making Assumption Adjustments, Project Co may make such adjustments only insofar as they relate to the Relevant Event, and such adjustments shall not have effect in relation to

any period prior to the Adjustment Date, nor in relation to any aspect of the Project other than the Relevant Event in the period following the Adjustment Date.

Adjusting the Inputs

6. Project Co may make Input Adjustments to the extent required to reflect the Estimated Change in Project Costs arising out of the Relevant Event.

Adjusting the Annual Service Charges

7. In order to calculate the adjustment to be made to the Annual Service Charges, Project Co shall run the Financial Model after making the Logic Adjustments, the Assumption Adjustments and the Input Adjustments relating to the Relevant Event and permitted by this Section 6 (*Changing the Financial Model*) of this Schedule 16 (*Change Protocol*) so that, following the Relevant Event, it is in no better and no worse a position than it would have been if no Relevant Event had occurred.
8. The Annual Service Charges shall be adjusted by such amount as leaves Project Co, following the Relevant Event, in no better and no worse a position than it would have been if no Relevant Event had occurred.

No Better and No Worse

9. Any reference in this Agreement to "no better and no worse" or to leaving Project Co in "no better and no worse a position" shall be construed by reference to Project Co's:
 - 9.1 rights, duties and liabilities under or arising pursuant to performance of this Agreement, the Funding Agreements, the Construction Contract and Service Contracts; and
 - 9.2 ability to perform its obligations and exercise its rights under this Agreement, the Funding Agreements, the Construction Contract and Service Contracts,so as to ensure that:
 - 9.3 Project Co is left in a position in relation to the Key Ratios which is no better and no worse in the Post-Adjustment Financial Model than it is in the Pre-Adjustment Financial Model; and
 - 9.4 following the making of the Adjustments, the ability of Project Co to comply with this Agreement is not adversely affected or improved as a consequence of the Relevant Event.

SECTION 7³⁰⁰

[PARTIAL TERMINATION]

1. Provided the Authority's right under this paragraph 1 of this Section 7 (*[Partial Termination]*) shall not be exercised more than [♦] times during the Project Term, at any time following the date that falls ten (10) years after the [final] Actual Completion Date the Authority may serve notice of its intention to remove a Facility from this Agreement by way of an Authority Change Notice for a High Value Change (a "**Partial Termination Authority Notice of Change**") in accordance with this paragraph 1 and with paragraph 2 of this Section 7 (*[Partial Termination]*).
2. The Authority's right under paragraph 1 of this Section 7 (*[Partial Termination]*) may only be exercised by the Authority where a Partial Termination Event has arisen. No other change of status of a Facility or a [School Entity] will trigger a partial termination under this Section 7 (*[Partial Termination]*).
3. Subject to paragraphs 4 and 5 of this Section 7 (*[Partial Termination]*), where the Authority has served a Partial Termination Authority Notice of Change, the provisions of paragraphs 2 to 17 of Section 4 (*High Value Changes*) of this Schedule 16 (*Change Protocol*) shall apply save that Project Co shall include in its High Value Change Proposals details of the amount that is standing to the credit of the [Maintenance Reserve Account] (as defined in the [Credit Agreement]), or that would have been standing to the credit of that account had Project Co complied with its obligations under the [Credit Agreement] that relate to the Schedule of Programmed Maintenance for the affected Facility. Project Co shall not be entitled to serve a notice under paragraph 3.1 of Section 4 (*High Value Changes*) of this Schedule 16 (*Change Protocol*) in respect of any Partial Termination Authority Notice of Change.
4. Proposals delivered by Project Co under paragraph 3.1 of Section 4 (*High Value Changes*) of this Schedule 16 (*Change Protocol*) relating to a Partial Termination Authority Notice of Change shall be calculated on the basis that the partial termination shall be carried out such that:
 - 4.1 the Base Case Equity IRR shall be adjusted by []% relative to a "no better no worse" position in accordance with paragraph 9 of Section 6 (*Changing the Financial Model*) of this Schedule 16 (*Change Protocol*); and
 - 4.2 the Annual Service Charge shall other than as set out in paragraph 4.1 of this Section 7 (*[Partial Termination]*) be adjusted so as to leave Project Co in a "no better no worse" position in accordance with paragraph 9 of Section 6 (*Changing the Financial Model*) of this Schedule 16 (*Change Protocol*).
5. In the event a High Value Change Proposal pursuant to a Partial Termination Authority Notice of Change is confirmed by the Authority in accordance with paragraph 8.2.1 of Section 4 (*High Value Changes*) of this Schedule 16 (*Change Protocol*) the adjustment to the Annual Service Charge under paragraph 13 of Section 4 (*High Value Changes*) of this Schedule 16 (*Change Protocol*) shall be carried out on the basis that the Base Case Equity IRR shall be adjusted by

SECTION 1³⁰¹

COMPENSATION ON TERMINATION FOR AUTHORITY DEFAULT AND VOLUNTARY TERMINATION

1. Compensation on Termination for the Authority Default and Voluntary Termination

1.1 If Project Co terminates this Agreement pursuant to Clause 39 (*Authority Events of Default*) or the Authority terminates this Agreement pursuant to Clause 42 (*Authority Voluntary Termination*) the Authority shall pay to Project Co the "**Authority Default Termination Sum**" as set out in paragraph 1.2.

1.2 Subject to paragraphs 1.4 to 1.6 below the Authority Default Termination Sum shall be an amount equal to the aggregate of:

1.2.1 the Base Senior Debt Termination Amount;

1.2.2 Redundancy Payments and Sub-Contractor Losses; and

1.2.3 the aggregate amount for which the share capital of Project Co and the amounts outstanding under the Subordinated Funding Agreements could have been sold on an open market basis based on the Relevant Assumptions,³⁰²

LESS, to the extent it is a positive amount, the aggregate of without double counting in relation to the calculation of the Base Senior Debt Termination Amount or the amounts below:

1.2.4 the value of any right of Project Co to receive insurance proceeds (save where such insurance proceeds are held in the Insurance Proceeds Account and are to be applied in accordance with Clause 54.19 (*Application of Proceeds*) of this Agreement in reinstatement, restoration or replacement or, in the case of any third party legal liability or employer's liability, in satisfaction of the claim, demand, proceeding or liability) or sums due and payable from third parties but excluding any claims under any Sub-Contracts or claims against other third parties which have not been determined provided that in such case Project Co shall assign any such rights and claims under the Sub-Contracts or claims against other

third parties to the Authority and give the Authority reasonable assistance in prosecuting such claims; and

- 1.2.5 Not Used
- 1.2.6 amounts which the Authority is entitled to set off pursuant to Clause 46.11 (*Rights of Set-Off*) of this Agreement.
- 1.3 Without prejudice to Clause 47 (*Consequences of Termination*), on payment of the Authority Default Termination Sum, the Authority shall have the option to require Project Co to transfer its right, title and interest in and to the Assets to the Authority or as directed by the Authority.
- 1.4 If the aggregate of the amounts referred to in paragraphs 1.2.1 and 1.2.3 is less than the Revised Senior Debt Termination Amount, then the Authority Default Termination Sum shall be increased so that it is equal to the aggregate of the Revised Senior Debt Termination Amount and the amount referred to in paragraph 1.2.2 LESS without double counting in relation to the calculation of the Revised Senior Debt Termination Amount, the amounts referred to in paragraphs 1.2.4 and 1.2.6 above; provided always that (a) the amount referred to in paragraph 1.2.2 shall only be paid to the extent that Project Co has demonstrated to the reasonable satisfaction of the Authority that the amount will not be applied (in whole or in part) in payment of any Distribution and (b) if, at the time of termination, there are any Additional Permitted Borrowings outstanding, no Sub-Contractor Losses shall be paid in respect of any Sub Contract in circumstances where there is an event of default under such Sub-Contract which would entitle Project Co to terminate such Sub-Contract.
- 1.5 If a Distribution is made whilst any Additional Permitted Borrowing is outstanding and Project Co has wilfully, or through gross negligence failed to comply with its obligations under Clause 9.4.4(a) of the Funders' Direct Agreement then in addition to the deduction of the Distribution made pursuant to paragraph (v) of the definition of Revised Senior Debt Termination Amount, the Authority shall be entitled to set off the value of that Distribution a second time against the Authority Default Termination Sum, provided that the amount of the Authority Default Termination Sum shall never be less than the Revised Senior Debt Termination Amount.
- 1.6 If Project Co has wilfully or through gross negligence failed to comply with its obligations under Clause 9.4.4(b) of the Funders' Direct Agreement and there has been an overstatement of the cash balances by Project Co as at that date which has caused the Authority to reasonably believe that it would be required to pay a lesser sum at the Termination Date than it actually is required to pay under the terms of this Section 1 (*Compensation on Termination for Authority Default and Voluntary Termination*), then the Authority Default Termination Sum shall be reduced by the amount of such overstatement (to the extent such overstatement is still applicable at the Termination Date), provided that the amount of the Authority Default Termination Sum will never be less than the Revised Senior Debt Termination Amount.
- 1.7 The Authority Default Termination Sum shall be payable in accordance with Section 4 (*General*) of this Schedule 17 (*Compensation on Termination*).

