The Learning and Skills Scrutiny Committee met on 15th January 2024 and considered the following documents:

- **Consultation Document 2023-24 School Funding Formula Review**
- **Formula Review 2023 Consultation Responses and Proposals Report**
- **Impact Assessment Amendments to the School Funding Formula**

The Learning and Skills Scrutiny Committee thank the Portfolio Holder for a Learning Powys and Finance and Corporate Transformation and officers for attending scrutiny.

Scrutiny made the following observations:

- The Committee welcomed:
 - Efforts made on tackling child poverty, through the work of the RADI programme and the utilisation of grants awarded.
- The Committee requested that:
 - There was a continued emphasis on communication by the Cabinet, the Schools Service and schools in respect of families applying for FSM provision. This could provide a gateway for other available benefits, of particular importance for Powys' most disadvantaged learners.
 - A review of the progress and possible outcomes of the School Funding Formula to be brought to Learning and Skills Scrutiny Committee, with input from Head Teachers across the sectors.
 - That the School Budget Forum as part of their deliberations for future recommendations consider the TROCHI immersion across Powys within the Schools Funding Formula.
- The Committee remained unconvinced about
 - Responses to schools, learners and their families for LA IDP's being received within 35days, as was not evidenced nor experienced of some Committee members.

Scrutiny's Recommendation to Cabinet are that:	Accept (plus Action and timescale)	Partially Accept (plus Rationale and Action and timescale)	Reject (plus Rationale)
