Section R Member Champion Purpose and Role

What are Member Champions?

Member Champions exist to provide a voice for traditionally under-represented groups, or issues which need to be kept at the forefront of Council business although they may not be the responsibility of any individual or committee.

Member Champions (sometimes called lead members) are elected members who in addition to their other Council responsibilities make sure that the issue or group that they are championing are taken into account when Council policy is being developed and decisions are made. Members act as champions in areas such as children, homelessness, equalities, older people, young people, scrutiny, member support and development, health improvement and anti-poverty. There is a statutory role for a lead member of children's and young people's services with a responsibility for over-seeing the arrangements made under Sections 25 and 26 of the 2004 Children Act.

Guidance on undertaking the role with regard to the subject knowledge that members need is sometimes available from the outside bodies associated with the issue being championed for example the toolkit for older peoples' champions from the Welsh Local Government Association [WLGA]. Otherwise they will be reliant on their authority for guidance in the subject they lead on and also their role as lead member in this area.

What do they do?

Typically, the lead member will:

- Make sure that their area of interest is taken into account when developing policy or making decisions
- Ask questions about performance and resourcing for the area
- Raise the profile of the area and make the authority aware of good practice
- Engage with external bodies who work in the area
- Engage with other officers and members in relation to the role
- Engage with community groups with an interest/stake in the area
- Report action to the Council

How does their role fit within the corporate structure?

This will vary according to the area/issue that is being championed and how the authority functions. There is potential for confusion and overlap between the role of the member champion and those of the relevant Cabinet member or overview and scrutiny members. The champion role itself could be undertaken by either the relevant Cabinet member or a non-Cabinet member.

It is therefore important that members and officers work together to agree roles and action for the area being championed and that there are mechanisms for lead members to report on their activities. It is helpful for the authority to draft a protocol which sets out what powers champions have and do not have, such as whether or not they are able to make decisions on behalf of the authority. Similarly, the appointment of champions varies between authorities, and includes appointments being made by Full Council meetings or by the Leader.

The Role Description

It is difficult to create a role description that fits with the different roles expected of champions and how they operate in the different authorities' structures. The following is a generic model which will require local adaptation, particularly to reflect the difference that may exist between a statutory role, one undertaken by a Cabinet member and a non-Cabinet lead.