SECTION 2

COMPENSATION FOR PROJECT CO DEFAULT

1. If the Authority terminates this Agreement pursuant to Clause 40 (*Project Co Event of Default*) or Clause 43 (*Termination for Persistent Breach by Project Co*), the Authority shall pay to Project Co such sum as is calculated according to this Section 2 (*Compensation for Project Co Default*) of this Schedule 17 (*Compensation on Termination*).

2. Retendering Election

2.1 The Authority shall be entitled to retender the provision of the Project Operations in accordance with paragraph 3 (*Retendering Procedure*) and the provisions of paragraph 3 (*Retendering Procedure*) shall apply if:

2.1.1 the Authority notifies Project Co on or before the date falling twenty (20) Business Days after the Termination Date that it intends to retender; and

2.1.2 there is a Liquid Market³⁰³; and either

(a) the Senior Funders have not exercised their rights to step-in under Clause 5 (*Representative*) of the Funders' Direct Agreement; or

(b) Project Co or the Senior Funders have not procured the transfer of Project Co's rights and liabilities under this Agreement to a Suitable Substitute Contractor and have failed to use all reasonable efforts to do so

but otherwise the Authority shall not be entitled to re-tender the provision of the Project Operations and paragraph 4 (*No Retendering Procedure*) shall apply.

3. Retendering Procedure

3.1 The objective of the Tender Process shall be to enter into a New Agreement with a Compliant Tenderer.

3.2 The Authority shall (subject to any legal requirements preventing it from doing so) use all reasonable endeavours to complete the Tender Process as soon as practicable.

3.3 The Authority shall as soon as reasonably practicable notify Project Co of the Qualification Criteria and the other requirements and terms of the Tender Process,

³⁰³ Unless agreed by the parties, a novation to a vehicle controlled by the Senior Funders under the Funders' Direct Agreement should not on its own be sufficient to constitute a Liquid Market.

including the timing of the Tender Process, and shall act reasonably in setting such requirements and terms.

- 3.4 Project Co authorises the release of any information by the Authority under the Tender Process which would otherwise be prevented under Clause 62 (*Confidentiality*) that is reasonably required as part of the Tender Process.
- 3.5 For all or any part of a month, falling within the period from the Termination Date to the Compensation Date, the Authority shall pay to Project Co:
 - 3.5.1 the Post Termination Service Amount for each completed month, on or before the date falling ten (10) Business Days after the end of that month; and
 - 3.5.2 the Post Termination Service Amount for the period from the end of the last completed month until the Compensation Date, on or before the date falling twenty (20) Business Days after the Compensation Date.
- 3.6 Project Co may, at its own cost, appoint a person to monitor the Tender Process for the purpose of monitoring and reporting to Project Co and the Senior Funders on the Authority's compliance with the Tender Process.
- 3.7 The Tender Process Monitor shall enter into a confidentiality agreement with the Authority in a form acceptable to the Authority and shall be entitled to attend all meetings relating to the Tender Process, inspect copies of all the tender documentation and bids and make representations to the Authority as to compliance with the Tender Process. The Authority shall not be bound to consider or act upon such representations but acknowledges that such representations may be referred to by Project Co in the event that Project Co refers a dispute as to the Adjusted Highest Compliant Tender Price to the Dispute Resolution Procedure. The Tender Process Monitor will not disclose confidential information to Project Co or the Senior Funders or any other person (and shall provide an undertaking to the Authority to such effect as a condition of his appointment) but shall be entitled to advise Project Co and the Senior Funders on whether it considers that the Authority has acted in accordance with the Tender Process and correctly determined the Adjusted Highest Compliant Tender Price.
- 3.8 If any Post Termination Service Amount is less than zero then it may be carried forward and may be set off against any future positive Post Termination Service Amounts³⁰⁴.
- 3.9 The Authority shall require bidders to bid on the basis that they will receive the benefit of any outstanding claims under Physical Damage Policies and the amount (if any) standing to the credit of the Insurance Proceeds Account on the date that the New Agreement is entered into.

³⁰⁴ Negative Post Termination Service Amounts will always be taken into account in reducing the Adjusted Highest Compliant Tender Price irrespective of whether or not they have been set off against Positive Termination Service Amount. The effect of setting off is merely to reduce the sums payable by the Authority during the re-tendering period.

- 3.10 As soon as practicable after tenders have been received, the Authority shall (acting reasonably) review and assess the Compliant Tenders and shall notify Project Co of:
- 3.10.1 the Highest Compliant Tender Price;
 - 3.10.2 the Tender Costs; and
 - 3.10.3 the Adjusted Highest Compliant Tender Price.
- 3.11 If Project Co refers a dispute relating to the Adjusted Highest Compliant Tender Price to dispute resolution in accordance with Clause 57 (*Dispute Resolution Procedure*), the Authority shall irrespective of such dispute be entitled to enter into a New Agreement.
- 3.12 The Adjusted Highest Compliant Tender Price, shall be paid in accordance with Section 4 (*General*) of this Schedule 17 (*Compensation on Termination*).
- 3.13 Subject to paragraphs 1.7 and 1.9 of Section 4 (*General*) of this Schedule 17 (*Compensation on Termination*), if the Authority has not paid an amount equal to the Adjusted Highest Compliant Tender Price to Project Co on or before the date falling two (2) years after the Termination Date then the following provisions of this paragraph 3 shall not apply to that termination and the provisions of paragraph 4 (*No Retendering Procedure*) shall apply instead.
- 3.14 Subject to paragraph 2.1 of this Section 2 (*Compensation For Project Co Default*) of this Schedule 17 (*Compensation on Termination*), the Authority may elect at any time prior to the receipt of a Compliant Tender, to follow the No Retendering Procedure under paragraph 4 (*No Retendering Procedure*) by notifying Project Co that this election has been made.
- 3.15 In the event that the Adjusted Highest Compliant Tender Price exceeds the Maximum Termination Amount, the Adjusted Highest Compliant Tender Price shall be deemed to be an amount equal to the Maximum Termination Amount.

4. **No Retendering Procedure**

- 4.1 Subject to paragraph 4.2, if the provisions of this paragraph 4 (*No Retendering Procedure*) apply Project Co shall not be entitled to receive any Post Termination Service Amount.
- 4.2 If the Authority elects to follow the no retendering procedure in accordance with this paragraph 4 (*No Retendering Procedure*) after it has elected to follow the procedure under paragraph 3 (*Retendering Procedure*), then the Authority shall continue to pay to Project Co each Post Termination Service Amount until the Compensation Date, in accordance with paragraph 3 (*Retendering Procedure*).

