Non Affiliated	3	5.515	6
Totals	68	125.000	126
Note 1.			
Multiplier = No of Members on group divided by the Number of Members on the Council			
Note 2.			

Aggregate seats = number of seats on all committees allocated to the political groups to reflect that group's proportion of the membership of the Council. This is based on a total of 124 maximum number of seats on all committees. The seats are calculated by multiplying the multiplier for each group by the total number of seats.
