Representations regarding the 2015-16 financial statements

This letter is provided in connection with your audit of the financial statements (including that part of the Remuneration Report that is subject to audit) of Powys County Council for the year ended 31 March 2016 for the purpose of expressing an opinion on their truth and fairness, their proper preparation and the regularity of income and expenditure.

We confirm that to the best of our knowledge and belief, having made enquiries as we consider sufficient, we can make the following representations to you.

Management representations

Responsibilities

We have fulfilled our responsibilities for:

- The preparation of the financial statements in accordance with legislative requirements and the Code of Audit Practice; in particular the financial statements give a true and fair view in accordance therewith.
- The design, implementation, maintenance and review of internal control to prevent and detect fraud and error.

Information provided

We have provided you with:

- Full access to:
 - all information of which we are aware that is relevant to the preparation of the financial statements such as books of account and supporting documentation, minutes of meetings and other matters;
 - additional information that you have requested from us for the purpose of the audit; and
 - unrestricted access to staff from whom you determined it necessary to obtain audit evidence.
- The results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- Our knowledge of fraud or suspected fraud that we are aware of and that affects Powys County Council and involves:
 - management;
 - employees who have significant roles in internal control; or
 - others where the fraud could have a material effect on the financial statements.
- Our knowledge of any allegations of fraud, or suspected fraud, affecting the financial statements communicated by employees, former employees, regulators or others.
- Our knowledge of all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing the financial statements.
- The identity of all related parties and all the related party relationships and transactions of which we are aware.

Financial statement representations

All transactions, assets and liabilities have been recorded in the accounting records and are reflected in the financial statements.

Significant assumptions used in making accounting estimates, including those measured at fair value, are reasonable.

Related party relationships and transactions have been appropriately accounted for and disclosed.

All events occurring subsequent to the reporting date which require adjustment or disclosure have been adjusted for or disclosed.

All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to the auditor and accounted for and disclosed in accordance with the applicable financial reporting framework.

The financial statements are free of material misstatements, including omissions. The effects of uncorrected misstatements identified during the audit are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

There is one uncorrected misstatement with a net book value of £342,488 which relates to legal costs that have been capitalised following the acquisition of assets in 2006/07. Due to the passage of time we are unable to identify which specific asset(s) the legal costs relate to. We believe that the adjustment would not change the position of the financial statements or the understanding of them to any reader.

Representations by those charged with governance.

We acknowledge that the representations made by management, above, have been discussed with us.

We acknowledge our responsibility for ensuring that the Council maintains adequate accounting records.

We acknowledge our responsibility for the preparation of true and fair financial statements in accordance with the applicable financial reporting framework. The financial statements were approved by Powys County Council on 30 September 2016

We confirm that we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that it has been communicated to you. We confirm that, as far as we are aware, there is no relevant audit information of which you are unaware
