Dear Sir/Madam,

Application for premises licence: Licensing Act 2003	
Applicant:	Mrs Anne Davies And Mrs Catrin Price
Site Address:	Country Kitchen Deli & Bistro, Pegasus Lane, Brecon Powys LD3 7BH

I am writing to advise you that the Brecon Beacons National Park Authority ("the Authority") as the local planning authority, has received the above mentioned licence application on the 29.11.2021.

Given NRW Evidence Report 489 (Jan 2020) as competent authority, please consider the impact of this proposal on the River Usk Special Area of Conservation.

<https://cdn.cyfoethnaturiol.cymru/media/693025/compliance-assessment-of-welsh-sacs-against-phosphorus-targets-final-v10.pdf?mode=pad&rnd=132557227300000000>
<https://www.gov.uk/guidance/habitats-regulations-assessments-protecting-a-european-site>

Following a planning constraints check it has been established that the use class of this property is currently A1- Retail. Regarding planning permission and the use of the building, whilst the delicatessen is considered to be within A1 use class, the proposed bistro is considered an A3 use and planning permission for mixed use (A1 and A3) is usually required. During the pandemic, a relaxation of the requirement for planning permission is being trialled and the above change of use is currently deemed Permitted Development (if in the Town Centre) for 6 months from the day the use begins, or until 29/04/2022;

<https://gov.wales/coronavirus-covid-19-new-temporary-permitted-development-rights-support-economic-recovery-html>

Any proposal to take advantage of the permitted development rights would require to be notified to the LPA prior to commencement and would also require to be given prior approval under Regulation 75 to 77 of the The Conservation of Habitats and Species Regulations 2017 (as amended).

It is noted that this A3 use is yet to begin; I therefore ask that you make the licence applicant aware of the planning requirements outlined above. It may not be an acceptable change if likely effects on the SAC cannot be ruled out. The first step would be to notify the LPA of their intention, in accordance

Application for a New Premises Licence.
Country Kitchen Bistro,
Pegasus Lane,
Brecon
LD3 7BH

I am writing to lodge my objections to the above application.

My objections are listed below and Supported by the following Convention.

European Convention of Human Rights.

Article 1. abridged

A person should be allowed the peaceful enjoyment of their life, possessions and property.

Article 8. abridged

No person should be deprived of the right to the peaceful enjoyment of their life, possessions and property by the action or inaction of a Government or its officers.

Objection.

The proposed licensed premises is on a quiet semi residential street. This would add a noise nuisance to the residents of the street.

The second floor of the premises is abutting private accommodation. The licence should not be granted, on the grounds this would cause unwanted disturbance to the residents. Denying them the lawful right to the peaceful enjoyment of their property.

At time of writing, planning consent has neither been sort or granted for the change of use.

As consent was refused for a similar application in the past (ECHR) noise nuisance. It seems plausible that it will also be refused again.

At present there is no need for a license to be granted. Until planning is granted.

Closing argument.

The license should not be considered.

As there is no need for one. No planning Consent..

That the granting, would breach the European Convention of Human Rights.

Dear Lord Hill,

In respect of your objections below I have spoken to the applicants about your concerns.
The application is for both the retail shop on the ground floor (off sales only) and for the first floor (currently not in use) they plan on making into a small bistro and have applied to make on-sales of alcohol here.

They are aware that they will need change of use from the planning authority for the bistro and they are already engaged with BBNP about that, a separate planning application will be required.
They would not lawfully be able to operate the bistro and sell alcohol without both the required planning permission and licence in place.

They have offered to amend the hours of the bistro from a terminal hour of midnight (Thurs -Sun) to 22.00 hours (Thurs – Sun). Does this assist at all? would you be prepared to reconsider your objection on this basis? If not is there any amendment to the application that you would find more acceptable?

Please can you let me know your thoughts.

I am attempting to see if there is a amendment to the application that would be acceptable to both parties so that the need for a licensing hearing can be dispensed with.

Good morning,

Thank you for your email.

I can confirm that the National Park Planning Department has not been contacted by the license applicants following our consultation comments.

If an application is forthcoming it would be measured against relevant National Policy and Local Development Plan (2013) Policy.

In relation to opening hours I confirm that a standard approach taken by the National Park is 9am -5pm Mondays to Saturdays, with more limited hours on Sundays and Bank Holidays - 10am - 4pm.

If an application is forthcoming I can confirm that it would be expected to be a delegated decision. It would only be taken to a Planning Committee for decision if it was considered to be in the public interest to do so or if it was called in by a member of the Authority.

I have consulted my senior colleagues regarding participation in the hearing and I will be in touch if anyone would like to attend.

Regards

Kathy

Hi Kathy,

This application is proceeding to a hearing as we have had objections from a resident on the grounds of potential noise nuisance (for the bistro element) . I'm in the process of drafting the report for the panel to consider. I will include your comments about the planning status that have already been passed onto the applicants.

On making reference to the Home office Guidance document Revised Guidance issued under section 182 of the Licensing Act 2003 (publishing.service.gov.uk) it says:

Considering cases where licensing and planning applications are made simultaneously 9.45 Where businesses have indicated, when applying for a licence under the 2003 Act, that they have also applied for planning permission or that they intend to do so, licensing committees and officers should consider discussion with their planning counterparts prior to determination with the aim of agreeing mutually acceptable operating hours and scheme designs

Is there any thing I can add to the report from a BBNP perspective? – have the applicants approached you at all about the change of use required?

With a view to agreeing acceptable operating hours or conditions on the licence is there anything likely to be mutually acceptable that would give the panel some steer on this?

Of course, planning and licensing are sperate regimes and I will highlight this to the panel and the applicant that both consents will be required to lawfully operate, just wondering if it is better to avoid anomalies with the planning and licence, although I guess it is unavoidable if the planning decision will ultimately not be an officer one.

If there is any merit or you wish to particate the hearing please let me know

Regards

Sue
