It was moved by County Councillor Ap Gwynn and seconded by County Councillor Ratcliffe and

RESOLVED that County Councillor Harris be appointed Vice-Chair for the coming year.

It was proposed that the Chairs of the Mid Wales Corporate Joint Committee be alternated each year between the Leaders of Powys County Council and Ceredigion County Council.

4.	DECLARATION OF PERSONAL INTERESTS
----	-----------------------------------

There were no disclosure of interests to declare relating to matters to be considered on the agenda.

5.	APPOINTMENT OF MWCJC STATUTORY OFFICERS
----	---

The regulations required the CJC to appoint three statutory officers, comprising of a Chief Executive, a Chief Finance Officer ('Section 151 Officer') and a Monitoring and Proper Officer. The Chief Executive role will rotate annually between the Chief Executives of Powys County Council and Ceredigion County Council.

RESOLVED to appoint

- 1. Dr Caroline Turner, Powys County Council as Chief Executive.**
- 2. Stephen Johnson, Ceredigion County Council as Chief Finance Officer/Section 151 Officer.**
- 3. Clive Pinney, Powys County Council as Monitoring and Proper Officer.**

The Chair thanked everyone for their contributions to the setting up of this meeting this far and congratulated all on their new roles within the CJC.

6.	ADOPTION OF MWCJC STANDING ORDERS/CONSTITUTION
----	--

The CJC was required to make Standing Orders to regulate its proceedings and business. The Monitoring Officer advised that the regulations set out by Welsh Government envisaged CJC's working within the 'Local Government family' with, to a large extent, the same powers and duties of Local Authorities. This had been reflected in the draft standing orders.

Whilst the MWCJC was a corporate body and could employ staff and have its own budget, officers from Powys and Ceredigion have been nominated to work as Officers of the MWCJC.

The membership of the MWCJC would consist of the two Leaders of the Local Authorities, with a representative from the Brecon Beacons National Park Authority when dealing with the Strategic Development Plan. To enable the CJC to undertake its functions, it was suggested that three sub-committees be established:

- Sub Committee for the Regional Transport Planning
- Sub Committee for the Economic Well-being
- Sub Committee for the Strategic Development Planning

In addition, an Audit and Governance Committee, a Standards Committee and a Scrutiny and Overview Committee would be appointed in due course.

In response to questions about the role of the National Park in governance and scrutiny, the Monitoring Officer advised that further Welsh Government Guidance on those issues was awaited.

RESOLVED

- 1. To adopt the standing orders for the Corporate Joint Committee and accept the proposed direction for the Constitution in Appendix 1 of the Report.**
- 2. To delegate the power to the Monitoring Officer to make editorial changes to the standing orders for their publication.**
- 3. To approve the creation of the sub committees identified in Paragraph 18 of the Report.**

7.	MWCJC FORWARD WORK PROGRAMME
----	------------------------------

The MWCJC considered the Forward Work Programme.

The Monitoring Officer advised that responsibility for the three functions did not actually transfer to the MWCJC until July so there was some vagueness in the guidelines. Tranche 3 of the guidelines was expected at any time followed by tranche 4 of the guidelines in the Spring 2022. The Monitoring Officer advised that work would take place in the background to make sure that things are ready for the transfer of functions.

RESOLVED to approve the MWCJC forward work programme.
