

SECTION 7 – SCRUTINY COMMITTEES

Introduction

- 7.1 The Council is required by Law to discharge certain overview and scrutiny functions. These functions are an essential component of local democracy. The Scrutiny Committees should be powerful committees that can contribute to the development of Council policies and also hold the Cabinet to account for its decisions. Another key part of the overview and scrutiny role is to review existing policies, consider proposals for new policies and suggest new policies.
- 7.2 Overview and scrutiny should be carried out in a constructive way and should aim to contribute to the delivery of efficient and effective services that meet the needs and aspirations of local inhabitants. Scrutiny Committees should not shy away from the need to challenge and question decisions and make constructive criticism.

Scrutiny Committees

- 7.3 In order to achieve this, the Council will appoint three Scrutiny Committees (and in addition the Council will participate in a PSB Scrutiny Committee) which between them will:
- 7.3.1 review or scrutinise decisions made or actions taken in connection with the discharge of any of the Council’s functions whether by the Cabinet or another part of the Council;
 - 7.3.2 make reports or recommendations to the Cabinet or the Council in connection with the discharge of any functions;
 - 7.3.3 consider any matter which affects the Council’s area or its inhabitants; and
 - 7.3.4 exercise the right to call in for reconsideration decisions made, but not yet implemented, by the Cabinet and Officers.