- 4.3 In agreeing or determining the Estimated Fair Value of the Agreement the parties shall be obliged to follow the principles set out below:
- 4.3.1 all forecast amounts of revenues and costs should be calculated in nominal terms at current prices, recognising the adjustment for indexation in respect of forecast inflation between the date of calculation and the forecast payment date(s) as set out in this Agreement;
- 4.3.2 the total of all payments of the full Monthly Service Payments forecast to be made from the Termination Date to the Expiry Date shall be calculated and discounted at the Discount Rate;
- 4.3.3 the total of all costs reasonably forecast to be incurred by the Authority as a result of termination shall be calculated and discounted at the Discount Rate and deducted from the payment calculated pursuant to paragraph 4.3.2 above, such costs to include (without double counting):
- (a) a reasonable risk assessment³⁰⁵ of any cost overruns that will arise, whether or not forecast in the relevant base case;
 - (b) the costs of providing the Services reasonably forecast to be incurred by the Authority from the Termination Date to the Expiry Date in providing the Project Operations to the standard required³⁰⁶; and
 - (c) any rectification costs required to deliver the Project Operations to the standard required (including any costs reasonably forecast to be incurred by the Authority to complete the Works) and additional operating costs required to restore operating services standards less (to the extent that such sums are included in any calculation of rectification costs for the purposes of this paragraph) the aggregate of:
 - (i) any insurance proceeds received (or held in the Insurance Proceeds Account) or which will be received pursuant to policies maintained in accordance with Clause 54 (*Insurance*); [and]
 - (ii) amounts payable by the Authority in respect of Capital Expenditure under this Agreement which have not been paid[,]/ [and]

³⁰⁵ A methodology can be agreed in advance for agreeing what constitutes a reasonable risk assessment.

³⁰⁶ This includes both the everyday running costs and the costs of the service and life cycle maintenance costs. Forecasts are determined by agreement or, in the event of disputes, by an expert.

- (d) [any outstanding part of the Contribution will be deemed to have become payable on the Termination Date,]³⁰⁷

in each case such costs to be forecast at a level that will deliver the Services to the standards required by this Agreement;

- 4.4 If the parties cannot agree on the Adjusted Estimated Fair Value of the Agreement on or before the date falling twenty (20) Business Days after the date on which the Authority elected or was required pursuant to paragraph 2 (*Retendering Election*) or paragraph 3 (*Retendering Procedure*) to follow the no retendering procedure in accordance with this paragraph 4 (*No Retendering Procedure*), then the Adjusted Estimated Fair Value of the Agreement shall be determined in accordance with Clause 57 (*Dispute Resolution Procedure*).
- 4.5 The Adjusted Estimated Fair Value of the Agreement shall be paid in accordance with Section 4 (*General*) of this Schedule 17 (*Compensation on Termination*).
- 4.6 In the event that the Adjusted Estimated Fair Value of the Agreement exceeds the Maximum Termination Amount, the Adjusted Estimated Fair Value of the Agreement shall be deemed to be an amount equal to the Maximum Termination Amount.

³⁰⁷ Drafting to be used where a capital contribution is to be made by an Authority after Financial Close. Otherwise paragraph 4.3.3(d) should be deleted.

SECTION 3

COMPENSATION ON TERMINATION FOR FORCE MAJEURE

1. Consequences of Termination for Force Majeure

- 1.1 If Project Co or the Authority terminates this Agreement pursuant to Clause 32.1 (*Force Majeure*) or Clause 54.14.2 the Authority shall pay to Project Co the "**Force Majeure Termination Sum**" as set out in paragraph 1.2.
- 1.2 Subject to paragraphs 1.4 to 1.6 below the Force Majeure Termination Sum shall be an amount equal to the aggregate of:
- 1.2.1 the Base Senior Debt Termination Amount;
 - 1.2.2 Redundancy Payments and Sub-Contractor Losses (but excluding therefrom any claims for loss of profit);
 - 1.2.3 an amount equal to all amounts paid to Project Co by way of subscription for shares in the capital of Project Co less dividends and other distributions paid to the shareholders of Project Co provided that where such figure is a negative number it shall be instead be zero;
 - 1.2.4 an amount equal to the Subordinated Debt less an amount equal to the aggregate of payments of interest paid on the Subordinated Debt provided that where such figure is a negative number it shall be instead fixed at zero³⁰⁸; and

LESS, to the extent it is a positive amount, the aggregate of (without double counting) in relation to the calculation of the Base Senior Debt Termination Amount or the amounts below:

- 1.2.5 the value of any right of Project Co to receive insurance proceeds (save where such insurance proceeds are held in the Insurance Proceeds Account and are to be applied in accordance with Clause 54.19 of this Agreement in reinstatement, restoration or replacement, or in the case of third party legal liability or employer's liability, in satisfaction of the claim, demand, proceeding or liability) or sums due and payable from third parties but excluding any claims under any Sub-Contracts or claims against other third parties which have not been determined provided that in such case Project Co shall assign any such rights and claims under the Sub-Contracts or claims against other third parties to the Authority and give the Authority reasonable assistance in prosecuting such claims; and

³⁰⁸ This excludes interest accrued but unpaid but the Subordinated Debt documentation should, of course, be checked to ensure this is the way it works. Repayment of principal is caught through the definition of Subordinated Debt.

- 1.2.6 Not Used
- 1.2.7 amounts which the Authority is entitled to set off pursuant to Clause 46.11 (*Rights of Set-Off*) of this Agreement.
- 1.3 Without prejudice to Clause 47 (*Consequences of Termination*), on payment of the Force Majeure Termination Sum, the Authority shall have the option to require Project Co to transfer its right, title and interest in and to the Assets to the Authority or as directed by the Authority.
- 1.4 If the aggregate of the amounts referred to in paragraphs 1.2.1 and 1.2.4 is less than the Revised Senior Debt Termination Amount, then the Force Majeure Termination Sum shall be increased so that it is equal to the aggregate of the Revised Senior Debt Termination Amount and the amount referred to in paragraph 1.2.2 LESS without double counting in relation to the calculation of the Revised Senior Debt Termination Amount the amounts referred to at paragraphs 1.2.5 and 1.2.7 above; provided always that (a) the amount referred to in paragraph 1.2.2 above shall only be paid to the extent that Project Co has demonstrated to the reasonable satisfaction of the Authority that the amount will not be paid (in whole or in part) in payment of any Distribution and (b) if, at the time of termination, there are any Additional Permitted Borrowings outstanding, no Sub-Contractor Losses shall be paid in respect of any Sub-Contract in circumstances where there is an event of default under such Sub-Contract which would entitle Project Co to terminate such Sub-Contract.
- 1.5 If a Distribution is made whilst any Additional Permitted Borrowing is outstanding and Project Co has wilfully, or through gross negligence failed to comply with its obligations under Clause 9.9.4(a) of the Funders' Direct Agreement then in addition to the deduction of the Distribution made pursuant to paragraph (v) of the definition of Revised Senior Debt Termination Amount, the Authority shall be entitled to set off the value of that Distribution a second time against the Force Majeure Termination Sum, provided that the amount of the Force Majeure Termination Sum shall never be less than the Revised Senior Debt Termination Amount.
- 1.6 If Project Co has wilfully or through gross negligence failed to comply with its obligations under clause 9.4.4(b) of the Funders' Direct Agreement and there has been an overstatement of the cash balances by Project Co as at that date which has caused the Authority to reasonably believe that it would be required to pay a lesser sum at the Termination Date than it actually is required to pay under the terms of this Section 3 (*Compensation On Termination For Force Majeure*), then the Force Majeure Termination Sum shall be reduced by the amount of such overstatement (to the extent such overstatement is still applicable at the Termination Date), provided that the amount of the Force Majeure Termination Sum will never be less than the Revised Senior Debt Termination Amount.
- 1.7 The Force Majeure Termination Sum shall be paid in accordance with Section 4 (*General*) of this Schedule 17 (*Compensation on Termination*).

