3 Advice

- 3.1 Based on the findings of the consultation, the advice of officers is that the Council should proceed with the proposal to change the language category of Ysgol Bro Hyddgen by publishing a Statutory Notice.
- 3.2 It is anticipated that the Statutory Notice will be published in June 2021, and that a further report, summarising any objections received, will be considered by the Council's Cabinet before the end of September 2021.
- 3.3 The target would be to implement the change on a phased basis, year by year, starting with Reception aged pupils in September 2022.

- 3.4 It must be noted that proceeding with the proposal to change the school's language category does not preclude that school from being a part of future reorganisation proposals.

4. Resource Implications

- 4.1 As indicated in the Consultation Document published in respect of this proposal, based on estimated pupil numbers for Ysgol Bro Hyddgen in September 2022 it is estimated that changing the school's language category would result in annual revenue savings to the Council of approximately £184k per annum, once the school is fully single-stream. There would be no saving in the first year, and although there would be opportunities for savings as the phasing takes place, this would be dependent on pupil numbers. The effectiveness of a single-stream school is optimised in the secondary sector.

It is not anticipated that there would be an impact on transport costs, and there would be no capital costs.

- 4.2 Implementation of the proposal would require involvement from a number of service areas, including staff from the Schools Service, HR and Finance.
- 4.3 The Head of Finance (Section 151 Officer) notes the content of the report and can support the recommendations.

5. Legal implications

- 5.1 Legal: The recommendation can be supported from a legal point of view.
- 5.2 The Head of Legal and Democratic Services (Monitoring Officer) has commented as follows: I note the content of the report and have nothing to add.

6. Comment from local member(s)

- 6.1 No comments received.

7. Integrated Impact Assessment

- 7.1 An initial impact assessment was considered by Cabinet on the 10th November 2020.
- 7.2 In addition, a range of draft impact assessments were produced as part of the consultation documentation. These included an Integrated Impact Assessment, an Equalities Impact Assessment, a Community Impact Assessment and a Welsh Language Impact Assessment.

7.3 These draft impact assessments have been updated to reflect issues raised during the consultation period, and are attached in Appendix D.

8. Recommendation

- To receive the Consultation Report in respect of changing the language category of Ysgol Bro Hyddgen.
- To approve the publication of a statutory notice to make a regulated alteration to alter the medium of instruction at Ysgol Bro Hyddgen to Welsh-medium, on a phased basis, year-by-year, starting with Reception in September 2022.
