**Powys**

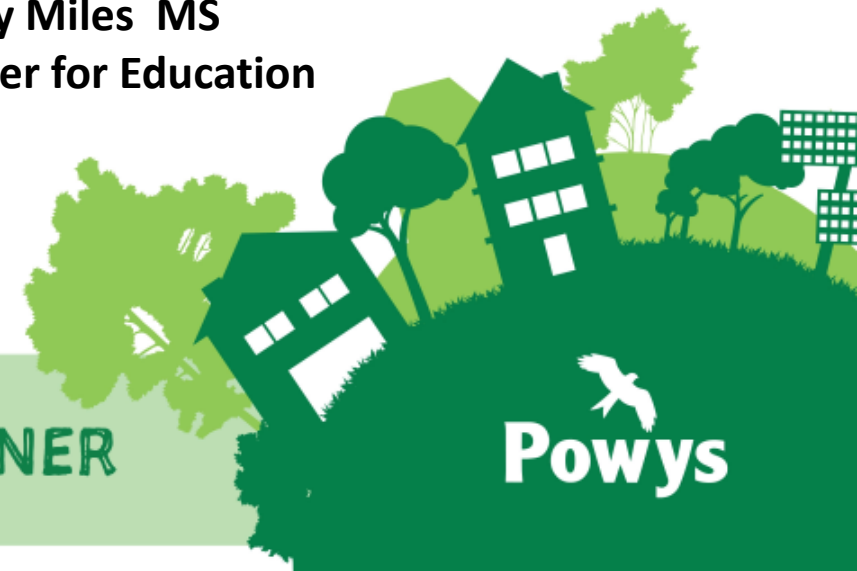

*'....for some time, learning to play a musical instrument has been for those few whose parents and carers could afford the tuition costs. This inequality must end so that no child or young person should ever miss out through a lack of means. Our vision for the National Plan for Music Education is for all children and young people across Wales, regardless of background, to have the chance to learn to play an instrument.'*

**Jeremy Miles MS**  
**Minister for Education**

*For more information on the National Plan for Music Education visit*

# IMPACT

Closer working across clusters as well as primaries to secondaries.

Music charities in Powys will grow and nurture musicians of the future.

Working more closely with partners across Wales. Increased awareness of impact of the Expressive Arts on well-being and personal and social development. A spotlight on pedagogies across the world that invest heavily in arts education.

# Challenges

Sustainability – demand and interest is growing at a brilliant, yet alarming rate!

Currently the music grant is until 2024 with final pieces of work carried out 2024-2025

IF YOU WANT TO HAVE THIS...

...THEN YOU HAVE TO HAVE THIS.