SECTION 4

1.2 The Authority may, other than where payment is to be made pursuant to Section 1 (*Compensation on Termination for Authority Default and Voluntary Termination*) of this Schedule 17 (*Compensation on Termination*), elect to pay the Adjusted Estimated Fair Value of the Agreement or the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount (as relevant) element of the Termination Sum:

1.2.1 in instalments as follows:

(a) where the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount or the Adjusted Estimated Fair Value of the Agreement (as relevant) is greater than or equal to the Outstanding Principal:

(i) in respect of that element of the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount or the Adjusted Estimated Fair Value of the Agreement (as relevant) representing the Outstanding Principal, on the dates (the "**Instalment Dates**") and in the amounts that Project Co would have been required to pay principal to the Senior Funders under the terms of the [Credit Agreement] had the Termination Date not occurred; and

(ii) in respect of the sum (if any) remaining after deducting the Outstanding Principal from the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount or the Adjusted Estimated Fair Value of the Agreement (as relevant), in equal instalments on the Instalment Dates;

(b) where the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount or the Adjusted Estimated Fair Value of the Agreement (as relevant) is less than the Outstanding Principal, on the Instalment Dates pro rata to the amounts that Project Co would have been required to pay to the Senior Funders on each Instalment Date under the terms of the [Credit Agreement] had the Termination Date not occurred; or

1.4 If the Authority has elected to pay in accordance with paragraph 1.2 above, it may (on twenty-eight (28) days' prior written notice to Project Co) elect to pay the outstanding part of the Adjusted Estimated Fair Value of the Agreement or the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount (as relevant) element of the Termination Sum in full on any Instalment Date. If the Authority fails to make a payment to Project Co in accordance with paragraphs 1.1 or 1.2 or 1.3 above, Project Co may issue a notice to the Authority declaring any unpaid and outstanding element of (as applicable) the Adjusted Estimated Fair Value of the Agreement or the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount (as relevant) element of the Termination Sum and any accrued but unpaid interest to be immediately due and payable.

1.5 To the extent that the Adjusted Estimated Fair Value of the Agreement is less than zero, then an amount equal to the Adjusted Estimated Fair Value of the Agreement shall be due and payable by Project Co to the Authority on the Compensation Date.

Following Retendering

1.6 Subject to paragraphs 1.8 and 1.9 following a retendering exercise under Section 2 (*Compensation For Project Co Default*) of this Schedule 17 (*Compensation on Termination*) the Authority shall pay to Project Co an amount equal to the Adjusted Highest Compliant Tender Price no later than the date falling twenty (20) Business Days after the later of:

1.6.1 the date of the New Agreement; and

1.6.2 if Project Co has referred a dispute relating to the Adjusted Highest Compliant Tender Price to dispute resolution pursuant to paragraph 3.11 of Section 2 (*Compensation For Project Co Default*) of this Schedule 17 (*Compensation on Termination*), the date on which the dispute is finally determined in accordance with Clause 57 (*Dispute Resolution Procedure*),

provided that, to avoid doubt, if the dispute referred by Project Co to dispute resolution (pursuant to paragraph 1.6.2 above) concerns only a proportion of the Adjusted Highest Compliant Tender Price then the Authority shall pay the undisputed proportion of such sum no later than twenty (20) Business Days after

the date referred to in paragraph 1.6.1 above (the "**Undisputed Payment Date**") and the Authority shall pay interest to Project Co on any amount of the Adjusted Highest Compliant Tender Price which has been withheld, from the Undisputed Payment Date until the date on which payment is due under paragraph 1.6.2 above at the No Default Interest Rate.

1.7 If the Authority has received all bids from bidders under the Tender Process and has received a Compliant Tender but decides not to complete the Tender Process, it shall notify Project Co of this decision and (if the Adjusted Highest Compliant Tender Price is a positive number) pay to Project Co an amount equal to the Adjusted Highest Compliant Tender Price within twenty (20) Business Days of such notification.

1.8 If the Authority fails to pay the Adjusted Highest Compliant Tender Price (or any proportion thereof) by the date on which payment is due in accordance with paragraph 1.6 or paragraph 1.7 above, the Authority shall pay to Project Co interest on such unpaid amount, which shall accrue on such amount at the Default Interest Rate from (but not including) the date on which payment is due in accordance with paragraph 1.6 or paragraph 1.7 above until such amount is paid.

1.9 If the Adjusted Highest Compliant Tender Price is zero or a negative number then, on entering into the New Agreement with the New Project Co, the Authority shall have no obligation to make any payment to Project Co and (if a negative number) an amount equal to the Adjusted Highest Compliant Tender Price shall be due and payable by Project Co to the Authority on the date of the New Agreement or (where paragraph 1.7 applies) within twenty (20) Business Days of notification from the Authority pursuant to that paragraph.

2. **Full and Final Settlement**

2.1 Any and all sums irrevocably paid by the Authority to Project Co under this Schedule 17 (*Compensation on Termination*) will be in full and final settlement of each party's rights and claims against the other for breaches and/or termination of this Agreement and any other Project Document whether under contract, tort, restitution or otherwise but without prejudice to:

2.1.1 any antecedent liability of Project Co to the Authority which the Authority has been unable to set off pursuant to Clause 46.11 (*Rights of Set-Off*) of this Agreement;

2.1.2 any antecedent liability of either party to the other that arose prior to the Termination Date (but not from the termination itself) to the extent such liability has not already been taken into account in determining or agreeing the Authority Default Termination Sum, the Adjusted Highest Compliant Tender Price, the Adjusted Estimated Fair Value of the Agreement or the Force Majeure Termination Sum as the case may be; and

2.1.3 any liabilities arising in respect of any breach by either party of their obligations under Clause 47.6 (*Continuing Obligations*) of this Agreement which arises or continues after the Termination Date.

3. **Costs**

The costs and/or expenses to be taken into account in the calculation of all termination sums due pursuant to this Schedule 17 (*Compensation on Termination*) shall only be such costs and/or expenses to the extent that they are reasonable and proper in quantum and shall have been or will be reasonably and properly incurred and shall only be counted once.

4. **Undisputed Amounts**

If the calculation of any termination amount is disputed then any undisputed element of that amount shall be paid in accordance with this Section 4 (*General*) of this Schedule 17 (*Compensation on Termination*) and the disputed element shall be dealt with in accordance with Schedule 20 (*Dispute Resolution Procedure*).

5. **Outstanding Senior Debt Amount**

5.1 The Authority shall be entitled to rely on the certificate of the [Senior Funders' Agent] as conclusive as to the amount of the Base Senior Debt Termination Amount or Revised Senior Debt Termination Amount (as the case may be) outstanding at any relevant time.

5.2 The receipt by the [Senior Funders' Agent] of the Base Senior Debt Termination Amount or Revised Senior Debt Termination Amount or elements thereof (as appropriate) (as the case may be) (and where appropriate any accrued interest or breakage costs as certified in accordance with paragraph 5.1 above) shall discharge the Authority's obligations to pay such sums to Project Co.

