**Section 2: Constituency Activity**

Within my ward I have undertaken the following:

- A new short road has been adopted by the Council, which was put in after improvements to the new A470, which leads to several properties and means that the owners will no longer have to maintain this short road.
- Improvements to the bends on the A483 by New Mead turn, where there were frequent accidents. The improvements have now stopped the accidents.
- I claimed my travel expenses, which I gave back to my community each year. This includes £800 to the churches and chapels within my ward, also supplying Christmas and lights to Howey Village Hall and Sunny Haven.
- Obtained about a £4500 grant for a bus shelter to be put in Caerwnon Park. I will also be putting in a concrete base at my own expense.
- I was successful in campaigning to get bus services continued to Caerwnon Park after the threat of taking it away to save costs. The service is a five day service.
- Got extra white lines outside Howey Village Hall marking the roadway and had extra white lines put outside Pont-Ithan bridge Newbridge.
- Had several meetings with park owners regarding the new legislation which came in last year.
- Led the Conservative Group on saving ALN schools which proved to be successful

with the help of parents.

- Obtained repairs to roads and to the bus shelter at Howey village.
- Successfully campaigned for the mobile post office to come to Howey village after the permanent post office closed.

- Cafodd grant o £4500 ei sicrhau i godi cysgodfan bws ym Mharc Caerwnon. Byddaf yn talu fy hunan i osod sylfaen concrit ar gyfer hyn.