SECTION 5

Definitions

"Adjusted Estimated Fair Value of the Agreement"

means, subject to paragraph 4.6 of Section 2 (*Compensation For Project Co Default*) of this Schedule 17 (*Compensation on Termination*), the Estimated Fair Value of the Agreement adjusted as follows³⁰⁹:

- (a) where in respect of any month or part of a month from the Termination Date to the Compensation Date the Post Termination Service Amount is a negative number, the aggregate of all such negative Post Termination Service Amounts shall be set against and shall reduce the Estimated Fair Value of the Agreement (whether or not such amounts have been set-off by the Authority pursuant to paragraph 3.8 of Section 2 (*Compensation For Project Co Default*) of this Schedule 17 (*Compensation on Termination*));

and the aggregate of the following amounts shall be deducted from the Estimated Fair Value of the Agreement:

- (b) the Post Termination Service Amounts actually paid by the Authority to Project Co prior to the Compensation Date;
- (c) the Tender Costs; and
- (d) amounts that the Authority is entitled to set off or deduct;

and the aggregate of the following amounts shall be added to the Estimated Fair Value of the Agreement:

- (e) all credit balances on any bank accounts held by or on behalf of Project Co on the date that the Estimated Fair Value of the Agreement is calculated; and
- (f) any insurance proceeds and other amounts owing to Project Co (and which Project Co is entitled to retain), to the extent not included in (e);

³⁰⁹ There will only be any Post Termination Service Amounts available to the extent that the Authority starts the retendering process, but then decides to follow the no-retendering approach. These amounts are not deducted to the extent paragraph (c) of the definition of "New Agreement" is a period from the date of the New Contract to the original Expiry Date (rather than the Termination Date to the original Expiry Date).

to the extent that:

- (i) (e) and (f) have not been directly taken into account in calculating the Estimated Fair Value of the Agreement; and
- (ii) the Authority has received such amounts in accordance with this Agreement or such amounts are standing to the credit of the Insurance Proceeds Account;

"Adjusted Highest Compliant Tender Price"

means, subject to paragraph 3.15 of Section 2 (*Compensation For Project Co Default*) of this Schedule 17 (*Compensation on Termination*), the Highest Compliant Tender Price adjusted as follows³¹⁰:

- (a) where in respect of any month or part of a month from the Termination Date to the Compensation Date the Post Termination Service Amount is a negative number, the aggregate of all such negative Post Termination Service Amounts shall be set against and shall reduce such highest tender price (whether or not such amounts have been set-off by the Authority pursuant to paragraph 3.8 of Section 2 (*Compensation For Project Co Default*) of this Schedule 17 (*Compensation on Termination*));

and the aggregate of the following amounts shall be deducted from the Highest Compliant Tender Price:

- (b) the Post Termination Service Amounts actually paid by the Authority to Project Co prior to the Compensation Date;
- (c) the Tender Costs; and
- (d) amounts that the Authority is entitled to set off or deduct under this Agreement,

and the aggregate of the following amounts shall be added to such highest tender price:

³¹⁰ Negative Post Termination Service Amounts ("PTSA") represent an out of pocket cost to the Authority and will therefore need to be deducted from any payment of compensation due to Project Co. Positive PTSA, on the other hand, are regarded as a form of prepayment – the benefit of reduced service costs is also reflected in the tender price, which is likely to be higher. To avoid double counting, any PTSA actually paid to Project Co need to be deducted from the tender price. The effect of set-off of negative PTSA under paragraph 3.8 of Section 2 (*Compensation for Project Co Default*) of Schedule 17 (*Compensation on Termination*) simply reduces the amount of any prepayment and is therefore neutral. In reality on the Project Co Default (d) and (e) are likely to be the same amounts.

- (e) all credit balances on any bank accounts held by or on behalf of Project Co on the date that the highest priced Compliant Tender is received; and
- (f) any insurance proceeds and other amounts owing to Project Co (and which Project Co is entitled to retain), to the extent not included in (c);

to the extent that:

- (i) (e) and (f) have not been directly taken into account in that Compliant Tender; and
- (ii) the Authority has received such amounts in accordance with this Agreement;

"APB Distribution"

means, for the period during which the Additional Permitted Borrowing subsists, an amount equal to the aggregate of all Distributions made during that period up to an amount equal to the principal of the Additional Permitted Borrowing on the first day of that period;

"Authority Default Termination Sum"

has the meaning given in paragraph 1.1 of Section 1 (*Compensation on Termination for Authority Default and Voluntary Termination*) of Schedule 17 (*Compensation on Termination*);

"Base Senior Debt Termination Amount"

means, subject to Clause 4.3 (*Changes to Funding Agreements and Refinancing*)³¹¹:

- (a) [all amounts outstanding at the Termination Date, including interest and Default Interest accrued as at that date, from Project Co to the Senior Funders in respect of Permitted Borrowings (other than in respect of Additional Permitted Borrowing); and
- (b) all amounts including costs of early termination of interest rate hedging arrangements and other breakage costs, payable by Project Co to the Senior Funders as a result of a prepayment in respect of Permitted Borrowings (other than in respect of Additional Permitted Borrowing), or, in the case of early termination of interest rate hedging arrangements only, as a result of termination of this Agreement, subject to Project Co and the Senior Funders mitigating all such costs to the extent reasonably possible;

³¹¹ This definition assumes traditional debt finance.

less, to the extent it is a positive amount the aggregate of (without double counting in relation to the calculation of the Base Senior Debt Termination Amount or the amounts below)

- (i) any amounts claimable on or after the Termination Date in respect of Contingent Funding Liabilities;
- (ii) all amounts including costs of early termination of interest rate hedging arrangements and other breakage costs, payable by the Senior Funders to Project Co as a result of prepayment of amounts outstanding in respect of Permitted Borrowings (other than in respect of Additional Permitted Borrowing), or, in the case of early termination of interest rate hedging arrangements only, as a result of termination of this Agreement;
- (iii) all other amounts received by the Senior Funders on or after the Termination Date and before the date on which any compensation is payable by the Authority to Project Co as a result of enforcing any other rights they may have; and

 - (ii) the date on which the Authority pays the Adjusted Highest Compliant Tender Price to Project Co; or
- (b) if paragraph 4 (*No Retendering Procedure*) of Section 2 (*Compensation For Project Co Default*) of this Schedule 17 (*Compensation on Termination*) applies, the

date that the Adjusted Estimated Fair Value of the Agreement has been agreed or determined;

- "Compliant Tender"** means a tender that meets all of the Qualification Criteria;
- "Compliant Tenderer"** means a Suitable Substitute Contractor who submits a Compliant Tender;

 - (b) any accrued Deductions and/or Warning Notices shall, for the purposes of termination only, and without prejudice to the rights of the Authority to make financial deductions, be cancelled; and
 - (c) the term of such agreement shall be for a period equal to the term from the Termination Date to the Expiry Date;
- "Discount Rate"** means a discount rate expressed as $[(1 + \text{real base case project IRR} + \text{Gilt B} - \text{Gilt A}) * (1 + i) - 1]$

where:

"real base case project IRR" is the real pre-tax [Project IRR] as set out in the Financial Model at Financial Close;

³¹² This is intended to be an exhaustive list of all such arrangements put in place at Financial Close.

³¹³ The Termination Date here is the relevant date as no new contract is actually being entered into.

"i" is the agreed assumed forecast rate of increase in RPI set out in the Financial Model as at Financial Close, for the remaining term of the Agreement;

"Gilt A" is the real yield to maturity on a benchmark government Gilt instrument of the same maturity as the average life of the outstanding Senior Debt as shown in the Financial Model at Financial Close; and

"Gilt B" is the real yield to maturity on a benchmark government Gilt instrument of the same maturity as the average life of the outstanding Senior Debt as shown in the Financial Model as on the Termination Date;

(a) the date on which the Authority receives an invoice from Project Co for the relevant termination sum; and

likely to be achieved through a tender to be a reliable indicator of Fair Value provided always that any vehicle controlled and established by the Senior Funders specifically for the purposes of the Project and to which this Agreement may be novated shall be discounted in assessing whether there are sufficient willing parties in the market for such purposes³¹⁴;

["Market Value Availability Deduction Amount"

means for any month or part of a month, an amount equal to the availability deduction that was made to the Monthly Service Payment under Section 2 of Schedule 14 (*Payment Mechanism*) in the month immediately preceding the Termination Date, less an amount equal to any availability deduction that was made for an Area which was unavailable at the Termination Date but which has subsequently become available whether as a result of the Authority incurring Rectification Costs or otherwise];

means one twelfth of the Annual Service Charge payable at any time before any deductions under Section 2 of Schedule 14 (*Payment Mechanism*) but allowing for indexation under the [indexation provisions];

- (e) the Revised Senior Debt Termination Amount; and

Redundancy Payments;

³¹⁴ Unless agreed by the parties, a novation to a vehicle controlled by the Senior Funders under the Funders' Direct Agreement should not on its own be sufficient to constitute a Liquid Market.

³¹⁵ In line with MIM principles, this ensures Project Co does not make any windfall gain from compensation on termination for Project Co default.

"New Agreement"	means an agreement on the same terms and conditions as this Agreement at the Termination Date, but with the following amendments ³¹⁶ :
	(a) if this Agreement is terminated prior to the [final] Actual Completion Date, then the Longstop Date [relevant Longstop Date(s)] shall be extended by a period to allow a New Project Co to achieve the Actual Completion Date, prior to the Longstop Date [relevant Longstop Date(s)];

³¹⁶ This should also include other documents entered into between the parties, where appropriate. In projects in which the Services cease to be required on or shortly after the original expiry Date, then the term of the New Contract will be reduced and so Post Termination Service Amounts will not be deducted (or added back).

³¹⁷ This payment is made both to ensure the Authority is incentivised to expedite the retender and any value received by the Authority is reflected post termination. Usage based payments will need to be addressed specifically. It is recommended that their effects are, where possible, stripped out. A positive Post Termination Service Amount will occur where the cost incurred by the Authority in procuring the Service itself (including rectification costs) is less than the Monthly Service Payment. A negative Post Termination Service Amount will arise if the costs incurred in procuring the Service (including rectification costs) are greater than the Annual Service Charge.

³¹⁸ If tenderers are not required to bid on the basis of a single capital payment then the Authority would have to fund the delay in payment of the compensation amount which is not recommended.

means the assumptions that the sale of Project Co is on the basis that there is no default by the Authority, that the sale is on a going concern basis, that no restrictions exist on the transfer of share capital, that no Additional Permitted Borrowing has taken place and therefore that the effect of the Additional Permitted Borrowing on the calculation of such amount is disregarded but that otherwise the actual state of affairs of Project Co and the Project is taken into account;

"Revised Senior Debt Termination Amount"

means³¹⁹, subject to Clause 4.3 (*Changes to Funding Agreements and Refinancing*):

- (b) the amount reasonably and properly payable by Project Co to the Service Providers [under their respective contracts with Project Co] (as the case may be) as a direct result of the termination of this Agreement provided that such amount shall be reduced to the extent that Project Co fails to use all reasonable endeavours to mitigate such amount;

provided that in both cases no account should be taken of any liabilities and obligation of Project Co to the Sub-Contractors arising out of:

2. On the Expiry Date, each element of the Facilities shall be in a condition which is:
 - 2.1 consistent with due performance by Project Co of its obligations under this Agreement including but not limited to:
 - 2.1.1 Clause 23 (*Maintenance*);
 - 2.1.2 Clause 24 (*Lifecycle Replacement*);
 - 2.1.3 the Service Level Specification; and

together referred to as (the "**Handback Requirements**").

3. The Authority and Project Co shall cooperate and shall take all reasonable steps to ensure that the Authority may procure the appointment of an Independent Surveyor to conduct initial Handback Surveys of the relevant Building Elements of [each/ the Facility] by a date which is no later than the time period specified in respect of that Building Element in the [5th] column of the table set out in Appendix D of the Service Level Specification. The Authority shall meet the cost of the Handback Surveys provided that where any Handback Survey reveals that [the/any] Facility or part thereof has not been maintained in accordance with Project Co's obligations under this Agreement, the cost of such survey shall be due and immediately payable by Project Co to the Authority.  - 5.1 Project Co's proposal as to the Handback Works;
 - 5.2 Project Co's proposal as to the Handback Programme and
 - 5.3 Project Co's estimate of the cost of the Handback Amount.
6. The Authority's Representative may, within twenty (20) Business Days after receipt of the details set out in paragraph 5 above from Project Co, raise comments in accordance with paragraph 3 of Schedule 8 (*Review Procedure*) on Project Co's proposals and estimate referred to in paragraph 5 above.
7. On agreement, or determination in accordance with Schedule 20 (*Dispute Resolution Procedure*), of the Handback Works, the Handback Programme and/or the Handback Amount (as the case may be), Project Co shall procure that the Handback Works are carried out in accordance with the Handback Programme so as to meet the Handback Requirements. Project Co shall carry out the Handback Works at its own cost notwithstanding that the actual cost of the Handback Works may be higher than the Handback Amount.
8. From the date of the agreement (or determination in accordance with Schedule 20 (*Dispute Resolution Procedure*)) of the matters identified in paragraph 7, the Authority shall be entitled to withhold all or a proportion of each subsequent Monthly Service Payment up to the amount of the Handback Amount, provided that prior to the [Senior Debt Final Repayment Date]³²² the Authority shall not be entitled to withhold more than [30%] of each Monthly Service Payment and the provisions of paragraph 12 shall apply. The Authority shall pay such amounts into an interest bearing account in its own name (the "**Retention Fund**").

³²² The retention provided for at paragraph 8 may be reviewed on a project specific basis in consultation with the Welsh Government. The Authority should seek advice on suitable standards.

9. Project Co may elect by notice in writing to the Authority within ten (10) Business Days of the agreement (or determination in accordance with Schedule 20 (*Dispute Resolution Procedure*)) of the matters identified in paragraph 7 to procure the provision of a bond (the "**Handback Bond**") in favour of the Authority (and in a form acceptable to the Authority (acting in its sole discretion)) for an amount equal to the Handback Amount and from a bank or insurance company authorised to carry out business in the United Kingdom, and upon delivery of the same to the Authority, the provisions of paragraph 8 shall not apply.
10. Project Co shall carry out the Handback Works to the satisfaction of the Authority's Representative in accordance with Good Industry Practice and in accordance with the Handback Programme so as to meet the Handback Requirements.
11. Notwithstanding:
 - 11.1 the agreement of the Authority's Representative to any Handback Works, the Handback Programme or the Handback Amount;
 - 11.2 the participation of the Authority's Representative in any inspection under this Schedule; and/or
 - 11.3 the complete or partial carrying out of the Handback Works,

Project Co shall not be relieved or absolved from any obligation to conduct any other survey, inspection or to perform any other works in accordance with the Service Level Specification and Method Statements, Clause 23 (*Maintenance*) or Clause 24 (*Lifecycle Replacement*) and the provisions of this Schedule 18 (*Handback Procedure*); shall in no way be seen to limit the Authority's general rights to inspect and survey the Facilities.

12. Where this paragraph 12 applies, if and to the extent that Project Co carries out any material part of the Handback Works in accordance with paragraph 7, Project Co may make a claim for payment for the work carried out. Any such claim shall be accompanied by a certificate by Project Co setting out the works performed and the value of such works. The Authority shall be entitled to require any reasonable further evidence in respect of the valuation of the works and the Authority may require that such claim is verified through certification by the Independent Surveyor. The Authority shall make payment of the amount of a valid claim within twenty (20) Business Days of the date of receipt of the claim and shall be entitled to withdraw that amount from the Retention Fund. If at any time the amount in the Retention Fund is insufficient to cover the costs claimed by Project Co, the Authority shall pay the unpaid portion of such valid claim from any amounts which subsequently stand to the credit of the Retention Fund. In the event that the amount remaining in the Retention Fund on the Expiry Date is insufficient to cover Project Co's costs which have not been paid, Project Co shall bear the balance of such costs itself.
13. The Authority shall procure that not later than sixty (60) Business Days before the Expiry Date, a further Handback Survey is carried out. Such inspection shall confirm whether or not the condition of the Facilities is in accordance with paragraph 2 above.

14. On, or within ten (10) Business Days after, the Expiry Date:
 - 14.1 the Independent Surveyor (where applicable) shall issue to Project Co and the Authority a Handback Certificate and the Authority shall return the Handback Bond or pay any balance standing to the credit of the Retention Fund (as appropriate), to Project Co; or
 - 14.2 the Independent Surveyor (where applicable) shall notify Project Co and the Authority of its decision not to issue the Handback Certificate, stating the reasons for such decision (the "**Handback Deficiencies Notice**").
15. A Handback Deficiencies Notice shall set out each respect in which the Handback Works have not been completed or the Facilities do not comply with the Handback Requirements and shall state the estimated cost of procuring that the Facilities comply in all respects with the Handback Requirements.
16. Project Co may, within ten (10) Business Days after receipt of the Handback Deficiencies Notice by notice to the Authority's Representative and the Independent Surveyor, object to any matter set out in the Handback Deficiencies Notice. The notice from Project Co shall give details of the grounds of such objection and shall set out Project Co's proposals in respect of such matters (the "**Handback Response Notice**").
17. If no agreement is reached between Project Co and the Authority's Representative as to any matter referred to in the Handback Response Notice within fifteen (15) Business Days of receipt of that notice by the Authority's Representative, then either Project Co or the Authority's Representative may refer the following matters for determination in accordance with Schedule 20 (*Dispute Resolution Procedure*):
 - 17.1 whether the Facilities comply in all respects with the Handback Requirements; and
 - 17.2 the estimated cost of procuring that the Facilities comply in all respects with the Handback Requirements, where the Facilities do not comply in all respects with the Handback Requirements.
18. If it is agreed or determined in accordance with Schedule 20 (*Dispute Resolution Procedure*) that the Facilities did not, at the Expiry Date, comply in all respects with the Handback Requirements, Project Co shall pay to the Authority an amount equal to the estimated cost of completing such Handback Works (less, where applicable, any amounts standing to the credit of the Retention Fund at that time) or procuring that the Facilities comply in all respects with the Handback Requirements. Such payment shall be made not later than twenty (20) Business Days after the estimated cost has been agreed or determined and, upon such payment being received by the Authority, the Authority's Representative shall issue the Handback Certificate and return (where applicable) the Handback Bond to Project Co.
19. Project Co shall comply with the provisions of this Agreement which are applicable at expiry including but not limited to Clause 47.2 (*Transfer to Authority of Assets, Contracts etc.*) to 47.5 (*Transitional Arrangements*).

Project Co and the Authority agree that the Related Adjudicator shall have the discretion to make directions to require Project Co, the Authority and the third party who is a party to the Related Agreement to pay or make contribution to the Consolidated Adjudication Costs in different proportions. If no such directions are made, Project Co, the Authority and the third party who is a party to the Related Agreement shall bear the Consolidated Adjudication Costs in equal shares, and if Project Co, the Authority or the third party has paid more than such equal share, that party or third party shall be entitled to a contribution from the other party, parties or third party, as the case may be.
- 6.16 Notwithstanding anything to the contrary a Dispute under this Agreement may only be consolidated with a Related Adjudication, if the Related Adjudicator receives particulars of the Dispute within ten (10) days of the referral of the Related Adjudication to the Related Adjudicator under the Related Agreement.
- 6.17 Where Project Co requests that a Dispute under this Agreement be consolidated (in terms of paragraph 6.14) with a Related Adjudication and heard by the Related Adjudicator, the Dispute may only be consolidated where the Authority has previously consented in writing (or is deemed to have consented) to the identity of the Related Adjudicator appointed in respect of the Related Adjudication.
- 6.17.1 Where the Related Adjudicator is on the Construction and Operational Panel at the time of the Referral then the Authority shall be deemed to have consented to the appointment of the Related Adjudicator.
- 6.17.2 Subject to paragraph 6.18, the Authority's consent to such request shall not be unreasonably withheld and if the Authority refuses to consent, it

must give reasons in writing for its refusal. Should the Authority fail to respond within two (2) Business Days of receipt of such a request it shall be deemed to have consented to the appointment of the Related Adjudicator.

- 6.18 Project Co shall take all reasonable steps to procure that the Adjudicator appointed in respect of any dispute under a Related Agreement is an individual, who at that time is on the Construction and Operational Panel.

8.2.2 concern only those matters which relate to the Dispute between the Authority and Project Co arising out of this Agreement or in connection therewith.

- 8.3 Where the Contractor or the Service Provider or the Independent Tester makes submissions in any reference before the Adjudicator, the Adjudicator's costs of such reference shall be borne as the Adjudicator shall specify, or in default, one-third by the Authority and two-thirds by Project Co.
- 8.4 The Authority shall have no liability to the Contractor or the Service Provider or the Independent Tester arising out of or in connection with any decision of the Adjudicator or in respect of the costs of the Contractor or the Service Provider or the Independent Tester in participating in the resolution of any Dispute under this Agreement.
- 8.5 Project Co shall not allow the Contractor or the Service Provider or the Independent Tester access to any Confidential Information relevant to the issues in dispute between the Authority and Project Co save where:

SCHEDULE 23:

REFINANCING

Requirement for Authority Consent

1. Project Co shall obtain the Authority's prior written consent to any Qualifying Refinancing and both the Authority and Project Co shall at all times act in good faith with respect to any Refinancing.
2. The Authority shall be entitled to receive a one-third share of any Refinancing Gain arising from any Qualifying Refinancing.
3. The Authority shall not unreasonably withhold or delay its consent to a Qualifying Refinancing.

Project Co Details

4. Project Co shall promptly provide the Authority with full details of any proposed Qualifying Refinancing, including a copy of the proposed financial model relating to it (if any) and the basis for the assumptions used in the proposed financial model. The Authority shall (before, during and at any time after any Refinancing) have unrestricted rights of audit over any financial model and documentation (including any aspect of the calculation of the Refinancing Gain) used in connection with the Refinancing whether that Refinancing is a Qualifying Refinancing or not.

Receipt of Gain

5. The Authority shall receive its share of any Refinancing Gain as³³⁶:
 - 5.1 a single payment of the amount which, but for the provisions of this Schedule 23 (*Refinancing*), would otherwise be capable of being released as a Distribution on or about the date of the Refinancing;
 - 5.2 a reduction in the Annual Service Charges over the remaining term of this Agreement; or
 - 5.3 a combination of the above.

³³⁶ The Authority should take into account UK Accounting Standards in deciding whether to take its share of any Refinancing Gain by way of a reduction to the Annual Service Charge or lump sum payment.

Method of Calculation

6. The Authority and Project Co will negotiate in good faith to agree the basis and method of calculation of the Refinancing Gain and payment of the Authority's share of the Refinancing Gain. For the avoidance of doubt the calculation of the Authority's share of any Refinancing Gain pursuant to this Agreement shall be treated wholly separately from the calculation of Distributions which may be due and payable to the Authority as a Relevant Person. If the parties fail to agree the basis and method of calculation of the Refinancing Gain or the payment of the Authority's share, the dispute shall be determined in accordance with Schedule 20 (*Dispute Resolution Procedure*).

Costs

- 6.1 The Refinancing Gain shall be calculated after taking into account the reasonable and proper professional costs that each party directly incurs in relation to the Qualifying Refinancing and on the basis that all reasonable and proper professional costs incurred by the Authority will be paid to the Authority by Project Co within twenty-eight (28) days of any Qualifying Refinancing.
- 6.2 Without prejudice to the other provisions of this Schedule 23 (*Refinancing*), Project Co shall:
- 6.2.1 notify the Authority of all Notifiable Financings on becoming aware of the same and again when they are entered into and provide full details of the same; and
- 6.2.2 include a provision in the Funding Agreements (other than the Subordinated Funding Agreements) whereby it is entitled to be informed of any proposals which the Senior Funders may have to refinance the Funding Agreements (other than the Subordinated Funding Agreements).

Definitions

In this Schedule 23 (*Refinancing*) and elsewhere in this Agreement (save where Schedule 1 (*Definitions and Interpretation*) provides to the contrary) the following words and expressions shall have the following meanings:

"Distribution"

 - (vii) changes to milestones for drawdown [and/or amounts released from the [Escrow Account] during the [Initial Availability Period] set out in the Senior Funding Agreements and which are given as a result of any failure by Project Co to ensure that construction work is performed in accordance with the agreed construction programme and which is notified in writing by Project Co or the Senior Funders to the Authority prior to being given];

- (e) any sale of shares in Project Co [or Hold Co] by the Shareholders or securitisation of the existing rights and/or interests attaching to shares in Project Co [or Hold Co] provided that this paragraph (e) shall, in respect of shares in Hold Co, only apply for so long as Hold Co holds one hundred per cent (100%) of the issued share capital of Project Co];

"Project Accounts" means accounts referred to in and required to be established under the Senior Funding Agreements;

"Qualifying Transaction" **Bank** means:

"Refinancing Gain" means an amount equal to the greater of zero and $(A - B)$, where:

A = the Net Present Value of the Distributions projected immediately prior to the Refinancing (taking into account the effect of the Refinancing using the Financial Model as updated (including as to the performance of the Project) so as to be current immediately prior to the Refinancing but disregarding any Distribution that, but for the Refinancing, would not be made) to be made to each Relevant Person over the remaining term of this Agreement following the Refinancing; and

³³⁸ If there are particular institutions which, for particular reasons, do not come within the other heads of Qualifying Bank Transaction Project Co may propose to the Authority that such institutions be included as Qualifying Institutions. In the light of the broad drafting of the other provisions in the definition of Qualifying Bank Transaction, the Authority would expect any such proposal to be specific and limited. Broad group definitions will not be entertained.

B = the Net Present Value of the Distributions projected immediately prior to the Refinancing (but without taking into account the effect of the Refinancing and using the Financial Model as updated (including as to the performance of the Project) so as to be current immediately prior to the Refinancing) to be made to each Relevant Person over the remaining term of this Agreement following the Refinancing;

[The Authority and Project Co shall establish and maintain throughout the Project Term a joint liaison committee (the "**Liaison Committee**"), consisting of [three (3)] representatives of the Authority (one of whom shall be appointed Chairman) and [three (3)] representatives of Project Co which shall have the functions described below.

 - 2.2 to provide a forum for joint strategic discussion, considering actual and anticipated changes in the market and business of the Authority, and possible variations of this Agreement to reflect those changes or for the more efficient performance of this Agreement; and
 - 2.3 in certain circumstances, pursuant to Schedule 20 (*Dispute Resolution Procedure*), to provide a means of resolving disputes or disagreements between the parties amicably.
3. The role of the Liaison Committee is to make recommendations to the parties, which they may accept or reject at their complete discretion. Neither the Liaison Committee itself, nor its members acting in that capacity, shall have any authority to vary any of the provisions of this Agreement or to make any decision which is binding on the parties. Neither party shall rely on any act or omission of the Liaison Committee, or any member of the Liaison Committee acting in that capacity, so as to give rise to any waiver or personal bar in respect of any right, benefit or obligation of either party.
4. The parties shall appoint and remove their representatives on the Liaison Committee by written notice delivered to the other at any time. A representative on the Liaison Committee may appoint and remove an alternate (who may be another representative of that party) in the same manner. If a representative is unavailable (and the other party's representatives may rely on the alternate's statement that the representative is unavailable) his alternate shall have the same rights and powers as the representative.
5. Subject to the provisions of this Agreement, the members of the Liaison Committee may adopt such procedures and practices for the conduct of the activities of the Liaison Committee as they consider appropriate from time to time and:
 - 5.1 may invite to any meeting of the Liaison Committee such other persons as its members may agree; and
 - 5.2 receive and review a report from any person agreed by its members.

6. Recommendations and other decisions of the Liaison Committee must have the affirmative vote of all those voting on the matter, which must include not less than one (1) representative of the Authority and not less than one (1) representative of Project Co.
7. Each member of the Liaison Committee shall have one (1) vote. The Chairman shall not have a right to a casting vote.
8. The Liaison Committee shall meet at least once each Term (unless otherwise agreed by its members) and from time to time as necessary.
9. Any member of the Liaison Committee may convene a meeting of the Liaison Committee at any time.
10. Meetings of the Liaison Committee shall be convened on not less than ten (10) Business Days' notice (identifying the agenda items to be discussed at the meeting) provided that in emergencies a meeting may be called at any time on such notice as may be reasonable in the circumstances.
11. Where the Liaison Committee decides it is appropriate, meetings may also be held by telephone or another form of telecommunication, by which each participant can hear and speak to all other participants at the same time.
12. Minutes of all recommendations (including those made by telephone or other form of telecommunication) and meetings of the Liaison Committee shall be kept by Project Co and copies circulated promptly to the parties, normally within five (5) Business Days of the making of the recommendation or the holding of the meeting. The parties shall ensure the activities each is responsible for carrying out during the ICT Handover Period are co-ordinated in light of this obligation, through the development of the [relevant] Final Commissioning Programme.]

2. Hours of Access

- 2.1 During the ICT Handover Period the Authority and/or any other Authority Party responsible for the installation and commissioning of ICT Assets (the "**ICT Installer**") may commission and install ICT Assets between 8am and 5pm on any Business Day. Without prejudice to Clause 17.1 (*Pre-Completion Commissioning*), if the ICT Installer requires additional access to the Site[s] beyond these hours on any given Business Day then the Authority shall provide not less than 24 hours' notice of such request to Project Co, specifying the nature of the access required and the activities proposed to be undertaken by the ICT Installer, and the Authority shall reimburse to Project Co all additional costs it reasonably and properly incurs as a direct result of providing such additional access. Project Co shall take all reasonable steps not to impede the ICT Installer(s) in the carrying out of such activities (having regard always to the interactive nature of the activities of the parties and the detailed terms of the [relevant] Final Commissioning Programme), provided that Project Co shall be deemed not to be in breach of this paragraph unless it has received notice from the ICT Installer that it is so impeding, and has failed to cease impeding the ICT Installer within one (1) hour of receiving such notice.

For the avoidance of doubt, any new ICT Assets (including any New Replacement ICT Equipment) to be procured by the Authority shall be delivered to the Existing Facility and not the Facilities and will be decanted in accordance with Section 2 (*Decant Protocol*) of Schedule 11 (*Equipment*).
- 3.2 The ICT Installers shall be permitted to use Project Co's onsite trolleys (or equivalent) where available and where required to install, test and/or integrate the ICT Assets.

 - (b) Portable ICT Assets - the Authority shall procure that the ICT Installer shall return all Portable ICT Assets to the Secure Room at the end of each day.
- 4.1.6 The Authority shall be responsible for Damage to any ICT Assets when such ICT Assets are in an Authority Control Period, save where and to the extent that the Damage is caused or contributed to by Project Co or a Project Co Party in which case Project Co shall be responsible for such Damage.

5. Deployment

- 5.1 Project Co shall ensure that when ICT Assets are decanted to [the]/[a] Site they are stored in a Secure Room.
- 5.2 Project Co shall provide and maintain a log recording and documenting the delivery of ICT Assets to the Site[s] and into the Secure Rooms so that at all times during the ICT Handover Period an accurate and up-to-date record of the contents of the Secure Room and ICT Asset location is maintained (the "**ICT Asset Log**"), provided the Authority shall, or shall procure that the ICT Installer shall, report to Project Co the ICT Assets being signed in and out of the Secure Room pursuant to paragraphs 4 and 5.3 of this Section 2 (*Construction Phase Access Protocol*) of Schedule 34 (*Joint Operating Protocol*) on such deposit/removal. - 5.5 Nothing in paragraph 5.4 above, shall prevent it being agreed by the parties or determined in accordance with the Dispute Resolution Procedure, following receipt of an ICT Asset Log, that an ICT Asset which was shown in the ICT Asset Log as being Deployed was not in fact Deployed. Where such agreement or determination is made, for the purposes of this Schedule 34 (*Joint Operating Protocol*) the ICT Asset in question shall be treated as having been Deployed from the point at which it was actually Deployed, rather than from the point that the ICT Asset Log in question was received.

6. Non Interference by the ICT Installer

- 6.1 The Authority acknowledges that whilst it, or any other party being an ICT Installer, is taking delivery of and installing ICT Assets during the ICT Handover Period Project Co shall also be at the [relevant] Site for the purpose of:
